The Bureau has designated Memphis as office of origin in this case.

You were previously advised that leads in this Top Ten Fugitive case must be handled within 24 hours. The Atlanta, Birmingham, Chicago, Houston, Jackson, Kansas City, Los Angeles, New Orleans, St. Louis, and Springfield Offices are to prepare the results of their investigation to date in report form, not as an insert. At such time as the amount of investigation in these field offices does not appear to warrant individual reports, advise the Bureau and office of origin that inserts being prepared in future in lieu of reports, UACB.

All other offices will record the results in appropriate form and transmit 15 copies of each to the office of origin for inclusion in reports submitted by the Memphis Office. Should investigation increase in any such area warranting submission of individual report, do so and advise the Bureau and Memphis.

LEGATs are to submit results of investigation which can be disseminated in letterhead memorandum form suitable for dissemination. Any administrative data which cannot be disseminated is to be set forth in the administrative section of your transmittal communication. Look-alikes and other leads resolved and reported by cablegram or other communication need not be rereported as copies of these communications are being forwarded office of origin by the Bureau for administrative handling of the case.
