DADO is field office designation - per Barbara

Authorized by DADO (through Robert Crowley) to reveal to Probation Parole Bd. extent of CIA contacts w/ McC, Real phoned Mr. Bowering of Parole Bd. & said McC made voluntary approach to agency in April 1964 & thereafter a representative of CIA went to McC on two occasions & except for these two meetings, contacts have been confined to telephone conversations made at his initiative & to best of our knowledge, McC has had no contact w/ Agency in Washington.

Bowering said McC is paroled from sentence for armed hold-up - suspected of being a "con" man but so far no evidence of a swindle. McC's violation of parole subject to investigation. Bowering said Real's info would suffice unless McC makes further issue of his relations w/ CIA in which case Bowering would need to know more. Real said matter would have to be discussed with higher authority if more info is desired.
