ReDNairtel and LHM dated 5/1/68, setting forth results of interview with Holt Chew and requesting authorization to check telephone toll call records for calls placed by Chew.

Referenced LHM indicates Chew to be owner and operator of Holt Chew Motor Company. Bureau files indicate Chew to be a former automobile dealer. It would appear that if Chew still operates Holt Chew Motor Company, that a review of toll call records made by him might be a considerable project. By return airtel advise if Chew still operates the above-named motor company and whether, in your estimation, a check of telephone toll calls made by Chew since 4/23/67, the date that suspect James Earl Ray escaped from prison, would involve the expenditure of considerable Agent time.

In connection with your request to check telephone toll call records, your attention is directed to Bureau airtel to Albany dated 12/5/66, captioned, "Obtaining Telephone Toll Records - Bureau Investigations" wherein it is stated you should specifically comment as to whether such records can be subpoenaed by a Federal Grand Jury when submitting a request for examination of such records. ASAC JOHN F. MORLEY AND writer checked out a lead that a "RAY" had been registered at the Skyways Motor Hotel, 3855 Quebec, St., Denver, Colo. last week, as a result of an inquiry made by a Special Agent previously that day. Mrs. MARION HILLYER, Desk Clerk, Skyways Motor Hotel, advised that a LEROY RAY, 1352 W. 38th Ave., Phoenix, Ariz, connected with the Combined Insurance Co., checked into the Motel at 5:54pm 4/27/68 and checked out at 12:53pm, 4/28/68. A woman allegedly driving a red car with local license was with him when he checked in and may have stayed the night.

She described the man as a "nervous Nelly", 6', slim build, thin moustache, dark hair frosted at the temples, late 30s, gold watch, dark suit, white shirt, no tie. She said he resembled the Mexico photograph of RAY, He may have been wearing glasses.

In view of the many discrepancies between RAYs (JAMES EARL) description and this man's looks, no further investigation is warranted.

Two New Ray Photos Released

WASHINGTON — (UPI)—The FBI Tuesday distributed two newly obtained photographs of James Earl Ray, the ex-convict sought in the slaying of the Rev. Dr. Martin Luther King Jr. One was described as "an extremely good likeness."

A candid photograph of Ray, which the FBI said was taken in late January or early February of this year somewhere in California, shows him almost full face in a business suit and tie.

The second photograph, which the FBI said was taken last November somewhere in Mexico, also is a candid shot. It shows him in dark glasses wearing what appears to be a white sports shirt.

The FBI declined to say how the photographs had been obtained. They will be displayed throughout the country along with two other photographs of Ray which appear on the FBI's "wanted" poster.

One is a photo of Ray when he was said to be posing as a man named Eric Starbo Galt and was taken at his graduation from a bartending school in Los Angeles early in 1968. The other photo is actually two likenesses of Ray on the same print—prison photographs taken in 1960 at Missouri State Penitentiary.

King was shot by a sniper in Memphis April 4. The FBI announced April 17 it had issued a warrant for the arrest of Galt. Two days later it said Galt was an alias and that the wanted man actually was Ray.

ReBuairtel 5/7/68, concerning HOLT CHEW.

CHEW still has Holt Chew Motor Company, but company is not motor company in usual sense. It has only one office, which is in same apartment building where CHEW resides. It is not known to have any employees other than CHEW. It is believed that any calls made from the phone in the company office would have been made by CHEW. Further, while the CHEWs were out of town company office was closed. Denver does not believe checks will involve expenditure of considerable Agent time, but will evaluate the situation more closely after toll calls are obtained.

No Federal Grand Jury in session at this time and toll calls can be obtained from established source without possibility of embarrassment to the Bureau.

Request to check toll calls is hereby renewed.

Re: CARL RAY, SUSPECT

The following investigation was conducted by SA ROY I. MISCHKE on 4/3/68.

Mr. LADD FELIX, Manager, and Mrs. LADD FELIX, Bookkeeper, Mayflower Hotel, 1700 Grant Street, advised that a check of registration records revealed that no one was registered in that hotel under name of CARL RAY during period of April 28, 1968, to May 2, 1968. A photograph of JAMES EARL RAY was exhibited to each of these individuals and each stated that no one resembling RAY has been a guest at the hotel during recent weeks.

JAMES HEFFNER, Desk Clerk, Mayflower Hotel, advised on 5/3/68, that his only recollection of the name of "RAY" was that on or about 5/1/68, a very tall thin man, who was not a guest in the hotel, paused at the desk and told him that his name was "RAY" and that he was attempting to meet someone at the hotel. He requested that if anyone should call for him at the desk, that they be told that he would be in the lounge of the hotel. According to HEFFNER this individual then entered the tavern at the hotel and he did not have any further contact with him. HEFFNER stated that this individual was very tall, thin, and definitely did not resemble photograph of JAMES EARL RAY.

He recalled receiving a telephone call that evening inquiring about CARL RAY and stated that in answering he mentioned that "RAY" had not come in. He stated that he was referring to RAY PEEBLES, age 62, who has resided for the past seven years in room number two at the Clarko Hotel. He examined photographs of JAMES EARL RAY and stated that they in no way resemble RAY PEEBLES and that he has seen no one around the hotel who was identical with the photographs.

4 Thursday, May 9, 1968 The Steamboat Pilot

11th Hour For The 11th Man

Added to the FBI's list of TEN MOST WANTED MEN was the name of Eric Starvo Galt, so that, for the first time, the list includes eleven. Also on the FBI top priority list was James Earl Ray. Pictures and descriptions of these two now nationally known and infamous men (who incidentally turned out to be only one person) were placed in every United States Post Office in the county. Steamboat Postmaster, Clarence Patterson, posted these bulletins in a conspicuous place in the local post office last week.
