### SECRET

#### TO: Director Federal Bureau of Investigation Attention: Mr. S. J. Papich

PROM: Deputy Director (Plans)

SUBJECT :

Semen Spiridon PCHCRILYJ also known as Semen PCHCRILIW Internal Security - R

1. Reference is made to previous correspondence from this office regarding the Subject and to your file number 105-53295.

2. reported in early September 1961 that Antin NYCZPORUE received a letter with the return address: (fmu) DIALMAUSKI, 63/N. 7 SA. (sic) Fhiladelphia 23, Pa. The address was also received from an official U.S. source as 13/N 7 SA. but this is believed to be a typographical error. It has not been possible to verify the address as the envelope was not photographed but was passed routinely from the post office to NYCZPORUK. The letter was not tested for secret writing.

3. The files of this Agency contain no identificile information on DIALHAMSAY. It is possible the address should be 631 North Seventh Street, Philadelphia, which is the one used by PCHCRILIW. According to information from your Bureau, this is the home of Dymto WASHLASZUW, Secretary of the Ukyminian Workingson's Association and the residence may be used for meetings of that organization.

4. We would appreciate any information in your files on DIALHAWSET.

TO: Director Federal Bureau of Investigation Attention: Mr. S. J. Papich

Internal Security - R

FROM: Deputy Director (Plans) SUBJECT: Seesn POHORILIN Jul - 289349

SUBJECT:

1. Reference is made to the following correspondence:

- a. Bureau report of 14 February 1961, made at Philadelphia, Pennsylvania and Subject as above;
- Messorandum from Deputy Director (Plans), Subject as above, dated 9 January 1961, and numbered CSCI -3/763,211;
- c. CIA Teletype, Subject as above, dated 16 November 1960;
- d. CIA Teletype, Subject as above, dated 17 February 1961.

2. We would appreciate being informed whether or not you have had an opportunity to compare the hand writing of Semen POHURILIV and that of the letter bearing his name and address, which we sent to you with reference 1.b..

3. In a review of our files we note that the lack of elaboration in our earlier correspondence might cause your Jurean some difficulty. Our statement in reference 1.c. that the POHONILIN letter bore indications of secret writing

COP

to confirm its presence. There have been reports that our source is considered by the Soviets to be American controlled. Thus it was considered that, if this letter were a Soviet intelligence communication, it was likely the Soviets would consider the operation compromised when our source's possession of the letter was reported. For this reason, we decided it was bedt to forge a copy of the POECRILIW letter

Åå

we reported in reference 1.d. on 8 or 9 January 1961 our source delivered to Antin NYCZYPOBUK the forged copy of the POHORILIN latter. To date there has been no report of any reaction to NYCZYPOBUK's receipt of the forgery.

b. Antia NYCZYPORUK (according to GNYP his true name is NYKYPORETZ) was born about 1910. He is married and had a wife and two children in Noginsk. Prior to 1944 he was a professor of Ukrainian and West European Literature at a pedagogical institute in Kiev. NYCZYPORUK left the USSR in 1944; from 1945 to 1948 he was in an International Kefugee Organization camp in Salzburg, Austria; he has resided in France since 1948.

4. The following details on GRYP's and HYCZYPOHUE's involvement with Soviet intelligence were obtained by our source from CHYP and other Ukrainian emigres in France. During the period 1958 to 1960 GNYP and Vasiliy MYAKUSHO, Third Secretary of the Soviet Delegation to UENECO, frequently visited with each other at the Soviet Embessy and at GHYP's apartment on 211 Rue de Bercy. At the end of 1959 GMP introduced NYCZYFORUK to MYARUSHKO. MYARUSHKO asked NYCZYPOEUK to contribute Literary articles to Soviet publications; it is not known whether NYCZYPORUK wrote any such articles. Early in 1960 SYCZYPORUK developed a persecution complex and was confined to a genitarium for a short period. GHTP, fearing that NYCZYPORUK might expose the GHYP-MYAKUSIKO relationship, provided EYCZYPORUK with free board end lodging in his apartment and with spending money. MYAKUSHKO dropped NYCZYPCRUK as soon as the latter's mental comdition became obvious. In May 1960 the Soviet Exbassy advised MYCZYPORUK to repatriate to the USER as soon as possible, and offered to help locate his family in the USBR. (As you already know, in October 1960 the Soviets sent HYCZYPORUX a letter reporting his family was not in Noginsk. See attachment.)

5. There is a runor in the Ukrainian exigre colony in Paris that BYCZYPORUK has been a Soviet agent since about 1949. This is based on his close relationship with Josef (aka Osyp) hOZAK since 1949. KOZAK moved to Prance from Humich in 1946. Until his expulsion in 1950 he was quite active in the Organization of Ukrainian Nationals/Bandera (OUR/B) in France. He was custed from the OUR/B because of his excessive curically about OUR/B members and their relatives in the USBR. Subsequently it was learned that KOZAK was in contact with the Soviet Embassy in France. KOZAK is presently residing at 26 run Gaston Jaillon, Vesines Chalette, Loiret.
