MEMORANDUM FOR: Chief, CI/OA

SUBJECT:

NEWTON, William J.

C-56246

1. The Chief, CI/OA, is hereby advised that the PP/C/UWG has not further present interest in the subject individual.

2. PP/C/UWG wishes to express appreciation for the prompt assistance rendered by C/CI/OA on this case. It was especially advantageous in view of the short time with which contact associated with the subject was available.

Harold D. Kehne

Office Memorandum . UNITED STATES GOVERNMENT

ro : Chief, CI/OA

DATE: 1 0 JAN 1957

FROM : Peputy Director of Security (Investigations and Support)

SUBJECT: 0-56246 #153126 WIII So

1. Reference is made to your memorandum dated 30 November 1956 wherein a Provisional Covert Security Approval and a Covert Security Approval were requested for initial evaluation and employment of Subject under Project HDILKA/JPGREED.

- 2. Your attention is directed to information available to your office located in RI file #200-7-32-66 which is the result of FEI investigation dated 26 October 1948 under Subject's name. In short, this file reflects information regarding Subject's interest in, sympathy for, and recruitment by the Jewish Zionist movement. His recruitment as a fighter pilot and undercover man in Palestine was terminated on 12 May 1948 due to the fact that he was arrested on the Sullivan Act in New York City on that date. Additionally, RI file #201-1424 contains FEI reports dated in 1950 and 1951 wherein cuestionable information regarding Subject's activities and mental competence is set forth.
- 3. In view of the information set forth above, a Provisional Covert Security Approval cannot be granted prior to completion of extensive inquiries in this case. In light of the highly questionable information as set forth in RI sources, it is requested that the interested division give due consideration to the feasibility of continuing interest in retaining Subject's services.
- 4. Pending your advice as to the continuence of the division's interest in this case, no further action is contemplated by this office.
