organization be processed as a assassination record, and that the remainder of the CIA *Ramparts* Memorandum be declared NBR. The memorandum discusses the truth or fallacy of the allegations in *Ramparts* the Agency used non-governmental organizations for support and funding of worldwide anti-Communist operations. Over one hundred organizations are mentioned in the *Ramparts* article. The relevant organization is the International Rescue Committee; the IRC aided Oswald on his return to the US.

6. Book Cables Dissemination Lists:

The Board accepted the Agency's request that book cable dissemination list be protected in full even if they contain stations that are releasable.

7. Document # 104-10072-10232 :

The Board rejected the Agency's request to protect the full crypt (LINLUCK). The document has been sent to the DO for reconsideration/appeal review.

8. Other Documents:

The Board accepted the Agency's and ARRB staff's recommendations on 204 additional documents.

Reconsideration and Appeals:

If the Agency wishes to ask the Board to reconsider a decision or plans to appeal to the President, the ARRB staff has requested that it be notified prior to the letter to the Agency informing the DCI of the Board's decision. We expect the letter on or around Dec. 1st; the Board's determinations will also be published in the Federal Register on that date. As mandated by the White House, the Agency has seven days after notification to appeal a JFK Board decision to the President.
