DATE: 4/26/68

FROM : SA NEIL W. FORE

SUBJECT: MURKIN

Reference memo. dated 4/19/68, subject as above (157-203-227)

On 4/22/68, BONNIE BEARD, Aurora PD and RICHARD DIVVER, Denver PD each examined their respective files with negative results, concerning ANDREW J. MURRAY.

Lola Winklepleck, RCMA, furnished the following information concerning ANDREW J. MURRAY:

MURRAY, born [redacted] at Altoona, Pennsylvania, is a M/Sgt. assigned to Lowry AFB. He resides at 13710 Hoffman Blvd, Aurora and transferred to Lowry on 9/61. His personal and moral reputation is good and there was nothing derogatory in file.

M/Sgt. MURRAY was interviewed at Lowry AFB and advised that he formerly owned a 1956 Buick, four door, stationwagon, color white, bearing 1968 Colorado license PM 7888. He advised that on 4/6/68, he sold the vehicle to RICHARD D. VIGIL, telephone number 477-0253. The license plate was left on the vehicle, with the understanding that VIGIL was to return the plates. MURRAY advised that VIGIL was a painter and is described as a white, male (of Mexican descent) late 30's, 5'4", slight build with a thin mustache. MURRAY gathered from conversation, that the individual has lived his entire life in the Denver area. He advised that the photographs of JAMES EARL RAY did not resemble VIGIL.

It was determined that telephone number 477-0253 was listed to RICHARD D. VIGIL, 2445 Julian, Denver.

On 4/22/68, VIGIL was interviewed and advised that he is the owner of a 1956 Buick, four door, stationwagon, color white, bearing 1968 Colorado license PM 7888. He advised that last Thursday or Friday he was at a service station located at 28th and Welton St. VIGIL is a white, male, age 32, 5'6", 140 lbs, brown eyes, black hair, worn long, with a thin mustache and his right arm is missing from the elbow down. He was eliminated as a suspect in this case.

# Memorandum

TO : SAC (157-203)

DATE: 4/29/68

FROM : ASAC

SUBJECT: MURKIN

At 4:30 p.m., 4/26/68, Sergeant VAN HOOK of the Colorado State Patrol at Limon, Colorado, telephonically advised one DENNIS PATRICK O'HARA had been picked up in the vicinity of Limon while hitchhiking. Sergeant VAN HOOK stated O'HARA bore a general resemblance to JAMES EARL RAY, as set forth on RAY's wanted flyer, and the Sergeant wanted to check out O'HARA.

O'HARA's date of birth was [REDACTED], and he had in his possession a California operator's license issued on 7/28/66, in California, which showed his address as 7580 San Beri Way, Galeta, California. He also had an address of 400 Seaside Avenue in Honolulu. O'HARA indicated he was an Army veteran, SN [REDACTED]

Upon being furnished the above information by SA LEARNED, who received the call from VAN HOOK, I contacted SA (FNU) AHERN of the Los Angeles Office and asked him to check out O'HARA concerning the Galeta, California, address, and I then contacted SA CLAYBORN at the Identification Bureau at the Bureau and requested him to check the prints of RAY against those of O'Hara.

SA CLAYBORN called me shortly afterwards to advise the prints were not identical, at which point I contacted Los Angeles and told them to discontinue their inquiry concerning O'HARA, and I then telephonically contacted SA BERRY at Colorado Springs, who handles Limon on a road trip. I told SA BERRY to contact Sergeant VAN HOOK with the above information and to express our appreciation to the Sergeant for checking out this matter with us.

# Memorandum

TO : SAC, DENVER (157-203)

DATE: 4/29/68

FROM : SA JOHN D. ADAMS

SUBJECT: MURKIN

Re Memphis L/T 4/12/68, (ser. 167), L. A/T to Memphis 4/16/68 (ser. 169), DM A/T to FBI Lab 4/16/68 (ser. 180), ASAC memo 4/24/68 (ser. 281), and Bur A/T, 4/23/68 (ser. 273).

In addition to investigation coverage in outgoing communications and memos mentioned above, the following was conducted:

On 4/16/68, CSDM 305 advised that original telephone service was provided ~~DON L. CURTIS~~ in June, 1965 for telephone number 355-5646, no address listed. CURTIS was at time manager of Happy Canyon Barbershop and had a roommate by the name of ANTHONY VASQUEZ, who was unemployed. More recently, CURTIS's address has been listed in telephone company records as 3050 Hudson St. His phone was disconnected in 2/68 for non-payment, but was re-established in 3/68 at which time he was a barber at University Hills South Barbershop.

Visual observation of 3050 Hudson by writer on 4/16/68 revealed it to be a one-story, one-family type brick dwelling. One of two old cars parked in the driveway had a 1967 Colo plate on it- PP 752. Records of D.V. showed this tag to have been issued to DON L. CURTIS, 3475 S. Penna. St., Englewood, for a 1959 2 door Plymouth.

Records DPD, RCMA and DMV failed to reveal any info re ANTHONY VASQUEZ. Criminal record of CURTIS is already recorded in this file.

On 4/18/68, Postman WES SMITH, Racial Source (Protect Identity) advised he has delivered to 3050 Hudson for the past 6 years, and, according to his personal records LARIQUE RAMES owned the property prior to moving to 2660 Sichel St., Los Angeles on 5/1/66. Thereafter, JOHNNIE BOOKMAN moved in and subsequently left in Nov. 1966. D. L. CURTIS then moved in. Smith thinks Curtis had a wife who moved in at the same time. A short time later another couple moved in with the Curtis's, a young man and woman, and as far as Smith knows they are still living there. 157-203-325

157-203  
Memo of DLA

SMITH said one W. A. RIDDLE received mail in March, 1968, but SMITH has never seen RIDDLE.

When the name of ANTHONY VASQUEZ was mentioned, SMITH immediately identified it as the name of the other couple who moved in with Curtis. He described VASQUEZ as a light-complected Mexican black hair, 5' 7½", about 35 yrs. old.

Smith also believed that Curtis has had a female housekeeper from time to time by the name of ARA-STROMG, since she has received mail at the address.

Receiving no further word from Memphis re DN A/T of 4/16/68 and ASAC's tel call to Memphis 4/18/68, the writer checked out 3050 Hudson on 4/26/68. A very effeminate male, age 25-30, sallow complexion, 5'11", 145 lbs, thin, shock of long, unruly black hair, answered the door. He gave his name as Max Sherman. He indicated DON CURTIS was at work at the University Hills South barbershop and that only he and another roomer, Ron Garcia were at home. The writer observed Garcia, who was a Mexican, approx. 28 yrs old, 5'7", 155 lbs. Neither man came near the description of RAY and both were observed to have numerous "homemade" tattoos on their arms and upper bodies. They said they plus CURTIS were the only residents.

On 4/26/68, the writer observed and interviewed Donovan L. Curtis at the University Hills South Barbershop and vicinity. Since he had already been eliminated as a suspect (although he was not so informed) the real purpose of the contact was to determine who lived at 3050 Hudson. CURTIS stated current residents consist of MAX SHERMAN, who sometimes does female impersonations in Denver Bars, Ron GARCIA, a Mexican, ANTHONY "TONY" VASQUEZ, another Mexican even darker than GARCIA, and himself. He stated SHERMAN AND GARCIA were the newest of the bunch having arrived in the past 5 or 6 weeks. *RAY's picture unknown to Curtis.*

CURTIS said male acquaintances will often stop over at his house when they first come to town and stay indefinite periods until they find jobs or move on, but, recently, the only other one to stay at his place was a W. A. RIDDLE, white, male, 5'9"-10", age 31-32, light brown hair, slim build. He arrived several weeks ago, and about one month ago after CURTIS could see that RIDDLE was not going to try to find a job, CURTIS "kicked him out." Curtis said he has seen him around town on occasion since that time in various downtown bars, the last time being "a couple of nights ago." He was unaware whether or not RIDDLE ever left town after Curtis forced him to leave his place. *Curtis said Riddle came from North, possibly Chicago.*

On 4/22/68, indices Denver Office and records of DIV, RCMA and DPD as checked by IC Don Ray failed to reveal any information concerning W. A. RIDDLE.

On 4/23/68, FRED BAKER, "Denver Post" reporter, contacted ASAC JOHN F. MORLEY and advised that GARLAND VENABLE, Manager, Auditorium Hotel, 14th and Stout Sts., Denver had just advised him that a man had stayed at the hotel last Friday and Saturday who looked like JAMES EARL RAY. VENABLE said the man had stayed at the hotel on previous occasions.

On 4/23/68, the writer interviewed Mr. VENABLE and checked the hotel's records. Mr. GARLAND D. VENABLE desires his identity protected. He described the hotel guest as JOE CARVER, 5'9", 160-170 lbs, black hair, in his late 30s. Hotel records show CARVER's address to be 735 or 435 Valincia Dr., Clearwater, Fla. The dates he stayed at the hotel, the rooms he stayed in, and the times he checked in are as follows:

<u>DATE</u>	<u>ROOM</u>	<u>CHECK-IN TIME</u>
4/2	404	2:16am
4/3	521	8:54pm
4/4	535	12:57am
4/15	237	9:31pm
4/16	"	10:44pm
4/18	"	11:33pm
4/19-22	237	11:36pm

VENABLE said CARVER paid in advance each day that he stayed. He had no luggage and when he left in the morning of 4/22, he left a sport coat, shirt and underwear in the hotel room. In the effects was an unsigned application for a surety bond which indicated that JOE ALLEN CARVER was born 10/25/34, is single, father-Juan Alberto Carver (self-employed), mother-Francis Juana Carver, employment - optician in Florida since 1957. A pay check stub indicated present employment with Spear, Killmon and Evans Optical Co., 1649 Tremont, Denver.

On 4/23/68, Dr. ROBERT W. SPEER, of the above optical company verified that CARVER was an employee until 4/19/68 and was obviously a qualified optician. He described him as 5'9" when wearing his elevator heels and chubby. He had no scar on forehead and does not resemble photos of RAY.

Re memo of Complaint Clark Spring, 4/24/68 concerning  
unsub in white Pontiac outside Westland Industrial Bank on 4/23/68  
(serial 289)

Officer MICHAEL WIGGINS, Jefferson County Sheriff's  
Office advised writer on 4/25/68, that report filed by Officer  
Bob White under case #68-6168 indicated that White checked out  
the individual in the Pontiac at 8:33am 4/23/68 and determined  
occupant to be HARRY ADELORE COMFAULT, dob 12/26/11, driver of a  
1959 Pontiac, 4 door, white, bearing current Fla. lic. 4W29629.  
COMFAULT produced Immigration and Naturalization Registration  
card showing his INS # to be A 8863962.

Officer Bob White advised writer on 4/25/68, that  
he had observed the Wanted Flyer of JAMES EARL RAY prior to  
checking out COMFAULT and he is certain that COMFAULT is not RAY.  
He said COMFAULT was obviously much older, was of ruddy complexion  
and wore a moustache. He recalled that COMFAULT was from Tallahassee  
Fla., and was on his way to Illinois. He had an old registration  
slip for the car which indicated the car previously bore California  
plates. He produced an Illinois driver's license

In view of Officer White's information, no further  
investigation is believed warranted.

## King Case Fingerprints Conflicting

ATLANTA — (UPI) — The Georgia Bureau of Investigation (GBI) complained Thursday it had been searching for the accused killer of the Rev. Dr. Martin Luther King Jr. with conflicting sets of fingerprints received from the FBI and Missouri prison officials.

The FBI quickly replied that its prints for James Earl Ray, alias Eric Starvo Galt, were correct, and the Missouri State Prison warden admitted the wrong prints had been dispatched to various law enforcement agencies after Ray escaped last year.

### CORRECTED SET

But Warden Harold R. Swanson said the mistake was discovered almost immediately and a corrected set of prints for Ray was distributed to the same police agencies.

Mr. Barney Ragdale of the GBI said Georgia never received its corrected set.

"They never sent us one," he said. "If they had, we'd have corrected it. It sure is dangerous to put something like this in our file here and ever expect us to find James Earl Ray for them."

"Evidently most every department in the country has an incorrect set," he said.

### NOT AWARE

Swanson insisted that every department sent the original prints had been sent the corrected ones, but when the Georgia officials hadn't received theirs, he said he was unaware the original prints had been circulated that widely.

Ragdale said the incorrect prints were discovered during a routine check of the GBI's file prints for Ray against those distributed by the FBI.

Gentlemen:

It is with hesitation that I write you about this matter. I believe that the chances of there being any connection between the man I will mention below and the death of Dr. Martin Luther King, Jr., are very, very slight. However, if you have not already checked this matter, you might want to do so at this time.

Also, I have no direct knowledge of this incident but heard about it from a friend. The incident concerns a phone call placed by this man to the office of Dr. King several years ago in which he stated that Dr. King would be killed within a few days. I do not know if such a call is a federal offense or not; however, I do not believe that any purpose would now be served by prosecuting on this late date. My only point in mentioning it now is that, knowing how this man felt and also knowing that he shot a local Negro shortly after this call, I wondered if by any chance he might have paid for the killing of Dr. King.

The name of this man is Mr. Holt Chew.

Sincerely yours,

*Thomas M. Sweeney*
