Chief, WH Division ADMIN/CONTRACTS Sandra B. CAZAZZUS, Contract Provisions

Reference: HMMT-9892

1. Reference indicated Sandra B. CAZAZZUS is a Contract Employee who is required to perform her duties during various hours of the day as well as a varying number of hours in order to meet operational deadlines.

Reference asked that the contract for CAZAZZUS be amended to provide reimbursement of six hours per day when in a leave status and for paid holidays retroactively to 8 September 1967.

2. The request is answered by the Station's explanation—unless and until there has been established in advance a regular tour of duty, an individual is not eligible for leave or holiday pay (see FIB 20-1 and FR 20-13).

In the event the basic criteria is met (FHB 20-1), the effective date could not be retroactive.

ADM/JBCENT - Sandra B. CAZAZZUS (p) - Revision of Tax Assessment Rate

REFERENCE: Letter of Tax Instruction, HAMS-5711, 14 Dec 1967

- 1. Please advise FEINGLASS that his flat rate percentage tax assessment has been revised by the Tax Staff from thirteen and nine-tenths (13.9) per cent, established by reference, to twenty and eight-tenths (20.8) per cent, effective 29 June 1969, T/Y 1969. This revision is necessary as his income and tax position have changed to such a degree as to make the previous tax assessment rate unrealistic. A computation of the revised tax rate is attached.
- 2. This assessment revision is incorporated by reference as an amendment to FEINGLASS' Letter of Tax Instruction.
- 3. From the information submitted to the Tax Staff, it appears that YEINGLASS' daughter qualifies as a dependent. The new tax computations are based on five exemptions. Also, YEINGLASS should list five exemptions on his 1969 tax return.

Fitness Reports must be prepared with due regard for security considerations. For example, in the case of administrative and supported personnel and others whose duties do not in themselves reveal sources of information and methods of operation, it is normally expected that a complete and realistic statement of specific duties may be reported in Section B. However, the nature, source, purpose or disportant and information or operations will not be included. On the other hand, the position titles and description of specific duties of certain other employees may jeopardize security and should not be fully reported on this form. In these cases, general statements of specific duties will be included in Section B indicating the level of responsibility.

MEMORANDUM FOR: Chief, Insurance Branch/BSD/OP Benefits and Services Division

This is to advise you that Anna A. Tarasoff
has been employed under an Agency personal services contract
effective 8 September 1967. The Contract authorizes
participation in Civil Service Retirement, FEGLI and Federal
Health Insurance.

Subject's contract is the administrative responsibility of DDP/WH____.

1. In view of Reference B and inasmuch as Sandra B. CAZAZZUS was in the Headquarters area, a new contract was prepared granting her the benefits of Reference A. The contract was signed by CATATION and has been forwarded for related processing.

2. Attached is a copy of the contract effective 8 September 1967 for CAZAZZUS. She elected FEGLI but declined the health insurance as she is included under her husband's policy. CA2A22US was thoroughly briefed on the provisions of the contract as well as the provisions of her previous contract.

STATION ACTION:

As CAZAZZUS is payrolled by the Station, related deductions for the new benefits (Civil Service Retirement and FEGLI) are to be made by the Station. Social Security deductions will, of course, cease as there is no cover requirement for mandatory Social Security coverage.

3. During the briefing, CATALZUS inquired about the use of sick leave. She was informed sick leave can be used in the same manner and per the same regulations as when she was formurly a

staffer. The point involved was whether she had been granted sick leave during her "maternity leave" in 1965. She was advised that possibly she did receive payment covering the period which her accrued sick leave represented; and, possibly at that time she had only a minimal balance accrued.

STATION ACTION:

It is suggested the Station review her leave/pay account for the above cited period and advise her of the details involved.

Should the records reflect she had a balance but was not provided the leave, a pay adjustment may be made up to the balance at that time with an appropriate reduction of her current sick leave balance. NOTE: She was advised she could not have sick leave accrued since that time applied retroactively.

It is further suggested the Station Admin or Finance Officer conduct the briefing due to the necessity for the briefer to have a rather technical knowledge of leave.

CONTRACTION NOT THE RESIDENCE OF THE PROPERTY
Letter of Tax Instruction for FEINGLASS/CAZAZZIS

- 1. Based on discussions held with tax representatives of the Organization, an assessment of your Organizational income has been approved to satisfy your Federal tax obligation.
- 2. The assessment computation is based on an estimate of your taxable compensation from the Organization and your estimate of other income from outside sources. The assessment computation results in a percentage of your salary being withheld each pay period to completely satisfy your tax obligation. For tax year 1967 thirteen and nine-tenths (13.9) per cent will be withheld, effective 28 August 1967. The computation is attached.
- 3. In computing your assessment rate, you have been granted a basic tax credit of \$250.00. This credit is not guaranteed, but is granted to give reasonable assurance that you will not pay a higher tax than you would under ordinary reporting procedures.
- 4. Future changes in your income or tax status may justify a revision of the assessment rate. In this event this agreement would be amended accordingly.
- 5. It is important that you file a tax return directly with Internal Revenue that is consistent with your cover status. Care and accuracy in preparing this return are necessary. Any tax liability resulting from the tax computation on this return will be satisfied by your own funds. A certified true copy of this tax return must be forwarded to us upon your submission of the original to Internal Revenue. Provided below are specific criteria to assist you in the preparation of the tax return:
 - A. You will be provided with the name of a notional organization to be used on your 1967 tax return. The only income you will report will be income shown on your (FKIRGLASS) earning statement. You will not report your wife's income or tax withholding nor will you report any withholding that was made from your salary.
 - B. The income that is shown (using the notional as a source) will be reported on the Form 2555 (Statement to Support Exemption of Income Farned Abroad) and will be exempted from tax, due to your residence overseas. You will base your exemption on physical presence abroad. For tax year 1967 you will report your income as being earned prior to hom leave and therefore fully excludable because the qualifying period, which ended on the date you left Mexico for home leave, included an eighteen-month period abroad.
 - C. Other income must also be reported on this tax return, including interest from the Credit Union, which will be indicated without identifying the Credit Union by name.

- 6. You may request an advance of funds for payment of foreign income or related (income) taxes assessed against income received from or guaranteed by the Organization. Accounting for these funds will be made in the form of copies of the receipted tax bills (or other acceptable tax documents) which will be forwarded to the home office for approval and write-off of expense.
- 7. Please acknowledged the original of this letter and return to Headquarters, attention: Covert Tax Committee.
 - 8. We appreciate your cooperation in arranging these details.

VICTOR D. UNITSKY Secretary Covert Tax Committee
