ReBuairtel 2/6/61.

On 2/6/61 CIA requested that we ask subject if he had been in contact in Cuba on January 18, 1961, with Eduardo Andres Ojeda (Camaraza) and Orlando Barbaro Sans Mateu. During the course of your interview concerning subject's associates, you should work in this question in such a way that subject will not be aware that there is any special significance attached to these names. For your confidential information, the two foregoing individuals were connected with the CIA operation and were turned in in Cuba. CIA speculates that subject may have "stooled."

Reference is made to your request of February 6, 1961, via liaison channels, in which you requested subject be interviewed as to whether he had been in contact in Cuba on January 18, 1961, with Eduardo Andres Ojeda (Camaraza) and Orlando Barbaro Sans Mateo.

This matter was casually brought up during our interview with the subject on February 16, 1961, in such a manner as not to arouse any suspicion on his part. Subject stated he was not acquainted with any of these individuals, although it was possible that he may have met them in Cuba. Subject stated he spent the two weeks prior to his flight from Cuba on January 26, 1961, in Havana preparing for his departure. He indicated that his only contacts during that period were with the group of close aides who accompanied him to the United States.

This is for your information.
