SUBJECT: JAMES EARL RAY, aka - FUGITIVE
I.O. #4182; W. F. #442-A
CIVIL RIGHTS - CONSPIRACY;
INTERSTATE FLIGHT - ARMED ROBBERY
"TEN MOST WANTED FUGITIVES" PROGRAM
NEWSPAPER MAT

Being forwarded under separate cover is a supply of newspaper mats and proofs for expeditious distribution to all cooperative daily and weekly newspapers in your territory. Additional publications such as shoppers' guides should not be overlooked in obtaining the greatest possible publicity regarding this fugitive.

In most cases, these mats and proofs may be distributed by mail but when circumstances warrant they may be personally delivered by Special Agents. A form letter over the signature of the Special Agent in Charge may be utilized in distributing this material by mail and this letter should point out that the FBI is requesting the aid of the Nation's press in bringing about the prompt apprehension of this badly sought fugitive.

Prompt distribution should be made and additional supplies, if needed, are available at the Bureau. The following number of mats and proofs are being forwarded to your office under separate cover: 30.

As an additional means of securing widespread publicity concerning Ray, offices covering the place of publication of magazines which have previously cooperated in publicizing FBI fugitives should request the assistance of such publications in carrying an article on captioned fugitive. The Bureau press release, copies of which are available in each office, along with a glossy photograph of this fugitive can be furnished. The earliest possible utilization of this material should be encouraged and special attention should be given to publications aimed at minority groups.

2025 RELEASE UNDER E.O. 14176

EP 157-186

Referenced Butel reads as follows:

During automobile trip of subject RAY and CHARLES STEIN departing Los Angeles on 12/15/67 and arriving New Orleans on 12/17/67, subject RAY made about six telephone calls from various pay stations in Texas.

They traveled via automobile on Interstate 10 through El Paso to Van Horn, Texas, and went south on Route 90 to San Antonio, then Route 90 or Interstate 10 to Houston, Texas, and to New Orleans.

Each office should check with telephone company and determine the long distance calls placed at each public telephone on the above mentioned routes during period of 12/15, 16, and 17, 1967, and have each call checked out.

On 4/30/68, Mrs. HELEN ORNELAS, Service Representative, West Texas Telephone Company, Pecos, Texas, made available duplicate bills on pay stations from Van Horn, Valentine, and Sierra Blanca, Texas.

Noted that these bills reflect the telephone numbers of the individuals receiving the telephone calls from the pay stations in the above mentioned communities. As noted above, the pertinent dates are 12/15, 16, and 17/67. The teletype codes of the respective offices have been added to these duplicate bills, indicating the telephone numbers to be checked out by the various offices receiving this airtel.
