April 18, June Cobb called the New York DODS office about what to do about her CIA salary on her income tax return.

After discussions with SF/CAAS and George Powell of the Tax Committee, I phoned DODS to tell Cobb the following:

Since she was supposedly a student in Mexico, ~~now~~ and she had paid tax on her CIA salary, she was not to list her salary anywhere on her 1966 tax return. However, she should send us a copy of her overt 1966 tax return.

SUBJECT: Joyce H. PINELICH (P) - Tax Assessment

1. A covert Federal income tax percentage of two and eight-tenths (02.8) per cent of PINELICH's gross, taxable Agency entitlements has been approved by the Covert Tax Committee. This percentage assessment is effective 1 December 1964, the beginning date of tax year 1965.

2. The retroactive application of this assessment to tax year 1965 will result in a dollar assessment of \$84.00 (02.8% of \$3,000.00). After applying the 1965 covert tax withholding of \$540.00, a refund of \$456.00 will be due PINELICH for 1965. This eliminates the requirement for a covert tax return for 1965.

SUBJECT: Meeting with LICOOKY/1,  
5 April 1968

1-Unit A Chrono  
1-Unit B Chrono  
1-LICOOKY/1  
1-WBM/Info (paras 3, 4  
& 5)

1. A meeting with LICOOKY/1 was held at 1100 hours, Friday, 5 April 1968. We breakfasted, and then held the meeting at the BARTHOLOMEW site. As is detailed below, we reached a mutual agreement that the relationship was not worth pursuing; this was thoroughly amicable, and recontact methods are available on both sides.

2. Substantive matters first. LICOOKY/1 said that John GERASSI had been in town on 23 March for the day. He was invited to lunch at the CMUN that day, Sunday. Apparently, GERASSI, is back in the good graces of the Cuban regime. He told LICOOKY/1 that he would be spending this Summer in Arizona.

3. LICOOKY/1 has been commissioned by M. S. ARNONI, editor of The Minority of One, to write a piece on the recent intellectual/political developments in Czechoslovakia.

4. LICOOKY/1 thought up, and is arranging, a Czech film festival to begin 15 April. It is to be sponsored by the St. Clemens Film Association, St. Clemens Church, 423 West 46th Street (this church houses the American Place Theatre -- Robert LOWELL's group). LICOOKY/1 got this idea from the recent Czech travails -- which she hails as evidence of the power of Czech intelligocracy -- and from the commission referred to in paragraph 3 above. She contacted the Czech UN Mission which put her in touch with PAVLIC, the Czech Cultural Attache in the Washington Embassy. PAVLIC was all for the idea, and will be here for the opening of the festival. Milos FORMAN (director of the film "Loves of a Blonde") is currently here at the Hotel One. (a "dumb on 23rd on the West Side" -- LICOOKY/1's characterization) and will participate in the festival. KADAR (director of the "Shop on Main Street") has been invited to participate. LICOOKY/1 is going to ask PAVLIC whether it would be OK for her to ask DRVAK who teaches film at Columbia and who is a Czech in exile, to participate. LICOOKY/1 is very enthusiastic about this venture.

5. COMMENT: Milos FORMAN is mentioned in the article about Czechoslovakia in the 5 April 1968 issue of Time Magazine.

6. I knew something was bothering LICOOKY/1 and made her drag it out into the open. She started by remarking that WOFIRM and its computer apparently checked the welfare of its old agents every so often, and that this was the nature of our relationship. I explained that this was not the case, that I had found out she was in Manhattan and suggested to Washington that LICOOKY/1 might be of some value to us. This surprised her, and she apologized. She then took off on how when she was in Cuba she had dealt with Fidel and Che and Celia, and when she was involved with Guatemala she was dealing with AREVALO. She said that she didn't want to sound snobbish, but that she was accustomed to dealing with top politicians and intellectuals; she referred to a statement that I had made previously that perhaps she could get Tana de GAMEZ to invite her along to one of Tana's lunches with Cuban Permanent Representative Ricardo ALARCON Quesada. She said that she didn't want WOFIRM to think that she would seek out and cultivate lower level people, that she wasn't built that way. LICOOKY/1 said that even though Tana was a friend and that she liked her, Tana was not her equal, and that Tana wasn't on her pedestal. That ALARCON was certainly not in LICOOKY/1's intellectual category. LICOOKY/1 said that she considered herself as very flexible, but not that much. LICOOKY/1 is a "special person" and that WOFIRM bureaucracy -- with the exceptions of "Bill" (her Mexico case officer, a friend of the writer), C/WH/1 (with whom LICOOKY/1 is particularly taken), and the writer (LICOOKY/1 repeatedly assured me that she had a very sincere esteem for me) -- probably didn't understand or acknowledge this. LICOOKY/1 said her feelings for certain WOFIRMers were one thing, but her dislike of WOFIRM itself was something else. WOFIRM is a massive card index that shows Miguel Angel ASTURIAS as an old "Nicaraguan war-horse" -- ASTURIAS of course is Guatemalan. LICOOKY/1 couldn't stop liking Communists regardless of WOFIRM desires.

and

7. LICOOKY/1 went on and on in this/similar veins, very impassioned, but very straightforward and without personal rancor for the writer. Summing up, the stated reasons as to why she does not wish to continue regular collaboration with WOFIRM are as follows:

- A. fear of compromise -- LICOOKY/1 said that were her relationship with us to become known, it would ruin her standing in and associations with the intellectual community;
- B. distaste for WOFIRM -- LICOOKY/1 really believes that WOFIRM is a large card file with all the cards having errors on them;

SECRET

SECRET

- 3 -

- C. intellectual honesty -- LICOOKY/1 does not think that her intellectual honesty gains from her WOFIRM relationship;
  - D. lack of understanding -- WOFIRM, except for the three officers cited above, does not really understand the real LICOOKY/1.
8. Obviously, the unsaid reasons are the ones that really brought about this "confrontation", in the writer's opinion. These are as follows:
- A. emotional instability -- LICOOKY/1, as has been known for years by the writer, is not the most stable of individuals;
  - B. money -- LICOOKY/1 receives no money from us anymore (since her termination in Mexico), and the writer suspects that LICOOKY/1 could have more easily rationalized working for the "Giant Indices in Washington" were she on salary;
  - C. sex -- in this case, lack of same (LICOOKY/1 comes always to emotional involvement with her male associates, and her Case Officers cannot fulfill this need, thus giving rise to problems; in the past, LICOOKY/1 could easily obtain her physical/emotional fulfillment in Cuba and Mexico without relying on the Case Officer, but now she is getting older and quite shop-worn and cannot compete for attention from men in the environment of a place such as Manhattan);
  - D. discipline -- again, in this case, lack of same; LICOOKY/1 tell us what she does, we don't tell her what she should do.
9. LICOOKY/1 exhibited some anguish over this whole affair. She has been upset for the past month, over this as well as over the confused outlook for her in general. It was made very clear at one point what aid and comfort could have been extended to LICOOKY/1 to alleviate her anguish, and the writer beat a hasty retreat to the kitchenette for a tactical drink of water.
10. Not elaborated above were the writer's answers to LICOOKY/1's opinions, but these were effective in countering her logic, if not her attitudes. LICOOKY/1 had to agree that WOFIRM did have grounds for its assessment of her performance - not awfully good.

SECRET

SECRET

- 4 -

11. At any rate, the entire proceedings were very amicable, and, as mentioned above, LICOOKY/1 stressed that her basic opposition to WOFIRM was not on personal grounds, as she had enjoyed her dealings with her "three favorite contacts". She offered to call the writer anytime she had something tangible to pass on, and that he should do the same. It's just that she would be more comfortable as an ex-agent than as a current one. The writer fully expects to hear from her from time to time.

12. It actually was quite an interesting session.

<p>ACTION REQ: Per para 1 &amp; 7</p> <p>1. During a meeting with LICOOKY/1 on 7 March 1968, the agent passed on the following information which may be of interest to the appropriate Headquarters components. L/1 apologized for the lack of details, but the agent was not in a position to pump for further information beyond that which was volunteered.</p> <p>2. On 7 March Tana de GAMEZ, a naturalized U.S. citizen of Spanish origin, said that she had been telephoned the night before by the son of her half-sister Mercedes (last name unknown to L/1), her nephew Roy. The latter is a college student somewhere in Connecticut (possibly the University of Connecticut), and his home is somewhere in Westchester County. Roy said that he was calling his Aunt Tana because he knew that she had worked for OSS during WWII; Tana rejoined that she had never had anything to do with OSS, that she had worked for the Office of War Information (OWI). At any rate, Roy said that he wanted to tell his Aunt Tana that he had been "recruited" by the CIA, and that he was only going to work for the CIA so as to evade the draft. Upon being questioned on this, Roy maintained that he had been "recruited" by the CIA on campus.</p> <p>3. The nephew's statements rather rattled Tana de GAMEZ, to the point where she had to take her heart medicine for palpitations (she has a heart history). Among other things, Tana was upset by the thought of a family member being affiliated with the CIA, even though the nephew is disliked by her as an individual.</p> <p>4. Tana de GAMEZ was a member of the U.S. delegation to the Havana Cultural Congress in January 1968. She is a well-known figure in the intellectual leftist set in New York, and is outspokenly pro-Castro. She is a member of the editorial board of Grove Press; is a published author herself; and is a close friend and associate of John GERASSI, formerly of Ramparts Magazine.</p> <p>5. Tana de GAMEZ is the subject of a voluminous file at the INERGO office here. harmless. She considers herself a loyal American, but does not find this to be incompatible with being a vigorous "New Left" type. She recently became the Latin American editor of Manhattan FM radio station WEAI, an interesting melange of bourgeois/avant-garde programming slanted toward the left, according to L/1.

6. Tana de GAMEZ is in frequent contact with Ambassador Ricardo ALARCON Quesada, Permanent Representative of Cuba to the United Nations; she also is in contact with Jose Raul VIERA Linares, DGI officer within the CMUN.

7. Tana de GAMEZ probably is the subject of a 201 file at Headquarters; if so, this dispatch should be cross-referenced to that file. If not, the Base suggests that de GAMEZ be indexed.

8. Re paragraph 2 above, L/1 agreed that what the nephew probably meant was that he had been interviewed on campus, and that this to him meant that he had been accepted for employment.

PROVISIONAL OPERATIONAL APPROVAL

MEMORANDUM FOR: Chief,  
DO/I/WH - L. A. Peterson

NUMBER

201 - 278541

SUBJECT

LICOOKY/1

REFERENCE: Your Memorandum, Dated

3 August 1967 cy

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

A POA is issued for contact with Subject to explore her access to targets and information of operational interest in the Latin American and possibly Cuban context.

In dealing with this Subject it should be recalled that her past association with CIA has been widely blown through broad publicity.

It is recommended that Subject be handled by a strong, mature case officer who can and will avoid emotional involvement with the Subject.

The case officer should be fully briefed on Subject's background and her emotional and sexual problems. Worthy of particular note is her involvement with John Rettle, BBC correspondent in Mexico and an MI - 6 agent whom the Soviets tried to compromise while he was serving a tour in Moscow.

Please forward PRQ Part II.]

To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date. An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II. Cancellation must be requested if use of Subject by interested Divisions ceases.

**MEMORANDUM TO: CI/OA**  
**FROM : DO/I**  
**SUBJECT : LICOKEY 1 (201-278841)**  
**REFERENCE : Form 889 dated 27 October 1967**

1. The following summaries indicate no derogatory information on Subject.

2. New York report dated 12/29/59 captioned "June COBB - Registration Act-Cuba" furnished CIA 1/8/60. This report stated that June Cobb translated pamphlets as part of her job for Fidel Castro with the idea of familiarizing the American people with Castro's writing. June Cobb believes Castro is doing a tremendous job in reconstructing the economy of Cuba. However, she stated that in her opinion it is unthinkable that Communism would ever be embraced by Castro or the people of Cuba. There seems to be no particular significance to this report as this information was previously known by the Agency.

3. Letter to Director, FBI, from CIA dated 11/7/60, captioned "June COBB - Internal Security - Cuba". Bernie Brennan asked June Cobb to deliver some information to Juan Orta who stated that Brennan was not needed anymore. Cobb thought Brennan might have been attempting to obtain a position with the Cuban Tourist Commission. The Agency has no further interest in Brennan. Therefore, there is no significance attached to the report.

4. Washington report dated 4/26/62 captioned "Lyle Stuart - IS - Cuba; SM-C; RA-Cuba", furnished to CIA 5/4/62 was merely interview with Stuart. There is no significance attached to this report.

**S E C R E T**

**S E C R E T**

5. Letter from CIA to Director, FBI, dated 8/19/64 captioned "Lyle Stuart" (CSI 316/00789-64). June Cobb interviewed re Lyle Stuart. Lyle Stuart attempted to get close to Fidel Castro for the purpose of exploiting the journalistic advantages of an interview. Therefore, there is no significance attached to this report considering that it was merely an interview.

Att. No. 17 to UFGA 19939

SUBJECT: COBB, June

## 1. BIOGRAPHIC DATA

a. DPOB: c. 1930, Somewhere in US, USA citizen.b. OCCUPATION: Helping a fnu PELLICER, write a book on Anti-Communism.

c. ADDRESS: Somewhere in Mexico City, DF.

## 2. BACKGROUND

a. Around June or July of 1959, AMDOFF/1 was ordered by Celia SANCHEZ to pay the Habana hospital bill of an American named June COBB. The bill, which A/1 recalls, was over \$2,000.00 plus Habana Hilton Hotel expenses, were paid out of the PM's office account. A/1 believes that Miss COBB became acquainted with Fidel and Sanchez on their US trip of April-May 1959, but ignores the details. Sanchez instructed A/1 to employ Miss COBB in the press section of the PM's office. She was responsible with seeing all American and English speaking newsmen who desired to interview Castro or requested permits to visit the interior of the island. She also helped to translate Fidel's important speeches into English. It is A/1's understanding that she had no other duties or responsibilities. She never dealt with Castro directly, but through Maria WITOSKA, who was Sanchez's liaison with the PM's office. A/1 states that their relationship was limited to her official function. She appeared to have a newspaper background, but A/1 ignores the details.

b. About late 1959 Miss COBB, together with Jose PUENTE Blanco, then FEU (Federacion Estudiantil Universitaria) president of the University of Habana, in conjunction with the INIT (Instituto Nacional de Industrias Turisticas), took over a finca (formerly owned by Batista) near Ceiba del Agua, Habana, and set up a boarding house to be used by American students visiting Cuba as guests of the government. A/1 ignores the details of this operation.

c. By mid 1960 A/1 learned that Miss COBB had left for New York City. She never returned. A/1 claims he does not know why she made this decision.

d. When A/1 arrived in Mexico in late October 1964, he came to know an American writer, Daniel JAMES (address: Vicente Gomez #145, Mexico City, DF, tel 40-19-71). James told A/1 that Miss COBB had recently been deported from Guatemala and was living in Mexico City. Later, A/1 met Miss COBB accidentally at the Mexican Ministerio de Gobernacion offices. She was very friendly and said she was helping a fnu PELLICER (believed by A/1 to be a Guatemalan) to write a book describing his defection from Communism. She wanted A/1 to help Pellicer with reference material on the Marcos RODRIGUEZ trial. She gave A/1 her address, but for various reasons he said he wrote up the slip

1/1 claims he did not want to be associated with her while his political position is still under investigation and further, he did not want his wife to find any feminine references on his person when she arrived. He has not seen Miss COBB again.

e. (It should be pointed out that A/1 did not include her name on the original roster of the personnel of the PM's office. He remembered her participation when directed a special series of questions (requested by Dave in Mexico City in late Nov 64) on the activities of US news and public relations media.

3. JMWAVE traces:

a. COBB, June: Soviet officials informed the Cubans that Subject who acted as an interpreter for Fidel Castro was an FBI agent (201-287019, BVCA-08569; 01 Sept 61)

c. COBB, June: Expected leave Hava on afternoon 3 June 60 by National airlines for NY. Requesting FBI not impede her activities (OUT 81006 to FBI; 31 May 60)

April 18, June Cobb called the New York DODS office about what to do about her CIA salary on her income tax return.

*Mr. Musulin*  
After discussions with OF/CAAS and George Powell of the Tax Committee, I phoned, x 2268 DODS to tell Cobb the following:

Since she was supposedly a student in Mexico, ~~she~~ and she had paid tax on her CIA salary, she was not to list her salary anywhere on her 1966 tax return. However, she should send us a copy of her overt 1966 tax return.

MEMORANDUM FOR: Domestic Operations/4H

: Director, Domestic Contacts Service

SUBJECT : Miss Viola June Cobb, born 24 August 1927, Ponca,  
OklahomaBackground:

1. On 22 or 23 September 1965 Miss June Cobb contacted the New York Domestic Contacts Office through Leon Gendevitch of the Vision Magazine, trying to establish contact in New York with CIA to pass along some information. WE/1 chose not to establish contact with Miss Cobb at that time, even though she was cleared CIA agent in contact with the Mexico City Station.

Recent Developments:

2. Miss Cobb was terminated effective 1 July 1966 and was paid her salary through 30 June and given money for one-way air fare to New York City. She was completely satisfied with the financial terms of the settlement and signed a Termination Secrecy Oath. Although she was terminated for lack of access and production, there was also considerable newspaper publicity in May 1966 in the Mexico City newspapers wherein Subject was attacked because of her connection with an anti-Communist meeting, the Latin American Conference to Study the Situation of the Jewish Minority in the Soviet Union. In this publicity Subject was labeled as being closely connected with U. S. Government Police, and also as an agent of the FBI and INTERPOL. She was also accused of working for a newspaperman Daniel James who was described as being responsible to CIA.

3. Miss Cobb planned to return to New York in July where she was to look for a job. Subject had been told previously by the Mexico City Station that the telephone number of the New York CIA office is listed in the directory and she could call that office if contact were necessary while she was in the United States, but that she should only establish contact for an important or urgent matter. Since Miss Cobb tends to

liberally apply importance to a wide variety of events and subjects, and since she is likely to be short of money shortly after arriving, WH Division believes there is a possibility she may try to establish contact.

Suggested Action:

4. WH Division suggests that you may wish to forward a copy of this memorandum to your New York office. If Miss Cobb does establish contact, we would appreciate your office interviewing her to accept whatever information she might wish to contribute, but that no financial commitments be made on our behalf. WH Division plans to have no direct contact unless the information provided would appear to merit a special interview.

I am aware that the unauthorized disclosure of such information is prohibited by the espionage laws of our government which specifically requires the protection of intelligence sources and methods from unauthorized disclosure. Draft of Dispatch

1. LICOOKY-1 has been terminated effective 1 July 1966.  
The last meeting with her was held on 23 June. She was paid her salary through 30 June, her income tax refund for the period 1 January 1965 - 30 June 1966 and given money for one-way air fare to New York City. She was completely satisfied with the financial terms of the settlement. A Termination Secrecy Oath, signed in true name, was obtained.
2. L-1 plans to return to New York on or about 1 July. She said she will look for a job there, and is confident she will have no difficulty obtaining one. She does not yet know where she will be living.
3. L-1 is subletting the apartment she occupies here. She has purchased the KUBARK-owned household effects which had been loaned to her for that apartment. For this reason, in addition to the fact that she has acquired many close friends and interests here as a result of five years residence, the Station expects that she will return to Mexico, although she insists she has no plans to do so.

14 July 66  
201-278841

4. She was given a post office box address to use to contact the Station in the event that she does return to Mexico and feels it necessary to do so. But no commitment was made to her regarding any future contact or payment for information.

5. She was previously told that the telephone number of the New York KUBARK office is listed in the directory and she could call that office if contact were necessary while she was in the United States. She asked if that would still be the case and was told that it was but only to attempt such contact for an important or urgent matter. But since she tends to liberally apply importance to a wide variety of events and subjects, and since she is likely to be short of money shortly after arriving, it would not be surprising if she did try to establish such contact.

MEMORANDUM FOR: Chief, WH Division

SUBJECT : Request for Termination of Project LICOOKY

The LICOOKY Project was last approved for the period 1 January 1965 through 31 December 1965 for \$5,140--\$2,530 for FY 1965 and \$2,610 for FY 1966. It is requested that the LICOOKY Project be terminated effective 1 January 1966, based on the following information geared to the outline in CSI-F NO. 230-60.

- (1) Project Name: LICOOKY
- (2) Original Project Objectives: Identify and report on plans, activities and associates of Central American Communists resident in or visiting Mexico City.
- (3) Reason for Termination: LICOOKY-1 lost her access to the hard core group of CA communists partly because of her close association with LINLUCK who publicly renounced his break with the Guatemalan CP in 1962. The loss of access was also partly due to L-1's own apparent indiscretion vis-a-vis some of her close friends in Mexico City. This can be attributed both to her own growing distance for the grubby and blindly unreasoning members of this group with whom she was asked to consort, and her reaction in her social group which took the form increasingly of anti-Communist remarks, and to the concomitant (or possibly resultant) rumors of increasing currency that she was in the pay of PBSWING. Attempts were made to take advantage of her connections with literary circles in Mexico, but her inability to budget her time sufficiently to satisfy station requirements led to the decision to terminate her. A contributing cause was also her inability to regularize her status in Mexico so she could accept a paying position which would give her reason to remain there, with the resultant strain of the thin legend that her father was providing her support.

SECRET

## SECRET

2

- (4) Effectiveness of Project: Project supplied a certain amount of miscellaneous detail on the Central American Communist group in its early stages. Detail and continuity have always been lacking. During the post-project period of association, after termination notice was already given, she began to be more attentive to Station requirements and supplied several rather detailed profiles of controversial persons in the intellectual world who could be of operational interest to the Station.
- (5) Date of Termination: 1 January 1966
- (6) Status of commitments:
- a. LICOOKY-1: This Contract Agent is being carried under LIRANCH (00A) from 1 January through June 1966 to prepare special reports against non-LICOOKY Project objectives. Termination costs will be borne by Project LIRANCH.
  - b. LICOOKY-2: LICOOKY-2 was terminated on 31 December 1965 for lack of continuous production. He was very understanding when told of the termination and recognized that his limited and occasional access made a regular salary illogical. Contact is maintained with him via a letter box through which he can indicate his need for case officer contact. He is then paid small sums for travel information supplied.
- (7) Disposition of funds, material and personnel: There are no funds or material to be disposed of. LICOOKY-1 is being terminated effective 30 June 1966. At this time she will be supplied with air fare from Mexico City to New York and paid the income tax refund due her. Station owns some of the furnishings in her apartment and she has expressed a wish to purchase some of these. The normal three-bid process will be complied with in this case, through her advertising the sale and then offering slightly higher prices for the items. She plans to retain the apartment in Mexico and sublet it furnished so she will have a pied-a-terre whenever she returns there. Her specific plans for leaving the city are not known. The Station has no objections to her remaining in Mexico and

SECRET

SECRET

3

is quite willing to maintain contact with her on an occasional basis. She would be reimbursed out of LIRANCH on a piecework basis.

- (8) Request for funds: No extra funds are required.
- (9) Progress made toward attainment of project objectives: See paragraph 4 above.
- (10) Review of Project: No review is contemplated of Project LICOOKY.

SUBJECT	Forwarding of Clippings and Comments Concerning Conference on Jewish Minority in the Soviet Union.		
ACTION REQUIRED - REFERENCES			
<p>Action Required: j None; FYI.</p> <p>1. As Headquarters is already aware, a Latin American Conference to Study the Situation of the Jewish Minority in the Soviet Union (Conferencia Latinoamericana de Estudios sobre la Situación de la Minoría Judía en la URSS) was held in Mexico City during the period 13 - 15 May 1966. Judging by numerous articles in the press, <u>Política</u>, <u>La Voz de México</u>, <u>Sucesos Para Todos</u> (see attachments under separate cover) and excerpts from conversations between numerous persons on LIENVOY and LIFEAT, the Soviet Embassy, the Mexican Communist Party (PCM - Partido Comunista Mexicano) and other groups and individual Communists were determined, if possible, to prevent the Conference from being held and, failing that, to discredit it completely and pin the UNION/ODACID label on it. Despite their efforts and the voluminous adverse propaganda, both before and after the Conference, the Conference was held and was probably mildly successful.</p> <p>2. <u>Política</u>, 1 May 1966, carried an article attacking the proposed Conference and ridiculing some of the Mexican participants (Attachment A). It contains, among other things, a partial reprint of the text of an interview or statement by Nicolas S. Leonov, Press Attaché of the Soviet Embassy, in which he states that Mexico should not be drawn into the cold war propaganda battle, and he maintains that Jews in the Soviet Union are not mistreated or discriminated against. In addition to the attacks and counterattacks in the press, efforts were made (based on LIFEAT on Enrique SEMO Calev, Gerard PIERRE-CHARLES, and LIENVOY) to prevent Carlos Pellicer, a darling of the Mexican left but not a formal PCM member, from taking part; Pellicer is an official of the Mexican Committee for the Defense of the Jews in the USSR (Comité Mexicano Pro Defensa de los Judíos en la Unión Soviética). <u>Política</u>, 15 May 1966</p>

RMMA-25207

(Attachment B) continued the attack on the Conference and its participants, claiming in effect that it is a clear anti-Soviet move backed by ODACID. As of 18 May, according to the article, numerous signatures had been collected on a "progressive manifesto" protesting the Conference. The list includes many well known Mexican Communists and pro-Communists. Attached also (Attachment C) is a copy of the "progressive manifesto", which was published in El Día on 19 May 1966, and a copy of a manifesto (Attachment D) published in El Heraldillo, 22 April 1966, by the Mexican Committee for the Defense of the Jews in the USSR, in which a number of demands are made on the Soviet Government with respect to the Jews and their rights.

3. La Voz de Mexico, 15 May 1966 (Attachment E) carried an article bitterly attacking the Conference, which it charges is being organized and held by groups and persons in the service of ODACID. It specifically names LICOOKY-1, although the latter's name is incorrectly spelled, as one of those responsible for the Conference and says she is "well connected" with ODYOKE police. Sucesos, 21 May 1966, carried an article (Attachment F) attacking the Conference and its organizers and charging that there are sinister forces behind the Conference. This article carries a picture of LICOOKY-1.

4. Sucesos, 4 June 1966, included an inserted sheet (not found in all copies of this edition) entitled "An Agent of the FBI and INTERPOL in the Association of Mexican Writers," which deals almost exclusively with LICOOKY-1, her expulsion from Cuba, work in Mexico, and contacts and activities in Mexico. It charges that in Mexico she is working for Daniel James, who is responsible to KUBARK (Attachment G).

5. LICOOKY-1's name appeared in a notice (Attachment H) appearing in El Excelsior, 28 May 1966 by Vicente Echeverría del Prado, treasurer of the Mexican Association of Writers (AEM - Asociación de Escritores de México, A.C.), which simply stated that LICOOKY-1 is not authorized to accept dues or handle other business of the AEM within the province of the treasurer's duties and obligations. However, in view of the adverse publicity previously, the announcement had the effect or implied that the AEMAC or members of that group believed the charges that LICOOKY-1 had a part in organizing the Conference and/or is an agent of KUBARK. The notice, as it appears, also implies that LICOOKY-1 was mishandling AEMAC funds. Echeverría offered to publish the clarification on the sheet on which the AEMAC announcement appears; however, LICOOKY-1 asked him not to do so and said she would take up the notice and any clarification with the AEMAC Justice and Honor Commission.

6. On 9 June 1966 while conversing with SEMO (Attachment I), Leonov said that LICOOKY-1 had called him to say that she had had nothing to do with the Conference, and does not want the Soviets to catalogue her as an enemy. Leonov commented that LICOOKY-1 had left him her phone number and had asked him to help her (presumably refute the charges that she was involved with the Conference). The LILINK case officer who currently handles LICOOKY-1 said on the morning of 14 June 1966 that LICOOKY-1 told him she had called the Soviet Press Attaché to deny that she had had anything to do with the Conference "because it is what she would normally do." She did not, however, mention beforehand that she intended to call the Soviet Embassy. (Tape of conversation is forwarded as Attachment J.)

7. The Station believes that most or all articles attacking the Conference, and particularly those attacking LICOOKY-1, were Soviet inspired, and it is further believed that SEMO wrote most if not all articles attacking the Conference which appeared in La Voz, Política and Sucesos. The Soviets, who are probably aware of previous Cuban charges that LICOOKY-1 is an ODYOKE agent, probably felt that as an American closely associated with the AEWAC LICOOKY-1 would be vulnerable to such an attack.

8. As a result of the Sucesos article of 4 June 1966 an official from the Ministry of Government did visit LICOOKY-1 to check on her documentation. The official said that he did not believe the charges made in the Sucesos article, but since her tourist visa had expired he advised her to immediately leave the country in order to renew it, and he provided her with a letter to show to Mexican border authorities permitting her exit. She is currently in PEPRIME but is expected to return to Mexico in a few days.

9. As Headquarters is aware, LICOOKY-1 will be terminated effective 30 June 1966; the decision to terminate her was made some time ago, prior to the occurrence of the Conference and the resulting adverse propaganda. While she may be of some occasional use should she return to and remain in Mexico, it is believed that the recent adverse propaganda has impaired her future usefulness in Mexico, although many Mexicans undoubtedly do not believe the charges and others offered to "come to her defense."

10. A dispatch will be prepared and forwarded when the termination has been completed, and any new developments with respect to her alleged participation in the above Conference will be included in that dispatch.

## CONGRESOS

### ¿Les Darán Permiso?

En 1961 un Comité Hindi pro Defensa de los Derechos de los Judios en la Unión Soviética solicitó al gobierno de la India permiso para realizar un congreso al que asistirían intelectuales de varios países asiáticos. El permiso fue negado porque el primer ministro Nehru entendió que esa reunión afectaría las buenas relaciones de India-soviéticas.

Trámites similares se hicieron al año siguiente en Ceilán y correspondió a la señora Sirimavo Bandaranaike, jefa del gobierno cuya política nacionalista fue saludada por las fuerzas progresistas de todo el mundo, negar el permiso, pues vio que se trataba de una más o menos sutil intromisión en la política exterior de su país.

Instituido el gobierno gorila en el Brasil, un Comité Latinoamericano pro Defensa de los Derechos de los Judios en la Unión Soviética no tuvo problemas para llevar a cabo en 1965 un congreso; éste se celebró poco después de uno similar que se reunió en mayo del año pasado en Washington y sobre el que un conocido poeta judío-norteamericano de ideas derechistas, Jacob Gershtein, hizo este comentario: "Todos gritaban en inglés que hacía falta la lengua judía... en Rusia". Esta expresión fue comentada por Aarón Vergruen, poeta y director de "la revista en yiddish *Soyuznits Haskolnik* que se publica en la URSS" con esta frase:

*Politica, 1 May 1966*

APPROVED FOR RELEASE 1981  
CIA HISTORICAL REVIEW PROGRAM

"Nadie grita en ruso que hace falta la lengua hebrea... en los EU".

A otro mitin antisoviético celebrado el tres de junio pasado en Nueva York, dos prominentes sabios judíos de la URSS, el economista Evsei Liberman, profesor de la Universidad de Jarkov, y el físico Lev Landau, Premio Nobel, enviaron un mensaje que decía: "Los ciudadanos de la URSS de nacionalidad judía expresamos nuestra profunda indignación por el hecho de que algunos círculos de Occidente sepan cundir incesantemente toda clase de infundios sobre la situación de los judíos en la Unión Soviética. Los judíos soviéticos consideramos como una provocación el mitin del tres de junio en

artículo Los judíos en la URSS, publicado por la revista *Mundo de Moscú* el 16 de octubre de 1955, y del que es autor Julio Adin, miembro del Partido Obrero Unificado de Israel. Julio Adin estuvo en México a mediados de abril y declaró a *Política*: "Yo escribí ese artículo a pedido del Dr. Carlos Quintana, director de *Marcha*, revista cuya orientación progresista todos conocemos. Al remitírselo desde Jerusalén le expresaba en una carta adjunta que me disgustaría sobremanera que fuese utilizado para cualquier actividad antisemita o no, de tipo antisoviético. Estoy enterado de los congresos que se han venido celebrando en muchos países para «defender» los dere-

chos de los judíos en la URSS. Empezando por el hecho de que consisten en la publicación de artículos antisemitas en los periódicos y publicaciones civiles en Viena. El propio Luna repetía una y otra vez su apoyo por la URSS y los países occidentales para afirmar luego mentiras tales como que en la URSS se editan millones de libros de franco y se venden cuando antisemita, que son vendidos a menor precio que las obras científicas o literarias; y que si bien la Constitución soviética condena el antisemitismo, actualmente el gobierno no sólo lo tolera sino que propicia su expansión.

Jacobo Mondlak, después de afirmar

"...¿se pretende con ésta esta propaganda contrarrestar la discriminación racial que si se practica en otros países?..."

el Madison Square Garden donde sin nosotros, sin representantes nuestros, se pretende discutir una cuestión que, para colmo, ni siquiera existe".

Al congreso de Río de Janeiro concurrieron por México dos personajes de prestigio: Martín Luis Guzmán y Carlos Pellicer. Poco después quedó constituido el Comité Mexicano pro Defensa de los Derechos de los Judíos en la Unión Soviética, presidido ejecutivamente por un judío-mexicano de ideas ultraderechistas, Jacobo Mondlak, y honorariamente por el poeta Carlos Pellicer. Como secretario actúa el editor de Radio Universidad, actor aficionado y empleado de la sucursal mexicana de una empresa financiera israelí Sergio Guzik. Para colaborar con ellos llegó a México a principios de este año Dr. Yosef, funcionario del ministerio de Relaciones Exteriores de Israel, experto de darle un barniz "liberal" y hasta "progresista" a ciertos eslabones de esta cadena echada a reír por el Departamento de Estado de los EU.

Dr. Yosef trajo consigo abundante "literatura", entre la que se contaba el

chos de los judíos en la URSS, y no tengo dudas sobre su carácter antisoviético propiciado por el Departamento de Estado de los EU.

Firmas mexicanas. La consecuencia para México de la reunión de Río de Janeiro fue un *Llamado de conciencia*, a cuyo pie se puso la respetable firma de Carlos Pellicer. El hábil trabajo de Dr. Yosef y Sergio Guzik logró que a la de Pellicer se sumaran 50 firmas, algunas tan honorables como las de León Felipe, Héctor Cruz, Rosorio Castellanos, Ali Chumacero, Gabo Roberto Guillaumin, Héctor Mendoza, José Emilio Pacheco y últimamente otras como la de José Revueltas, Luis Gómez Z. o Carlos Monsiváis.

Para dar a conocer ese *Llamado de conciencia* fue ofrecida una conferencia de prensa el 21 de abril en el edificio central de la comunidad israelita de México. En las invitaciones se decía que la iba a presidir Carlos Pellicer, pero su lugar fue ocupado por una personalidad mucho menos importante, como lo es el Lic. Benjamín Lavatol Luna, del Frente

de modo irresponsable que todos los sectores de la comunidad judía de México lo habían elegido presidente del mencionado comité, sufrió un ataque de confusión geográfica y afirmó que en la URSS se producen frecuentes profanaciones de cementerios judíos. La verdad es que el único país donde se ha subido que se produzcan tan abominables salvajismos es en la República Federal Alemana, donde florece el neonazismo y, en consecuencia, el antisemitismo; pero sobre esto ni una palabra dijeron los apurados "defensores": Mondlak, Laureano Luna y Guzik.

El 22 de abril, en todos los periódicos matutinos, incluido *El Nacional*, apareció el *Llamado de conciencia* con las 50 firmas. Esto sorprendió de manera desagradable a los sectores progresistas de México, no repuestos todavía de las intempestivas y tan amenazantes visitas de Johnson y Goldwater. La primera reacción de esos sectores fue el envío de cartas que diversas instituciones y personas hicieron llegar al poeta Carlos Pellicer, lamentando que hubiera aceptado presidir un comité inspirado y movido

por el Departamento de Estado yanqui.

Comentario soviético. En entrevista con *El Día*, Nicolás S. Leonov, agregado de prensa de la embajada de la URSS en nuestro país, afirmó: "México no es campo propicio para hacer propaganda de guerra fría. El prestigio internacional de que goza y el respeto que le tiene el mundo entero no permiten que florezcan en este país brotes de la guerra fría. En la actualidad no hay ni datos, ni situaciones ni acontecimientos que justifiquen el deseo de algunas personas y elementos de reavivar el cadáver del llamado problema judío en Rusia. A juzgar por los argumentos, la aplastante mayoría de los firmantes usó para sus conclusiones no los datos razonables, no los resultados de una investigación objetiva, sino material tomado de segunda mano, superficial, erróneo y muchas veces tergiversado por pura mala voluntad".

En referencia al pedido de control de las publicaciones antisemitas que hacía el llamamiento, Leonov comentó: "Es curioso que pidan esto a la URSS y no a otros países en donde prolifera esta clase de literatura. Es falso afirmar que las publicaciones antisemitas aparecen en forma regular en la URSS; al contrario, la Unión Soviética es uno de los pocos países en donde la revelación de prejuicios raciales se castiga por la ley y se condena por la opinión pública. Es una pena —concluyó— que tantos intelectuales en un poco espacio hayan cometido tantos errores. ¿No se pretende con toda esta propaganda contrarrestar la discriminación racial, que sí se practica en otros países?"

El congreso. Muy en silencio se ha venido preparando un congreso que habrá de celebrarse en la ciudad de México del

13 al 15 de mayo, al que concurrirán intelectuales de los países centroamericanos para "defender" los derechos de los judíos soviéticos. No se limitará la agenda, pues el representante Mandlik, durante la conferencia, se reunió después, entre otros, en Santiago de Chile, al que asistieron intelectuales de Argentina, Uruguay y otros países del "cono sur". Como dice un lector de *Sinopse* en la sección de *Cartas* del N° 67: "Los resultados de esta campaña antisemita 'no parecen ser otros que los de favorecer la propaganda imperialista y, a la postre, el antisemitismo'. Consideraba además que 'muchos de quienes aparecen suscritores ese llamado parecen no darse cuenta de que son empujados como resaca hacia el apoyo para la celebración de un congreso antisemita antisoviético con sede en México; es decir, en un país que tiene buenas relaciones con la URSS y que sufre en carne propia las falacias del anticomunismo manejado desde Washington'".

## TRABAJO

### Primero de Mayo

La celebración del Primero de Mayo, no ha dejado nunca de ser representativa de las aspiraciones de la clase trabajadora y de sus condiciones de vida y de lucha, por un lado, y de la actitud de la clase capitalista y su dominio frente a aquella, por el otro.

Así, por deformado y desvirtuado que esté el sentido esté el sentido auténtico de la conmemoración, a través de toda la historia de los 1° de Mayo en el país se ha visto una CROM callista, haciéndole el juego al régimen con el propósito de instituir el día de lucha del proleta-

riado universal en una "fiesta del trabajo" organizada por el gobierno. Bajo el cardenismo, en pleno ascenso revolucionario, las manifestaciones obreras volvieron a ser en este día una presencia combativa de la clase trabajadora. Durante Avellanar, al tiempo que se llegaba a organizar trabajadores en el desierto, la sucesión de los cuorros del movimiento obrero llegaba a su máxima expresión cuando Fidel Velázquez lo calificaba de "pequeño obrero de la República".

En este 1965, lo que una vez fue en México lucha a favor de mejores condiciones de vida ha devenido en una "fiesta de unidad nacional a la que son invitados los empresarios", lo que es una parodia general de la situación de la lucha de clases en el país.

Organismo con el fin de controlar las aspiraciones crecientes a la unidad por parte de los trabajadores (el Congreso Nacional del Trabajo) el 1° de Mayo, días antes de su celebración se hizo público el criterio que el gobierno y los líderes reaccionarios deseaban inculcar a esa fecha. Citando y declaraciones de Fidel Velázquez y Antonio Bernal coincidieron con los conceptos que más tarde externaría el presidente Gustavo Díaz Ordaz.

El deseo del régimen de dar apariencia de unidad al intento de fusión burocrática que ha sido el Congreso del Trabajo, así como su empeño en presentarse como impulsor de la unidad obrera se evidencian en su discurso de este Primero de Mayo: "Hoy empieza a ser una prometedora realidad la unificación de los trabajadores no en una sola central propiamente dicha, sino en ideales, en principios, en metas y en ayuda recíproca para poder alcanzarnos".

## CONGRESOS

## Antisovietismo en México

Del 13 al 15 de mayo se celebró en el Hotel del Prado de la ciudad de México la silenciosamente organizada Conferencia Interamericana de Estudios sobre la Situación de la Minoría Judía en la URSS. Convocada por el Comité Mexicano Pro Defensa de los Judíos en la Unión Soviética y con asistencia de algunos delegados extranjeros, especialmente centroamericanos, esta reunión fue el remate de una campaña internacional antisoviética, iniciada desde hace por lo menos cinco años por el Departamento de Estado norteamericano y el mismo organismo organizado.

A pesar de los densores de humanitarismo y eclecticismo con que se ha pretendido cubrirla, esta conferencia fue denunciada en su fase preparatoria por publicaciones como *Política* y *La Voz de México*, órgano del Partido Comunista Mexicano. Nicolás S. Leonov, embajador de la Unión Soviética en nuestro país, la condenó como parte de la "guerra fría".

Analizando, aun en forma somera, la extracción de los diferentes delegados extranjeros, es fácil inducir sus nexos con el imperialismo norteamericano y la intervención de éste en la conferencia. Los delegados son en su mayoría o han sido funcionarios de gobiernos gorilas de Centro y Suramérica; entre ellos se cuentan Reynaldo Galindo Pohl, exministro de Cultura de El Salvador; Ricardo J. Bermúdez, exministro de Educación de Panamá; Gerardo Molina, exrector de la Universidad de Colombia; Lic. Gardillo Barrios, exministro de Economía y Trabajo de Guatemala; y Dr. René de Sola, exministro de Justicia y de Relaciones Exteriores de Venezuela.

A esta campaña, nada democrática y de calidad intelectual harto dudosa, fueron arrastrados algunos intelectuales mexicanos honestos. Una larga serie de artimañas fueron usadas para ella, desde el ocu-

tamiento de la bien conocida organización y del puntual pago de los servicios necesarios para la celebración de la conferencia, hasta el uso demagógico y falaz de pronunciamientos hechos, en bien diversas circunstancias, por personalidades y organizaciones de reconocida solvencia progresista.

Además se escamoteó el nombre del escritor Martín Luis Guzmán, que no apa-

la realización de la primera tarea se encargó de iniciarla, por medio de una carta a la conferencia, el que ha figurado como presidente del Comité Mexicano Pro Defensa de los Derechos de los Judíos en la Unión Soviética, Carlos Pellicer. Después de disculpar su ausencia de la reunión, pues acompañaba al presidente Díaz Ordaz, en una gira de trabajo, Pellicer encasoló el nombre de Bertrand

Russell para "demostrar" que "...no, detrás de nosotros no hay ninguna fuerza que nos mueva a actuar como lo estamos haciendo". Y finalizó su carta con estas palabras: "Nunca como hoy se habla tan universalmente de Derechos Humanos. El gobierno soviético los proclama todos los días. ¿Qué ocurre entonces con los dirigentes de tan grande nación? ... Estaré lejos de ustedes en persona. Pero mi corazón está aquí y mi voluntad entera para seguir luchando por la justicia y la libertad donde quiera que la necesidad tan honrosamente nos obligue".

A continuación, el presidente de la conferencia, Martín Luis Guzmán, y el que actuó como maestro de ceremonias, Benjamin Laureano Luna, hicieron sendos discursos en los que, cada uno a su manera, trató de justificar los objetivos de la conferencia.

Martín Luis Guzmán afirmó: "Pese a la revisión de aquellos factores negativos de la vida soviética y a los frecuentes cambios que en ellos se introdujeron, el gobierno de la URSS no ha restituido a los judíos sus indiscutibles derechos al goce de su cultura ancestral, a la conservación de sus instituciones, a la continuidad de su tradición milenaria". Después de algunas vaguedades añadidas a la primera, el escritor finalizó con ésta: "Así, enterados de las persecuciones que hoy sufre un gran grupo del pueblo judío, cuyo milenario legado cultural forma parte de la civilización de Occidente, hemos considerado deber ineludible el acudir aquí para que esta conferencia manifieste su decisión de protestar, como lo haría

UNA SESIÓN DE LA CONFERENCIA "PRO JUDÍA"

... sus nexos con el imperialismo norteamericano y la intervención de éste...

rece entre los firmantes del nefasto "Llamado de Conciencia". Sin embargo, el literato había sido designado con anterioridad para presidir la conferencia; así lo aprueban tanto el mensaje dirigido a su nombre por el filósofo inglés Bertrand Russell el 26 de abril, como el discurso de inauguración de la conferencia, que debía dirigir Martín Luis Guzmán y que fue impreso y repartido por la oficina de prensa aun antes de que comenzara la reunión.

La conferencia. En la sesión de apertura se escenificó una farsa en la que se intentó despojar a la conferencia "pro judía" de toda implicación política, ubicándola dentro de una esfera exclusivamente "humana". Al mismo tiempo, se pretendió dar a las delegaciones extranjeras —algunas de las cuales sólo constaban de una sola persona— una representatividad "democrática" en las dos comisiones que se formaron: la de estudio y la de resoluciones.

## PANORAMA NACIONAL

en cualquier otro caso de discriminación racial, cultural o religiosa, contra el régimen que pesa sobre la minoría israelita de la URSS.

Bernabé Luna, presidente del Frente Mexicano Pro Defensa de los Derechos Humanos, expresó su anticomunismo con reiteradas y demagógicas protestas en contra de las agresiones norteamericanas a Santo Domingo y Vietnam. Luego lanzó las más graves calumnias contra la Unión Soviética, y poco le faltó para poner en el mismo nivel del genocidio hitleriano al régimen de la primera nación donde se han serrado las bases para realizar el comunismo.

La jornada del 14 de mayo se cerró con un banquete al que asistieron, además de los delegados extranjeros, numerosos miembros de nuestra versátil y desaprensiva intelectualidad. Allí habló Jacobo Mondlak, gerente ejecutivo de la conferencia. De este seudodescriptor, *La Voz de México* (en su edición 1829) denunció su filiación de extrema derecha y lo presentó como "dirigente del JEIRUT (partido israelita de ultraderecha y fascista), bien conocido en la comunidad judía de México por su ideología chovinista y racista".

Mondlak sólo dirigió ditirambos a la "gloriosa y hospitalaria patria mexicana" y a sus "monumentos toltecas de piedra". Después de barajar demagógicamente citas de Morelos, Hidalgo, Bolívar y Sandino pretendió curarse en salud: "No es preciso ser agente del Departamento de Estado para denunciar braves antisemitas en la Unión Soviética, como tampoco es preciso ser agente comunista al criticar algunas facetas de la política norteamericana".

A los informes sobre la filiación política de Mondlak se añade que su insistencia en colocarse al lado de quienes luchan

por la libertad y contra la esclavitud es justificable por la posición de clase que ocupa dentro de la sociedad mexicana. Es miembro del grupo Mondlak, que posee tal y en el interior del país. La familia Mondlak acaba de invertir \$20 millones en maquinaria textil, mediante operaciones realizadas con una empresa imperialista germanooccidental de racio abolengo nazi.

"Demandas". La conferencia se clausuró el domingo 15 de mayo, luego de adoptarse el acuerdo de pedir a la Unión Soviética que:

- Devuelva a la minoría judía la posibilidad de llevar una vida cultural integral.
- Extirpe de raíz toda manifestación antisemita.

VICENTE LOMBARDO TOLEDANO

• Dé a los judíos la posibilidad de profesar su religión, al igual que los creyentes de otras religiones.

• Otorgue a los judíos el derecho a la autodeterminación y el derecho a unirse a sus hermanos cuando así lo deseen.

Estos puntos fueron propuestos por el escritor costarricense Samuel Gevinsky, quien, no pudiendo ocultar los intereses a los que sirve, dedicó su exposición a calumniar en todas las formas posibles a la Unión Soviética. Y acabó por hacer una ardiente defensa del sionismo internacional, movimiento al que la URSS, durante la asamblea general de las Naciones Unidas en 1965, propuso que se le reconociera junto al nazismo, al neonazismo y a todas las otras formas de colonialismo y de racismo hacia razas y nacionalidades.

Respuesta. De inmediato, grupo de personas progresistas redactó un manifiesto donde respondió a los organizadores del movimiento antisoviético y de la conferencia que:

"En relación al «Llamado de Conciencia» del Comité en Defensa de los Derechos de los Judíos en la URSS y la Conferencia organizada por el mismo comité, que se celebró los días 14 y 15 de mayo, declaramos:

• La posición activa contra el antisemitismo y otras formas de discriminación racial en cualquier parte del mundo es y debe ser tarea diaria de toda persona progresista y democrática.

• El «Llamado de Conciencia» publicado en la prensa, no sirve a estos altos valores humanitarios. Es, pues, de lamentarse que algunas personalidades bien intencionadas y de reconocida militancia democrática y antimperialista hayan sido confundidas, prestando sus firmas a un

documento que contiene afirmaciones falsas en contra de la URSS.

• "El racismo y las teorías antisemitas han sido y seguirán siendo enemigos irremediables del socialismo y la construcción en el país de los soviets. La defensa de la existencia del Estado soviético, unión voluntaria y fraternal de numerosos pueblos, está íntimamente ligada a la lucha consecuente contra estas aberraciones chovinistas.

• "La campaña mundial —que ahora se expresa en México— contra el llamado «antisemitismo soviético» no sirve a la verdad, ya que falsea deliberadamente la situación real de los judíos en la URSS. Tampoco aporta algo a la fraternidad entre los pueblos, porque tiende a desviar la atención de estos de los verdaderos promotores del racismo y el antisemitismo, como los neonazis y los belicistas que una vez más, levantan cabeza en Alemania occidental y en los Estados Unidos.

• "Los judíos en la URSS gozan en la actualidad de los mismos derechos y tienen las mismas obligaciones que los demás ciudadanos soviéticos en los campos económico, social, político y religioso. Toda afirmación en sentido contrario, es pura calumnia o consideración subjetiva sin posibilidad de comprobación.

• "En cuanto al desarrollo libre de su cultura específica en lengua nacional, yida, los judíos soviéticos, sus artistas y escritores siguen creando obras que continúan la herencia de la cultura progresista judía del pasado, aun cuando podrían señalar ciertas deficiencias originadas en la compleja situación de la minoría judía en la URSS, que no vive concentrada en un territorio común y que conoce además un acelerado proceso de asimilación.

• "Los hoy gratuitos defensores de la cultura judía en la URSS siempre han combatido y difamado esa cultura, porque como la cultura de los demás pueblos soviéticos, su forma es nacional y su contenido socialista. ¿Cómo pueden explicar los agnados «defensores» su negativa a dialogar, en el pasado y el presente, con los representantes más sobresalientes de esa cultura?

• "Los verdaderos organizadores de la conferencia mencionada tratan en realidad de imponer, desde afuera y con posiciones antisoviéticas, una anacrónica solución nacionalista estrecha y de ghetto, a la minoría judía de la URSS, que ligada íntimamente a la epopeya histórica de la construcción del socialismo, no cunulga con las ideas de movimientos políticos judíos del mundo capitalista.

• "Las relaciones amistosas entre el pueblo de México y la URSS no deben ser perturbadas por la acción de fuerzas que no sirvan a los verdaderos intereses de México, ni tampoco a los intereses vitales de los pueblos en el mundo en su

Hasta el 18 de mayo habían firmado ese manifiesto progresista, que constituye un reto al brote de antisovietismo que ha surgido en México, las siguientes personas:

Vicente Lombardo Toledano, diputado; David Alfaro Siqueiros, pintor; Alberto Bremauntz, rector de la Universidad de Morelia; Manuel Marqués Parilla, director de POLÍTICA; Eli de Gortari, catedrático; Rius, caricaturista; Raquel Tibol, crítica de arte; Emilio Abreu Gómez, escritor; Enrique Serna, economista; Margarita Paz Paredes, poetisa; Fernando Car-

En relación al "Bando de amnistía" del Comité en materia de derechos humanos, los países en la Cumbre y la Conferencia organizadas por el mismo Comité, que se efectúan los días 14 y 15 de mayo, declararon:

La tradición contra el antisemitismo y otras formas de discriminación racial, en cualquier parte del mundo es y debe ser tarea común de los pueblos progresistas y democráticos.

2. El "llamado de conciencia" publicado en la prensa no sirve a estos altos valores humanitarios. Es, más, el lamentarse que algunas personas, desde bien entendidos y de reconocida militancia ideológica y anticomunista, han estado, contentos y hayan suscrito un documento que contiene afirmaciones falsas en cuanto a

3. La vida y las teorías políticas de Lenin, así, y seguidamente siempre, contradicciones del socialismo.

4. La constitución en el caso de la Unión. La defensa de la existencia del sistema socialista, unidad voluntaria y fraternal de los pueblos, con infinitamente unida a la lucha consecutiva contra esas aberraciones capitalistas.

4. La cuestión mundial —que ahora se expresa en el Medio Oriente, el Sudeste Asiático y el África— no corresponde a la Verdad, ya que dicha deberíamos tener la situación real de los judíos en la URSS. Tampoco agita alguna de las similitudes entre los pueblos, porque se trata de defender la patria y el honor de los verdaderos promotores del racismo y del antisemitismo, como los neonazis y los bolchevistas que una vez más, hoy en cabeza en Alemania Occidental y en los Estados Unidos de Norteamérica.

5. Los judíos en la URSS gozan en la actualidad de los mismos derechos y tienen las mismas obligaciones que los demás ciudadanos soviéticos en los campos económico, social, político y

religiosa. Toda afirmación de carácter  
confesional es susceptible de ser  
rechazada subjetivamente por el individuo de con-  
probación.

6. En cuanto al desarrollo libre de su cultura es, según la misma nacional "judía", los judíos, autores de artistas y escritores y de grandes obras que convalidan la gran literatura de la cultura por la gran literatura, y no como personas que se han desviado de la cultura original y en la propia situación es la cultura por la cultura, que no vive en la cultura en un territorio común y no conoce, además, un desarrollo pleno de la cultura.

[illegible]

8. Los verdaderos explotadores de la conferencia mencionada se tratan, en realidad, de imponer desde afuera y con posiciones anticomunistas, una amañada solución, nada justa, estricteza y de gusto, a la inmensa parte de la URSS, que, ligada históricamente a la epopeya histórica de la construcción del socialismo, no coincide con las ideas de movimiento perestroika, incluso del mundo capitalista.

9. Las relaciones amistosas entre el pueblo de México y el mundo no deben ser permeadas por la acción de fuerzas que no sirven a los verdaderos intereses de México ni tampoco a los intereses vitales de la masa humana en el mundo, en su lucha por la plena igualdad y fraternidad con los demás pueblos.

# UN LLAMADO DE CONCIENCIA DEL COMITÉ MEXICANO PRO DEFENSA DE LOS DERECHOS DE LOS JUDÍOS EN LA UNIÓN SOVIÉTICA

Al término de un examen libre de todo espíritu partidario, hemos comprobado ciertos hechos que nos llevan a abrigar el temor de que aún existe una brecha entre la situación de igualdad que la Constitución de la URSS confiere a los judíos, y su situación real, en el plano religioso, cultural, económico y humano. Estamos convencidos que dicha situación se halla en contradicción con los fines que persigue la sociedad soviética, y su evolución desde 1936. Estamos asimismo convencidos que la misma constituye un obstáculo para aminorar la tensión internacional. Es por esta razón que estamos igualmente persuadidos que el Gobierno de la Unión Soviética se mostrará sensible al llamamiento que hoy le dirigimos:

## SOLICITAMOS DEL GOBIERNO DE LA URSS

- 1.—Que confiera a los judíos soviéticos el derecho de desarrollar libremente su cultura específica, con medios idénticos a aquellos de que disponen las demás culturas nacionales: textos, periódicos, bibliotecas, teatros, enseñanza, etc.
- 2.—Que permita a los judíos soviéticos practicar su religión y disponer libremente de los textos, contar con oficiantes y con los objetos necesarios a la observancia del culto;
- 3.—Que autorice a los judíos soviéticos para que, a semejanza de las demás religiones, puedan organizarse en comunidades religiosas en todo el territorio, y a establecer intercambios culturales y de culto, con sus correligionarios;
- 4.—Que, a fin de evitar en el futuro toda publicación antisemita del tipo de: "El Judaísmo al Descubierto" y "El Judaísmo y el Sionismo Contemporáneo", así como ciertos folletines y caricaturas que aparecen en forma regular en la prensa soviética, se ejerza un severo control sobre dicho tipo de propaganda racial. Dicho control sería sumamente viable toda vez que existen en la URSS los organismos adecuados para llevarlo a cabo;
- 5.—Que una legislación especial sancione los delitos de índole racista, veiciendo especialmente porque dichas tendencias antisemitas no lleguen a poner en peligro ante la justicia, la igualdad de los derechos de los ciudadanos soviéticos, considerando que los recientes procesos por delitos económicos y las condenas a muerte que les siguieron, dan lugar al temor de que dicha igualdad no es enteramente aplicada en el caso de los judíos;
- 6.—Que considere con benevolencia el

caso de los judíos que deseen reunirse con sus parientes y conyuges que vivan en Israel y en otros países, después de haber sido separados por diversas circunstancias.

Tenemos la plena convicción que la atención que otorgue el Gobierno de la URSS a estas peticiones, habrá de satisfacer la aspiración de justicia de los pueblos y su adhesión a la Declaración Universal de los Derechos del Hombre. La misma contribuirá, además, debido a la renovación y fortalecimiento de las simpatías y lazos amistosos que dicha actitud aportaría a la URSS, al relajamiento de la tensión internacional, meta que todos anhelamos.

## Repudio a la farca antisoviética

### La organiza el Dpto. de Estado, denuncia la AMP

La Asociación Mexicana de Periodista salió al paso a la campaña antisoviética urdida hace dos semanas por un grupo al servicio del imperialismo norteamericano que se ostenta como "defensor de los judíos". En un documento firmado por el Lic. Xavier Campos Ponce, Antonio Caram y Gerardo Dávalos, presidente, secretario y vocal, respectivamente de la AMP, denuncian el carácter de la campaña difamatoria, presentan un hecho que sirve para corroborar que los hilos de toda la trama están en la mano del imperialismo y demuestran con una serie de datos que en la Unión Soviética no existe discriminación contra los judíos.

Este documento fue emitido días antes del anunciado "Congreso Latinoamericano" que grupos subvencionados por el Departamento de Estado planeaban iniciar en México el sábado 14.

En la declaración de referencia se señala al principio que la persona encargada de recolectar firmas para el Manifiesto que apareció en todos los diarios de esta ciudad el 21 de abril en "defensa de los derechos de los judíos en la Unión Soviética", es nada menos que la ciudadana norteamericana June Jacob, persona muy ligada con las policías norteamericanas que actúan en nuestro país y quien inmediatamente después de regresar de un largo viaje por Estados Unidos, Europa y el Medio Oriente, se dedicó a conseguir firmas de intelectuales y personalidades progresistas, para el documento antisoviético, que sirve de base para la convocatoria de un congreso supuestamente dirigido a "defender a los judíos"

residentes en la URSS. Los firmantes del manifiesto fueron sorprendidos hábilmente y muchos de ellos manifiestan una actitud de desconfianza hacia los promotores de la campaña.

Respecto de una de las "peticiones" que se hace en el llamamiento antisoviético para "que se conceda a los judíos soviéticos el derecho a desarrollar libremente su cultura específica con medios idénticos a aquellos de que disponen las demás culturas nacionales: textos, periódicos, bibliotecas, teatros, enseñanzas, etc.", la AMP dice: "...los dos millones y tercio de judíos que forman parte del pueblo soviético viven exactamente igual que el resto de las 109 nacionalidades y de los 11 grupos afines a nacionalidades extranjeras. En cuanto a su cultura específica, como todas las del mundo tiende a fusionarse y a unificarse... los judíos en todas partes asisten a las mismas escuelas donde van los rusos, ucranianos, uzbekos, etc. Reciben, como todos los demás, educación gratuita en todos los niveles". Otros datos que demuestran que la discriminación de judíos en la URSS es sólo una invención de los agentes a sueldo del gran capital yanqui, son los siguientes:

En la Biblioteca Lenin de Moscú hay 70.000 libros en yidish y 50.000 volúmenes en ese mismo idioma, en la Schedrin de Leningrado. Los judíos en la URSS disponen de publicaciones en su idioma, así por ejemplo la revista mensual "Yidish Heimland" tira 25.000 ejemplares. Se publican ediciones de autores judíos tanto soviéticos como extranjeros que alcanzan tiradas de millones de ejemplares como es el caso de Sholem-Aleijem. Los hebreos disponen también de sus propios teatros.

"Además de ello —se dice en el documento—, disponen de una tierra particular, exclusiva, a la que muchos llaman patria propia y que existe desde mayo de 1934, mucho antes de que los héroes judíos de la postguerra arrancaran Israel al poder inglés... calculamos en medio millón los judíos que habitan en esa región autónoma llamada Birobidjan, la cual forma parte de la URSS y abarca una superficie de 32 mil kilómetros cuadrados", a continuación viene luego una lista detallada de la cantidad de escuelas, las, institutos, centros médicos, etc. que

existen en dicha república autónoma.

"Mucho más podríamos citar —dice finalmente la declaración de la AMP— en contestación a los errores cometidos por ese grupo de personas firmantes del "llamado", pero lo amplio del tema nos obliga a detenernos aquí, por ahora..."

# SUCESOS DE ULTIMA HORA

## LOS JUDIOS EN LA URSS

### EL CAPITULO "MEXICANO" DE UNA INTRIGA INTERNACIONAL

LUBLIN es una ciudad polaca en la que Hitler pensó concentrar a los judíos en un hacinado ghetto de tantos millones de discriminados como habitantes tiene hoy Tokio. En el histórico avance para acabar con la Unión de Repúblicas Socialistas Soviéticas, Hitler consideró que en vez de concentrar a los judíos se creaba menos problemas si los mataba de una buena vez. En los crematorios y fosas de los campos de concentración erigidos por los nazis en su marcha hacia el oriente quedaron las cenizas y los cadáveres de seis millones de judíos. La lucha contra el nazifascismo costó a la URSS 26 millones de vidas humanas.

En la ciudad de Lublin nació Jacob Glatstein. Joven aún emigró a los Estados Unidos y se convirtió, con el correr de los años, en una de las más brillantes figuras de la poesía y de la crítica literaria en lengua idish. Tiene ahora 70 años y milita en las filas del partido Poalei Sión (Trabajadores de Sión), que agrupa a los sionistas de tendencia socialdemócrata de derecha. Los poalesionistas editan en Nueva York el semanario *Indisher Kämpfer* (Luchador judío). En septiembre de 1965, y en este periódico, publicó Jacob Glatstein un comentario bibliográfico sobre *Horizontes*, una antología con la producción más reciente de los poetas judíos de la Unión Soviética que escriben en lengua idish, de la que se acababan de editar en Moscú 5,000 ejemplares, número que el comentarista señaló como bastante considerable para una antología de poesía nueva en cualquier parte del mundo. Glatstein celebraba haber descubierto en *Horizontes* a por lo menos una docena de poetas de primer orden a quienes, decía, "elogio sin titubeos porque son maestros del verbo y notables artífices de lo emotivo y lo temático... El idish en manos de los magistrales poetas de la Unión Soviética es una creación madura que se sustenta más en un sabor popular que en la gran poesía del pasado. Ahí se ha conservado una savia popular que ha ampliado verdaderamente sus horizontes". Ya para terminar su comentario Jacob Glatstein afirmaba: "La antología *Horizontes* viene a demostrar que la palabra poética idish vive en la Unión Soviética".

La comunidad judía de habla idish en México es una de las más jóvenes de la América Latina; tiene unos 60 años de existencia y unos 30 mil miembros que se concentran principalmente en la capital y en las ciudades de Monterrey y Guadalajara. Or-

ganizada al estilo tradicional, cuenta con un centro deportivo, varias sinagogas y nueve colegios e institutos de enseñanza, en cinco de los cuales se enseña a los jóvenes la lengua idish. En estos 60 años, hubo en México tres poetas que crearon en idish obra digna de consideración: Itzhak Ben-Zvi, Moshe Glikowski y Jacobo Glantz. Los dos primeros han muerto y el sobreviviente, Jacobo Glantz, decidió en 1963 a los 61 años de edad, cambiar el idish por el español, porque su poesía en aquel idioma, a pesar de los colegios e institutos que lo enseñan, no cuenta con lectores en México.

Ahora bien, Jacob Glantz, poeta idish de México, que nació en Ucrania 15 años antes del estallido de la Revolución de Octubre, y que antes de su emigración a este país, en 1925, había sido profesor de literatura en Odesa no firmó el "Llamado de conciencia" que el 22 de abril publicó en todos los periódicos de la capital el denominado Comité Mexicano Pro Defensa de los Derechos de los Judíos en la Unión Soviética, que preside Carlos Pellicer, eminente poeta mexicano que no sólo no lee el idish sino que no sabe nada de poesía o de literatura en esa lengua.

Ese llamado, que Pellicer firmó aunque seguramente no redactó, porque los términos que lo com-

ponen son casi idénticos a los de llamados similares que han venido circulando en el último tiempo en muchos países, solicitaba antes que nada al gobierno de la URSS "que confíe a los judíos soviéticos el derecho a desarrollar libremente su cultura específica, con medios técnicos a aquellos de que disponen las demás culturas nacionales: textos, periódicos, bibliotecas, teatros, enseñanza, etc."

Pellicer es poeta —¡quién lo duda!—, y las sa-

lengua, que él depura y elabora porque la habla su  
pueblo y hay textos, periódicos, bibliotecas, teatros  
y escuelas por medio de los cuales la lengua y su  
correspondiente cultura se desarrollan libremente.  
Pellicer, que es poeta, puede creer que existen poe-  
tas con "luminosa potencia creadora", que las sa-  
vias populares amplíen sus horizontes, que un idio-  
ma sea elaborado con "tanto conocimiento y virtuo-  
sismo, con tan original y extraordinaria plasticidad"  
allí donde la cultura en ese idioma no tiene el dere-  
cho a desarrollarse libremente? ¿Lo creen así poe-  
tas de la talla de Rosario Castellanos, de José Emi-  
lio Pacheco, de Miguel Guardia, de León Felipe, o  
escritores que conocen los auténticos secretos del  
difícil y vivo oficio de las letras, como Max Aub,  
Alf Chumacero, Juan García Ponce, Jorge Ibargüen-  
goitia, Vicente Leñero, Carlos Monsiváis, José Re-  
vuelta y Gutierre Tibón, que junto con Pellicer  
firmaron ese "Llamado de conciencia", que de tal  
sólo tiene el título, pues el nombre que le correspon-  
dería, después de someterlo a un riguroso análisis  
objetivo, sería el muy inonesquiano de "Llamado de  
un grupo de mal informados que firmaron porque  
dicen que les dijeron lo que no les consta porque no  
saben nada al respecto y la culpa de todo la tiene  
Bertrand Russell?"

Donde no aparece la firma de don Martín Luis.  
El ya anciano (79 años) autor de El águila y la ser-  
piente y La sombra del caudillo, el escritor Martín  
Luis Guzmán, gusta del infantil juego de las esoon-  
dalias. En 1965 fue él quien convenció a Carlos  
Pellicer para que juntos asistieran a la Conferencia  
Latinoamericana Sobre la Situación de los Judíos  
en la URSS que se celebró en Río de Janeiro los  
días 14 y 15 de septiembre de ese año. Pero he aquí  
que entre las 53 firmas que suscribieron el "Llama-  
do de conciencia", que apareció en cuartos de pla-  
ña, al día siguiente, en todos los diarios, en inser-  
ción por la norteamericana June Cob, no  
aparece el nombre de don Martín. ¿Se había retira-  
do arrepentido? Al contrario, prefirió en ese mo-

mento no salir porque estaba atareado. Desde  
hacia mes y medio firmando, como cabeza de  
Comité Mexicano Pro Derechos de los Judíos de la  
Unión Soviética, las cartas en las que se invitaba a  
intelectuales mexicanos y latinoamericanos a cor-  
rer a la conferencia que se efectuaría "en la ciu-  
dad de México durante los días 13 a 15 de mayo  
próximo y que se ocupará, como objetivo único, ex-  
aminar detenidamente el problema a que la mino-  
ría israelita hace frente en la Unión Soviética".

Según esas cartas, el comité organizador de  
la conferencia lo integraban, junto con don Luis  
Martín, el Dr. Luis Garrido y los licenciados Anré  
Serra Rojas y Carlos Pellicer. Mas he aquí que nin-  
guna de estas personas se presentó en la conferen-  
cia de prensa que el Comité Mexicano Pro Derechos  
de los Judíos de la Unión Soviética dio en el edi-  
ficio central de la comunidad israelita de México  
(Acapulco 70), el 21 de abril. Ahí apareció como  
presidente uno de los pocos judíos (20 en total) que  
habían firmado el llamado, un tal Jacobo Mondlak  
que es comerciante pero se dice escritor por los ar-  
tículos que publica en un periódico que sale algunas  
veces al año, Tribuna Sionista, órgano del más ultra  
derechista de los grupos sionistas que existen en  
México.

El asistente de Mondlak en la conferencia de  
prensa era otro de los pocos firmantes judíos de  
documento, Sergio Guzmán, autor, funcionario que  
se le presentaba en los espectáculos de Juan José Gu-  
trón y que tiene con Walter Rubinstein y F. Mon-  
dragón una oficina —Consultores Técnicos de Ne-  
gocios— donde se conciertan operaciones financie-  
ras con empresas israelíes, privadas o estatales. Esa  
oficina, en el Paseo de la Reforma No. 122, 6o. piso  
fue la que se ocupó en distribuir libros, folletos y  
reproducciones fotostáticas y mimeografiadas de do-  
cumentos sobre la situación de los judíos en la  
URSS, antes, durante y después de la conferencia  
de prensa, y de preparar el material que utilizarían  
los intelectuales que se reunieron en el hotel Del  
Prado los días 14 y 15 de mayo.

Que el interés de don Martín Luis era muy  
grande lo prueba el hecho de que fue él quien llevó  
la voz cantante en la entrevista que el comité tuvo  
en los primeros días de abril con el secretario de  
Gobernación, Lic. Luis Echaverría, para solicitarle  
el permiso de rigor para que la conferencia pudiera  
celebrarse. Y fue él también quien ocupó desde el  
primer momento la presidencia de la reunión Del  
Prado.

El santo Bertrand Russell, El gran pacifista Ber-  
trand Russell, tan admirado en el mundo entero por  
sus protestas contra todo brote belicista, ha sido el  
consagrado ajoinjoli de este mote antisoviético; a él  
se le atribuye un mensaje cuya autenticidad plena  
convendría averiguar, pues ni el estilo ni los con-  
ceptos corresponden a los de otros documentos que  
sobre este mismo asunto firmó Russell. Extraño re-  
sulta que el comité haya descuidado la presentación  
de una copia fotostática con la firma del sabio in-  
glés. En lugar de eso se distribuyó una dizque tra-  
ducción en papel con membrete de la Conferencia  
Latinoamericana de Estudios Sobre la Situación de  
la Minoría Judía en la URSS, y ple de página que  
dice: "organizada por el Comité Pro Defensa de los  
Derechos de los Judíos en la Unión Soviética". El  
"mensaje" de Lord Russell está redactado en un  
estilo burdo, digno de la pequeñez espiritual del se-  
ñor Mondlak.

Con todo y su orientación humanitaria burgue-  
sa, los mensajes de Russell que se conocen estaban

expresados con dignidad y con el respeto esencial por los grandes logros de los países socialistas. Hace apenas un año, Russell comenzaba así su mensaje a una conferencia similar celebrada en abril de 1965 en Estocolmo: "Es de gran importancia que la situación de los judíos en la Unión Soviética no sea utilizada como arma en la guerra fría. Hay muchos en Occidente que buscan cualquier oportunidad para continuar e intensificar la división del mundo entre el Este y el Oeste..."

La autoridad democrática de Bertrand Russell está avalada por su decidida posición anticomunista, y para muestra basta un párrafo de su mensaje a la Conferencia Tricontinental efectuada en enero de 1966 en La Habana, Cuba. "Por toda la América Latina —dice—, regímenes corrompidos y tiránicos asesinan al pueblo y lo mantienen en un estado de inanición y enfermedad debido al apoyo militar y económico de la camarilla gobernante norteamericana para los tiranos locales. Tan pronto como el pueblo se alza contra la opresión, el poderío militar norteamericano entra directamente en acción. ¿Por qué, entonces, los pueblos del mundo han de confiar su destino a aquellos que colaboran con los regímenes títeres o tratan de encubrir a los notorios verdugos? Los frutos de tal política pueden verse dondequiera que ha sido aplicada: en Iraq o Indonesia, en Guatemala o en Brasil".

¿Cuántos de los conspicuos representantes de gorilas que don Martín Luis logró reunir en el Pra-

do los días 14 y 15 se atreverían a firmar junto con Russell este mensaje? ¿Y qué experto en política puede crear en la autenticidad plena de ese mensaje que fue mostrado como de Russell, enviado a un barónato ramillete de "intelectuales" procedentes de Costa Rica, El Salvador, Honduras, Panamá, Nicaragua, Colombia, Guatemala y Venezuela, que jamás han hecho declaración alguna en contra de sus gobiernos serviles, traicioneros a sus pueblos, ni han puesto el grito en el cielo porque los neonazis reaccionarios de la República Federal Alemana le den al Estado de Israel un crédito de 100 millones de marcos para "promover una colaboración continua entre ambos países", a pesar de las cenizas todavía calientes de los seis millones de judíos que fueron víctimas ayer de los generosos acreedores de hoy, ni se han reunido a conferenciar para ver qué se puede hacer contra el agresivo antisemitismo de los grupos ultras de Argentina, Uruguay, Brasil y otros países de la América Latina?

Falta otra firma. En la fotostática que se distribuyó del mensaje del ausente Carlos Pellicer a los reunidos en el Prado, cualquier James Bond hubiera podido notar que, siendo copia fotostática, no traía la firma autografiada del poeta, y que no habiendo asistido Pellicer por encontrarse en Tabasco, como lo notificaron varios periódicos, la carta dirigida a los delegados estaba fechada en México, D. F.

"Detrás de nosotros —afirmaba en su mensaje Pellicer— no hay ninguna fuerza que nos mueva a actuar como lo estamos haciendo. Sería terrible saber que Bertrand Russell el gran filósofo inglés, protesta, como lo ha hecho por el asunto que nos reúne, impulsado por algún gobierno. El insigne escritor inglés es uno de los espíritus más altos y limpios de todos los tiempos y nos honra pensar como él en esta cuestión judía".

¿No ha pensado Pellicer, que tan sabiamente maneja el hermetismo de los símbolos de la estatuaría antigua, que muchas veces el más honrado credo antirracista y antidiscriminatorio puede por ingenuidad, coincidir con las determinaciones de los Barry Goldwater y otros campeones del racismo y la discriminación? ¿Cómo puede Pellicer poner en primer plano el problema de los judíos de la URSS, los únicos que hoy en día producen una viva, una renovada cultura en idish en todo el mundo, a pesar de las grandes concentraciones de judíos en los Estados Unidos y en Argentina, olvidando que es en Alemania Occidental donde sí se profanan con alarmante frecuencia los viejos cementerios judíos y las tantas veces vilipendiadas sinagogas?

El día en que se revele la trama invisible de este asunto, ante el cual los judíos de la URSS han tenido que reaccionar diciendo un "No me ayudes compadre", se verá que todo se origina en la guerra fría y en la necesidad de hacer olvidar la guerra en Vietnam y la discriminación contra los negros.

La dinámica June Cob.

# Un Agente de la FDI y de la INTERPOL en la Asociación de Escritores de México

El sábado 28 de mayo, en la página 14 del diario *Excelsior* el *tesorero* de la Asociación de Escritores de México, Lic. Vicente Bahavevria del Pozo, publicó un pequeño aviso advirtiendo a los lectores que en el café se sorprenden por la presencia June Cobb, quien por su cuenta y riesgo se había tomado la libertad de venir y recibir cuotas de inscripción o mensuales en nombre de la AEM.

El 30 de mayo, Lunes de *Excelsior* comentaba un "sostenido ciclo de conferencias imaginado por Wilberto Carrón, June Cobb y Pizama" y que se celebraría en el Instituto Cultural Israelí, A. C.

¿Quién es June Cobb? Es una ciudadana norteamericana que ha pasado por México muchas veces en la última década y ha pasado aquí su residencia, después de haber sido expulsada de la República de Cuba, acusada de ser agente provocador de la FDI. Antes de eso, y como agente de la Interpol, había colaborado de manera determinante para descubrir una poderosa red de traficantes de drogas en Lima, Perú.

Su centro de actividades en México es fuertemente la Asociación de Escritores donde ha logrado arraigar como ayudante asistencial del secretario Miguel Guardia y del presidente de la AEM, el poeta Carlos Pellicer, presidente que de hecho ha delegado sus funciones en esta señorita "servicial" y turbulenta, que ha tenido el cuidado de lograr un antecedente que la ligara a los escritores de la corriente Latina: tradujo al inglés el famoso libro del Dr. Juan José Arévalo, *El tiburón y las sardinias*, y después el libro anticomunista del renegado guatemalteco Carlos Manuel Pellicer.

En la secretaría de Gobernación June Cobb figura como correspondiente extranjera, lo que le daría derecho a pertenecer al Club de Correspondientes Extranjeros que tiene su sede en el Hotel Hilton, y no a una asociación nacional como lo de escritores, que tiene su sede en ese espacio de multifamiliar de grupos de periodistas e intelectuales que es el Club de Periodistas de México.

June Cobb conoce muy bien los círculos culturales mexicanos, pues ha buscado amistad con pintores, escritores, actores, músicos y demás especialistas en la creación artística. ¿Qué misión vino a cumplir en nuestro país? Se sabe que trabaja a las órdenes del periodista Daniel James, responsable en la Agencia Central de Inteligencia de una oficina cuya función consiste en penetrar en los círculos intelectuales, tanto de los Estados Unidos como de otros países, usando como fachada supuestos encargos de investigaciones para universidades estadounidenses.

Si en el Perú la señorita Cobb pudo decirle a la Interpol "misión cumplida", según van las cosas, en México el reporte ante su jefe Daniel James y la Agencia Central de Inteligencia no será tan escueto ni tan brillante. En el mundo de probabilidades que en torno a este extraño personaje hicieron los organismos de penetración y protección de los Estados Unidos no tuvieron en cuenta que para moverse entre intelectuales no sólo hay que ser extraordinariamente inteligente, como lo es la señorita Cobb, sino que, además y también, hay que ser intelectual, trabajar como intelectual, dormir y pensar como intelectual. Y resulta que la señorita Cobb trabaja, pien-

sa, actúa y hasta duerme como agente secreto, aunque indistinto.

No deja de llamar la atención el que por segunda vez aparezca en la sede del Instituto Cultural Mexicano-Israelí, ahora en el ciclo de conferencias, ¿qué pasa con el teatro en México?, que "imaginaron" ella y Luis Guillermo Pizama y coorganizó Wilberto Carrón, secretario de actividades teatrales de la Asociación de Escritores de México. Antes fue la Conferencia Latinoamericana sobre la Situación de los Judíos en la URSS, en cuya preparación mostré muy activa la directora cultural del Instituto, Susana Gamboa, quien trató de que algunos grandes periódicos dedicaran sus suplementos culturales al tema de la "consuminación" de los judíos en la Unión Soviética, manobra provocadora de la cual SUDESOS ha informado amablemente.

Aunque la cultura siempre adorna y es agradable, da qué pensar a veces de que a partir del ingreso de Susana Gamboa (verdadero nombre de Susana Gamboa) al Instituto Cultural Mexicano-Israelí haya incrementado una serie de actividades que exceden la función específica de tales institutos, que es el intercambio cultural de México con el mundo judío. El Instituto Cultural Mexicano-Israelí opera como una Dirección de Difusión Cultural o como un Instituto Nacional de Bellas Artes, y no se percibe en sus programas (como ocurre con el Instituto Mexicano Norteamericano, o con el Anglo-Mexicano, o el Francés para la América Latina, o el de Intercambio Cultural Mexicano-Ruso) el interés o la intención de divulgar en México los valores tradicionales y las conquistas actuales de la muy antigua y a la vez muy joven cultura israelí.

La bohemia un tanto cuanto como que ha cundido en cierto sector de la intelectualidad mexicana ha sido buen caldo de cultivo para el planeito Camélot que seguramente trae en cartera la "servicial" June Cobb. Quizá no esté muy lejano el momento en que figuras tan respetadas como Francisco Monterde, Salvador Novo, Héctor Azar, Celestino Gorostiza, Luis Reyes de la Haza, Carlos Solórzano y otros se pregunten alarmados qué intereses culturales pueden compartir con un brillante y dinámico agente femenino de la Interpol, la FDI y la ACI.

Al centro, el escritor alemán Günter Grass; a la derecha, la señorita June Cobb y el escritor Monteforte Toledo.

ASOCIACION DE SECRETORES DE MEXICO, A. C.

Juana Cobb, Secretaria Adjunta de la Asociación y, por lo mismo, nos complace aclarar que esto se trataba de hacer una delimitación de funciones entre la Secretaría General de la Asociación y la Tesorería de la misma.

7.7 In. Leonov asks maid, who answers, for Enrique (Semo). ES takes phone. ES has been looking for Leonov. Ms. L. got the message but at noontime, when ES is at home, Leonov has been very busy. (They talk to each other in familiar form.)

The University of Puebla has decided to invite a series of Amb. to talk about the economic achievements of their countries. At the Economy School. France, USSR, U.S., Czech and other countries are invited. ES has the letter of invitation for Soviet Amb. What does Leonov think about this? Could this arrange this? They can try. Leonov understands that the Amb. is going on vacations to Moscow at the end of this month, in 2 or 3 weeks. He is only waiting for the Councillor who is in Moscow (now) and Amb. will leave right after his return. Amb. will return in August. Perhaps there is someone else who could represent the Amb. The Councillor could go or some other "high-class" attache. Or First Secretary. ES says perhaps Leonov. No, he is too ignorant (talking). No, Leonov would be very good since he could talk Spanish. No, any person who would go, would speak Spanish. Yes, this is a lecture. It would be a person who speaks Spanish. ES thinks this would be a positive (act), a good opportunity. Leonov agrees. ES leaves Mexico today for 2 days. Perhaps they could see about this on Monday. ES could ~~xxx~~ send Leonov the letter meanwhile and then on Monday they can get together. Yes, they can set the time and place and will really meet. Leonov has no engagement on Monday so they could see each other at any time ES wants. ES asks if it wouldn't be good to talk to Amb. or someone on Monday. Leonov will take this up. ES will send Leonov the letter and perhaps he could arrange an interview for Monday. Leonov thinks it is not worthwhile for ES to talk to him. Leonov will talk to him (Amb.) and he (Amb) will tell Leonov frankly how things are and Leonov will give ES the message. Then, they can have lunch together on Monday. Fine. ES will go by for Leonov at 1400 on Monday.

ES asks how Leonov liked all the things and articles on the Jewish matter. They (Soviets) have sent everything there (to USSR). L. liked all of it. ES says that Leonov know that ....fell immediately and there is absolutely nothing on this. Leonov comments that - Besides, the people who participated lost prestige. Yes, they suffer...ES laughs. No, Leonov can't tell him about the name of some people who call Leonov at times and they ....ES says - The people who signed the document. No, Leonov says, including persons like June Cobb. She called Leonov. ES has no idea of the repentance. JC gave Leonov her phone, asking him to help her - so doors are not closed to her. ES is surprised. She - did not want them to catalog her among their enemies (of Soviets), that she had nothing to do...This is a matter of fear. Leonov will tell ES all about it on Monday.

### Traitor or Idealist?

William Morgan, deprived of U.S. citizenship in 1959 and executed in Cuba for treason in 1961, was described in secret Senate testimony as a loyal American "with ideals" who fought with Fidel Castro to overthrow the Batista dictatorship and capture Castro "to blow the whistle" when he "finally realized that the Communists were taking over."

Viola June Cobb, who worked in Havana in 1959 and 1960 and knew Morgan well, appeared before the Senate Internal Security Subcommittee in 1962. Her testimony was released yesterday at her request for

LICOOKY Progress Report: 1 October 1965 - 30 April 1966

ACTION REQUIRED REFERENCES

Reference: HAMA-27358, 7 October 1965

1. Station regrets the delay in keeping Headquarters informed of the progress of our association with LICOOKY-1. When the proposed amendment to the LIREAM Project involving LICOOKY was turned down, we informed her on her return to Mexico that we could no longer justify the continued association at the present rate since we were simply not getting enough out of it, but that if she could regularize her status here and obtain working papers, we would be more than happy to conclude a new arrangement with her. She felt there was little chance of this, and we then told her we would conclude our arrangement with her sometime in the summer. As indicated in paragraph 2 of the attachment, the date has now been established as 30 June, at which time all outstanding financial arrangements with her will be terminated and she will be given her air fare to New York.

2. Unfortunately, LICOOKY-1 seems to be incapable of realizing which side her bread is buttered on, at least here in Mexico. She cannot parcel her time out to her various interests, and therefore finds all her time taken up by her unpaid AEMAC duties. The profiles we have been harping on have not materialized except for the one submitted under HAMA-28831. We still hope for one on Francisco VILLAGRAN Kramer and such of the Mexican literary figures as amount in her judgment to "non-pignies." We are not sanguine. We are still after a copy of Osegueda's paper on university reform.

3. The advance made her at Headquarters is being held over her as an inducement to give us the balance of her time before departure and finish in a blaze of activity. If she does this, we will write off the advance here. If she does not, \$195 of the advance will be counted as her February salary, \$48 as travel expenses from New York to Washington and the remainder will be written off.

4. Rather than go through the formality of a project amendment as per HNMA-14517, Station would prefer merely to consider the project as terminated as of 31 December 1966 and write up subsequent costs in LIPANCH. A formal project termination will be submitted in the near future.

LICOOKY Project Progress Report  
1 October 1965 - 30 April 1966

1. Production

- a. LICOOKY-1 has continued to devote the bulk of her time to the Mexican Writers' Association (AEM). She continues to handle most of its administrative work. She also organizes and does most of the work on the majority of the projects or activities which the AEM sponsors.
- b. L-1 continued to report on efforts to establish the Latin American Writers' Community (CLE), including the results of the Organizing Congress in Arica, Chile. She reported on the steps taken by Mario Monteforte Toledo in beginning preparations for an early 1967 Congress in Mexico and on the AEM's probable role in helping organize that Congress.
- c. L-1 supplied information on reactions among the Central American community in Mexico to the Guatemalan election campaign and results.
- d. She maintained contact with and reported on individuals of interest to the Station, including Monteforte Toledo, Carlos Pellicer Cámara, Manuel Germán Parra, Francisco Villagran Kramer, and Raúl Osegueda Pelala.

SECRET.

- e. LICOOCKY-2 continued to report travel of Communists or leftists from Central America to Eastern Europe. During this period he reported on eight such travelers.

**2. Operations**

- a. L-1 has been notified that she will be terminated effective 30 June. She has been given the following requirements to be fulfilled before that date.

Provide profiles on the personality and politics of significant Mexican and Central American intellectuals with whom she is acquainted.

Obtain information on the newly-formed Latin American Writers' Community, its probable political development, and progress toward the holding of its scheduled meeting in Mexico City in January 1967.

Obtain a copy of the analysis written by Raúl Osegueda Pelala of the problems of autonomous universities.

Special tasks such as reporting on the activity of Stasia Madrigal and on the UNAM student strike.

- b. In order to accomplish the above tasks in the short time remaining, L-1 will be forced to curtail her ac-

tivities at the AEM. There are enough jobs that need doing at AEM to occupy her full-time and therefore the immediate partial withdrawal from AEM work is a prerequisite to the accomplishment of these assignments.

c. Because L-1 has played such a key role in all AEM activities, and therefore in determining the direction and scope of these activities, her sudden withdrawal could result in important changes within AEM. Any major change in direction by AEM would probably become predictable once the identity of the person or persons who will move in to fill the vacancy left by L-1 become known. By having L-1 step aside now, rather than waiting until she is ready to leave Mexico, she may then be able to provide Station with an accurate account of any change resulting from her withdrawal.

d. L-2 has not been met regularly since 25 January. On that date he was given a mailing address which he uses to request a meeting only if he has information to report. L-2 is paid on a piece-rate basis for information supplied and does not receive a regular salary.

SECRET

3. Security

No change.

4. Personnel

Handling of LICOOKY-1 was taken over by Gary H. Reymander, from Howard T. Etsinger, on 12 January 1966.

5. Plans

a. See paragraph 2a above.

b. It is possible that L-2 will, in the very near future, lose access to the travel information which he has been reporting, because he is being given new responsibilities in the office where he works. L-2 is intelligent, conscientious, and well-motivated. If he does lose his present access, the Station will consider him for other assignments in which he could be useful.

<p>1. Attached, at long last, is LICOOKY-1's profile on Subject. While it is not as penetrating as it might be, it is better than we had expected. It is unfortunate that "Janet" is not available to query about the material allegedly turned in following L-1's return from Venezuela, since she is so insistent that she gave Janet quite a bundle of information.</p> <p>2. This is the first of a series of profiles we hope L-1 can get around to preparing before she leaves Mexico.</p> <p>3. L-1 has been instructed to do her best to obtain Subject's manuscript on university reform, which is now in the hands of someone at the UNAM press. MEMORANDUM FOR: CI Staff

SUBJECT : Alleged Planned Travel to Cuba of Estel Sakolowska

1. On 7 February LICOOKY-1 told the writer that Estel Sakolowska, a long-time acquaintance, had told her that she is planning a trip to Cuba. Sakolowska is now married to Mario Madrigal, a Costa Rican medical doctor who is now in Cuba. Sakolowska told LICOOKY-1 that she is now in the process of obtaining a (U.S.) passport for her child so that they can travel together to Cuba. This is her child's first passport. Her explanation for requesting the passport is for making a trip to Costa Rica. Sakolowska claims that the passport application is now in the State Department "Security Section".

2. Sakolowska also told LICOOKY-1 that the "Prensa Latina Bureau Chief" had proposed to her an apparent intelligence mission to accomplish enroute to Cuba. She believes this mission is to take place in Miami. LICOOKY-1 reported that on 7 February Sakolowska had a luncheon engagement with "someone" at the United Nations and speculates it may be to pick up a package to take to someone in Cuba. LICOOKY-1 further speculates that this may only be a gift to someone in Cuba.

3. LICOOKY stated that she had no additional information. It should be noted, however, that this item was given in a last minute rush just prior to her departure from the writer. LICOOKY-1 expects to be in New York until the end of February.

4. LICOOKY-1 states that Sakolowska has been a long-time "left winger". LICOOKY-1 reported earlier on Sakolowska and her connections with revolutionaries in Central America and Havana in dispatch HMMA 27924 dated 21 September 1965 pages 4 and 6. This office is planning no further action on this matter and in line with the writer's telephone conversation with Frank Hughes of the CI Staff today, we understand your office will be coordinating the Subject with the FBI and State Department.

MEMORANDUM FOR: CI Staff *att Mr. Hughes*

INFO : WH/C Attention: Mr. Castoro

SUBJECT : Alleged Planned Travel to Cuba of  
Estelle Sokolowska

REFERENCE : Memo, Same Subject, Dated 8 February 1966

1. On 22 February LICOOKY-1 told me that the referenced Prensa Latina correspondent, according to Sokolowska, had just advised her she would receive \$500 operational expenses for the alleged intelligence assignment in the Miami area and ~~also for travel~~ <sup>presumably</sup> to Cuba. This information was passed orally to your office 23 February.

2. On 23 February LICOOKY-1 told me that while visiting with Sokolowska in New York on 23 February two FBI agents called at the Sokolowska apartment and interviewed Sokolowska about her intended travel to Cuba. According to L-1 the agents warned Sokolowska that she would be in serious trouble if she attempted such trip. The interview went on about three hours during which time L-1 remained in Sokolowska's apartment, ~~sometimes~~ in the living room and sometimes in the kitchen where the interview reportedly was taking place. L-1 stated that as a result of the warning by the FBI agents Sokolowska later told L-1 she would not make the trip.

3. Presumably the FBI, if the above story is accurate, had reason for this reported action even though from the limited information available, from L-1, there would seem a possibility of other more profitable courses of action.

4. L-1 states that Sokolowska had heard that her husband, now in Cuba, was living in Sokolowska's house and with a nurse to whom he was (engaged). It was partially for this reason Sokolowska wished to visit Cuba at this time.

5. This office is taking no further action on this matter unless so requested and suggests that addressees coordinate any planned advice on this matter to the Bureau.

SUBJECT : Rose and George SIMINOW Plans for Vietnam  
Conscientious Objector Demonstration

1. Confirming telephone conversation with your office March 1st the following information was obtained from LICOOKY-1 in Washington on February 28th:

Rose SIMINOW, 382 Central Park West, New York City, long-time communist and contact of LICOOKY-1, told L-1 at several meetings during February that she was making plans for a demonstration against the U.S. role in Vietnam. Rose's son, George, discharged about September 65 from the military after active duty in Panama, expected to be recalled for active duty in Vietnam as a member of a military reserve unit. It is planned that if recalled George will refuse induction as a conscientious objector and mass demonstrations will be promoted in New York. Rose has had discussions with a "constitutional lawyer", one Boudien, to handle the expected court trial. Boudien's secretary, Teresa, is a friend of Rose. Rose plans to pay the initial attorney fees after which she will launch a national drive to raise funds. According to Rose, Boudien is "swamped" with similar cases. Rose is employed by Wolf Popper Jones Ross and Wolf. She has been a secretary for ten to fifteen years.

2. This office is taking no further action on this report unless so requested. Please advise if this matter is turned over to the FBI or any other action taken.

MEMORANDUM FOR: CI/Staff  
ATTENTION: Mr. Frank Hughes  
INFORMATION: WH/C, Mr. John Castore  
CWH/VI  
SUBJECT: Alleged Planned Travel to Cuba of Estelle SCHOLOWKA  
SOURCE: LICOOKY-1  
REFERENCE: Memoranda, same subject, dated 8 February and 1 March 1966.

1. Further to references, the writer again saw LICOOKY-1 in New York on 8 March. In that this new information clarifies and elaborates on Subject's ~~present~~ ~~past~~ ~~present~~ intentions, it is believed best to recapitulate the whole story obtained during the course of the past months.

2. SCHOLOWKA's husband, a Costa Rican medical doctor, by the name of Mario MADRICAL, is now in Cuba with a profitable job and living in a house assigned to him with a Cuban nurse with whom he is "engaged." Subject is desirous of returning to Cuba in that she admires CASTRO and what she believes he is doing for Cuba, and wishes to assist in the "cause." She gained this impression during her stay in Cuba in the early 60's, at which time she personally met CASTRO and was befriended by him. Her desire to return is also influenced by the need to care for her two children and she plans to move in with her husband from whom she expects support. She no longer has any love for her husband. In New York Subject stays with her mother, a not too well informed Polish peasant immigrant.

3. As as yet unidentified Cuban UN representative in NY visited Cuba during the 1965 Xmas holidays. While there he had one meeting with Subject's husband and upon returning to NY delivered a letter from the husband to Subject. From this first meeting, Subject was gradually drafted by the Cuban UN representative (hereafter referred to as CUIS rep) for intelligence purposes.

4. This culminated in Subject's departure from New York on the Atlantic Seaboard "Champion" train on 7 March for Miami. On 5 or 6 March, before her departure, the CUIS rep gave Subject a written list of questions to be used for cultivating and gaining the confidence of Cuban exiles in the Miami area to learn more about their organizational design and plans for work against Cuba.

SECRET

SECRET

-2-

Subject's cover for this assignment is to gather material for a book she plans to write on the Cuban Revolution. The questions themselves are not intelligence requirements and reputedly are along the lines of "what was your role in the invasion attempt? Why did your particular sortie fail? etc." Pertinent here, however, is that the CUIS rep told Subject that he is very interested in the "Municipalidades" organizational development by the Cuban exiles. He said this was the smartest thing the exiles have done. Source stated that she understands the exile community has regrouped into cell organizations so that exiles from the same community from their homes in Cuba now form the individual cells. In this fashion they can better protect themselves from penetration and will be a better informed and cohesive group. Subject was given \$550. for the Miami trip expenses. Source saw the money. Subject plans to spend two or three weeks on this mission and then return to NY to report to the CUIS rep.

5. Subject is taking her two children with her to Miami and is taking along a "babysitter." Subject had wanted to take a Puerto Rican girl ~~originally to take her to the summer home in NY, but as the girl could not obtain a leave of absence from her job, the PZ girl's brother is serving as babysitter.~~ He is described as being in his early twenties and is a supporter of CASTRO. Subject's immediate problem is to obtain entre to the Cuban exiles and a cheap way to live in the Miami area. To accomplish this she has re-established contact with a former acquaintance and ally, one Jerry ~~HEMING~~. ~~HEMING~~ is described as being an American member of the William Morgan group in the invasion attempt. Subject met ~~HEMING~~ in the Frente Sandino in Nicaragua. She re-established this contact by finding an old Miami telephone number for ~~HEMING~~ and spoke to a person at this number who identified himself as "Little Joe." Little Joe said that ~~HEMING~~ moved but that he could put her in touch with him.

6. Subject told source she was delighted at having received a passport for herself and her children and permission from the State Department to travel to Cuba with them. Permission was granted on compassionate grounds. She was so excited at this development she immediately telephoned the CUIS rep despite an earlier admonition to never again call him at his office. He said his business is strictly compartmented from other members of the Cuban UN group. Subject stated that with her passport she now will be able to travel to Europe after returning to Cuba. Source understands that European travel will be for Cuban intelligence purposes but has no details. Source speculates that because Subject is fluent in Polish and French, with some knowledge of German, coupled with her American citizenship and Polish background, she will be able to gain entre into European Bloc circles to glean what she can of their true feelings and intent to the CASTRO government. Upon completion of her Miami mission and her return to NY, Subject then plans to depart to Cuba via Mexico. She plans only about two days in Mexico. She will be provided travel funds by the CUIS rep.

SECRET

SECRET

-3-

7. Source explained that Subject promised to advise source where she will be staying in the Miami area. Source has been requested to remain in NY until the morning of 10 March in the hope that this information will be forthcoming. Source was also requested to consider the feasibility of visiting the Miami area to determine Subject's whereabouts. Source stated that an excuse for this visit could be to visit Dr. SHAPFER and his wife in Miami in that they are leaving NY 9 March for a long-planned 10 day holiday there. Both Subject and Source are close friends of SHAPFER so this arrangement would be plausible. In this regard, Source stated that to save all concerned from embarrassment, she advised SHAPFER not to question Subject too closely as to Subject's plans upon Subject's departure from NY in that SHAPFER was under the impression that Subject was travelling directly to Cuba. Source implied to SHAPFER that Subject has to "earn her way" to Cuba. SHAPFER was described as being in no way connected with Subject's assignment nor to be in sympathy with such business. The SHAPFERS plan to stay in the Nichols Hotel, Miami Beach, Collins Avenue.

8. Of interest, was Source's observation of Subject being naive as to the happenings in Cuba. Source said that when discussing some aspects of the true situation there, Che GUEVARA's name came up. When Source suggested that Che may have been done in, Subject responded that this certainly was not the case. Subject stated that about 3 March one of Che's "close aides" arrived in NY. Source understands this aide came to NY for contact with the Cuban UN group. Subject learned this from the CUIS rep.

9. The CUIS rep is described as being 5'3" to 5'4" tall, slight build, small ~~features~~, tiny mustache, a "latin type" but not dark. He looks like Harold MARTINEZ, the father of Subject's first baby. Source now states that the CUIS rep is probably not a Prensa Latina rep as Subject stated this assignment is furthering his diplomatic career. The CUIS rep had meetings with Subject at least three times at Subject's home.

10. Depending upon developments by the morning of 10 March, Source may be asked to transit Washington for another meeting while enroute to Mexico. It is understood that Your Office will undertake the necessary coordination with other components and other Agencies and that this Office will take no further action pending your advice and request.

7. L-1 ASKED SEVERAL TIMES FOR LATEST DEVELOPMENT ARICA, CHILE CONFERENCE (MEXI 6177) STATING SHE HAD HEARD OR READ NOTHING CONCERNING IT SINCE LEAVING MEXICO NOR DID ANY OF HER NY CONTACTS HAVE ANY INFORMATION. SHE DID SAY HOWEVER MARIO MONTEFORTE TOLEDO HAD <sup>ALWAYS</sup> SINCE DEPARTURE, PLANNED RETURN MEXI 1 MARCH (DESPITE MEXI 6385 AND HMMA 28303 ADVISING THIS WAS A CHANGE IN PLANS). REASON BEING THAT MONTEFORTE COULD OBTAIN ONE YEAR ONLY LEAVE OF ABSENCE FROM UNIVERSITY WHEREAS SOCIOLOGY STUDY SPONSORED BY UN REQUIRED TWO YEARS.

8. CONCERNING RAUL OSEGUEDA L-1 REPEATED HER CAPABILITY OF INFLUENCE AND COLLABORATION ON IDEAS WITH HIM AS WITH FRANCISCO VILLAGRAN KRAMER AND MANUEL GERMAN PARRA (PREVIOUSLY REPORTED HMMA 27924). IN ADDITION THOUGH AND OF INTEREST WAS ADVICE THAT OSEGUEDA HAD PREPARED A PAPER ON UNIVERSITY REFORM FOR A SOCIOLOGICAL CONFERENCE AT VERACRUZ IN NOVEMBER 65. IN THIS CONTEXT SHE POINTED OUT THAT OSEGUEDA HAD BEEN A MILITANT CHAMPION FOR AUTONOMOUS UNIVERSITIES IN HIS EARLY YEARS BUT NOW REALIZING THAT SUCH AUTONOMY HAS BEEN THE ROOT EVIL OF UNIVERSITY MALADY IS CURRENTLY PROMOTING NEEDED CORRECTION AND CONTROL. BEFORE RETURNING NY. SUPPORT WOULD COME FROM FATHER. IN NY

SHE HAS MANY "PROJECTS" WHICH NEED TO BE DONE. NO SPECIFICS.

SUGGEST STATION CONSIDER KEEPING HER ON PRESENT ARRANGEMENTS

COUPLE OF MONTHS TO PRODUCE PROFILES AND ANY DEBRIEFING IN

DEPTH REQUIRED AND THEN TERMINATE. UPON RETURN TO NY SHE MIGHT

BE PICKED UP FOR CONTACT BY KULAMP OR ODENVY. HAVE INITIATED

DISCUSSIONS WITH KULAMP AND THEY INTERESTED CONTACT ARRANGEMENT

WITH PIECE RATE PAYMENT. LUND FOUND L-1 PROBABLY WELL-INTENTIONED

BUT TRAGIC GADFLY HANDY TO HAVE AROUND FOR TIDBITS DESPITE BEING

THOROUGHLY BLOWN BUT NOT WORTH A PROJECT. WILL ADVISE ANY

REQUESTS FOR L-1 SERVICES DURING GUAT POST-ELECTION ACTIVITIES.

13. RECOMMEND STATION EXTEND PRESENT PROJECT FOR TIME

DESIRED AND INCLUDE TERMINATION ARRANGEMENT. PLEASE NOTE LUND  
DID NOT TERMINATE BUT ONLY INDICATED THIS AS LIKELY FORTHCOMING.  
TERMINATION IF SO DECIDED IS NATURALLY STATION PREROGATIVE.

DODS

Jack,

I briefed Gaines for 30 minutes on LICOOKY giving him the full background on her bio, education, CIA relationship---from recruitment through current use in Mexico. My suggestion was that she be told to go to NY and find a job which would give her a means of livelihood as well as cover for any future CIA income. After 6 months (or some other specific period of time) it would be arranged that either we contact her or she contact us to determine what her personal situation was and whether she would then be in a position to target against selected persons of interest to CIA in the NY area. She could then be paid on a spot basis for her CIA work. Mr. Gaines wanted to think about it but thought that this would be the best approach. He will talk to you before Friday.

His only question was whether we had any indication whether she was under development by the opposition---Soviet, Cuban, etc. I told him that as far as I knew there was no such indication. If I am wrong (per your and Bill Johnson's recent activity) you better correct this.

Arrangements have been recently completed allowing certain independent contractors of this organization to obtain social security credits by covering such individuals under the social security tax provisions applicable to employees. These arrangements also include a provision for retroactive applicability to the beginning of the 1965 tax year. This can be done only for reasons of security since the procedure results in reducing the social security tax from the self-employed rate to the employee rate. For example, in January of 1965 the tax rates were 5.4% and 3-5/8% respectively.

As a consequence thereof, said contract is amended by deleting all reference to social security and by adding the following paragraph:

"Effective 1 December 1964, social security taxes will be covertly deducted by this organization from your compensation in the same manner and to the same extent as would be done if you were a Government employee. Security reasons make this procedure necessary. Its implementation does not imply in any manner the actual creation of an employee-employer relationship. Your legal status under this agreement continues to be that of an independent contractor.

If you receive or expect to receive full or partial social security credits from overt sources you will so notify this organization and an adjustment will be made or covert deductions discontinued, depending upon the circumstances. Further, if you should subsequently receive overt social security credits, evidence thereof will be submitted to this organization. In such event your covert credits will be erased and your covert deductions returned.

All other terms and conditions of said contract remain in full force and effect.

1. LICOOKY-1's efforts as described in reference have substantial merit and some potential particularly if the Station can find a way to tie them in with the LIREAM effort in the intellectual field.

2. LICOOKY-1 certainly is to be commended for her effort in getting writers both of the right and left such as Carlos PELLICER Camara to join the AEM. From a KUBARK standpoint the most interesting contact is the one with PELLICER because he has been the reported force behind the COMES/CLE effort in Mexico.

3. Although her assigned tasks as reported in para 7 a, b and d of the LILINK memo do not entail making her witting of other Station assets engaged in MHSPAWN Ops among the intellectuals, an amendment to her OA is required, and one has been requested. If her efforts progress to the point where she might be able to influence leftist writers in their efforts to establish the CLE in Mexico (para 7 c of LILINK memo) Headquarters should be forwarded your ideas on why and how LICOOKY-1 should be used as an active MHSPAWN agent, and another amendment will be required for this role.

4. ANDRIETTE will discuss this operation with the Station during his TDY.

5. In view of the restricted OA which confines KUBARK's association with LICOOKY-1, it is important that Headquarters remain aware of any unusual activity in her personal life which might affect her security or the granting of amendments to her OA for individual operations. Therefore, we would appreciate your keeping us informed on a more timely basis of any undertakings such as the recruitments for membership in the AEM described in reference.

## LICOOKY Project Progress Report

March, 1965

## 1. Production

The LICOOKY Project has not produced any information reports during this reporting period. During this period LICOOKY-1 has been reporting on her activities and working as follows:

- a. L-1 learned that the Guatemalan PGT have approached Bartolomé Costa-Amic about printing a "news letter" to be distributed in Guatemala. When this occurs she will be able to obtain copies and identify the authors and other pertinent details.
- b. Continuing reports on the activities of Miguel Angel Toralla Burgos, Guatemalan guerrilla now in exile in Mexico. L-1 has established that Toralla meets Victor Manuel Gutiérrez once a week at some undisclosed place and time.
- c. L-1 is attempting to identify and obtain the address and telephone of one "Juanita". "Juanita" acts as a courier to Guatemala for Gutierrez and also acts as a cut out between Gutierrez and Dr. Raul Oseguida Pelala. It has been established that Gutierrez always uses "Juanita's" phone to make his telephone calls. "Juanita" also takes telephone calls for Gutiérrez.
- d. L-1 is attempting to identify one "Jorge Carranza", posing as an attorney in Ciudad Hidalgo. It has been established that "Jorge Carranza" is a pseudonym for a woman who is

SECRET

SECRET

in contact with Miguel Toralla and apparently a Guatemalan living in Ciudad Hidalgo who is a part of the commo system between the Guatemalan Communist exiles in Mexico and Party Members in Guatemala.

- e. L-1 continues reporting target study data on Margarita Paz Paredes and Ljuka Julius.
- f. L-1 completed basic target studies on Amelia Castillo Ledon, new Mexican ambassador to Austria, and Alejandro Gomez Maganda, new Mexican ambassador to Panama.
- g. L-1 is preparing a target study on Victor Urquidí, an advisor to the Secretary of Treasury.
- h. L-1 has been instructed to report as fully as possible on Ernesto Madero, former chargé d'affaires in Moscow and who now has a responsible position in the Foreign Office.
- i. L-1 is attempting to identify 11 Nicaraguan guerrillas now living in Mexico and being assisted by Edeberto Torres Espinosa and to get a line on their activities.
- j. L-1 is also attempting to identify a group of Central Americans, Salvadoreans, Nicaraguans and Guatemalans, who are meeting with Luis Manuel Zuñiga.
- k. L-1 has been instructed to try and locate one <sup>Victor</sup>Rico Golan and discover his present activities.
- l. L-1 has been the source of information which provided the foundation for an CA operation against the PCM. L-1 has been seeing Maria Teresa <sup>+</sup>Retes de <sup>+</sup>Revolutas, wife of

SECRET

SECRET

Jose Revueltas, Communist landmark personality in Mexico for the past several years, on a regular basis. Jose Revueltas has become an alcoholic and for the last several weeks has been living with an Indian girl. Mrs. Revueltas blames this situation of her husbands relationship with two brothers Arturo and Jorge <sup>+</sup>Filio and on Jaime <sup>+</sup>Navarro. According to Mrs. Revueltas these three are engaged in smuggling contraband goods into Mexico and are also engaged in ~~smuggling~~ drug activities. Mrs. Revueltas claims that they use their smuggling channels to help the PCM pass items and bodies in and out of the country. Jose Revueltas was the contact man between this group and <sup>David ALFARO</sup> ~~Alfredo~~ Saqueiros and <sup>+</sup>Luis Arenal who were interested in smuggling Guillermo <sup>+</sup>Rousset Banda accused of murdering Carlos Farias Jimenez, both known Communists, out of the country. There has been speculation that this murder was the result of differences between the Pro-Soviet and Pro-Communist China groups of PCM. Mrs. Revueltas believes that if she could cause the arrest of the Filios and Navarro she could rescue her husband from their influence. At L-1's suggestion, she wrote an anonymous letter denouncing the Filios and Navarro, describing their activities, types of contraband the addresses where the contraband was located. Mrs. Revueltas was told by L-1 she would give it to a friend of hers on the Narcotics Board in Mexico.

SECRET

SECRET

The letter was passed to the Station where it will reach the proper Mexican authorities. This may not work, but if the information provided by Mrs. Revuelto is true and the group is arrested, publicity plus additional help from the stations publicity can create a damaging scandal against the PCM.

L-1 has been additionally instructed of the requirements outlined in para 2 of Ref. B.

LICOOKY-2 reported on 15 March that Judith Ferreto called him to send a ticket to San Jose, Costa Rica for Manuel Mora or to the person to whom he assigns it. The ticket was for travel from San Jose to Mexico City. On March 18 Ferreto called saying Mora was in the city and had not used the ticket but had given it to Señora Carmen Lopez de Ferreto who travelled to Mexico on 21 March. Ferreto called again on 26 March making a reservation for Carmen de Ferreto's return to San Jose on 1 April.

L-2 took advantage of this phone call to remark to Ferreto that there had been little travel lately. She told him there was no explanation other than people were just not travelling. She said she expected there would be some movement of students this summer.

## 2. Operations

I In order to better control and guide L-1's work, two steps have been taken. Discussions with L-1 have been directed toward blocking out and defining the goals she should achieve during the

SECRET

14-00000

SECRET

next three months period. For each meeting she prepares an "activities report". In this report she outlines her activities for the preceeding week, the tasks she was working on, the people she was in contact with and the results. She also lists the tasks she will work on during the coming week, the people she will see, etc.

L-1 is handicapped in this work since she has no control over her contacts and has to be extremely discreet in her eliciting of the facts. Many times her plans go awry since during a given conversation there is no opening to bring up the subject she wished to discuss.

### 3. Security

Both LICOKEY-1 and-2 appear to recognize the security implications of their work. Neither are curious about their case officers. They follow their instructions concerning the security of their meetings and come with their case officers. During the reporting period there has been no evidence of any unusual security problems.

### 4. Personnel

LICOKEY-1 has regained her good health and her morale is high. Now that she has a permanent base of operations, in that she has her apartment furnished and a telephone, she is resuming her regular contacts that were broken when she was ill and living in a series of <sup>different</sup> locations.

During the present case officer's contact with L-1, she has not presented the personality described in Para 3 of Ref B. She

5  
SECRET

6

is an intelligent woman, and in all our meetings she has appeared mature and attentive. She has been prompt and reliable in her meetings. She discusses her problems calmly and accepts instruction and criticism without argument. She has responded well to instructions and has worked hard in trying to improve her reporting. She appears to be well adjusted to her environment which is most extremely trying at times.

In discussions concerning the Communist and leftist movements, she admitted that at one time she was influenced by their ideology, but as she had grown older and had observed more of their activities and personalities, she had lost all respect for them. She said that she had been fooled by Fidel Castro in his early days and had thought he would be good for Cuba, but as events have developed she has seen how mistaken she had been originally. She also commented that in long talks with LINLUCK, he had opened her eyes to the fallacy of the Communist ideology. In all of these conversations she has appeared sincere in her statements. Her liaison with LINLUCK appears to be based on deep affection for him and not on proximity. The case officer has the impression that if there was not a present Mrs. LINLUCK she would become legally his wife. This is a problem that may have to be faced in the future.

LICOOKY-2 doesn't present any personnel problem. While his niche is a small one and his access is limited, his assignments are carried out conscientiously.

He had been forbidden to see either one of them.

## 6. Effectiveness

LICOOKY-1's target studies and suggestions on possible recruitment

approaches has been helpful. While her reporting for the ~~1994~~ past month has not produced any Information Reports, it has kept the station aware of the activities in her particular area of access.

If she is successful in performing her tasks as outlined in the paragraph under "Production" above, such information will be useful to the station. LICOORY-2's effectiveness is limited to his narrow target, but such travel information that he does provide does serve a useful purpose.

## 7. Plans

It is planned to continue the present direction and guidance given to LICOOKY-1 in an effort to increase the quantity and quality of her production.
