Ruiz, Deported from El Salvador/

13 March 1970

1. On 5 and 6 Mar 70 guard personnel from The Wackenhut Corporation were contracted to provide guard services for the subject to insure his departure from the US while changing planes at Miami International Airport. While supervising the guard service, the following information was obtained.

2. Subject is a Panamanian national, an alleged Communist, deported from El Salvador for political reasons. Government of Panama refused to accept entry of subject; Chile agreed to accept him. Subject had no passport or visa, only various "emergency" papers. Physical description: Black male, 5'6", 140 pounds, about 35 years of age, gold filled teeth.

3. Subject was being transported from El Salvador to Chile via La Chilean Airlines and arrived at the Miami International Airport at 2211 hours on 5 Mar 70. He was taken to the Lan Chile VIP room where he was guarded until his time of departure at 0545 on 6 Mar 70 for his destination in Chile. There was to be a layover in Lima, Peru, where it was realized that subject might attempt an escape.

4. At the Miami International Airport subject was met by the Panam Consul General (name unknown) and the El Salvadoran Consul General, Ing. Ricardo Dutris, 208 Pan American Bank Building, 150 EE Third Avenue, MI Florida, Telephone 371-8850. Both Consuls stated subject was being deported for political reasons. El Salvadoran Consul stated that subject a criminal and a Communist; Panamanian Consul stated he was a criminal. Both considered subject to be dangerous and both felt that he might attempt an escape.

5. Subject's luggage contained a black beret with a red medallion. It shaped like a shield with gold stitching on it which was not read.

6. Subject allegedly was a member of a gang charged with murder and performing perverted acts on 20 people in El Salvador.

7. The attached paper contains a list of names, addresses, and numbers of individuals in Miami who subject was supposed to contact upon his arrival in the Miami area. When asked if he might do so, his request was denied by officials. However, the El Salvadoran Consul General made a copy of the document and I complied with his request. Subject was aware of a copy being made as nothing had been said in front of him. However, when the document was returned to him he immediately smelled if there was an odor of copier fluid; he was apparently satisfied the copy had not been made as he said nothing and just quietly passed away.

Headquarters Inquiry re Private Intelligence Organization,  
Denver, Colorado

REF : Stetson/Walker telcon, 25 June 1975

1. As per referenced telcon, following your initial inquiry on 20 June 1975 we searched our memories for any clue to an organization in the Denver area such as the one described in the German newspaper article. It is quite likely that an organization staffed with ex-government types and performing such things as telephone taps for wealthy private citizens would have come to our attention through one of our many contacts in the area. We could think of none that matched your description and we let the matter drop.

2. On 24 June we received a phone call from a local agent of the FBI who had received the same information that you had passed on to us and was trying to run it down. We again denied any knowledge of such an organization. However, as the matter was rehearsed among the DFO staff we recalled that a few months ago, shortly after the CIA expose first appeared in the New York Times, we received in the mail a brochure from The Wackenhut Corporation, 262 Havana, Denver, Colorado. This organization was described as a private investigative service with capabilities beyond that of the average private investigator in that they are staffed with men and women formerly employed by the FBI, Secret Service and DIA. We also believe that under the list of services they offered was some type of electronic surveillance. Since this type of organization is of no interest to us we discarded the brochure and forgot about it until your inquiry prompted us to recall it.

3. We passed the above information on to the local Bureau office, stressing that this was indeed a long shot, that our memory of the contents of the brochure is vague at best, that we have no reason to believe that the Wackenhut Corporation is anything other than what it advertises itself to be, and that this is our best recollection but even at that we are not absolutely sure it was the Wackenhut Corporation that was mentioned in the brochure.

4. With this memorandum we merely wish to go on record with you as having passed the above information to the local FBI office in the form stated.

1. I MET BRUCE BERCKMANS AT HIS JACKSONVILLE OFFICE THIS MORNING AS SCHEDULED. BERCKMANS BEGAN THE INTERVIEW BY REQUESTING THAT I READ A MULTIPAGE LETTER WHICH HE IS THINKING OF SENDING TO THE INSPECTOR GENERAL. IT IS A DETAILED STATEMENT OF GRIEVANCES STEMMING FROM HIS FORCED RESIGNATION AND INDICATES THAT HE IS CONSIDERING A SUIT AGAINST THE AGENCY. HE HAS IN FACT RETAINED COUNSEL, APPARENTLY ANOTHER FORMER AGENCY STAFFER, BUT THEY HAVE NOT YET DECIDED WHETHER TO PROCEED WITH LEGAL ACTION. OTHER ELEMENTS SHOULD PROBABLY BE INFORMED.

2. THE PROCEEDING NOT WITHSTANDING, BERCKMANS, WHO IS BOLD OF SAYING THAT HE RESIGNED FROM THE AGENCY BUT NOT THE UNITED STATES, OFFERED TO SERVE AS A FAIRLY TYPICAL DCD CONTACT WITH RESPECT TO THE INFORMATION HE DERIVES IN HIS REGULAR JACKSONVILLE DUTIES. BERCKMANS UNDOUBTEDLY HAS MANY USEFUL CONTACTS ESPECIALLY IN LATIN AMERICA AND SOON IN THE MIDDLE EAST. UNDER NORMAL CIRCUMSTANCES THIS MIGHT BE A USEFUL INFORMATIONAL RELATIONSHIP.

3. I TOLD BERCKMANS, HOWEVER, THAT IN VIEW OF THE CIRCUMSTANCES DESCRIBED IN PARAGRAPH 1 ABOVE I FELT IT INAPPROPRIATE FOR US TO MAINTAIN ANY SYSTEMATIC RELATIONSHIP AT THIS TIME. SHOULD HE DECIDE NOT TO PROCEED WITH HIS SUIT AND OTHER THINGS FALL INTO PLACE, PERHAPS A FUTURE USEFUL CONTACT COULD BE ESTABLISHED.

[REDACTED] HAD BEEN APPREHENDED RECENTLY APPARENTLY IN THE COURSE OF INSTALLING A MIKE OR WIRE. THE CIRCUMSTANCES AND DATE ARE

NOT KNOWN AT THIS TIME. [ ] IMMEDIATELY CLAIMED THAT HE WAS ON A MISSION FOR THE CIA AND APPARENTLY SUCCESSFULLY AVOIDED CHARGES AND PUBLICITY, AT LEAST INITIALLY. A LOCAL FOUR-MAN PANEL OF JUDGES REVIEWED THIS MATTER, HOWEVER, AND AT LEAST ONE JUDGE HAS INDICATED HE DOES NOT BELIEVE [ ] STORY.

3. WACKENHUT DOES NOT KNOW WHAT THE NEXT STEP WILL BE BUT APPARENTLY THE ORGANIZED CRIME BUREAU WISHED TO ALERT THE AGENCY IN ADVANCE TO POTENTIAL ADVERSE PUBLICITY WHICH MAY ARISE AT ANY TIME. INFERENTIALLY, THE CRIME BUREAU APPEARS ALSO TO BE CONCERNED THAT [ ] WAS REALLY INVOLVED FOR THE AGENCY.

TSD Interest in Electronic Surveillance System

A-154531

1. A year or so ago, while in Miami, I forwarded some information on an electronic surveillance system developed by Wackenhut Corporation of Coral Gables, Florida. TSD was quite interested and sent two technicians to Coral Gables to check on the system and subsequently invited Wackenhut representatives to put on a demonstration in Washington, at Agency expense.

2. I recently met [redacted] of Wackenhut, an old friend, and he stated that Wackenhut had not heard further from our people but he would like to advise that the system is now available on the market. He furnished a brochure concerning the product which is appended.

3. Would you please forward this to TSD. If I recall correctly one of the TSD representatives who visited Coral Gables was Paul Roilly.

Your Speed Letter of 3 September 1970

1. On 21 Sep 70 Mr. George Wackenhut, President Wackenhut Protection Systems of Coral Gables, Florida invited me to a demonstration of a new device his company has developed, which may be of some interest to us and other Government agencies. The device involves a small transmitter, dimensions about 1/2" x 3/4", or less than the size of a half pack of cigarettes.

*A154531*

2. The transmitter can be used to track vehicles as well as persons. If used in a car reception varies from 2 - 3 miles in major high-density metropolitan areas such as New York, to 5 - 6 miles in Miami. The central station could monitor a fleet of cars and determine where a given vehicle is.

3. If the transmitter is carried on a person, as in a heel, it would only have a range of 3/4 - 1 mile, but if carried at the waist it would have 1 1/2 - 2 miles. If used at the line of sight it would have a range of 8 - 10 miles.

4. The transmitter is operated on 40 mhz rfs and is on the air 1 second of 5. Its signal can not be picked by an AM/FM receivers and the batteries are standard Mercury batteries which last 7 - 10 days.

5. The equipment was recently tested by the Los Angeles Police Department and a car with the transmitter was located in a 60-foot deep, three-layer parking garage in Los Angeles.

6. Some printed material describing the equipment is appended as of possible interest to TSD and other selected consumers.

7. FYI: Electrofinders, Inc. is a wholly-owned subsidiary of Wackenhut.

Mr. Gleichauf, who as you know is the former Chief of the Miami and Dallas Field Offices, currently is employed with a company with extensive contractual arrangements overseas. 1. During a recent business trip to Colombia I had occasion to visit and converse with business executives, owners of industrial firms and government officials. Through conversation with such I gained the information presented below.
2. The majority of the business community, both big and small businesses, is not in complete harmony with the government of President Carlos Lleras. Most business executives confirm that under the previous Conservative Party administration there was a stimulation of interest in foreign investment, a factor which is causing the current administration immense problems due to restrictive legislation on the percentage of capital which may be removed from the country. It is the consensus of the business community that this law will be changed within the next eight months, as a result of pressure by the business community upon the government.
3. At the present time there is much discontent among owners of private business firms as well as among the employees about a proposed new law. Current legislation requires that employers place in a fund a certain percentage of employees earnings, which will be returned to the employee upon retirement or termination of employment. Under this arrangement the employer may make use of the money for investments or development of the firm or industry. The reason for the discontent is that the government is attempting to pass a law requiring all business firms and industries to pay, on a monthly basis to the government, the money received from the employees. Severance or retirement pay of an employee will then become a responsibility of the government. The business community is adamantly against this legislation because it will restrict much of business operation. Employees are equally against the legislation because they feel once the government collects the money it will be appropriated for other purposes and never returned to the people.
4. The government has stated that the money collected will be used for development of low and middle class housing, and rents collected from these developments will be placed in a fund for the payment of severance and retirement benefits.

1. During a recent business trip to Ecuador I had occasion to visit and converse with several business executives and government officials. Through conversation with business colleagues I gained the information presented below.
2. The business community is in complete harmony with the administration of President Otto Arosemena Gomez. The efforts of the present government to encourage foreign business investment is considered to be the biggest plus on the side of the current administration. Evidence of the efforts made by the government and the success achieved is demonstrated by the joint venture of two major oil companies, Texaco and Gulf, in drilling for new oil deposits. Agreements were reached between the government and the oil companies for prospective drilling in an area northeast of Quito, approximately 30 minutes by helicopter. The first four holes resulted in four oil producing wells. This strike is considered the richest since the Venezuelan strike. The government is presently being flooded with requests for permits to continue oil explorations in the area. The requests are coming from US, Japanese and West German firms.
3. President Arosemena is in firm control of the Army, and all elements of his political machine. He would like very much to continue as President. The desire of Arosemena to continue as President takes on more meaning when consideration is given to the possibility that Jose Maria Velasco Ibarra may again be elected President. The business community does not look favorably on this possibility but most businessmen are quick to concede that Velasco has the inside track at this time.
4. There is no evidence of insurgent capability by any group at the present time. Guerrilla activity is practically nonexistent and is not considered a problem area for the Army or the government.

1. During a recent business trip to Colombia I had occasion to visit and converse with several business executives and government officials. Through such conversations I gained the information presented below.
2. Guerrilla activity within the country is presently confined to the following geographical locations. The Army of National Liberation (ELN) is operating in Departamento Santander Del Sur at a point nearest the Venezuelan border. This base of operations provides the group with numerous escape routes to Venezuela in cases of hot pursuit when engaged by elements of the Army. It also provides ease of operations in the exchange of necessities. There is considerable traffic in this area and all attributed to the ELN.
3. The leader of ELN is Fabio Vazquez Castano. He is the same person who hijacked a Colombian airliner and forced the pilot to fly him to Cuba. Vazquez is presently in Cuba. Victor Medina Moron is second in command, and is presently running the operations of the group. The ELN is dedicated to and followers of the Peking line.
4. The Revolutionary Armed Forces of Colombia (FARC) is presently operating along the borders of the Departamentos of Tolima and Huila in the Intendencia of Caqueta. The leader of this group is Manuel Morulanda, better known as "Tiro Pijo". This group is dedicated to and followers of the Moscow line.
5. All members of ELN and FARC are known to be Colombian nationals. The leaders of each organization have been trained in Cuba or in the Soviet Union.
6. Money and necessities for the ELN groups is being furnished by Cuba. Support for FARC is unknown. Numerous weapons have been left behind by FARC after engagements with the Army. These weapons are of Czech origin. However, most of the weapons in use by ELN and FARC have been acquired as a result of engagements with the Army.

7. There is a new group, name unknown, operating in Los Altos Del Sincé in the northwest coast near the town of Sincelajo. This group is of no consequence and the Army has it under control. In the case of ELN and FARC the Army is usually aware of their whereabouts but cannot claim to have them under control.
