# „Sorte Pantere” for en sosial revolusjon

«Panteren» Bobby Seale kom til Oslo idag

— Vi vil bevise at det sosialistiske samfunn er bedre enn det kapitalistiske: vi vil innføre dette i USA og vi vil samarbeide med revolusjonære i alle land, sa lederen for det amerikanske «Black Panthers»-partiet da han i morges kom til Oslo. Seale er på besøk i Skandinavia for å fortelle om sitt syn på kampen mellom rasene i USA. Som arrangør for besøket i Norge står den norske «Black Panthers»-komité og Rød Front.

— Intet har bedret forholdene for det sorte Amerika under tidligere president Johnson, og president Nixons forslag om å innføre «sort kapitalisme» i ghettoene vil bare øke følelsen av sort rasehat, hevdet Seale, som understreket at de «sorte pantere» ikke ønsker sitt eget, adskilte samfunn. Rasene har levet adskilt i 200 år, og nu er det på tide å gå fremover, sa den merretviltalende Bobby Seale. Hans uttrykksmåte var overveiet og polert, bortsett fra i gjentatte henvisninger til politiet i USA som han kaller «griser» (pigs).

Første gang «Black Panthers»-partiet gjorde seg kjent var da Bobby Seale og en annen av partiets ledere, Huey P. Newton, i oktober 1966 organiserte væpnede patruljer som skulle overvåke politiets behandling av negrene. Newton sitter nu fengslet for å ha skutt en politimann, og et av partiets mål er å få ham friggitt.

— USA er en politistat, fortsatte Seale og hevdet at det sorte samfunn må læres opp til selvforsvar. Han tror ikke på flere såkalte «hete sommere», fordi han mener at det sorte samfunn har innsett utilstrekkeligheten av spontane opprør. Men effektivt arbeidende organisasjoner har man respekt for, la han til.

Et av de første tiltak partiet har satt i verk er å organisere felles frokost for fattige barn, for det meste negre. Dernest håper partiet på å organisere sosialistiske bysamfunn for de som måtte være interessert. Partiet arbeider nemlig ikke bare for negre, men for alle undertrykte minoriteter. Dessuten søker partiet å samarbeide med hva Seale kaller «progressive hvite» elementer i samfunnet.

— Vi godtar ikke betegnelsen «krigersk» (militant). Vi hevder nødvendigheten av selvforsvar, det har vist seg å være nødvendig. Selv Martin Luther King var ikke frem-

med for tanken om alt annet hadde sviktet. Stokely Carmichael er statsminister i vår «skyggeregjering», men har kommet med enkeite uttalelser om aggressivitet og separatisme som vi ikke helt kan godta, sa Bobby Seale, som møtte Norge med Mao-profil i luen, og en beklagelse over at ikke fjernsynets kameramenn var møtt frem for å dekke begivenheten.

"Black Panthers" for a  
Social Revolution

"Panther" BOBBY SEALE came to  
Oslo today

We will show that Socialist society is better than Capitalist society; we will introduce it in the United States and we will cooperate with revolutionaries in all countries, said the leader of the American "Black Panther" Party when he came to Oslo this morning. SEALE is on a visit to Scandanavia to express his views about the struggle between the races in the United States. The Norwegian "Black Panther" Committee and Red Front arranged the visit.

Nothing has improved conditions for Black America under former President Johnson, and President Nixon's proposal to introduce "Black Capitalism" in the ghettos will only increase feelings of black racial hate, asserted SEALE, who emphasized that the "Black Panthers" are not seeking their own separate society. The races have lived separately for 200 years and now it is time to go forward, said the very eloquent BOBBY SEALE. His manner of expression was judicious and polished, aside from repeated references to the "Police Force" in the US, which he calls "pigs".

The "Black Panther" Party became known for the first time when BOBBY SEALE and one of the Party leaders, HUEY P. NEWTON, organized armed patrols in October, 1966, which were to watch police treatment of Negroes. NEWTON is now in prison for shooting a policeman and one of the Party's goals is his release.

The USA is a police state, SEALE continued, and he maintains that black society must learn to defend itself. He does not believe in many so-called "hot summers" because he believes that black society has realized the inadequacy of spontaneous riots. However, he asserted effectively working organizations are respected.

One of the Party's first efforts was the organization of breakfasts for poor children, for most negroes. The Party next hopes to organize a Socialist municipality for those who must be interested. The Party works not only for Negroes, but for all oppressed minorities. In addition, the Party is seeking to cooperate with what SEALE calls "progressive white" elements in society.

We do not approve the term militant. We assert the need of self defense, which has turned out to be urgent. Even Martin Luther King was not averse to the idea that everything else had failed. STOKELY CARMICHAEL is Prime Minister in our "shadow Government", but he makes statements about aggressiveness and separatism which we can not completely approve, said BOBBY SEALE, who came to Norway with a Mao badge in his cap and a complaint that no television cameramen appeared to cover the events.
