Notes:

Black text on a blue background indicates content
that was previously redacted using black ink.

I did my best to be accurate in revealing what is new,
but please confirm with the original sources
where accuracy is essential.

Bill Donley - former op off.

Mike Levy

[Lee Corbett]

Virginia Jones.

basis for opening

1. operational interest -

a. recruitment (access) (trace)

b. Tracking

c. CIS (threat)

generally - amassed material
in indexes brought together
into 201. - actual process
of opening only takes an
hour or so.

* When MC report came in in
10/9 there was a response -
~~was~~ is there a document re
this trace?

opened by:

A. case officer.

Mick scenario - judgement
call by officer - there may
not be a 201 opened even
though a reliable source
suggest counter - intelligence
threat type problem.

most 201's are on people
who are being considered
for recruitment.

SECRET

COO2457

MH: ~ necessarily open 201
but would go into an index.
Info would be disseminated.

There are criteria for opening
high level commies. } Handbook
recruits. }
usually opened by operations
(desk) officer.

RESEARCH

↓ 2 days?

desk (decision)

There are ops run from HQ
in which case the CO is the
desk officer.

the 201 is indigenous to DDO.

PRQ part I - ^{Required for clearance.} automatic 201.
Part II - extended @ assessments,
detail background analysis,
operational projections.
OS has no need for Part II.
which is kept in 201.

MAINLY
IN FIELD.

Age essentially correct ^{RULE} an
bifurcated files. - central
card reference between them.
Index check should lead to
both.

201 - TRUE NAME - PRQ I +
REFERENCE to second.
separate file PRQ II

SECRET

201 mainly bio - try hard not to run operations out of 201's.

reason for opening ~ necessarily in it. would be a reference to a cable or document.

201 assigned chronologically as the name comes in.

would have his picture if ~~he~~ one could be gotten - not required. - would go right in.

there should be a table of contents list on a 201 - computerized.

green list - info on subject compiled as a result of signal/communications intelligence.

[State cover can go from "fig leaf" to fully integrated.]

project files - Policy Coordination Staff - coord. w other agencies - may also be a project file on desk if serious agency involvement

graphics file. - do obtain a great deal of photos of things like ships. - DDI if positive

SECRET

0002459

intelligence value + may
be disseminated.
might be photos of individuals
of prominence.
graphics file not in DDO
biographics registry in DDI
OCR - Office of Central Reference

P&L - ^{part of} compartmentation system
referred to cable traffic
opened by one of top 3
officers in DDO.

crypt can't be assigned ~~as~~
a 201.

if got into a debriefing
of handling a defector to
us then that is automatic
criteria for opening.
A report of fact of defection
alone wouldn't be enough.
