ALL OFFICES PLEASE NOTE: Bureau teletype to All Continental Offices, 4/9/68, stated that all laundries should be contacted in an effort to identify the tape on the shorts and tee-shirt believed to have been abandoned by UNSUB. The Textile Marking Machine Company has advised that the above are the only machines known by that company to be in the above listed states which would be capable of producing the laundry mark on the garments. This company advised that the tapes on the garments are their tapes exclusively and that there is no other marking machine in the world which could have produced the tapes.

Further note, the following are names and addresses with telephone numbers of sales representatives of Textile Marking Machine Company covering the above territories:

The Bureau has been requested to supply to all of the offices covering the above states copies of color photographs of the tapes attached to the garments recovered. The Bureau has advised that this is being done.

THE ABOVE LIST IS ALPHABETICAL BY STATES AND EACH OFFICE IS RESPONSIBLE FOR DETERMINING THE CONTACTS IN ITS OWN AREA. This has been done in the interest of saving time since there are approximately 3,000 machine locations to be accounted for.

ALL OFFICES

It is suggested in contacts with above establishments the actual operators of Thermo-Seal machines rather than supervisory personnel be contacted. It is further suggested, on the basis of consultation with Textile Marking Machine Company personnel that the letter "O" in instant tape may have been used rather than a dash for first character. If the code is recognizable by insertion of a dash instead of letter "O", or if the code is recognizable as it appears on instant tape, obtain sample of tape and immediately submit to FBI Laboratory for examination.

RE: MURKIN

In an effort to assist in handling administratively the reams of material being submitted to Memphis Division as office of origin, it is requested all offices in submission of messages use caption which will aid in handling paper. For example, should your office have investigation to report in connection with a specific suspect it would aid if, before entering into the body of text, you would utilize sub-heading after reference, such as "SUSPECT - JOHN ALLEN DOE," or another appropriate caption might be "LAUNDRY CHECKS."

Suitable sub-headings on communications will greatly facilitate the handling of material. Please comply.
