REDTOP
CC CPSU Representative in Buenos Aires

REFS: A. ED-7782, 19 February 1971
B. HABA 22379, 17 September 1971
C. HABA 21382, 18 May 1970

1. Headquarters can provide no additional guidance on CC CPSU Representatives abroad other than that forwarded in Reference A.

2. According to Reference B, the Station has tentatively identified one of the Soviet diplomats in Buenos Aires as the CC CPSU Representative. Since this individual was not named in Reference B, a Headquarters review of the files of Soviets most likely to hold this position has been made and from the information currently available to us, **Viktor Grigoryevich CHEKHAZOV** (201-128117) appears to be this individual.

3. Although **CHEKHAZOV's** present and past duties do not fit all the criteria set forth in Reference A, there are certain indicators that he is the CC CPSU Representative. Little is known of **CHEKHAZOV's** tour in Cuba, where he was assigned as Second Secretary and Chief of the Consular Section from 1960 to 1963. Prior to that, however, **CHEKHAZOV** was a Consular Officer in Uruguay from 1954 to 1958. Among his reported duties there, the following could be considered as background leading to his suspected current position:

- a) handled emigre and repatriation matters and was involved in activities requiring Spanish, which he and his wife speak reasonably well.
- b) believed to be active in the Colony's **NESTOM**, (which in general is social rather than political, although the political element is ever-present. The **NESTOM** Secretary is usually a Party activist who is responsible for making certain that no possible deviations from the Party line crop up in any **NESTOM** discussions or activities.)

- c) reportedly became angry with a colleague who refused to prepare a speech commemorating GORKIY's birthday.
- e) wife supervised production of the Soviet publication, URSS.

4. In his current position as Counselor of Embassy, **CHEKHAZOV** enjoys apparent freedom of movement and is sufficiently high-ranking to be the CC CPSU Representative. In addition, no firm identification has ever been made of his affiliation with either the KGB or the GPU. Although the Station reported in **Buenos Aires** - 18575, 29 June 1971, that **CHEKHAZOV** was believed to be a "likely candidate for new KGB Resident", it would seem from information contained in Headquarters files that he is more likely the SC CPSU Representative. An excerpt from Reference C contains the following indicators:

During visits to the Soviet "Quinta" almost every week-end, **CHEKHAZOV**

- a) lunched with the Ambassador,
- b) spent long periods reading, seated outdoors under the trees and remained generally aloof from other Soviets,
- c) was the only Soviet who addressed other Soviets as "Comrade", and
- d) his wife was said to treat wives of lower-ranking personnel in a brusque and authoritarian manner.

While the indicators cited above are not conclusive in themselves in establishing that **CHEKHAZOV** is the CC CPSU Representative, they do point up the possibility that he might be acting in that capacity.

5. We shall be interested to learn the identity of the Station's tentative CC CPSU Representative selection. In addition, from our review of the files mentioned in Paragraph 2, it seems that the most likely candidates for KGB Resident in **Buenos Aires** is **Ivan Gavrilovich ALVAREZ** (201-236701), with either **Stepan Pavlovich PASCHIS** (201-780333) or **Seris Ivanovich BOZHIN** (201-247229) as Deputy KGB Resident. We should also like to have the Station's thinking as to the identification of the KGB Resident and his Deputy.

Surveillance of AEBOOR

ACTION REQUIRED - REFERENCES

(Attorney)

1. Since his move to the Residence/Club in mid-1970, AEBOOR has appeared to withdraw from almost all overt activity. Rarely does he appear on BILOCULAR and his daily routine is a complete mystery. In order to determine his present status, the BIBAFFLES were directed to run a surveillance on AEBOOR from Monday, 6 September through Tuesday, 14 September 1971. During this period his wife was away on home leave, thus giving him the opportunity to pursue a different life if he were so inclined. His overt subordinate in the cultural field, 201-220310, had left PCS without a replacement. Presumably his cover activities would be multiplied. Despite all this, AEBOOR maintained a spartan routine which left no clue about his present interests, activities, or responsibilities.

2. Most mornings (including Saturday and Sunday), he drove or walked to the Embassy, often buying a paper on the way. Once inside he stayed until about 1300 hours when he returned to the Residence/Club. His lunch break was rarely longer than a half hour. He returned to the Embassy and stayed at least until 2000 hours, sometimes until 2200 hours. Upon leaving, he walked or drove directly to the Residence/Club and never came out again during the night.

3. AEBOOR's only deviations from this schedule were an occasional trip to a neighbourhood shop to buy cold-cuts; one excursion to a leather-goods store to look at suitcases;

one attendance at a MEKNIGHT Embassy function; two trips to Ezeiza airport; and, surprisingly enough, a Sunday afternoon tour with 201-873887 and his wife to take pictures along the river front and drink beer in a Costanera cafe. (During this last excursion, the known KGB officer drove the GRU chauffeur and his wife.) The first trip to the airport was made in the company of several other high-ranking Embassy officials to greet an important transiting delegation. (See HABA-22399.) On the second trip AEBOOR was accompanied by 201-128117 (suspect KGB resident) and 201-790164 (chauffeur). On arrival, AEBOOR and his companions went up to the terrace to take photos of the Concorde as it landed for a two-day visit. They were joined by Mr. and Mrs. AELESION and 201-228494. Evidently, the KGB and the GRU groups went separately to photograph the same plane.

4. Twice during the period the BIBAFFLES felt that AEBOOR might have been checking for surveillance. Otherwise there were no incidents of note. Not once were the BIBAFFLES approached by local authorities with a request that they identify themselves.

5. In sum, we remain as much in the dark as before about AEBOOR. With every opportunity and reason in the world to lead a hectic pace, he spent the majority of his waking hours within the Embassy. During the days in question he received only one phone call even worth noting, one in connection with the Fischer-Petrosyan chess match scheduled for late September.

REFERENCE: BOOK DISPATCH 7509, 7 July 1970

1. Attachment F to Reference was translated and given to BIBAFFLE transcribers for their use some months ago. Transmitted herewith are copies of the resulting assessment questionnaires on six official Soviets and three local Soviet Cultural Representation Employees. A breakdown on the transcribers and their products is as follows:

BIBAFFLE-30: Assessments on Mikhail Konstantinovich VRAGOV (201-820310); Yelena Fedorovna VRAGOVA; Ivan Gavrilovich ALFERYEV (201-236701); Roza Alekseyevna ALFERYEVA; and local employees Constantino LOGVINIUK and Luis ORSETTI.

BIBAFFLE-33: Assessment of local employee Esteban SEMENIUK (201-860420).

BIBAFFLE-45: Assessment of VRAGOV and wife; of Sergey Iosifovich SOKOLOVSKIY (201-025485) and wife Aleksandra Vasilyevna; and of Constantin LOGVINIUK.

2. The material in the questionnaires simply reflects the transcribers' impressions and is not necessarily correct. BIBAFFLE-30 sees ALFERYEV as short and VRAGOV as greying; but ALFERYEV is tall and VRAGOV's hair is still completely sandy.

BIBAFFLEs-30 and 45 seem to be talking of different people when they describe the VRAGOVs and Constantino LOGVINIUK. One of BIBAFFLE-45's impressions that we are checking is her statement that the SOKOLOVSKIYs have occasional parties at home with singing and dancing. We have no evidence of such gay get-togethers.

3. As Headquarters is aware, the BIBAFFLE transcribers only process material from special operations such as AEVARIETY, AELANYARD, etc. and cannot furnish assessment on all individuals in whom we have interest. However, we have requested BIOGENESIS to have the BILOCULAR transcribers work with the form.

0 ALFERIEV Ivan Gavrilovich.

Apodo: Parece no tener.

Espesa: Resa Alexeievna.

Hijos: Cree haber escuchado que el matrimonio tiene una hija. Ivan tiene por lo menos un hermano (que tambien puede pertenecer al cuerpo diplomatico).

Puesto que ocupa: agregado cultural.

Lugar donde trabaja: Yo diria-la calle. Oficialmente en la embajada. No tiene horario fijo. Se le escuche estar en casa a las mas diferentes horas. Sus salidas de la casa se produjeron tambien a horas mas diversas de dia (y de noche).

Lugar donde se aleja: actualmente en la embajada.

Telefonos donde mas comunmente se encuentra: actualmente no hace escucha de los Alferiev.

B. PARTICULARES:

a) Como se le imagina:

Bajo la mascara de aparente apatia y lentitud- sorprendente agilidad tanto fisica como mental. No es un lindo tipo de hombre. Tampoco tiene una figura armoniosa. Sin embargo un tipo que suele gustar a las mujeres. Entrenado para eludir el siguiente. Muy cautelese (hasta con su propia mujer). Le imagino con la estatura mas bien baja que alta. Suele salir y entrar en la casa sin hacer ruido y sin avisar, tanto que ni su mujer se daba cuenta cuando salia o entraba.

b) Referencias al lugar donde nacio: No tengo.

Algun empleo anterior en su propio pais o en el exterior: Se escuchaba en algunas oportunidades que contaba de su vida de oficial a Resa. Cree que estuvo con las tropas de ocupación en Europa.

Donde cree o piensa usted que nacio: le ubico en la Rusia central. Posiblemente Moscu. Tiene (junto con Resa) un departamento en un suburbio de Moscu que se llama Meledietaki Stan. Es una casa de departamentos nueva.

c) Puede Ud. indicar algo sobre la vida hogareña, amistades personales etc.:

Habita, pero no "vive" en casa. La casa no es un hogar para el es solo lugar de estar. Acerca de amistades puede decir solo de los que tenia en tiempos cuando le escuchaba. En las reuniones, bastante frecuentes, en su casa figuraban siempre mas o menos las mismas personas. Los del grupo de Representación Comercial en primer lugar: Diakov, Pivovarev, Makaretchkin, Toldinev (con sus respectivas esposas), Sekelev-

ski (y anteriormente antiguo agregado militar), Vasiliev, y el mismo Velski (con quien tenia muy cordiales trates, como tambien con todo este grupo). Los que se frecuentaban estas reuniones (y este llama atencion) son: Vragev, los del grupo consular, Sheitaisvili etc. (justamente, al parecer amigos de Vragev).

- d) Datos, impresiones y función que desempeña la sefiera en la comunidad y puesto de trabajo que realiza: Ver Rosa A.
- e) Que idiomas habla: habla bien ruso, español bastante regular pero muy lejos de perfecto. En una oportunidad se intercambiaron algunas frases con Rosa en idioma para mi desconocida, que no era ni ruso ni español con seguridad, ni idioma germanico ni eslavo ni latino (hungaro?). En una oportunidad se escuchó a Ivan (estando el solo) cantar en iddish (lo que, naturalmente no quiere decir que ni que es un judío ni que sabe hablar este idioma).

2. FUNCION:

- a) Este individuo vive dentro de una comunidad pequeña, singular y muy cerrada. Puede usted decir algo sobre su posición dentro de esta comunidad?

Posición sin duda elevada. Evidente respecto de parte de los colegas. Su opinión es buscada y apreciada. Da impresión que su estadia en la Argentina es una etapa transitoria para ocupar un puesto mas elevado. Posiblemente independiente.

- b) Pertenece a la embajada.

- c) Cual es su función, con quien esta comunicado abierta o encubiertamente.

Questión muy difícil de contestar. Esta extremadamente cauto en hablar hasta con su propia mujer. Oficialmente es agregado cultural y se escucha que por lo menos en una pequeña parte desempeña sus funciones especificas: recibimiento (y parte financiera) de delegaciones deportivas y artisticas que vienen en gira de la URSS (tambien le hace Vragev). Por otro lado, las verdaderas funciones de agregado cultural las desempeña Vragev al parecer por entore (consultas, curtos, pedidos de literatura, "intercambio cultural" etc.) Sin duda Alferiev tiene contactos velados con diferente gente, tanto con residentes rusos, como tambien argentinos. De una de sus conversaciones se podría sacar conclusión que tenia sus contactos (puede ser que por intermedio de terceros personas) con General Lopez, o por lo menos que este general se encuentra en la esfera de "intereses" de Alferiev. Tambien un tal Jehn se cuenta entre sus amigos. Con frecuencia Alferiev venia a la casa en altas horas de la noche. Tambien se escuchó que sale de la zona permitida (sus viajes hace con Ma-nauta). Al parecer a ambos les interesa la costa mas alla

SECRET

de Mar del Plata. Se escucho que tiene plata asignada de hacer regalos (pequeños) para mujeres (que mujeres es un misterio). Les regala medias, perfumes y otras chucherías. Los otros datos acerca de sus actividades (muy escasos por cierto) estaban remetidos oportunamente y no les tengo en mi memoria.

- d) Cual es su título oficial (y según el): Nunca hable de sus títulos.
- e) Coincide el tratamiento de sus colegas y relaciones o contactos con su posición ostensible, o se le trata a él con mas o menos respeto que merece de acuerdo a su posición. Coincide plenamente.

3. FISICA:

- a) Tiene algun rasgo sobresaliente etc.: No, no tiene. Su mujer a veces rie de sus movimientos y posturas terpes (que le son solo en apariencia). Alferiev tiene exceso de sudor.
- b) De comentarios juzga usted que es atractivo, poco o sin atracción.
No es atractivo, pero es simpático. Gusta a las mujeres. La llegada de él en su casa cuando habia reuniones se festejaba largamente especialmente por las mujeres. Su mujer le quiere y esta celosa de él.
- c) Puede dar referencias de sus preferencias para vestirse y cuidado de su persona.
No da mucha importancia ni en vestir ni en cuidado de su persona. Pese a escasos trajes y son posiblemente viejos. Se escuchaba que les daban a intervalos mas o menos regulares para limpiar. Utilizaban servicio a domicilio.

4. EXPRESIVIDAD.

Se expresa con habilidad. También en castellano por instinto encuentra las expresiones adecuadas. Es persuasivo en alto grado. No tiene visibles modismos o expresiones favoritas. Algunas de sus expresiones estan penetradas de fina ironía, nada de sarcasmo. No se puede hablar de acento propiamente dicho cuando habla castellano. Que es extranjero se nota de lejos. Si, parece tener oído y talento para idiomas.

5. ATRIBUTOS VOCALES.

Voz suave, moderada, mas baja que aguda. Es pausada, pero solo ligeramente. Habla con ritmo normal aumentandole solo cuando esta excitado (que sucede muy raras veces) pero casi sin levantar la voz. Su voz puede ostar imperiosa (solo en raras ocasiones.) Nada de tartamudear o balbucear.

SECRET

~~SECRET~~

6. PSIQUICAS.

Ne muestra tensión nerviosa de ninguna índole casi nunca. Sabe dominarse muy bien. Es frío y calculador. Nada de tics. Lejos de ser histérico. Se enoja en muy raras ocasiones. Demuestra su enojo más bien con gestos (puertazo) que palabras. No trata despectivamente a nadie. Lejos de ser sumiso, pero es muy paciente.

7. SENTIDO DEL HUMOR.

Bremea no muy a menudo, si le hace, se nota un fino sentido de humor en sus bromas. No cuenta ninguna clase de cuentos obscenos. No cree que le gusta escuchar precacidades y profanidades. Su mujer le reta a menudo y muchas veces le insulta. Su reacción aparente es no prestarle ni menor atención. En más de un año de escucha no nota en él referencias al sexo.

8. HABITOS, INTERESES Y HOBBIES.

- a) Tiene intereses, hábitos o manualidades especiales?
No se nota. Al parecer hace palabras cruzadas. Lee revistas y diarios asiduamente. Ve TV.
- b) Le agradan bebidas alcohólicas?
Consumo de alcohol es moderado. Vermuth, coñac "Reserva San Juan" y Fernet Branca son las bebidas preferidas. Al parecer no toma vino con las comidas.
- c) Tiene inclinación especial hacia el sexo? (quienes)
No muestra aparente inclinación hacia el sexo. Su mujer de vez en cuando lo hace escena de celos. No cree que el sexo le domina, pero tampoco que no va a cerrar alguna que otra aventura (nada profunda) si se le presenta oportunidad. En una oportunidad Rosa le reproche (haciendo un gran escándalo) porque le vio besar en la boca a una mujer (también de la embajada, no se escuche a quien).
- d) Había referencias a cigarrillos en la casa. No tiene tos habitual.
- e) Cuales son sus comidas preferidas.
No hay referencias. Mas sobre este ver Rosa A.
- f) Cuales son sus compañías preferidas? Se trata con sus colegas y familia? En que grado?
Se menciona ya el grupo de sus amistades dentro de cuerpo diplomático. Alfieri es un tipo que suele hacer amistades fácil. No parece tener amigos íntimos. Sus colegas le quieren y respetan al parecer con sinceridad.
- g) Tiene hábito de gastar dinero? Se queja (el o su familia) de falta de dinero? Cuales son sus reacciones ante quejas de carácter económico?
No tiene hábito de gastar dinero. Todo lo contrario. En este coincide con Rosa. Es egoísta, sin ser mesquino.

SECRET

Ne va a vacilar en rebar, si sabe que saldra impune. En una oportunidad se escuche claramente que en una conversacion con Rosa que, aprovechando desconocimiento de cambios monetarios, leyes, idioma y restriccion de movimientos, por parte de la delegacion deportiva de la lucha greco-romana (Mar del Plata) y aprovechando su posicion les rebaba algunos miseros 3-4 dolares por cabeza. "Y todo este es para nosotros"-decia Rosa encantada, batiendose las palmas de las manos como una nina.

9. VIDA PROFESIONAL.

- a) Es aparentemente satisfecho con su posicion. Por otra parte cree que espera un ascenso (posiblemente un traslado en un pais de habla francesa)
- b) Cuales son las actitudes expresadas hacia la gente del pais y con quienes se trata.
Desprecia al argentino, hombre criollo y al pais y a sus gobernantes y habitantes. Considera a la Argentina como a un pais riquisimo, de recursos inagotables. Expresa su genuino asombro por el periodo de poca prosperidad y dificultades economicas por las cuales atraviesa el pais. Este desprecio le muestra frente a los argentinos. Noto de ninguna manera!
- c) Que piensa de sus colegas y ellos de el? Como le valoran profesionalmente.
Nunca se le escuche opinar sobre los otros (es una caracteristica tambien de Rosa). Se nota su enemistad evidente con Vragov. Si hablan con Rosa de el, le llaman invariablemente "vrag = enemigo". Acerca de como le valoran los colegas ya di mi opinion.

II. TIEMPO:

- a) No se ocupa de compras. Raras veces llega a casa trayendo pan o cualquier otra cosa que le encargó su mujer.
- b) Maneja auto?
Si, maneja. Al parecer va (por lo menos en tiempos de mi escucha) sin acompañantes ni chofer.
- c) Estudia idiomas?
Aparentemente estudia frances, en parte en casa con Rosa. Le da castellano, le estudia practicandole en cualquier oportunidad que se le presenta hablando con la gente del pais. No se escuche que tenga algun curso. Hace palabras cruzadas en castellano, le que ayuda.
- d) Lugares donde va a divertirse (con quien).
Salen con Rosa al cine (siempre barato) o aprovechando entradas libres, con frecuencia y bastante regular. Prefieren peliculas nacionales. Visitan bares y confiterias. En algunas

oportunidades van al Celen (cree que aprovechando invitación). Van solos, acompañados por otros miembros del C.D. y también con residentes rusos procomunistas. En este aspecto parece que gozan de entera libertad y se les tiene ilimitada confianza. Entiende que para el personal soviético hay un cine en la embajada. Al parecer precisamente allí donde se van.

e) No se escuchó nada de médicos.

12. SALUD.

a) ¿Es enfermo?

En lo patológico es propenso al resfriado y gripe (en forma siempre ligera). Tiene (tenía) furunculosis y al parecer una forma de eczema. Puede ser hipertiroides (por sudar abund.)

b) No se escucharon quejas ni de cansancio ni de fatiga.

13. CAMBIOS.

No, no se notaron ningunos cambios del ánimo, etc. en ninguna oportunidad. Que los trasladaran del departamento no parecía inmutarlos. Ni hablaron de esto. Todo traslado se produjo en forma sorpresiva.

A. ALFERIEVA Rosa Alexoievna

Apodo: desconocido.

Hijos: ver Alferiev Ivan.

Puesto que ocupa: Espesa del agregado cultural.

Lugar donde trabaja: Embajada.

Lugar donde se aleja: Embajada.

Telefonos donde mas comunmente se encuentra: Hace mucho tiempo no hace escucha de los Alferiev. No puede contestar.

B. PARTICULARES:

I. Personales:

a) Como se la imagina:

La imagine como una trigueña, de estatura mediana, con la figura de pasable a buena. Es una persona perezosa.

b) Referencias al lugar donde nacio. Algun empleo anterior en su propio pais o en exterior. Donde cree o piensa usted que nacio:

No hay referencias en este aspecto. La ubico como nacida en Rusia Central.

c) Puede Ud. indicar algo sobre la vida hogareña, amistades personales etc.

Mala ama de casa y excelente amfitriona. No le gusta cocinar ni mantener el hogar impecablemente limpio. Pocas veces hace comida en casa, generalmente sopas substanciales que sirven a la vez como 1 y 2 plato. Sus comidas solia hacerse traer de una refineria proxima, por lo general peceto al horno.

Tambien las provisiones de almacen se hacia mandar ocasionalmente (no siempre). Lo mismo con la tintoreria (venian a retirar prendas.) Pero en este se terminan sus gustos superfluos. Es egoista y calculadora, busca comprar lo mas barato posible y regatea hasta el ultimo centavo. Ama al dinero.

d) Datos impresionen y funcion que desempeña en la comunidad y puesto de trabajo que realiza.

Despues de mas de un año de escucha queda incognita absoluta.

El matrimonio no parece "trabajar" en la misma. Tienen funciones mas bien diferentes y no se confien los deberes de sus respectivas actividades el uno al otro. En la casa simplemente no hablan de asuntos de trabajo.

e) Que idiomas habla:

Ruso-bien. Castellano regular. Para hacerlos entender no mas. Lo estudia en la casa. Parece que habla uno idioma desconocido por mí (ver Alferiev Ivan).

2. FUNCION

a) Ocupa de una posicion elevada a causa de su marido y no por

~~SECRET~~

~~SECRET~~

meritos propios. Buena amfitriona, querida por sus colegas de mas o menos el mismo rango, probablemente odiada por los de posición subordinada, por que a estos los trata como a perros.

b) pertenece a la embajada.

c) Cual es su función, con quien esta comunicada abierta o encubiertamente?

Ya se dijo de lo caute que es este matrimonio. Carezco de datos al respecto. Puede comunicar mi opinion personal de que "trabaja" mas bien "dentro" de la colonia que "afuera" en contraste con su marido. Posible que desempeña una especie de vigilancia interna y vela por "buenas costumbres" del grupo.

d) Es la esposa del agregado y nada mas.

e) Si, coincide. La tratan con respeto unos y la estiman y quieren otros.

3. FISICA

a) No se mencione rasgos sobresalientes algunos.

b) Los hombres parecen encontrarla "interesante". Dijo ella en una oportunidad no carente de orgullo que tiene una figura buena.

c) No da mucha importancia a la manera de vestir (no tanto como por ejemplo Elena) pero siendo mujer, siempre mas que su marido. Le mismo al cuidado de su persona no da excesiva importancia. Usa cremas y polvos, pero no se maquilla. Critica el modo de vestir de mujer argentina con cierta ironia y su modo de maquillaje con franco sarcasmo. Prefiere colores oscuros pero no chillones. Para decir al paso, esta sorpresivamente bien informada acerca de vida de la alta sociedad estadounidense (p.ej. Jacqueline Kennedy) y de elegancia europea y de moda del oriente.

4. EXPRESIVIDAD

Se expresa con mucha facilidad y habilidad. Se siente cómoda en cualquier ambiente. Favorite modismo de ella es "ured - monstruo, aberten". Parece tener oído para idiomas.

5. ATRIBUTO VOZAL

La voz de ella es un alto. Es moderada a aguda, imperiosa y clara. Habla rapido. Nada de tartamudeos ni balbuceos.

6. PSIQUICAS

Es al extremo celosa. No solo hacia otras mujeres, sino a la poca atención que le presta su marido y al trabajo de el. No es histérica, pero se enoja facilmente. Su enojo pasa rapido. Es buena amfitriona, siempre domina con tacto cualquiera situación embarazosa durante las reuniones. A cada uno siempre tiene lista una palabra adecuada de elegia. Nunca, repite, nunca participa en alguna discusión de otra persona o personas e hechos (no refiere a los de embajada), pero siempre escucha muy atenta las opiniones de otros. No muy diplomática.

SECRET

~~SECRET~~

Y muy cauta y también muy astuta. A causa de sus celos parece ser despotica, pero es mas pesetiva. Reta muy a menudo a su marido. En asuntos domesticos dirige la batuta. Pero en casos en que se toma decisión de caracter financiero-familiar y sobre todo en casos que conciernen al trabajo, es el marido quien manda. No es sumisa, discute acaloradamente, pero si su marido decide algo, le bastan 2-3 palabras en el tono tajante para pararla en seco. Entonces le cabecece sin chistar siquiera. Respeta en el fondo a su marido, aunque a veces muestra todo lo contrario.

7. SENTIDO DE HUMOR.

Es propensa a hacer bromas, es alegre, especialmente en sociedad. Sus bromas no son finas pero en ninguna manera vulgares. En raras ocasiones manda a su marido a la p., que le pario, pero es en ocasiones cuando sale a la calle vestido, al parecer de ella, inadecuadamente o cuando no cuida de su salud. En querrollas entre las dos (muy frecuentes) raras veces se escuchan obscenidades. Cuando se enoja llama a su marido "aborto menstrual" o "fascista".

8. HABITOS INTERESES HOBBIES

- a) Parece no tener. Ve con regularidad TV. (especialmente las transmisiones de la heresia religiosa, esta no la deja pasar).
- b) Ya se habla de este. Ver Ivan.
- c) Tiene inclinación especial hacia el sexo? No se nota. Es coqueta, es todo.
- d) Tiene tos. A veces persistente y largo tiempo.
- e) No tiene culto al estomago. Una sopa, un asado al horno la satisface.
- f) Cuales son sus companias preferidas. Se trata con sus celos y familia. Con todos los de Representación Comercial mantiene relaciones cordiales sin entrar en intimidad, especialmente con los Diakov, lo mismo se podria decir con respecto a los Vasiliev, de agregado militar y del mismo embajador. En los tratos con los Vragov hay distanciamiento y franco antagonismo, lo mismo que con los amigos de Vragov (consulado, los Sheitashvilli etc).
- g) No, no tiene habito de gastar plata. Tiene habito de guardarla. Esta enferma cuando le falta plata. Una vez casi llevo hablando con su marido de una combinación financiera que fracasase. Utilizando su posición de diplomática hace contrabando-hermiga de perfumes ropa y pieles a URSS. Utiliza servicios de oficiales de la flota pasquera o comercial sovietica que la visitan oportunamente.

9. VIDA PROFESIONAL

SECRET

- a) No hay visible desagrado con la policía, mas bien es a su gusto.
- b) Al tratarse de crímenes su expresión (en conversación con sus connacionales) es "negro y subecita".
- c) Al respecto de sus colegas nunca expresa su opinión. A ella misma la parecen entistar y querer, es popular. Antagonismo con los del grupo Vragov.

II. ALBESU.

- a) Todo lo que compra Rosa (como tambien muchos otros de la colonia) lo hace exclusivamente en los negocios judios / no porque los quiere, sino por 2 razones. Generalmente hablan ruso y tienen tradicional comida rusa. Generalmente va sola, a veces acompañada. Los almacenes en Junin, Torriciones y Pueyrredon se mencionan a menudo. Para la ropa, hay una tienda que esta en los suburbios de Gran Buenos Aires. Se me acuerdo mas donde es. Parece pertenecer a los ucranianos. Se escuchan varias veces mencionar direcciones de depositos (no propiamente negocios) de Guth y Chavez y Harrods. Al parecer tienen una tienda exclusivamente para su personal en la Rep. Comero. que se abastece con articulos ya pasados de moda de estos negocios.
- b) No tengo referencias de que maneja auto.
- c) Estudia español mas bien en forma practica (hablando, leyendo), estudia frances en su casa (a veces con su marido).
- d) Ver Alforriev Ivan.
- e) " " "

12. ALBU.

- a) Anginas, bronquitis con tos persistente con regular frecuencia.
- b) No se queja de fatiga ni de impresion de cansancio.

13. ALBU.

No se ha notado ningun cambio.

14. ALBU.

Al tratarse de matrimonio el primera / fuerte impresion fué que se llevan mal, impresion que se desvanecio poco a poco. Creo que es un error considerarlo así. Rosa es exclusivamente colona, esto explica frecuentes ocurrencias que hago a mi marido, por otra parte creo que no le desagrade mayormente los celos de su mujer (vanidad del hombre). Habia escenas de conversacion su / tiernas entre ellos. Anterior "el aborto menstrual" se convertia en "mi aborto". Es evidente tambien que Rosa cuida la salud de su marido. En lo financiero parece reinar la mas perfecta armonia entre ambos todo para la familia.

b) ANDRIY IVAN (1^o Secretario - Sección Cultural - K.G.D.) Aparece con complacencia con el Embajador y a menudo conversa con él fuera de las horas de las comidas. Habla bastante bien el castellano. Fuma bastante, casi siempre cigarrillos americanos. Bebe bastante aunque sin exceso. Es muy susceptible sobre su rango diplomático. En una oportunidad discutió con el Embajador sobre el significado de la frase "istoriav - 1^o Secretario, pertenece a la Embajada de la URSS", argumentando que él no es "una silla o un mueble". VOSEMI le llamó la atención, dándole a entender que buscara bien el significado de las palabras. Es muy ambicioso. Se mantiene siempre muy alejado de su mujer. En una oportunidad se sentaron juntos a la mesa a almorzar y todos los hicieron bromas por esta hecho, lo que significa que es "voz royali", las conversaciones del matrimonio ANDRIY-IVAN.

Intense arguments ~~with~~ between ALPERYEV and wife (ALLANZARD, BIBAF LE reports, HABA-20528). Their behaviour in public is all smoothness and light; she appears almost like a different person. She appears to harbor resentment against him because of his behaviour towards her.

ALPERYEV is very tail-conscious. (HABA-21080, 10 December 1969).

ALPERYEV has on occasion remained out all night, and has claimed to his wife when he comes home that he has been working. (HABA-21080, 10 December 1969). Surveillance on him at night allegedly proved he made clandestine contacts.

MEDINA - Bernardo Francisco BORIEGA

1. Headquarters traces are requested on:

NAME : Bernardo Francisco BORIEGA
DOB : 15 June 1914, Argentina
OCCUPATION: Director of Difusora Argentina de Espectáculos y
Filmes Artísticos (DAEFA)
PARENTS : Bernardo and Agustina nee DEGRADI
WIFE : Married, wife's name unknown

2. Station traces show that BORIEGA, apparently a musician by profession, has a long record of association with Communist front groups. He was one of the founding members of the Movimiento de Unidad y Coordinación Sindical (MUCS) and reportedly a member of the Communist Party of Argentina. He was also formerly the Secretary General of the Argentine Union of Musicians. Specific references include:

a. HBA-05124, 16 October 1961, which describes him as the owner of the building in which the ICA Buenos Aires Central Zone Committee had its Headquarters. (This document also identifies BORIEGA as alias Ken HAMILTON.)

b. HBA-12041, 27 October 1961, which reports BORIEGA's travel to Cuba at the invitation of the Confederación de Trabajadores de Cuba.

c. BUENOS AIRES-9129, March 1963, which states BORIEGA attended the Rio Congress for Solidarity for Cuba.

3. Despite his background, the Station is taking a close look at HORIEGA as a possible unilateral access agent. As a Director of the firm which is currently sponsoring the visit of the Moscow Circus, he is in constant touch with both ASBOOR and 201-821510. He is, in fact, the only consistent overt contact that ASBOOR has maintained since his arrival in Argentina.

Ivan Gavrilovich ALFERIEV, Segundo Secretario Cultural. Oficial del

Aunque nominalmente a cargo de la Sección Cultural en Quito 2031,
de la operación telefónica surge que tiene poco contacto con el público.

2. En Enero recibió una llamada del aeropuerto de Leon YASHIN, miembro
del equipo de fútbol "Moscow Dynamo" en ruta a un encuentro en Santiago
de Chile. YASHIN y ALFERIEV eran obviamente buenos amigos puesto que
YASHIN le trajo saludos "de los muchachos en México".

3. Las conversaciones ^{telefónicas} de ALFERIEV con su esposa son bruscas. En una
ocasión en marzo cuando llamó para avisar a medio día que no iba a casa
para comer ella le acusó de estar "ya borracho", lo que estaba confirmado
por su conversación vacilante. Una noche le pidió que hiciera té para
los VRAGOS (era las 21 horas) y ella de mal humor contestó que estaba
para irse a la cama, pero finalmente consintió hacerlo.

C. ALFERYEV and Roza. He made a point of complaining - several times in the course of the evening, about not being invited to our 4th of July celebrations. We lamely pointed out that the affair was so big that we only invited men - Ambassadors, Milatits, and Comm'. Chiois, and besides, the food was lousy. Nevertheless, we assured him he'd be invited the next time. He was suffering his usual case of halitosis, which effectively keeps one at a proper distance. Roza was her charming self, with a sparkle in her flirtatious eyes. She asked us to convey regards to LEVERONE and MARGANDE.

SPECIAL REPORT

6P

A.- SUBJECT

Ivan Gavrilovich ALFERIEV was born in Moscow (U.S.S.R.), on the 20th of January 1928, diplomatic passport No. 091.477, married to Rosa Alekseevna ALFERIEVA, born on September 20th, 1934, in Moscow, diplomatic passport No. 019.468. Subject is assigned as 2nd Counsellor of the U.S.S.R. Embassy in Buenos Aires. He arrived in this country on the 27th of January 1968, taking up residence on Uruguay 1176, 5th Floor, Apt. "A" in the Federal Capital, Tel. 41-5405, living at said address until the 7th of October 1969 when he moved to live at the Posadas Club (residence for the officers of the Soviet representation).

ALFERIEV had been for a short time in Argentina during the month of September 1958; in Havana in September 1961; in Quito in January and February 1962 and in Tijuana in September 1963. He was representative of PRAVDA in Mexico during 1960 and 1964.

In view of the fact that subject lived separately from the rest of the Embassy personnel, his mission based on information was thus made easier.

It should be pointed out, that during his residence on Uruguay, he was kept under surveillance through a technical penetration carried out by this Section.

As a result of the exploitation of these lines, as well as the Case "ASADO" (summer home) and information from the "LORO" case, certain details concerning his personality, private life and contacts have been ascertained.

Through thorough study of above mentioned sources, it is apparent that the ALFERIEVS have certain differences, during which he is the object of vituperation from his wife Rosa, which Ivan thoroughly ignores to the great exasperation of his wife.

II.- PERSONALITY OF IVAN ALFERIEV

He is an introvert, clever, cautious and distrustful. He knows how to hide his feelings and he has an excellent self-control, showing violent feelings on very rare occasions. (See Section IV).

With relation to his cultural level, nothing much is known, as he has never been heard speaking on themes of general culture. When he speaks at social gatherings he is joking, using double meaning phrases (usually funny)

or he tells jokes. It is as though he were afraid to show that he takes things seriously, as though he were ashamed or frightened.

During the various opportunities when his wife is screaming all sort of improprieties at him he maintains absolute silence, seeming to be concentrating on one fixed idea, and letting all that Rosa says just slide off him.

He has been identified and known to belong to the K.G.B. (Soviet Secret Police). According to a confidential source, he is considered a high official in the embassy and of absolute trustworthiness by Ambassador Iouri VOLSKI; being respected and feared by the rest of the embassy staff. He speaks perfect spanish.

He is present at all receptions with Iouri VOLSKI and Ivan DIAKOV (ambassador and Chief of the Commercial Representation, respectively), not only in his official position, but also in his private life, having a warm friendship between the three which is quite rare in the embassy circle. During his stay at the summer home, ALFERIEV and his wife occupy the quarters reserved for the ambassador.

III.- PERSONALITY OF ROSA ALFERIEVA

A certain duality of personality is apparent in her behavior. In her married life she shows herself to be intolerant and impetuous, arriving at absolute lack of control on various occasions, bringing forth continual marital quarrels.

On the contrary, in her social life, she shows herself as a very docile, cheerful woman, being the center of attraction in almost all the gatherings for her "lovely disposition" and gaiety, not only among the men but also their wives. (See section I).

Rosa Aleksievna ALFERIEVA is a woman brought up in the typical soviet atmosphere, subjected since childhood to a rigid political indoctrination in some juvenile organization and in school. She is not sufficiently intelligent to rid herself, even partially, of what she has been taught. She does not separate her affective life from the obligations that she, presumes, every communist citizens should have. It seems that she does not realize the importance of her husband's mission. She is not a woman who is attuned to her companion. She is not on the same wave length, she does not understand him. She harbors a concentrated and continuous resentment against him. Maybe this is due to his ironic, and keen and wounding sense of humour.

With regard to her surroundings, this woman has shown, on various opportunities, to feel antipathy and scorn for Argentina and its people, due, probably to its leanings toward democracy, and therefore, contrary to her way of thinking. As she has shown not to possess much imagination, she takes as wonderful that which she has been taught. However, the reason for her poor matrimonial relations remains a mystery. Maybe one of the reasons, as stated above is her lack of understanding of her husband, so that one quarrel on top of the other has built a wall which cannot be breached.

In the company of her friends, Rosa has always shown herself to be pleasant, gay and uncomplicated. She has not always masked her marital problems, so that they are not a secret to the rest of the members of the embassy, who nevertheless make believe they know nothing about it, through consideration or whatever other motives they may have. On some occasions Volski has taken the initiative to improve relations between the Alferievs, to no avail.

IV.- MODUS OPERANDI WHICH HAS SHOWN UP FROM SURVEILLANCE

During the shadowing of Ivan Alferiev, he has shown himself to be an expert in this matter. He is observant and his movements in the street are carried out carefully and ably- on many opportunities he has shaken off his shadows. He is an excellent driver, and he uses all sorts of ruses to throw off the agents on the job. This is proved below:

Shadowing on 23-5-69:

He drove his car down Cordoba Av., turned on 9 July going towards Cerrito, which was closed off for repairs. In the middle of the street were two signs which read: "DETOUR, USE CENTER LANES". Subject disregarded the signs and continued straight ahead towards Viamonte, where transit was completely cut off, and he had to take 9 July again and come to the Obelisco.

With this trick, Alferiev wanted to learn whether he was being followed.

Shadowing on 20-5-69:

He went into the Bank of Napoli, approaches the counter, carries on a conversation with an employee, and vanishes without being observed in spite of close vigilance.

- Before going into a building or store, he looks in both directions and searches carefully.

- When he goes in his car, he drives slowly, but every so often, he steps on the gas, and then abruptly reduces speed, doing this various times.

--During all the shadowings carried out, subject always managed to go ahead on the yellow light, leaving his shadow generally facing the red light.

- On various occasions he went up one way streets,

V.- CONTACTS

It was ascertained that ALFERIEV arrived home very late at night and even at dawn, which is quite out of the ordinary with the rest of the diplomatic personnel. (See Annex 2).

This led to the supposition that subject was either leading a licentious life or carrying out clandestine activities. Therefore, a permanent surveillance was carried out during 24 hours for 20 days on his home, proving that he ~~deed~~ in reality come home between 6 and 7 at times.

Fifteen days before his return to the U.S.S.R. for his leave, a surveillance and shadowing service was set up during all 24 hours, proving that subject did make clandestine contacts.

It was under these circumstances that on the 21/5/69, at 1200 hours, a contact was spotted. This occurred once again on the 23/5/69, at which time the "contact" was suspicious of being followed and he pulled quickly out of the area.

On the 18th of August of the present year, when a security agent who was carrying out his duties on the ALFERIEV address (improvement of the P.T.), spotted the above mentioned contact patrolling the zone; with the aid of a Policeman he was detained in order to be identified, his documents are the following:

Names.	Alberto DO EYO
C.I.No.	3.432.687 Pol. Fed.
Address.	Moldes 742, 7º Fl., Fed. Cap.
Profession.	Newspaperman

After investigation was carried out it was established that subject did not live at said address and that his I.D. was not his.

Continuing the investigation it was learned that at Moldes 1872, 7th floor, a certain Alberto DO EYO did live there, and that he worked at Editorial "ESTAMPA", address Calle Salta 980, Federal Capital, Tel. 23-4052/8058/6166 and also in the firm "PETERSEN THIELE CRUZ and Cia", Riverola 178, Federal Capital, Tel. 45-8811, 46-1334/1666 and 40-1785, which was in the construction and sale of apartments.

When Editorial "ESTAMPA" was visited, it was learned that this firm had gone out of business for some time.

Following investigation, it was learned at the administrative offices of the firm "PETERSEN THILLE CRUZ y Cia", Talcahuano 178, 1st Floor, Federal Capital, the agent in charge of the investigation was waited by subject, who turned out to be:

Names	✓ Alberto DO EYO <i>h. sh</i>	SEX: M

L.E. No.	0.257.963, D.M. 2	POB: ?

Names of Wife	Eugenia MAGLIOCCA	
C.I. No.	2.600.078 Pol. Fed.	in contact with Juan J. Alferiev (201-23670)

Antecedents:

Alberto DO EYO does not have any police nor ideological antecedents. Until the year 1961, he worked at Editorial "ESTAMPA", then at "PETERSEN THILLE CRUZ y Cia".

It should be pointed out that in order to establish his activities and connections with ALFERIEV, starting 22-10-69 a surveillance and shadowing was carried out on subject.

On the other hand, and as a result of the use of the clandestine microphones, it was learned that Ivan ALFERIEV maintained conversations with a person by the name of MOUILLEVSKY, who was a member of the directive Council of the Metropolitan Federation of Chess and the Argentine Chess Federation.

Investigation carried out on subject determined the following:

Names	Marcelino MOUILLEVSKY	SEX: M
C.I. No.	1.429.304 Pol. Fed.	DOB: 30 Oct 16
L.E. No.	0.386.446	POB: Argentina, Marachia, La Pampa

Mr. MOUILLEVSKY occupies the post of Secretary of the Argentine Chess Federation with head quarters in the Sports Confederation Building,

address on Viamontre 1360, 6th Floor, Federal Capital.

Beginning October 22nd of this year a surveillance and shadowing service was established to determine his activities and possible contacts with ALFERIEV.

VI. CONCLUSIONS

With reference to the 2nd Councillor of the U.S.S.R., Ivan ALFERIEV, the following conclusions have been reached:

- a) He is a diplomatic officer who carries out his professional work efficiently, showing at all times great sagacity when carrying out public contacts and relations, avoiding on various opportunities with ingenuity and ability the shadowing detail assigned to him.
- b) With reference to his relations and activities within the Embassy, it is observed that he carries a lot of weight over the rest of the personnel, as he is given deferential attention and respect not only at official but private functions within the circle.
- c) He is a person who is always busy, on the go all day and on into the late hours of the night.
- d) His married life is not harmonious, due to the character of his wife who is temperamental and impetuous and not tolerant toward subject. It is estimated that these misunderstandings are linked to his activities outside of normal working hours, which take him away from home, as well as, the indifference and silence with which her recriminations are received.
- e) With reference to his contacts, mentioned in this report, the corresponding investigations are being carried out to determine how far they reach and their importance.

1. We have kept you up to date on AEBOOR's sudden move and the subsequent termination of AELANYARD. At the present time, we still do not know whether or not the story of a sudden transfer to Mexico City was in reality the basis for the move or if a compromise of the operation was the actual cause. As we pointed out in our original cable, our immediate thought was that perhaps the AVDOLMAN flap had caused all AEKICK types to "pull in" and that perhaps AEBOOR was simply following orders. Subsequent investigation, however, tended to discredit this thought. 2. The AELANYARD transcripts reveal that AEBOOR did indeed contemplate the move several days before we actually had wind of it. His wife did not like the idea and complained to him about the move. AEBOOR also told his landlord in advance of his move. There is also evidence that AEBOOR was in somewhat regular contact with the Mexican Embassy and although we were not certain, it appeared that he was anxious to learn if his visa had been granted. In any case, on 28 September 1969, AEBOOR and wife checked out of their apartment. 3. Shortly thereafter, we made a physical check of the interior of the apartment. Everything seemed to be in order. There was no evidence whatsoever that the technical end of the operation had been tampered with. As we said before, it functioned up until and after AEBOOR vacated.

4. We have not been able as yet to establish direct social contact with AEBOOR. Both Nina T. MARGANDE and Paul W. LEVERONE (who have legitimate reason to seek him out) have tried, but to date, to no avail. Our hope has been to have AEBOOR actually tell us of his plans - will he indeed be transferred to Mexico? Our original thought was that the Mexico Station could readily determine if he had indeed applied for a visa to that country. As you know, we struck out here also.

5. The fact is that as of this writing, we do not know whether AEBOOR's move was routine and innocent or if indeed there was something sinister involved. If AEBOOR does indeed pick up and move to Mexico, we shall, of course, be somewhat relieved. However, this will not answer categorically the major question - was the operation compromised? It would appear that regardless of what happens to AEBOOR, we shall never know the actual reason for his move. However, for what it is worth, the evidence here does not point toward a compromise.

Transmitted herewith for SB Division are copies of the passports of Soviet couriers Viktor Sergeyevich MURIN and Petr Leontyevich SAMOYLOV (Diplomatic 12303 and 12133 respectively.) These documents were obtained by BIOGEMESIS Travel Controls. MURIN and SAMOYLOV first transited Buenos Aires on 8 September on reference Alitalia flight from Montevideo to Santiago. They did not deplane but delivered four packages to local Soviet Embassy officials who boarded. (BIOGEMESIS did not identify the officials.) They retransited Argentina on 15 September via KLM 792 from Santiago to Montevideo and again remained on the plane.

Yuri Yuryevich MOSEVICH (201-824296) and Ivan Gavrilovich ALFERIEV (201-236701) boarded to deliver four packages. (This is perhaps the first time that ALFERIEV, known KGB, has met a courier flight. The explanation for his having done so may rest in the fact that Consul Antanas Ignovich YURSKINAS (201-779979), the suspect KGB officer who usually has this job, suffered a serious heart attack on 19 July and has been confined to his apartment since.)

1. Forwarded under separate cover are two AELANYARD tapes covering 26, 27 and 28 July 1969. The recording for the 28th runs through the last half of the first tape and all of the second; it involves a conversation between AEBCOR and 201-268170 regarding the former's experiences during his recent home leave. We should very much appreciate having Headquarters' monitors review this conversation of 28 July and forward to Buenos Aires as complete a transcription as possible. Once the transcription is finished the tapes may be destroyed.

2. In reference B Headquarters suggested that samplings of AELANYARD be forwarded tri-annually. Since we have begun forwarding the most interesting AELANYARD tapes for transcription at Headquarters, we assume there is no longer any need to transmit routine samplings of the initial BIOGENESIS product.

Operational Possibilities Against FJSTEAL Priority Targets

ACTION REQUIRED - REFERENCES

Action Required: See Paragraph 5.
Reference : HABW-11473, dated 5 June 1969

1. The detailed analysis of the Station's operational efforts against some of the priority FJSTEAL targets and the suggestion that perhaps AEBOOR offered the best immediate operational promise and warranted special attention was reviewed and discussed by the interested officers; it should come as no surprise to Headquarters that there is really little divergence of opinion, not only as to the priority target, but also insofar as operational approach and conduct is concerned. We would like to correct the apparent Headquarters impression that the Station was negligent in the follow-up of operational opportunities and was waiting for the FJSTEALs to take the initiative insofar as future contacts were concerned. We believe Station efforts have been as aggressive as possible in the existing operational climate, and if we were remiss, it was in failing to report in detail the various negative results of what we consider normal operational efforts.

2. AEBOOR was selected as one of the priority Station targets for the simple reason that three officers had direct access to him through Identity; once he accepted the invitation to Paul W. LEVERON's home he was moved up to the top of the priority list since it was hoped that continued and rather frequent contact could be maintained for assessment and operational purposes. Every reasonable effort was made to follow

up the first social contact (experience has shown that the FJSTEALERS here will not take the initiative and must be actively pursued) but a number of conversations (both face to face and by phone) ended up in the vague promise on the part of Subject that "we must get together soon". In the interim the Station tightened the coverage of AEBOOR by putting AELANIARD on a 24-hour-a-day basis for a little over two weeks and by conducting full coverage surveillance for about one week. Our reasoning behind this acting was as follows: such intensive coverage would possibly permit us to spot a likely place where we could inject an access agent; it would give us a better "feel" of his daily activity; it might uncover one or more of his clandestine contacts. The results of the effort, while far from solving our problems, did give us a wealth of information which should help us in our operational planning once AEBOOR returns to his station.

3. The distaff side of the target was not ignored, and Nina T. MARGANDE managed to spend some time in conversation with AEBOOR's wife during a get-together of Identity on 21 May 1969. As a result of this meeting the groundwork has been laid for a follow-up by MARGANDE; despite the fact that the wife was at first cool and then lukewarm to the idea of getting together for a shopping excursion, we will do everything possible to bring such a meeting about and try have MARGANDE become the wife's "confidante", if this is possible. (In order to permit MARGANDE to pursue this contact in the most natural manner and to give her a chance to meet and assess other FJSTEALER wives, she has also become a member of Identity.)

4. Until his departure for home leave AEBOOR was the primary FJSTEAL target and will continue in this position after his return until we can reach a decision regarding future action. There is one thing that should be kept in mind, however; and that is the fact that all of the FJSTEALERS are reserved in their dealings with members of INPURE. It seems that it is possible to get some of the FJSTEALERS to accept an invitation, even to a private home, but to try to develop such a contact into a continuing social relationship is a much harder proposition. Leland C. KROULD's experience with 201-313506 followed this pattern, and despite KROULD's efforts to continue and follow up what seemed to be the beginning of a good relationship, nothing came of the attempt. Stephen M. GARSIDE twice tried to utilize a natural opportunity to get together with 201-820310, only to be put off, as he was in an approach to 201-025485; Paul W. LEVERONE tried on several occasions to arrange a dinner with 201-183943, only to be put off (and this despite the fact that 201-183943 maintains extensive social contacts with non-WOLADY types). 201-025485 has expressed an interest in social contact, and since he is a senior type who should not have to check out and obtain approval for his social activity, we hope that he will not conform as closely to the pattern. This is not the time or place to examine the possible reasons for the FJSTEALER attitude; it is merely mentioned to demonstrate that we are fighting an uphill (although not a hopeless) battle, a battle that we intend to win by fair means or foul.
