# DISPATCH

SECRET

Chief, Task Force 4

Chief of Station, MEXICO  
Operational/PROSE/INTEGK

ACTION REQUIRED: None; FYI

1. Subject was removed from CAC on 3 September 1962 and taken to a safe site where he was debriefed for four days. The purpose of the debriefing was to ascertain the subject's activities in Cuba and determine if he had any relationships with the G-2 or any other security organization.

2. During the course of the debriefing the subject appeared to be willing to cooperate and there were no indications of an attempt of deception. However, it is felt that the subject is a sharp operator, an opportunist and an individual motivated by his wife. He is very verbose, loud and attempts to hold the floor at all times.

3. CRELLANA claims that he had no relationship with the Cuban G-2, that he knew Fausto VALDEZ, Chief of the G-2 and Manuel PINERO, Deputy Chief of the G-2, but that he never conducted any business with them. He stated that he knew several G-2 agents by sight but never knew their names. He is of the opinion that all members of the G-2 are Communists and individuals of very low caliber.

4. Subject was granted asylum in the Uruguayan Embassy on 06/08 April 1962, which was obtained through the assistance of **Fernando RODRIGUEZ, leader of the Cro-Officers Union, Uruguayan Ambassador.** According to subject he had to seek asylum in the Uruguayan Embassy because he was in danger of being picked up by the Cuban Security Services. He claims that in November 1961 he was engaged in the transportation of material and personnel from Habana to the "Segundo frente" in the Tacaray mountains, in the Province of Santa Clara. At that time he was cooperating with **Captain (fnw) SALAS, Lito BALVASTRA, Benito, "El Chico," Roy GUTIERREZ Merayo, Lino JARA, Captain Fausto ESPINOSA and Fernando PARALELA.** According to subject, an individual named **Fernando** was arrested in March 1962 and during the course of his interrogation (continued)

by the Security Service. "Fronteras" documents were also  
submitted on the subject. In view of the above, the subject had  
no further information.

3. "Fronteras" admitted that during the last year he was  
engaged in negotiations for the purchase of arms from a Cuban  
contact. This during the month of September, 1961, when he was  
in Los Angeles, California where he traveled to the office of  
purchasing arms from a Cuban contact. He said that he did not purchase the arms from  
"Fronteras" but that he did make arrangements for the purchase of arms from  
elements to obtain these arms from "Fronteras". It is noted that  
the subject may have engaged in other clandestine activities which  
he did not mention. This deduction is based on the information  
he provided in the attached Personal History statement regarding  
his travel and the short, term jobs he held in the past.

4. Subject also admitted that he was arrested on 26 April  
1961 by the DTI because of his connection with a group engaged

endeavored to take out of the country. One of "Fronteras" associates,

the whereabouts of RAMOS. Subject stated that he was asked to  
provide the address of RAMOS. Subject stated that he knew RAMOS  
and after being held for four days he was held out by "MUEL" and  
"RODRIGUEZ", who were released a few days before the release of  
Subject.

5. Subject denies any association with the Communist Party,  
C-2 or any other Security Service. He claims to be a  
Communist and is willing to do anything in his power to combat
