SECRET

CIA employees

The above individuals were selected for interview because of the position they held ¹³⁻³ at the time with the CIA at the [Tokyo] station ¹³⁻³ during the time ~~period~~ frame at 1959 to 1964.

James Wilcott ~~made~~ gave testimony in a closed hearing before the SCA that a CIA case officer ~~told him~~ stationed in [Tokyo, Japan] ¹³⁻³ told him that LHO was a CIA agent and ~~also~~ ^{also} mentioned LHO's cryptos ~~message~~ ¹³⁻³. The ~~conversation~~ ^{conversation} took place in the [Tokyo station] shortly after the word of the JFK assassination was received on 25 Nov 63. Wilcott ~~stated~~ ^{stated} that could not recall the name of the case officer or the cryptos ~~message~~. Wilcott also advised that considerable conversation took place among CIA employees ^{at the time} concerning the Oswald-CIA agent issue.

The basic questions asked of the CIA employee selected were as follows:

- (a) Have you ever seen written documents which ^{would indicate} that LHO was a ^{intelligence} CIA agent or a source of information?
- (b) ~~Have~~ ^{Were} you ever ~~heard~~ advised orally that LHO was an agent?
- (c) Have you ever heard conversation or heard ^{conversations} speculation that LHO was a CIA agent or intelligence source for any government ^{service} ~~agency~~?
- (d) Were you in a position to know if LHO was recruited as an ^{CIA} agent during his tour of duty with the military in Japan.

Mr

- (2) When was the first time you ever heard the allegation that LHO ~~was~~ ^{was} ~~was~~ ^{was} a CIA agent.
- (3) Did you know James & Edie Wickoff in ¹³⁻³ [Japan?]

~~None of the~~ ~~other~~ all individuals interviewed stated they never saw any documents nor heard any information that LHO was a CIA agent while stationed in Tokyo. Only after ~~their departure~~ the critic publication and thearrison investigation in the late 60s were they ~~so~~ ~~was~~ aware of the ~~patented~~ allegation.

Subjects 2, 7 & 8 expressed belief that LHO ~~could~~ ^{may} have been recruited by the KGB during his tour of duty in Japan. They based their belief on the fact that during the period ¹³⁻³ of time that LHO was in Japan, the CIA [station] in ¹³⁻³ [Tokyo] had identified a KGB program specifically ~~described~~ ~~designed~~ designed to recruit U.S. military personnel in Tokyo. However they had no information that the recruitment of LHO by the KGB did in fact take place.

Subject Jerome E. Fox was ~~specifically~~ one person who Wilcat could remember ~~that~~ ^{with} who he had conversation ~~with~~ concerning the speculation that LHO was an agent for the CIA. The conversation supposedly took place in ¹³⁻³ [Japan] after the information ^{was received} that LHO was the assassin of JFK. Fox advised investigator Leap that he was in the U.S. at the time of assassination on 23 Nov 63. Fox's CIA personnel reflects he was transferred from the ¹³⁻³ [Tokyo station] to the U.S. in 1962.

Subjects 2, 7, 8, 9 and 11 all thought they would have known if LHO had been ~~recruited~~ recruited as a CIA agent while he was in Japan. All the subjects worked with ¹³⁻³ the SR Branch of the [Tokyo station] and theoretically ~~would have~~ one of them would have handled or had knowledge of the recruitment. All thought if Oswald had been recruited without their knowledge it would have been a rare exception to the working ¹³⁻³ policy and guidelines of the [station].
