MEMORANDUM FOR THE RECORD

FROM : Hugh T. FRASCOITE

SUBJECT : Evaluation of the LIONION Photographic Basehouse

1. At the request of Robert L. BARRY and Michael C. GRANER, Hugh T. FRASCOITE removed all photographic equipment and supplies from the LIONION Basehouse, under the cover of darkness on 26 and 27 September 1964. This equipment is temporarily being stored in the PERDUE Embassy until such time that it is deemed advisable to reinstall it in the Basehouse.

2. The lower bathroom, utilized by LEE/21 as a complete darkroom facility, and the upper bedroom and adjoining bath, used to house the Pulco Camera and Telescope, were stripped of all work tables, shelving, and cabinets and reinstated to their original condition. "Black-out" drapes were removed and window glass repainted.

3. It is the opinion of Hugh T. FRASCOITE that should this basehouse be placed under suspicion by the PERDUE Embassy, and consequently searched, nothing would be found to indicate that photographic operations had been carried out from this location.
