FROM : Deputy Director for Plans

SUBJECT : Alicia CEUX Bustillo

It is requested that the files of the Federal Bureau of Investigation and the Department of State be searched for any information they may contain regarding Alicia CEUX Bustillo, and that information be forwarded to this Office. Available information indicates that Miss BUSTILLO, a Cuban ballet dancer, is about 20 years of age, and was one of the group of Cuban ballet dancers which recently made a tour of Europe. She reportedly has recently injured her foot and is not now dancing but is working as a secretary to Alicia ALONSO, the prima ballerina of Cuba.

NS-380-66

TO : Director, Domestic Contact Service
Attn.: Operational Support Staff

FROM : Chief, New Orleans Office

DATE: 28 December 1966

SUBJECT: Possible Opportunity to Recruit Agent in Place in Cuba

1. On Tuesday, 20 Dec 66, I received a call from Mr. Frank Bartes, former President of the Consolidated Railroads of Cuba. He is an alien but we have FBI approval to contact dated 14 Apr 61. Mr. Bartes is the source of five reports on Cuba and we, as well as the FBI, have been in frequent contact with him.

2. He called on me primarily to tell me that his mother had arrived from Cuba and would be willing to talk to me.

3. In the course of our conversation Mr. Bartes told me that he had a cousin still living in Cuba named Alicia Cruz Bustillo, who is a ballet dancer associated with Alicia Alonzo, the prima ballerina of Cuba and also a well-known Communist. Bartes says that Alicia Bustillo is not a Communist and he and his family have been in contact with her.

4. Miss Bustillo, who is about 29 years of age, was one of the group of Cuban ballet dancers which recently made a tour of Europe. A group of these Cubans defected while the troupe was Paris, and this received wide publicity in our newspapers. Miss Bustillo, however, did not defect and continued on the tour and returned to Cuba with the group. According to Mr. Bartes, Alicia Bustillo has recently injured her foot and is not now dancing, but is working as secretary to Alicia Alonzo.

5. Mr. Bartes told me that he had planned to meet Alicia Bustillo in Paris and that she had agreed to meet him in Paris, but Mr. Bartes did not have the money to make the trip nor did he think that he would be able to obtain the necessary visa for the trip to Paris because of his status as a Cuban refugee.

6. Mr. Bartes says that Miss Bustillo has traveled all over the world with the Cuban ballet group and has visited most of the Communist countries including China. He feels quite certain that the Cuban group will make another tour and that he will be advised in advance of the date and itinerary. He feels quite certain that he will be able to arrange a meeting with Miss Bustillo provided the group visits a non-Communist country. He states that he has always been very close to Miss Bustillo whom he considers almost as a sister. He feels quite certain that she would be willing to help the US if she were approached in the proper manner, and he feels that the approach should be made through him because of his relationship and former closeness to her.

7. He says that he believes Miss Bustillo does not attempt to

leave Cuba because of the fact that her family is there and that she would not leave unless she could also get her family out. He believes that, despite the risk involved, she would be willing to act as an agent in place.

8. My relations with Mr. Bartes have been very good, and I am inclined to believe what he says. However, this whole matter, of course, would have to be evaluated by the Clandestine Services.

9. There is one other matter I would like to mention in connection with Mr. Bartes and that is that he served for two and a half months with a group of Cuban fliers in the Congo, as he holds a pilot's license. He did not tell me and I did not ask who the sponsors of this group were or what their duties were. He did, however, mention a Colonel Weber and a Mr. Saunders. I strongly suspect, of course, that this was an agency operation and, if so, the Clandestine Services will already have a good deal of information about Mr. Bartes.

10. I pass this on for whatever it is worth and, if there is any further information which I can provide, I shall be glad to do so.

THIS IS UNEVALUATED INFORMATION

SOURCE:

US citizen, a pathologist who has recently returned from Cuba where he spent five years in charge of rice production and associated research on a large rice plantation at Jaboka near the Camagney/Oriente border.

1. Just prior to my departure from Cuba on 26 May 60 I talked with a Vice President of one of Cuba's larger railroads. He occasionally goes on inspection tours of the railroad's facilities, and had just returned from an inspection of the company's spur lines in the Sierra Maestra region of Oriente province. He was accompanied at all times by a Cuban Army officer.
2. One of the spur lines in the Sierra Maestra ran into a restricted area. In this area my friend observed under construction numerous large concrete slabs, immediately adjacent to which were very tall towers of metal framework and wire construction. He says that these were not TV or radio antenna-type towers. From his very limited knowledge of the subject, i.e., the few pictures he has seen in magazines and newspapers of rocket launching sites, he said that these towers appeared similar to steel structures he has seen in pictures of rocket launching bases. He asked his Cuban Army escort what purpose the construction was to serve, and was told "It is not a good idea to ask too many questions where lightning might strike".
3. The concrete construction work was being handled by Mexican technicians.
4. During the construction of large storage tanks "for pure water" on Cayo Largo is widely known in Cuba, but few accept the fact that the storage tanks are for water. It is the consensus that these tanks are for fuel storage and will serve as a refueling base for submarines. I have flown over Cayo Largo and seen these tanks from the air. They do not look like water storage tanks to me.
5. I have heard that the tenth floor of the Havana Hilton is reserved for the Soviets. While staying there just prior to my departure from Cuba I noticed the elevators never stopped on the tenth floor. I inquired of elevator boys, the desk clerks, and even the assistant manager, why the tenth floor wasn't open to guests. I was told that there were no guests on the tenth floor, that it was not completed, and accommodated no guests. The next day my laundry was returned to me with several pairs of shorts which did not belong to me. The laundry is washed by room number at the Havana Hilton and the number stamped in these shorts was a tenth floor room number.

Memorandum

TO : Director, Domestic Contact Service
Attn.: Operational Support Staff

FROM : Chief, New Orleans Office

DATE: 28 December 1966

SUBJECT: Possible Opportunity to Recruit Agent in Place in Cuba

1. On Tuesday, 20 Dec 66, I received a call from Mr. Frank Bartes, former President of the Consolidated Railroads of Cuba. He is an alien but we have FBI approval to contact dated 14 Apr 61. Mr. Bartes is the source of five reports on Cuba and we, as well as the FBI, have been in frequent contact with him.

2. He called on me primarily to tell me that his mother had arrived from Cuba and would be willing to talk to me.

3. In the course of our conversation Mr. Bartes told me that he had a cousin still living in Cuba named Alicia Cruz Bustillo, who is a ballet dancer associated with Alicia Alonso, the prima ballerina of Cuba and also a well-known Communist. Bartes says that Alicia Bustillo is not a Communist and he and his family have been in contact with her.

4. Miss Bustillo, who is about 29 years of age, was one of the group of Cuban ballet dancers which recently made a tour of Europe. A group of these Cubans defected while the troupe was Paris, and this received wide publicity in our newspapers. Miss Bustillo, however, did not defect and continued on the tour and returned to Cuba with the group. According to Mr. Bartes, Alicia Bustillo has recently injured her foot and is not now dancing, but is working as secretary to Alicia Alonso.

5. Mr. Bartes told me that he had planned to meet Alicia Bustillo in Paris and that she had agreed to meet him in Paris, but Mr. Bartes did not have the money to make the trip nor did he think that he would be able to obtain the necessary visa for the trip to Paris because of his status as a Cuban refugee.

6. Mr. Bartes says that Miss Bustillo has traveled all over the world with the Cuban ballet group and has visited most of the Communist countries including China. He feels quite certain that the Cuban group will make another tour and that he will be advised in advance of the date and itinerary. He feels quite certain that he will be able to arrange a meeting with Miss Bustillo provided the group visits a non-Communist country. He claims that he has always been very close to Miss Bustillo whom he considers almost as a sister. He feels quite certain that she would be willing to help the US if she were approached in the proper manner, and he feels that the approach should be made through him because of his relationship and former closeness to her.

7. He says that he believes Miss Bustillo does not attempt to

leave Cuba because of the fact that her family is there and that she would not leave unless she could also get her family out. He believes that, despite the risk involved, she would be willing to act as an agent in place.

8. My relations with Mr. Bertos have been very good, and I am inclined to believe what he says. However, this whole matter, of course, would have to be evaluated by the Clandestine Services.

9. There is one other matter I would like to mention in connection with Mr. Bertos and that is that he served for two and a half months with a group of Cuban fliers in the Congo, as he holds a pilot's license. He did not tell me and I did not ask who the sponsors of this group were or what their duties were. He did, however, mention a Colonel Weber and a Mr. Saunders. I strongly suspect, of course, that this was an agency operation and, if so, the Clandestine Services will already have a good deal of information about Mr. Bertos.

10. I pass this on for whatever it is worth and, if there is any further information which I can provide, I shall be glad to do so.

Lloyd A. Roy

3. That the term of employment under this agreement shall be for a period of one -1- year from **1 December** 1965. During the first six month term of this agreement, this agreement may be terminated by the employer at any time by thirty -30- days written notice in advance to the employee. 5. That the employee accepts the responsibility of the payment of all applicable taxes on all income earned by him under the terms of this agreement.

6. That the employee shall be furnished round trip tourist class air transportation costs from Miami, Florida, to destination, and return, and all other expenses directly relating to the travel involved. (2) \$40,000 payable in the event of the employee's death from an accident arising out of and in the course of his employment, provided death occurs within one (1) year from the date of the accident. This benefit is in lieu of (1) above and is also reduced by any payments made under (3) below for the same accident.

(3) Temporary and permanent total and permanent partial disability benefits plus medical expenses for injuries or disablement to the employee arising out of and in the course of his employment. Said benefits are paid in accordance with the terms and limits of said insurance coverage and the maximum payable thereunder is \$40,000 for the same injury or disablement.

Thereafter the usual method to document or complete the case must be followed as set forth in PR 10-215.

SECTION I

CONTACT AND DEVELOPMENT

1. INDICATE HOW, WHEN, WHERE, WHY, AND BY WHOM SUBJECT WAS FIRST CONTACTED OR DEVELOPED.

1. Subject first considered in JNATE project December 1960 for possible FI/PM operations primarily against transportation targets in Camagüey and Oriente Provinces. POA requested by administrative case officer, Joseph M. Cole. It was granted 30 January 1960 and cryptonym assigned was AMSEER/1.

Subject submitted job application form to Roberto Medell (principal agent, WITHRUSH, Miami, Florida) on 3 May 1965 for the purpose of consideration as a pilot in the WITHRUSH Project.

2. INDICATE WHETHER SUBJECT COULD BE TURNED OVER QUICKLY AND IN A SECURE MANNER TO ANY RESPONSIBLE CASE OFFICER FOR HANDLING. IF SO, INDICATE TO WHOM.

Subject could be turned over to any responsible case officer, however, a mature, politically inclined case officer would probably have more success handling Subject. He has long experience in management of transportation and agriculture enterprises. He is well educated and articulate in Spanish and English.

3. LIST OTHER CASE OFFICERS WHO HAVE HANDLED SUBJECT OR WHOM HE KNOWS OR HAS KNOWN, GIVE NAMES BY WHICH THEY HAVE BEEN KNOWN.

File does not show that Subject personally knew his case officers.

SECTION II		MOTIVATION AND CONTROL	
1. ESTIMATE SUBJECT'S MOTIVATION. (Be detailed, if possible cite evidence. Do not use stock comment such as "anti-communist.")			
Estimate Subject's primary motivation is financial. He has large family (wife and seven children) and has, in the past, been accustomed to high standard of living. Possibly his present occupation in real estate is not meeting his requirements for income and status. Also, he probably has continuing ideological interest in deposing Castro.			
2. INDICATE WHAT CONTROL, IF ANY, EXISTS OVER THE SUBJECT. (If no control, or if there is a lack of real control explain.)			
No real control exists over Subject other than financial. He needs guaranteed employment to provide for his family. However, manipulation of his resident alien status, aviation occupation property, and U.S. license could offer control elements.			
SECTION III		COVER

Subject was a leader in one of the anti-Castro resistance cells in Cuba prior to 1960. He was also a leader of an anti-Castro resistance group in New Orleans after emigration. His file indicates liaison with the FBI concerning this group's willingness to cooperate with the U.S. Government in operations against Cuba. In his connections with the FBI, he was extremely conscious of all aspects of security to the extent that he volunteered to be prosecuted for any breach			
2. LIST OTHER INDIVIDUALS (Agents, relatives, friends) WHO KNOW OF SUBJECT'S PRESENT INTELLIGENCE ACTIVITIES.			
(of security or evidence of collusion. His record indicates no connection with any other national intelligence service. Probably wife and brother, Mario, and possibly some cousins residing in the Miami area. However, Subject's file indicates attention to personal security in control of information concerning political affiliations and objectives.			
3. EXPLAIN ANY TRAINING SUBJECT HAS HAD IN CLANDESTINE OPERATIONS.			
Subject has no KUBARK training in clandestine operations. However while residing in Cuba he participated in resistance operations against Castro. His planning in sabotage, sabotage, sabotage, and sabotage.			
SECTION V		COLLABORATION POTENTIAL	
1. INDICATE OTHER FOREIGN POWER SUBJECT COULD BE MOST LIKELY TO COLLABORATE WITH BECAUSE OF HIS IDEOLOGY OR PAST ASSOCIATIONS. EXPLAIN.			
Subject may collaborate with any Government or group presenting a well conceived, financed, and disciplined program for re-invasion of Cuba. Still, prospects of collaboration become less likely as his personal contacts in Cuba are lost and urgent political issues arise.

MISCELLANEOUS OPERATIONAL DATA AND REMARKS

From 1947-1960 Subject acted as vice president and later president of family railroad and agriculture enterprise. He made a commercial success of these operations which were later confiscated by the Castro Regime. He lost a large personal fortune as did other close members of his family. He was an ardent anti-Castro, anti communist leader of resistance groups both in Cuba and in New Orleans.

Subject previously used his own private aircraft in managing his commercial interests. It is hard to judge from the Subject file precisely why he has applied for a flying position in the Congo for reasons other than obvious financial aspects. Further, his 19 May 1965 application to Robert Medall indicated a lack of degree of stability and solvency in his present position as a railroad executive. Given Subject's age and previous history, it is not available to him.

APPROVED REPAIR STATION No. 3823

P. O. BOX 26425 • NEW ORLEANS AIRPORT • NEW ORLEANS 26, LA.

288-1471

14 April, 1965

TO WHOM IT MAY CONCERN:

This is to certify that I have known Mr. Francisco A. Bartos since June, 1962. He contacted our company to obtain a license permitting him to continue flying in the United States after his departure from Cuba.

Mr. Bartos held a Cuban pilot license issued by the Civil Aeronautics Commission of Cuba, November 22, 1956, No. 1017, Multi-engine Aircraft VFR.

The total aircraft flying time has been estimated due to the fact all personal effects including his log books were left in Cuba. A certification from Sunny South Aircraft, Ft. Lauderdale, Florida, substantiates his estimated time due to single and multi-engine aircraft he purchased from them:

Cessna 172	130:00
Cessna 182	250:00
Cessna 310	750:00

Mr. Fausto A. Valdez, a Cuban citizen now residing at 10 SW 32nd Ave., Miami, Florida, holding an ATR certificate, 1515842, issued 11/28/61, has also certified via affidavit, Mr. Bartos, has close to 1,000:00 hours of multi-engine time.

Mr. Bartos has completed the Private Pilot course with us and has the necessary papers pertinent to an FAA license. He is presently continuing his studies for a Commercial Pilot rating - single and multi-engine.
