Dr. Paul C. Patton, Administrator
Economic Cooperation Administration
Washington 25, D.C.

Don't Be Deceived

I understand that you have recorded an interview to Mr. Leonard Hunt with a view to considering his possible appointment to the staff of the Economic Cooperation Administration.

It may be of aid to you in considering
Dr. Hunt's qualifications as head of the character
and fitness committee in the following statement: For

and financial performance of his unit. He subsequently served in China as a member of the staff of the Chief of OSS China, in which capacity his duties consisted principally of establishing and maintaining the reports and liaison of the various operations and missions of OSS China. Colonel William P. Heppner, who is a Staff Colonel and until the end of the war commanded the OSS in China and who is familiar with these services rendered by Heppner, stated that they performed these services in an able, energetic and efficient manner.

It features a grid-like structure with multiple rows and columns. The top section contains several horizontal lines, likely headers or titles. Below this, there are several rows of data, some of which appear to be numerical or alphanumeric. The bottom section is dominated by a large, dense grid of small, repeating patterns, possibly representing a table or a series of small images. The overall appearance is that of a heavily processed or corrupted scan of a document.

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that the appointment would be in conformance with the Civil Service Act, applicable civil service rules, the War Service Regulations, and acts of Congress pertaining to appointments.

This form should be checked for holding of office, pension, purchase of office, suitability in connection with any record of recent discharge or arrest, promises to observe promises regarding personal agency, and particularly for the following:

(1) Identity of appointee with the applicant whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and/or other pertinent papers. The personal appearance may be checked against the medical cert. No. The appointee may also be questioned on his personal history for agreement with his previous statements.

(2) Age.—If discrepancy exists between the date of birth and that on application, and if definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment.

(3) Citizenship.—The responsibility for ascertaining the citizenship of the appointee rests with the appointing officer. The Civil Service Commission indicates on applications showing foreign birth that citizenship has been verified. The appointing officer should verify citizenship if the list of eligibles or the letter of authority from the Commission makes the appointment subject to proof of citizenship, or if the application shows foreign birth but does not indicate on its face that citizenship has been proved. If the answer to question 4 of this form shows foreign birth and the application shows birth in the United States, the case should be referred to the Civil Service Commission.

(4) Members of Family.—Section 9 of the Civil Service Act provides that whenever there are already two or more members of the family in the classified service, no other member of such family is eligible for appointment in that service. Members do not establish a different family merely by living at an address different from that of the parents. Doubtful cases involving more than two members of family, including all permanent evidence, should be referred to the Civil Service Commission or its duly authorized representative for decision. Under War Service Regulations, the members provision does not apply to temporary appointments for one year or less.

UNITED STATES OF AMERICA
ECONOMIC COOPERATION ADMINISTRATION
SPECIAL MISSION TO AUSTRIA

November 19, 1948

Mr. Averell Harriman,
U. S. Special Representative,
Economic Cooperation Administration,
Hotel Talleyrand,
Paris, France.

Dear Averell:

On the point of departure from Vienna, I want to record with you my appreciation of the services rendered me in this Mission over the last few weeks by Mr. Howard Hunt, Information Officer, temporarily assigned here from your staff.

Hunt has not only carried the duties and responsibilities of Information Officer, pending appointment of Mr. Wilson to that post, but he has, additionally, carried a large load for me in connection with the Ross murder incident. He has acted as a personal aide, to all intents and purposes, at a time when, understaffed as this Mission is, we were faced with a concentration of vitally important work in connection with our normal Mission operations.

I think Hunt has shown a broad-gauged grasp of what ERP is, what ECA is, and what Information work in behalf of both should be. Besides this, he is the right kind of person to have in this great ECA undertaking. I hope you will be able to keep him and to give him opportunities to express his abilities fully.

Sincerely,

Westmore Willcox

AGREEMENT made this 17th day of December, 1950, effective the 17th day of December, 1950, by and between the United States of America (hereinafter referred to as the Government), as represented by the Central Intelligence Agency, and E. Howard Hunt, Jr. (hereinafter referred to as the Employee).

RECITALS

A. The Government desires the services of the Employee for CIA under circumstances requiring the Employee to receive a Foreign Service Staff Corps designation from the Department of State and proposes to send the Employee overseas to Mexico for operations in the general area of _____.

B. The Employee desires as an employee of the Government to serve CIA abroad under the supervision and control of the Assistant Director for Special Operations, CIA, (ADSO) and is willing to accept a designation in the Foreign Service Staff Corps with the obligations thereof.

In consideration of the premises, the mutual covenants and promises herein contained, and for other good and valuable considerations, the parties hereto agree as follows:

ARTICLE I. Relationship of Employee to the Department of State. The Employee, in so far as possible, shall abide by all the rules, regulations, and customs of the Foreign Service of the United States which affect personnel of the Foreign Service Staff Corps in order to appear as a normal member of the Foreign Service establishment.

1. The Employee shall rigidly comply with the provisions of Title X, Part A of the Foreign Service Act of 1946, prohibiting officers and employees of the Foreign Service from:

- (a) Wearing uniforms;
- (b) Accepting presents from foreign governments;
- (c) Engaging in business abroad;

2. The Chief of the Foreign Service establishment and certain other key members of his staff will know about the Employee's status and relationship under the terms of the TOP SECRET agreement between the Department of State and CIA. Other personnel may discover that there are certain irregularities in travel orders, position numbers, pay accounts, and other internal administrative procedures of the Foreign Service. Nevertheless, the Employee shall not divulge his relationship to CIA except with the expressed approval of the ADSO. While serving abroad, he shall for normal administration be under the control of the Chief of the Foreign Service establishment to which he is attached, but for operations, including travel as specified below, he shall be under the control of CIA.

3. The travel of the Employee shall be governed as follows:

(a) For temporary duty outside the continental limits of the United States within or beyond the Employee's stipulated area, he shall perform CIA operational travel as directed by the ADSO or his designee with the consent of the Chiefs of the Foreign Service establishment involved. TD travel customary and necessary in the performance of routine Foreign Service Staff functions may be performed without clearance from the ADSO.

(b) For any travel to the United States, either temporary duty or permanent change of station, the Employee shall travel only at the direction of the ADSO after clearance has been arranged through the State Department in Washington.

(c) All travel will be directed and performed in accordance with Foreign Service rules and regulations.

4. Although the Employee's Foreign Service Staff Corps title, location, appointment, Foreign Service class, and other pertinent information may be published in the Foreign Service list and other publications of the Department of State, such listings shall not affect his employment and the obligations and duties stipulated in this contract.

5. All payments to be made under this contract, including reimbursement for travel expenses, shall be made to the Employee by the Department of State except payments referred to in ARTICLE II, Section 4.

ARTICLE II. Relationship of Employee to CIA. Although for all intents and purposes it will appear as though the Employee is employed by the Department of State as indicated in ARTICLE I above, he shall in fact be employed by and under the operational control of CIA. In so far as possible, he will be expected to abide by the rules, regulations, customary practices, and courtesies of the Foreign Service, but his ultimate responsibility will be to CIA. In the event of any conflict of authority in the field between the Department of State and CIA, the matter shall be referred to the ADSQ for resolution.

1. The line of authority for the Employee shall be as follows:

- (a) Senior Representative of ^{CPC} OSO at Foreign Service establishment.
- (b) ^{CPC} OSO Foreign Branch Chief in Washington.

- (e) Director of CIA.

2. All travel shall be directed by the ^{CPC} ADSC in accordance with ARTICLE I, Section 3. The Employee shall request appropriate Foreign Service clearance for travel through the Senior ^{CPC} OSO Representative at the Foreign Service establishment, who shall be responsible for arranging such clearance.

3. It is understood and agreed that the Employee's overseas assignment is to be for a minimum period of two years from the date of his arrival at his overseas post of duty, unless terminated by the Government for its convenience. If the assignment is terminated in less than twenty-four months at the Employee's request, the following shall prevail:

(a) If the Employee resigns in less than twelve months from the date of his arrival at his overseas post of duty, he shall reimburse CIA for all travel expenses involved in the transportation of himself, his immediate family, household goods, and personal effects to the foreign station, and pay all such expenses for return to the United States. Such expenses for return to the United States and amounts expended by the Government on account of such travel and transportation shall be considered a debt due by the Employee to the United States.

(b) If the Employee desires to terminate between the twelfth and twenty-fourth month from the date of his arrival at his overseas post of duty, he shall pay all expenses for the travel and transportation of himself, his immediate family, household goods, and personal effects to the United States.

4. If deemed necessary by CIA, the Employee may be reimbursed or advanced funds for operational expenses. Such amounts must be advanced or reimbursement made in accordance with CIA regulations, which require a full accounting of the amounts expended by the Employee. Therefore, the Employee will be required to account fully for any such funds advanced or reimbursed in accordance with CIA regulations.

ARTICLE III. Overseas Allowances and Transportation Expenses. When specifically authorized by the ADBO, the expenses of travel and transportation of the Employee, his immediate family, household goods and effects, including personally owned automobile and other allowances, will be paid the Employee in accordance with the Foreign Service Act of 1946 and regulations issued thereunder by the Department of State. When authorized by the ADBO, the Employee shall be paid a quarters allowance, cost of living allowance, or special foreign living allowance in accordance with the Foreign Service Act of 1946 and regulations issued thereunder. The amount of quarters and cost of living allowances and the special foreign living allowance is set forth in Bureau of the Budget Circular A-8, which is amended periodically to reflect adjustments in price indexes. Therefore, such allowances will be subject to change, and the amounts paid will vary according to Budget Circular A-8.

ARTICLE IV. Annual and Sick Leave. The Employee shall be permitted annual leave, sick leave, and leave of absence in accordance with Title IX, Part D of the Foreign Service Act of 1946. Under such Act, the Employee may be granted not to exceed sixty calendar days annual leave of absence with pay in each year. Sick leave with pay may be granted to the Employee at the rate of fifteen calendar days each calendar year and may be accumulated for succeeding years until it totals 120 days.

1. If the Employee is transferred from another Government Agency to this position, any annual or sick leave standing to his credit in such Agency, may be transferred, if appropriate, in accordance with E. O. 9837, 27 March 1947, issued pursuant to Section 935 of the Foreign Service Act of 1946.

ARTICLE VII. Medical Care and Hospitalization. In the event of illness or injury to the Employee requiring hospitalization not the result of vicious habits, intemperance, or misconduct on his part, and incurred in the line of duty while assigned abroad, the expenses of treatment of such illness or injury at a suitable hospital or clinic, or transportation expenses to such hospital or clinic may be paid by the Government in accordance with Title IX, Part E of the Foreign Service Act of 1946. Under appropriate regulations, a physical examination of the Employee will be made, together with necessary inoculations, or vaccinations, or the expense thereof will be paid to the Employee.

1. In the event of the death or disability of the Employee, the Employee or his dependents shall be afforded the benefits of the United States Employees' Compensation Act of 7 September 1916, as amended.

ARTICLE VIII. Equipment. The Employee may be furnished technical equipment and supplies to assist in the rendition of services hereunder, including an automobile where necessary. FROM: Personnel Director
SUBJECT: PERSONNEL QUALIFICATION QUESTIONNAIRE

1. The Agency is currently revising the system for machine coding employee qualifications, thereby permitting more complete and accurate data on all personnel. The new system will aid in implementing Agency policies on promotion from within by facilitating the selection of personnel with desired education and experience for vacancies which may occur. It is also expected that the new system will provide readily accessible statistics for planning and management purposes.

2. The attached questionnaire is designed to cover adequately those factors in which the Agency is interested. Although the information is, in a large measure, already reflected in previous forms submitted by you, it is felt that your time within the organization may enable you to emphasize those qualifications pertinent to its needs. The questionnaire also serves to bring your education and qualifications record up to date.

3. Your cooperation is requested in completing the questionnaire as thoroughly and accurately as possible and returning it to your Administrative Officer within the time allotted.

MEMORANDUM FOR: E. Howard Hunt, DEP/EUR/CA

SUBJECT : Service Computation Date

In your memo of 24 February 1969 to the Director of Personnel you requested a classification of your Service Computation Date, since various records had indicated three different dates. The date should be 7 September 1944.

This date reflects the following service:

Economic Cooperation Administration-

17 May 1948 - 08 June 1948 22 days

Foreign Service-

09 June 1948 - 19 February 1949 - 08 mo., 11 days

U.S. Naval Reserve-

19 August 1940 - 13 October 1942 - 02 yr., 1 mo., 25 days

U.S. Army-

06 October 1943 - 08 January 1946 - 02 yr., 3 mo., 3 days

Agency (Staff and Contract)-

08 November 1949 to Present

Total non-Agency time amounts to 5 years, 2 months and 1 day. When this time is subtracted from your Agency EOD date the result is 7 September 1944.

The confusion has resulted from conflicting dates arrived at in previous attempts at classification.

SECRET

This office is charged with arriving at SCD's for leave purposes. Prior to your retirement the Retirement Operations Branch will obtain records from the Civil Service Commission verifying that service which is creditable for retirement purposes.

In this regard let me point out that the date which we have just verified contains a period of service that is potentially creditable for retirement. Your military records show an enlistment in the Army as 6 October 1943. However the form later states active duty from 22 November 1943 to 8 January 1946. If you have any questions regarding the computation please call me on X7165. Questions regarding creditable service for retirement purposes can be referred to Murray Benthall on X3237.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT : Howard E. Hunt, GS-15, Employee
Number 013842, DOB: October 1918;
EUR/CA; Career; Service Designa-
tion: D.

PERIOD UNDER REVIEW : 22 June 1968 - 31 March 1969

MONTHS UNDER MY SUPERVISION: 7

OVER-ALL RATING : Strong

1. Mr. Hunt took on his present duties as EUR/CA in July 1968. His performance in this position has been consistently Strong.

2. From the period of his previous assignment to EUR's Special Activities Staff, Mr. Hunt has made a substantial contribution to the refinement and recasting of CA operational concepts which has been underway in the Division since the termination over the past two years of many long established projects. He has a fine political sense and a sound grasp of European realities and evolutions. While concerned with the role and methods of political action, his mind is essentially operational, imaginative, and perhaps at its happiest in the recognition of opportunities and the stimulation of specific action in the field. In both these areas he has shown a power of original thought, persuasiveness in presenting his views, and persistence and vigor in helping get action underway.

3. There are three primary areas in which Mr. Hunt has played an important role in the Division's business. The first is in providing consistent staff assistance to Branches and Stations in the conduct of on-going CA action, and the modification and relocation of certain activities of concern to the Senior Staff and other divisions. He has brought to this work a balanced view of Division and Senior Staff equities, an excellent awareness of realities in the field and of the practical limits imposed by the field priorities, manpower, and the requirements of security.

SECRET

SECRET

4. Secondly, Mr. Hunt has carried with him from SAS a continuing participation in the work of that staff in its two aspects: the countering of Soviet political action and a reawakened and redefined concern with Communist Party operations. He has contributed to the definition of these interests and worked closely with the Branches in identifying opportunities. Neither of these areas are of a nature that has made for prompt common understanding between Headquarters and the field. Mr. Hunt's TDY's have been of major assistance in furthering this understanding.

5. Thirdly, Mr. Hunt has assumed a particularly important role in responding to requirements for memoranda, studies and suggestions which the Division has been asked to produce since the beginning of a new national Administration in January. Intimately coupled with this is direct support to the Chief of the Division in the latter's participation in the Interdepartmental Group, and the analyses and studies which have derived from that participation.

6. In all these duties, Mr. Hunt's performance has reflected sagacity, balance, and imagination. He has had, to his credit, the advantage of excellent give and take with the Division's branches and a sound knowledge of branch people and capacities. He has drawn with equal effectiveness upon a broad range of personal associations in other divisions and senior staffs, and upon a deep experience of the mechanics, nuances and occasional delicacies of getting business done at Headquarters.

7. In summary, Mr. Hunt's has been the performance of a very competent, tough-minded senior professional in a period which has somewhat changed the nature of the CA officer's duties within the Division.

Edward Fenimore
Chief of Operations
European Division

I certify that I have seen the above fitness report.

Dear Mr. Hunt:

It is the practice of the Organization to follow up with former employees six months after their retirement. We hope by such inquiry to obtain information on what our retirees are doing and where they are located, invite suggestions for improving the retirement program and to learn if the Organization might be of some assistance on any post-retirement matters.

We should like very much to hear from you on the above points and on any other topics you think would be useful to us.

For your convenience in replying, we have enclosed a sheet somewhat akin to a form on which we have listed those standard items of information we'd like to have on every retiree. The remainder of the sheet, including the reverse side, is for your comments and suggestions. We shall be most appreciative of your fullest response to this inquiry.

Thank you very much for your cooperation.

Sincerely yours,

Carroll A. Duchay

CENTRAL INTELLIGENCE AGENCY

Career Profile

From 1949 to the present I have been a career official of the Central Intelligence Agency. My foreign assignments have been in Europe, Latin America and the Far East where my duties involved the collection, evaluation, and reporting of high priority intelligence in the national interest. This intelligence information related to the economic, political, social and military aspects of nations and regions where I was located. During two crisis periods I was a senior member of special task forces organized to confront the crises, and took part in White House conferences. At other times I have served as a regional trouble-shooter.

Abroad I have dealt and negotiated with senior officials including Presidents of foreign nations and members of their Cabinets.

In Washington I have represented CIA at high levels of our government including the Psychological Strategy Board, Operations Coordinating Board and Interdepartmental Groups chaired by the Assistant Secretary of State. I have had extensive responsibilities for the development and review of large-scale budgets, and for their successful presentation.

I have also had broad experience in dealing with key non-governmental figures in the United States and abroad, including major corporate and industrial personalities at the highest level.

REVIEWING OFFICER'S COMMENTS:

Although I would not differ from the evaluative comment on this officer, I would be inclined to rate his over-all performance as highly PROFICIENT rather than Strong, in view of his broad experience and grade. This officer has had a series of personal and taxing problems, beyond his control, which have tended to dull his cutting edge just enough to be noticeable.

Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties must be described, if applicable.

Subject has performed in a manner quite consistent with his long and broad experience in many aspects of the craft of intelligence. His senior grade, his special expertise in the field of propaganda and publication and his very high intellect have contributed to the division's operations in the public media field a sharp focus, an economical concentration of money and effort and a consequently heightened impact. In the WUHUSTLER project, Subject vindicated his faith in a moribund clandestine asset by demonstrating, after about a year and a half under his personal direction, that it is one of the most effective activities of its kind. Before Subject assumed direct responsibility for this project, it had suffered from visionary and diffuse direction and from poor case officer-agent rapport. Subject's personal handling of this operation is marked by excellent rapport and the project prospers on an entirely reoriented basis which the agent himself enthusiastically welcomes.

Subject's supervisory responsibility has extended over two secretaries, from one to two professional staffers under official cover and three professional career employees under unofficial cover. The fairness and precision of his management has patently won their respect and inspired their performance.

State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties must be described, if applicable. Mr. Hunt continued to direct the propaganda activities of the DO Division in a superior professional manner until 12 October 1964, when he was incapacitated by illness. On his return from sick leave on 7 December, he was detailed to the Office of the DD/P and officially transferred to that office on 28 February 1965. DO Division can only view this transfer with considerable regret. Mr. Hunt, by virtue of his personal background, has a unique flair and competence in the propaganda field. Over and above, but complementary to these special skills, his extensive experience in the CS, his sound judgment, high and creative intellect and other commendable personal qualities contributed significantly to the successful prosecution of DO's efforts in the media field. These same attributes, attest, in my judgment, to his suitability for employment as a Station Chief or in any other position requiring broad knowledge of and skill in the CS business. He is very cost conscious and an effective supervisor. He enjoys the respect of all personnel under his supervision, official and non-official, as well as that of all his co-workers in the Division and Station.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT : Howard E. Hunt, GS-15, Employee
Number 013842, DOB: October 1918;
EUR/CA; Career; Service Designa-
tion: D.

PERIOD UNDER REVIEW : 22 June 1968 - 31 March 1969

MONTHS UNDER MY SUPERVISION: 7

OVER-ALL RATING : Strong

1. Mr. Hunt took on his present duties as EUR/CA in July 1968. His performance in this position has been consistently Strong.

2. From the period of his previous assignment to EUR's Special Activities Staff, Mr. Hunt has made a substantial contribution to the refinement and recasting of CA operational concepts which has been underway in the Division since the termination over the past two years of many long established projects. He has a fine political sense and a sound grasp of European realities and evolutions. While concerned with the role and methods of political action, his mind is essentially operational, imaginative, and perhaps at its happiest in the recognition of opportunities and the stimulation of specific action in the field. In both these areas he has shown a power of original thought, persuasiveness in presenting his views, and persistence and vigor in helping get action underway.

3. There are three primary areas in which Mr. Hunt has played an important role in the Division's business. The first is in providing consistent staff assistance to Branches and Stations in the conduct of on-going CA action, and the modification and relocation of certain activities of concern to the Senior Staff and other divisions. He has brought to this work a balanced view of Division and Senior Staff equities, an excellent awareness of realities in the field and of the practical limits imposed by the field priorities, manpower, and the requirements of security.

SECRET

SECRET

4. Secondly, Mr. Hunt has carried with him from SAS a continuing participation in the work of that staff in its two aspects: the countering of Soviet political action and a reawakened and redefined concern with Communist Party operations. He has contributed to the definition of these interests and worked closely with the Branches in identifying opportunities. Neither of these areas are of a nature that has made for prompt common understanding between Headquarters and the field. Mr. Hunt's TDY's have been of major assistance in furthering this understanding.

5. Thirdly, Mr. Hunt has assumed a particularly important role in responding to requirements for memoranda, studies and suggestions which the Division has been asked to produce since the beginning of a new national Administration in January. Intimately coupled with this is direct support to the Chief of the Division in the latter's participation in the Interdepartmental Group, and the analyses and studies which have derived from that participation.

6. In all these duties, Mr. Hunt's performance has reflected sagacity, balance, and imagination. He has had, to his credit, the advantage of excellent give and take with the Division's branches and a sound knowledge of branch people and capacities. He has drawn with equal effectiveness upon a broad range of personal associations in other divisions and senior staffs, and upon a deep experience of the mechanics, nuances and occasional delicacies of getting business done at Headquarters.

7. In summary, Mr. Hunt's has been the performance of a very competent, tough-minded senior professional in a period which has somewhat changed the nature of the CA officer's duties within the Division.

Edward Fenimore
Chief of Operations
European Division

I certify that I have seen the above fitness report.

REVIEWING OFFICER'S COMMENTS:

Although I would not differ from the evaluative comment on this officer, I would be inclined to rate his over-all performance as highly PROFICIENT rather than Strong, in view of his broad experience and grade. This officer has had a series of personal and taxing problems, beyond his control, which have tended to dull his cutting edge just enough to be noticeable.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain rating. When Section B is provided, best basis for determining future personnel action. Manner of performance of managerial or supervisory duties, if described, if applicable.

Mr. Hunt is an officer with real ability, creative and managerial. During the period under review, he has done a great deal to tighten up the operation of his shop. The amorphous aspects of some projects he inherited have been eliminated or cut down to size. He has a pleasant and engaging personality and a broadly based background.

If there are any areas of weakness in his performance it is only because his potential is so considerable. For example, it is possible that the staff and planning aspects of his job could receive more attention although, admittedly, there is a large grey area between the responsibilities of the CA Staff and the responsibilities of DODS in this respect.

WASHINGTON, D.C. 20540

Mr. Howard Hunt
11120 River Road
Potomac, Maryland 20854

Dear Howard:

I have taken so long in answering your letter of April 5th because of the careful consideration given to your request by all concerned, particularly as we have not had this problem before.

I am sorry to tell you that our answer is in the negative, although we have taken every approach we can think of to comply with your wishes. Very simply, the problem is as follows:

The statute states--

At the time of retirement, any married participant may elect to receive a reduced annuity and to provide for an annuity payable to his wife or her husband, commencing on the date following such participant's death . . . (emphasis added).

Our regulation on the subject repeats the language of the statute above and in addition states--

A participant may not change his election under this provision

We considered the possibility of a waiver of the regulation but ran into another problem here. The act specifically provides that the Director may prescribe rules and regulations, but continues with the language that, "such rules and regulations shall become effective after approval by the chairman and ranking minority members of the Armed Services Committees of the House and Senate." The regulations as presently enacted were specifically reviewed by those Committees and approved in their present form.

Looking back into the legislative history of the act, we believe it is clear that the Committees desired our act to conform as closely as possible to Civil Service retirement, which definitely would not permit a change of election after retirement. There does not appear to have been any administrative error or misunderstanding at the time you retired and made your election, therefore, we have been unable to find any basis for making the change you request.

I think you know me well enough to agree that I like to stay as flexible in the law as I possibly can, but this seems to be one case where we are bound by specific provisions with no leeway to meet the requests of individual employees.

Sincerely,

Lawrence R. Houston

HOWARD HUNT

11120 River Road,
Potomac, Maryland 20854.,
May 12, 1971.

The Honorable
Lawrence R. Houston,
General Counsel,
The Central Intelligence Agency,
Washington, D. C. 20505.

Dear Larry:

I thoroughly appreciate the thought and study you gave my problem, and while your findings are disappointing to me, I must regard them as definitive.

Reflecting on the statute, however, I find myself wondering whether such irrevocable limitation on personal choice is, first, in the public interest, and second in the interest of annuitants whose personal circumstances and civil status are subject to unanticipated change. This could be the subject of an interesting class action challenge in which, I imagine, more than a few annuitants would be eager to join.

All that aside, I'm most grateful for your efforts to help me once again.

Cordially,

Howard

21 June 1972

MEMORANDUM FOR THE RECORD

SUBJECT: Mr. E. Howard Hunt

1. On 21 June 1972 Mr. Robert Tegethoff, INR, Department of State, informed Mr. James Franklin, Chief, CCS/OCB, that the Department of State had received press inquiries in regard to Mr. E. Howard Hunt's service with the Department of State. INR had arranged for withholding any Department of State replies until CIA had been consulted. Mr. Hunt's cover record showed that he was in Integrated Department of State status in Mexico from 1950 until 1953 and in Montevideo from 1957 until 1960. He also had nominal domestic Department of State cover from 1966 until he retired in 1970. Upon retirement, Mr. Hunt was "opened up" as a CIA employee back to EOD in November 1949.

2. In the absence of both Messrs. Osborn, Director of Security, and Geiss, Deputy Director, I discussed the State Department request with Mr. Leo Dunn, Acting Deputy Director of Security for Personnel Security. He concluded that everything considered, the Department should say that Mr. Hunt was assigned to the Department while in integrated status but, when pressed, not deny his basic CIA status. While trying to clear this line with the ADDP, Mr. Geiss called and at the end of our discussion, cautioned that any guidance to the Department of State in regard to Mr. Hunt should be cleared with the DCI.

3. I then talked to Mr. Sam Halpern, EA/DDP, to determine the whereabouts of Mr. Meyer. He recommended that I talk to both Messrs. Meyer and Colby who were in the OPFB think tank.

SECRET

SECRET

4. As I was leaving my office, Mr. Tegethoff called Mr. Franklin a second time to say that in the evening of 20 June 1972, Mr. John King, Department of State's Press Office, and Mr. John Unumb of CIA had discussed press inquiries in regard to Mr. Hunt which were made to the Department of State in the afternoon of 20 June 1972. These inquiries had particular reference to Mr. Hunt's biography in WHO'S WHO IN AMERICA showing him as Department of State employee since 1968 and listing his office at the Department of State. Messrs. Unumb and King agreed the press should be informed that he was not on the State Department's payroll during the period. Mr. Unumb confirmed this arrangement when I called him and said that he had added that Mr. Hunt retired in good standing from CIA in April 1970. I also cleared the proposed guidance with Mr. Ted Shackley, Chief, WH Division.

5. I then saw Messrs. Colby and Meyer, outlined the Department of State's request and our proposed reply that Mr. Hunt, during his integrated service in Mexico and Montevideo, was assigned to the Department of State. This information would not be volunteered by the Department of State, and Mr. Hunt's basic status as a CIA employee would not be denied if raised by members of the press. Messrs. Colby and Meyer agreed that this was the only feasible line to take. I then asked Mr. Colby whether additional clearance from the DCI was required. He replied that it was not, and that he would brief the DCI.

6. I informed Mr. Geiss of Messrs. Colby's and Meyer's decision and then called Mr. Tegethoff and provided him the agreed guidance.

Section C (Continued)

Special mention should be made of Subject's objectivity and integrity in carrying out his responsibilities. These were best demonstrated when he promptly and swiftly terminated a large and effective radio broadcasting project, to establish which he and his subordinates had labored hard, immediately upon belated discovery that insuperable, practical obstacles precluded realization of the project's theoretical potential.

Subject's professional background has attuned his constant attention to FI operational opportunities arising in the course of his current CA activities, a practice consistent with his habit of seeking maximum benefit for every dollar spent in time, effort or cash.
