RACIAL MATTERS

Many offices are using above caption in communications to the Bureau concerning a variety of activities and racial incidents arising out of the killing of Martin Luther King, Jr. This is creating problems from administrative and filing standpoints and should be discontinued immediately. Captions descriptive of the activity involved should be used in accordance with instructions in the FBI Handbook, page 154h of Part III.

For example, in reporting information concerning disturbances that may have occurred in Albany the caption "Racial Disturbances Following Assassination of Martin Luther King, Jr., Albany, New York, April 9, 1968, Racial Matters" could be used.

Re Bureau letter 4/10/68, which enclosed copies of three letters to the Bureau from SARA F. JONES, one dated 4/5/68 and two dated 4/6/68.

During unsuccessful attempts to locate Mrs. JONES at her current address, 123 Pembroke St., Boston, Mass., on 4/11/68, Mr. and Mrs. BRUNO SALVATORE, who operates a small grocery store at 202 Warren Ave., Boston, volunteered information that they have been acquainted with Mrs. JONES for many years. They described Mrs. JONES as a chronic complainer and a religious fanatic. According to Mr. and Mrs. SALVATORE, Mrs. JONES has been seen walking barefoot in the winter snow and has claimed to have had conversations with God on several occasions. Mr. SALVATORE stated that on one occasion, Mrs. JONES deliberately plugged up her own drain and then made a nuisance of herself complaining to the Boston Sewer Department and various other city officials.

On 4/12/68, after telephonic contact was made with Mrs. JONES, she was interviewed at the Boston Office of the FBI. Her letters were acknowledged and it was suggested to her that in the interests of convenience and expedience, she may wish to contact the Boston Office directly in the event

she has any additional information to furnish. She stated that she directed a fourth letter recently to the Bureau, dealing with the same subject matter as the previous three letters.

During the interview with Mrs. JONES, she made the same allegations as were contained in her letters concerning CHARLES G. ADAMS of the Concord Baptist Church of Boston and Judge B. HOOKS of Memphis, Tenn. Repeated attempts were made during the interview to pin her down for specifics and for any concrete bases for her allegations but without success. When pressed for specifics, she continually reverted to the same information contained in her letters and could furnish no additional information. Her answers to questions were rambling, incoherent and not responsive. She frequently changed the subject to dwell upon her employment experience during World War II when she was connected with the Office of Price Administration and the Veterans Affairs Office in Chicago, Ill.

After it became evident that no pertinent information of value could be obtained from Mrs. JONES, the interview was terminated.

Boston files reflect that Mrs. JONES was a victim-complainant in a civil rights-election laws matter in 1964, the details of which are contained in Boston airtel and letterhead memorandum to the Bureau dated 11/18/64, captioned, "UNSUB; SARAH P. JONES - VICTIM; CR - ELECTION LAWS," Bureau file unknown.

In that matter, Mrs. JONES directed a letter to the Bureau in which she alleged police brutality at the time she was voting on election day, stating that police knocked her out of the polling place, that the election commissioner stood behind this brutality and that her vote was not counted. When Mrs. JONES was interviewed in connection with that matter, she appeared to be extremely irrational and it was evident that her difficulty stemmed from her failure to comply with election law regulations. It appeared that the alleged force used by the police was only used to remove her from the voting area where she was apparently creating a scene.

BS 157-644

During the course of that investigation, Superintendent EWING A. FLU, Station A, U. S. Post Office, Boston, Mass., advised that Mrs. JONES was well known to him because she had submitted numerous complaints to his office, both in person and by mail. He stated that her complaints generally consisted of charges of other people having opened her mail or were stealing her mail. According to FLU, Mrs. JONES had also complained about hearing obscene language spoken by the men who work behind the P. O. boxes and that her most recent complaint was that she had written a letter to the Mayor of Boston with a return receipt requested and had not received the return receipt. She also accused someone in the Post Office of having stolen her letter. Superintendent FLU described Mrs. JONES as a very eccentric person who is continually issuing complaints about every subject possible.

It is noted that Boston files contain no pertinent information concerning CHARLES G. ADAMS or Judge B. HOOKS.

In view of the above information, no further investigation is being conducted concerning the information furnished by Mrs. JONES, UACB.

Re Bureau teletype, 4/9/68, and Albany airtel to Bureau, 4/10/68.

For the information of offices not previously advised, the following is set forth:

Search of premises believed occupied by Unsub who assassinated Dr. MARTIN LUTHER KING on 4/4/68, disclosed suitcase in which was located tee-shirt and undershorts bearing laundry mark on red tape with black lettering believed to be thermo-seal type, manufactured by Textile Marking Machine Co., Inc., Syracuse, N. Y. The tape is $\frac{1}{4}$ " wide and $1\frac{1}{16}$ " long and bears letters and numbers 02B-6.

Experts at Textile Marking Machine Co. advise type on this machine is unusual in that the first two characters are 15 point type and the last three characters are 18 point type, with the middle character, the letter B, probably being narrow rather than regular type. The usual machine carries 15 point type for the first three characters and 18 point type for the last two characters.

Textile Marking Machine experts also stated this machine is defective in that it is producing a tape 1 1/16" long instead of 1 1/8" long and is not projecting the tape far enough resulting in cutting off a portion of the first letter. The code used in the Northeast part of the U. S. is as follows:

The first letter O stands for lot number; the first number 2 indicates the day of the week, two being Tuesday; the second letter indicates the first letter of the store name, this is the letter B; the last number is the bundle number, this is 6. Color coding of the tag may designate various things such as a different month or the identity of a store in a chain. Experts also state the use of this system on laundry items is unusual in that the system is normally used on garments being dry cleaned.

The Bureau has instructed that all textile machines using this type tape be located and machines using this code be identified.

The following is a list of locations of Thermo-seal marking machines by states in alphabetical order made available by Mr. DONALD BROTON, Textile Marking Machine Co., 2204 Erie Blvd. East, Syracuse, N. Y., on 4/7-10/68:
