Memorandum of Visit to: Julio Pablo Martinez Naranjo

Miami, Florida

1. Mr. Frank Watterson, representative of the US State Dept. in Miami, advised this office that Subject arrived in the US on 31 Mar 61 at 40 miles and that he might have information of interest to this office.

2. On 4 Apr 61, Luis J.C. Rodriguez interviewed Subject in Watterson's office. An examination of Subject's passport disclosed that he was born on 23 Jan 1943 in Havana, Cuba.

3. Subject stated that he is a member of a clandestine organization named United Revolutionary (UR), which is composed of 16 underground groups. The Coordinator for military operations of UR was Major Humberto SOFI Marin, who was arrested recently. Among the leaders of UR are Rogelio GARCIA better known by his name de guerra of "Francisco"; and Rafael DIAZ also "Ralph". All these individuals were arrested recently and UR is completely disorganized as a result.

4. Subject also stated that his mission with UR was to serve as courier between the organization and the Catholic Chaplain at the Cabana fortress. The liaison between the Chaplain and Subject was Pray ELIAS, who is the sexton at the Jesus de Miramar Church, in the suburb of Miramar, near Havana.

5. Subject also made a trip to Santa Spiritus in the Province of Las Villas bringing a radio transmitter for the anti-Castro guerrillas operating in the Encumbry. Through the above mentioned priest, Subject obtained some information furnished by prisoners held in the Cabana fortress which is being forwarded in report form.

6. Subject intends to remain in the US indefinitely and has been instructed to contact a Cuban national named "Barocio", who resides at 1339 N.W. 72nd Ave., Miami. Barocio is the UR representative in Miami.

7. No further contacts with Subject are anticipated.
