REPORT COVER SHEET		SECRET NO FOREIGN DISSEM	REPORT NO. UFG-1759
FROM JMWAVE		DATE OF REPORT 25 October 1962	
REPORTING OFFICER Alice B. CAPONONG Douglas C. NISLEY		RD NO.	
REPORTS OFFICER Wilma J. MARKWALTER/dml		PROJ.	
APPROVING OFFICER Andrew E. REUTEMAN		S'CE CR.	
BACKGROUND DATA AND COMMENTS:			
CYROSE Source: Para 1. AMIUD-1 by letter dated 24 September from friend Melquia from Habana. Para 2. AMFAUNA-13 by SW message 11 dated 9 October, received by WAVE/Techs on 15 October. Legibility of message was somewhat impaired; the footnote stating that the vessels had discharged their cargo as signified by the (D) is confusing since the date of the message is earlier than the last expected date of arrival (19 Oct.) Accompanying report are attached untranslated shipping documents entitled "Movement of Steamships in the Republic", for dates 5 through 16 August 1962, supplied by AMFAUNA-1, received 18 October 1962.

This file highlights **differences**
between the 2025 release, and previous releases.

Red: Newly revealed in 2025.
Blue: Present in earlier releases, but not in 2025.
Black: Unchanged between versions.

For Original Documents visit:
archives.gov/research/jfk/release-2025

Notes:

Black text on a blue background indicates content
that was previously redacted using black ink.

I did my best to be accurate in revealing what is new,
but please confirm with the original sources
where accuracy is essential.
