LEADS

All Agents review the list of 21 leads set out above and handle as assigned. References listed after the names should first be reviewed and, if no reason exists to the contrary, the individuals should be interviewed in an effort to determine if they are acquainted with subject JAMES EARL RAY and if they were in telephonic contact with him in December, 1967. (Display IO on RAY).

Noted that these contacts should be handled with proper discretion in view of the fact that the information regarding these telephone calls was obtained from the records of several telephone companies. Be careful not to infer that subject RAY made the above-mentioned telephone calls. It is not known who made the calls and it is only known that calls were made by unidentified individuals from telephone booths along the route from Sierra Blanca to Marathon, Texas, to the above-listed telephone numbers on the dates indicated.

No leads are being set out at this time for the Road Trip territory of SA PICKEN awaiting clarifying information from the Los Angeles Office.

Noted that SA GORMAN was telephonically furnished the leads listed above for the Midland Resident Agency by telephone at 8:15 am on 5/1/68.

ARMED AND DANGEROUS.
