The Panama Station has completed the preparation of Field Information Reports based on information provided by NYAB from his contacts in Mexico with IDENTITY 1 and IDENTITY 2. Such reports did not, however, include operational details of such contacts, summary of which follows:

1. NYAB checked into his hotel in Mexico City on a Friday morning and immediately telephoned IDENTITY 3, making an ostensibly innocuous inquiry using specific terminology in line with procedures arranged by IDENTITY 1 during previous meetings with NYAB in Mexico City. Although this inquiry was intended to alert NYAB's contact for a meeting the following day (alternate meeting twenty-four hours later), the system failed or IDENTITY 1 did not follow through for unknown reasons. Five days later (Tuesday), NYAB requested the assistance of IDENTITY 4 in contacting IDENTITY 1. IDENTITY 4 instructed NYAB to meet him the following night (Wednesday) at 7 p.m. on the corner of San Luis and Caucece Avenue. Alternate meeting was fixed for twenty-four hours later.
2. IDENTITY 4 did not appear for the first meeting, but did appear for the alternate meeting on Thursday. He and NYAB entered a taxi, and drove to the corner of Xola Boulevard and Lollivar Street in the Colonia Alamos, where NYAB walked one block while IDENTITY 4 went to determine

whether IDENTITY-1 had arrived for the meeting. He returned to NYAB about twenty minutes later and said that the meeting had been postponed until the following day (Friday). IDENTITY-1 did not show for the Friday meeting, and NYAB and IDENTITY-4 agreed that no further effort should be made until Monday. IDENTITY-1 did not appear for the Monday meeting, but on Tuesday IDENTITY-4 instructed NYAB to go to the corner of Toledo and Andalucia in the Colonia Alamos at 8 p.m., to enter a small store there, and drink a soda. IDENTITY-1 whom NYAB would recognize, would pass the store during that interval. This contact plan was carried out as scheduled, with NYAB finally meeting IDENTITY-1 approximately one block from the store in question. The next meeting was fixed for the following day (Wednesday) at 8 p.m. in front of the Mexican Power and Light Building for the purpose of delivering \$20,000 to NYAB and for passing of reports from the Party in Panama.

3. The Wednesday meeting took place as scheduled. NYAB and IDENTITY-1 went to a restaurant, where IDENTITY-1 reviewed the reports provided by NYAB and discussed Party matters in accordance with the briefing given NYAB by Party leaders prior to his departure from Panama. At the end of their discussion, IDENTITY-1 told NYAB to go to a nearby corner and wait there for him, that he would return in a few minutes with the funds. NYAB did as he was told. IDENTITY-1 returned to the corner within a few minutes, continued walking a short distance, and turned into a small lane. NYAB followed, and also entered the lane; however, he noted that he was being followed by a car driven by a man of Slavic appearance who stopped his car at the entrance to the lane and dimmed the lights. NYAB feels that this was a surveillance of the meeting by IDENTITY-1's associates, however, there were no further unusual incidents and the funds were passed as planned.
4. NYAB had arranged to meet IDENTITY-4 at 1 p.m. on Thursday at the corner of San Luis and Cuatrecasas for a meeting with IDENTITY-2; however, IDENTITY-4 substituted for IDENTITY-4 with the explanation that IDENTITY-4 was busy. IDENTITY-5 said that he would wait with NYAB to introduce him to a Party member (a woman) who would take him to the meeting with IDENTITY-2. IDENTITY-5 said that the meeting would be held at a restaurant in Coyocan, because this would be more comfortable for all concerned. A short time later, the woman appeared driving a car which NYAB entered after being introduced by IDENTITY-5. During the drive, the woman told NYAB that her name is IDENTITY-6. She said that she is a medical doctor who studied in Europe. In France she met some youths who interested her in attending a World Youth Festival. On her return to Mexico, she joined the Mexican Communist Party. She said that she had worked in Cuba and had taken a political training course there. She now works as a political educator for the Party in Mexico. She has a sister, IDENTITY-7 who works in the women's movement of the Party.
5. IDENTITY-6 said that she had planned to return to Mexico from Cuba on the day that President John Kennedy was assassinated, but because of the assassination her return was delayed. She said that there is much sectarianism and many supporters of a Chinese hard-line position in Cuba; however, the people involved are the least qualified of the Cubans, politically speaking. She said that these people

6. Because of the location of the restaurant in the center of a block in Coyocan, NYAB was unable to provide the name of the street on which it is located. He said that it is a typical Mexican restaurant in a colonial building, and that the employees wear native dress. IDENTITY-2 arrived somewhat late at the restaurant, explaining that they lost their way because they did not know Coyocan. NYAB identified them as IDENTITY-3 and a large heavy-set man whose name NYAB does not know. Following the luncheon, NYAB was driven to the home of a personal friend by IDENTITY-6. The following day (Friday), he returned to Panama.

SUBJECT	LWAB/Operations Contacts in Mexico with Soviets and Cubans			

ACTION REQUIRED - REFERENCES

The Panama Station has completed the preparation of Field Information Reports based on information provided by LWAB from his contacts in Mexico with IDENTITY 1 and IDENTITY 2. Such reports did not, however, include operational details of such contacts, summary of which follows:

1. LWAB checked into his hotel in Mexico City on a Friday morning and immediately telephoned IDENTITY 3, making an ostensibly innocuous inquiry using specific terminology in line with procedures arranged by IDENTITY 1 during previous meetings with LWAB in Mexico City. Although this inquiry was intended to alert LWAB's contact for a meeting the following day (alternate meeting twenty-four hours later), the system failed or IDENTITY 1 did not follow through for unknown reasons. Five days later (Tuesday), LWAB requested the assistance of IDENTITY 4 in contacting IDENTITY 1. IDENTITY 4 instructed LWAB to meet him the following night (Wednesday) at 7 p.m. on the corner of San Luis and Cuatrecasas Avenue. Alternate meeting was fixed for twenty-four hours later.
2. IDENTITY 4 did not appear for the first meeting, but did appear for the alternate meeting on Thursday. He and LWAB entered a taxi, and drove to the corner of Xola Boulevard and Lollivar Street in the Colonia Alamos, where LWAB walked one block while IDENTITY 4 went to determine

whether IDENTITY-1 had arrived for the meeting. He returned to NYAB about twenty minutes later and said that the meeting had been postponed until the following day (Friday). IDENTITY-1 did not show for the Friday meeting, and NYAB and IDENTITY-4 agreed that no further effort should be made until Monday. IDENTITY-1 did not appear for the Monday meeting, but on Tuesday IDENTITY-4 instructed NYAB to go to the corner of Toledo and Andalucia in the Colonia Alamos at 8 p.m., to enter a small store there, and drink a soda. IDENTITY-1 whom NYAB would recognize, would pass the store during that interval. This contact plan was carried out as scheduled, with NYAB finally meeting IDENTITY-1 approximately one block from the store in question. The next meeting was fixed for the following day (Wednesday) at 8 p.m. in front of the Mexican Power and Light Building for the purpose of delivering \$20,000 to NYAB and for passing of reports from the Party in Panama.

3. The Wednesday meeting took place as scheduled. NYAB and IDENTITY-1 went to a restaurant, where IDENTITY-1 reviewed the reports provided by NYAB and discussed Party matters in accordance with the briefing given NYAB by Party leaders prior to his departure from Panama. At the end of their discussion, IDENTITY-1 told NYAB to go to a nearby corner and wait there for him, that he would return in a few minutes with the funds. NYAB did as he was told. IDENTITY-1 returned to the corner within a few minutes, continued walking a short distance, and turned into a small lane. NYAB followed, and also entered the lane; however, he noted that he was being followed by a car driven by a man of Slavic appearance who stopped his car at the entrance to the lane and dimmed the lights. NYAB feels that this was a surveillance of the meeting by IDENTITY-1's associates, however, there were no further unusual incidents and the funds were passed as planned.
4. NYAB had arranged to meet IDENTITY-4 at 1 p.m. on Thursday at the corner of San Luis and Cuatrecasas for a meeting with IDENTITY-2; however, IDENTITY-5 substituted for IDENTITY-4 with the explanation that IDENTITY-4 was busy. IDENTITY-5 said that he would wait with NYAB to introduce him to a Party member (a woman) who would take him to the meeting with IDENTITY-2. IDENTITY-5 said that the meeting would be held at a restaurant in Coyocan, because this would be more comfortable for all concerned. A short time later, the woman appeared driving a car which NYAB entered after being introduced by IDENTITY-5. During the drive, the woman told NYAB that her name is IDENTITY-6. She said that she is a medical doctor who studied in Europe. In France she met some youths who interested her in attending a World Youth Festival. On her return to Mexico, she joined the Mexican Communist Party. She said that she had worked in Cuba and had taken a political training course there. She now works as a political educator for the Party in Mexico. She has a sister, IDENTITY-7 who works in the women's movement of the Party.
5. IDENTITY-6 said that she had planned to return to Mexico from Cuba on the day that President John Kennedy was assassinated, but because of the assassination her return was delayed. She said that there is much sectarianism and many supporters of a Chinese hard-line position in Cuba; however, the people involved are the least qualified of the Cubans, politically speaking. She said that these people

adore Fidel Castro, and act on the basis of what Castro says, not on the basis of whether or not Castro is right. The old members of the Partido Socialista Popular are in a very difficult position, and are generally disliked.

- 6. Because of the location of the restaurant in the center of a block in Coyocan, NYAB was unable to provide the name of the street on which it is located. He said that it is a typical Mexican restaurant in a colonial building, and that the employees wear native dress. IDENTITY-2 arrived somewhat late at the restaurant, explaining that they lost their way because they did not know Coyocan. NYAB identified them as IDENTITY-3 and a large heavy-set man whose name NYAB does not know. Following the luncheon, NYAB was driven to the home of a personal friend by IDENTITY-6. The following day (Friday), he returned to Panama.

~~TEJEO~~ TEJEO OVIEDO pide a JORRIN, portero de la Embajada Cubana, que diga al Embajador o a FERNANDEZ ROA que están esperando a que lleguen para empezar el acto. JORRIN indica que el Embajador tuvo que salir urgentemente a una diligencia, y FERNANDEZ ROA fué a esperar a su señora que llegaba hoy. TEJEO dice que si entonces no va a venir nadie; que si el Embajador tenía que salir debió haber nombrado un representante; que ésto es una falta total de atención y que le diga al Embajador que está bastante molesto, pues ya no puede esperar porque tiene allí a todos los invitados y es una cosa bastante penosa que les hagan esa falta de atención. Acto seguido JORRIN se pone en contacto con ROGELIO RODRIGUEZ y le hace saber que habló ahora TEJEO OVIEDO diciéndole que "están esperando a la gente de acá" para empezar el acto, y parece que está disgustado porque no ha llegado nadie; por lo que sería conveniente que ROGELIO se arrancara para allá. 7 January 1964

MEMORANDUM FOR THE RECORD

FROM : Lawrence F. Barker

SUBJECT : Meeting with LITAMIL-9, 6 January 1964

1. A meeting was held with L-9 from 2000 hours until 2320 hours 6 Jan -- pick-up and drop-off were made by car, the meeting took place at B's home with B's wife working the gate.

2. L-9 was unusually depressed -- had just received a letter from Spain indicating that his sister had been forced to leave her work as a result of excessive fatigue and the "never ending round of discussions and study circles" etc. She had not received much sympathy from the Cuban FOMIN and her request for 2 months leave in Spain was denied pending further study. L-9, who is quite fond of his sisters, took this news to heart and it ate away at him and compounded his usual miserable feeling. The first part of the meeting was taken up in a C/O delivered pep talk.

3. L-9 had the following to report:

a. At the evening reception of 2 Jan at the Embassy, the TASS representative remarked that he believed KHRUSHCHEV did not travel to Cuba to attend the anniversary celebrations because of the revelation of an exile plot to bomb Havana -- revelations which came about as the result of the arrest by the US Coast Guard of some war-like Cubans with bombs in their possession. The TASS man said that he believed that KHRUSHCHEV would show up someday in Havana quite unannounced as did CASTRO in the USSR.

b. Teresa PROENZA may be hired back by the Embassy -- APARICIO recently remarked to L-9, "Surely they will re-hire her." It is quite clear that APARICIO doesn't want her in his office again and he expressed the wish that if she were to be rehired she would work in the main embassy building.

c. In regard to the PROENZA firing, ROJAS of Cubana de Aviacion, who is married to Teresa's sister, said that he had written to FOMIN Raul ROA in her behalf but had received no reply.

d. Ambassador HERNANDEZ Armas sent a Christmas present to GOROSTIZA of the Mexican Foreign Office this year -- it was really a New Year's present, sent 31 Dec. L-9 does not know what it was.

4. L-9 was asked what all the ruckus was at the airport on 5 Jan. This drew a blank. B then said he had heard that a phalanx of Embassy officers was out there apparently guarding someone who was on his way to Cuba. L-9 didn't know anything about it. B remarked that two Cuban officials were supposedly on the flight to Havana -- one from the Embassy in Montevideo. At this point, L-9 slapped his forehead and said, "My God, [redacted] I forgot about him." He then related the details of a conversation he had had with [redacted] at the Embassy on 2 Jan -- details sent to HQS separately by cable. (See MEXI 7659). L-9 was not aware that [redacted] had been on the 5 Jan flight -- he described him perfectly. He was not made aware of KUBARK involvement in the alleged "assault" nor was he told anything about [redacted] appearance at TPELIDE.

5. L-9 identified a number of persons appearing in the photos taken at the diplomatic reception held at the Embassy 2 Jan. Identifications were noted

6. L-9 revealed that he had welcomed in the New Year at Nico GARCIA's home -- at Nico's invitation. When Nico picked him up at the Embassy they made a swing by a house at 131 Alejandro Dumas, Polanco, where Nico wanted to drop a couple of bottles off with a friend named Mary, a Cuban. L-9 tried to remain in the car -- was not dressed for calling -- but Nico insisted that he come in. Mary was not there but her sister was -- she had just recently arrived from Cuba. Another Cuban man and woman were there -- anti-Castro types who were very sad at being away from their homeland -- the man was softly crying -- probably a bit liquored up. Nico fit right in -- L-9 says that he is a master at getting along with people, even those on the other side of the political fence. (This tallies with info on file). The Mexican landlady -- an old crone -- tried to put the make on L-9, really flipped for him, and wanted him to stay but he and Nico finally drove off. L-9 does not know who these people are (to be checked out). They then went over to Nico's place where L-9 joined the family for a Cuban dinner. Nico's mother-in-law was there -- she recently came out of Cuba to be with her daughter (Nico's wife) while she has a baby -- due soon. Jorin appeared soon thereafter and joined in the meal. Nico put on some popular and light classical records, working his way from dance music to Tchaikovsky. When a carload of Embassy people -- Rogelio RODRIGUEZ and wife, Dra. MACHADO, Bertha MACHADO, and Buenaventura REYES appeared in front Nico quickly took off the music and put on a record of Fidel CASTRO intoning his Second Declaration of Havana -- the new arrivals were greeted with this as they came in the door. L-9 says that Nico is a superb actor and knew just what to do when the Patria o Muerte types showed up.

7. In response to questioning L-9 revealed that Nico looks upon him as a Fidelista but definitely not a Communist. He says that Nico is very self assured, a calm man who cannot be ruffled. He appears to have no complexes about being a Negro. Asked whether he felt there might be any chance that Nico would cooperate against CASTRO, L-9 said, "Let us face the fact that many people are becoming more and more convinced that the revolution is here to stay. This man GARCIA is one of them. On the other hand, if he could be "got to" he would be invaluable. He would be a great loss to the Embassy. I would say that the chances are slim but it would probably be worth the effort to try to win him over. He has many friends from all walks of life, many of them among the anti-Castro elements."

8. L-9 showed B some documents regarding Cultural plans of the Embassy which did not seem to merit reporting. He turned over two long lists of persons invited to the 2 Jan receptions.

9. L-9 reported that [redacted] had been in town and he identified [redacted] from among those photographed at the [redacted] of 2 Jan. [redacted] was in [redacted] two weeks ago and arrived [redacted] on 1 Jan. He hoped to continue on [redacted] right away but was unable to make the trip since he could not be assured of getting there and back [redacted] by 6 Jan -- he had to be in [redacted] on the 6th to attend a meeting of those opposing the [redacted] regime and had to attend another meeting on 10 Jan which was to be attended by [redacted] and leaders [redacted]. He hoped to be able to go [redacted] to see [redacted] of the [redacted] in order to brief [redacted] about land reform measures [redacted]. He told L-9 that he would probably be back [redacted] in February 1961 to arrange to go [redacted]. L-9 says that [redacted] appears to be a very well educated, bright person.

TO The Files
FROM Floyd K. AIRONET
SUBJECT Debriefing of LITAMIL-3 on his meeting with LITATL-7
NEXT SCHEDULED MTG.: 27 May, Car pickup on Lerma, Guadalupe, 0930

1. Once again, our bid to establish a small monthly deposit in the bank for LITAMIL-7 has failed. L-7 appreciates the thoughtfulness but won't accept a cent. No hard feelings and L-7 will continue to help in any way possible. Aironet has decided against seeing L-7 personally because of the fact that a PBPRIER's presence in the home of L-7 represents a disturbing factor and we do not want to rattle L-7 now that L-7 is calmed down and producing.

2. Following tidbits from this week's meeting:
