The following investigation was conducted
by Special Agent DOUGLAS A. DUNNAM:

AT EL PASO, TEXAS:

On May 1, 1968, EPIFANIO GOMEZ was contacted at his place of employment, the Cortesia Cadillac, in El Paso. GOMEZ advised that he is the subscriber of telephone number 778-7491. This was his number during December 1968. He explained that it is entirely possible that either he or his wife could have received a phone call from a pay phone in either Van Horn or Sierra Blanca during that month, inasmuch as his wife has numerous relatives living in that area. He also noted that his wife's sister's phone has been disconnected and she uses a pay phone. After viewing photographs of JAMES EARL RAY displayed to him by the interviewing agent, he advised RAY was definitely not known to him.
