SAC BOB RIGHTMEYER, New Orleans, called Friday afternoon, 4/19/68, to relay a lead received from Inspector JOSEPH A. SULLIVAN in Atlanta that all racial informants who can report on the activities of "Minutemen" be contacted concerning the whereabouts of fugitive JAMES EARL RAY.

It appears there is a cell of Minutemen in the penitentiary from which RAY escaped (Missouri State Penitentiary). RAY may have been a member of this cell or at least acquainted with those who are members. Possibility exists some cell of the Minutemen group could be hiding him. So far as I recall, we have only one racial informant, JN 306-R, who reports on Minutemen activities. I instructed SRA GAMBLIN to contact him immediately.

LEAD

Survey of racial informants capable of furnishing information concerning Minutemen activities should be made and agents handling them instructed to contact them concerning possibility they are assisting in the secretion of RAY.

SA JAMES J. FILES called from Pascagoula to report that Captain WILLIAM POPE, JR., Pascagoula PD, had stopped a white Corvair convertible bearing Illinois 1968 license DG 3109 with two passengers because one of the passengers looked like a picture of JAMES EARL RAY. The person who closely resembled RAY was one JOSEPH CLAYTON MONTAGNE, a hitchhiker who exhibited Seaman's papers for identification. He was dressed in a white shirt and brown trousers. No further identification requested and his description is generally similar to that of RAY.

The owner was not asked to identify himself and consequently no name is available, however, the owner of the aforementioned license plate will reveal this individual's name. He claimed he was an unemployed musician and headed for New Orleans to obtain work.

Captain POPE thought no more about the matter until the announcement of the identification of RAY and the fact that he had a scar between his eyes. So did the hitchhiker. Captain POPE now feels he should have checked MONTAGNE more closely.

This information supplied Supervisor CARPENTER, New Orleans, this afternoon who indicated they would attempt to locate both these persons through the musician's and Longshoremen's unions, New Orleans.

immediately and he would then notify the Border Patrol, FBI and local authorities. This has not happened for many years and he said the name ERIC STARVO GALT did not sound familiar to him.

Capt. MOCK added that should a stowaway or alien arrive aboard one of the ship his office is also notified and a guard is immediately placed aboard the ship while it is in port. He did not think it possible that an unauthorized person could enter this country through the port at Gulfport as most of the ships which use this port at this time are ships which make repeat visits and the personnel aboard the ships become well known in most cases.

The following investigation was conducted on 4/11/68 in an effort to determine if anyone by the name of ERIC STARVO GALT was or had worked on any of the tugs servicing the port at Gulfport, Mississippi.

Mr. EDWIN ANSO STEBBINS, Port Director, Gulfport State Port Authority, West Pier, advised the few tugs which service the port at Gulfport are operated by the Gulfport Towing Co. and that he has no information concerning the personnel serving aboard any of the tugs.

He explained they seldom have a change in personnel aboard their tugs and for that reason he is well acquainted with the personnel aboard them. He said that should any information come to his attention concerning a person by the name of ERIC STARVO GALT he would immediately notify the FBI.

Mr. PETE SIMMONS, Venus Brothers Seafood, West Pier, stated they operate several shrimp boats which they own and no one by the name of ERIC STARVO GALT has ever been employed by them. He added that during the shrimp season they also purchase shrimp from skippers of other shrimp boats some of which are local and others are from Texas and the east coast. He said he has no way of knowing who is working aboard these ships as he only deals with the captain of these ships.

Mr. C. W. CRAFT, owner of Dixie Seafood, West Pier, advised he operates the "Seawind" which is a shrimp boat. In addition he purchases shrimp and other seafood from other ships which come to his pier. He said that no one by the name of ERIC STARVO GALT has ever worked for him but he has no way of knowing who is aboard the other ships which come to his pier.

The following investigation was conducted by SA GEORGE P. GAMBLIN on April 15, 1968, at Route 1, Roxie, Mississippi:

Mr. CLETUS SEALE, Route 1, Roxie, Mississippi, was advised of the identity of the interviewing Agent and the nature of the inquiry.

Mr. SEALE stated that he had known JOHN RAY WILLARD for a number of years as his neighbor and he appears to be an emotionally stable, good American Citizen. He stated he saw him most every day between the periods of March 29, through April 8, 1968, and was certain that on April 4, 1968, the date that MARTIN LUTHER KING, JR, was murdered, JOHN RAY WILLARD and his wife EVA WILLARD were fishing in their pond on the WILLARD farm.

Mr. SEALE added that he also saw WILLARD during the late afternoon of March 29 and 30, 1968 at the WILLARD home. He stated WILLARD did not appear to be on a vacation, but was working at the time.

FEDERAL BUREAU OF INVESTIGATION

Date 4/17/68

Mrs. JOHN RAY (EVA) WILLARD, Route 1, Roxie, Mississippi, was advised of the identity of the interviewing Agent and the nature of the inquiry at the outset of the interview:

Mrs. WILLARD advised that her husband was on vacation from March 29 through April 8, 1968. She stated on March 29 and 30, 1968, her husband hunted turkey alone in the Homochitta National Forest which is located directly behind their home.

She continued that on Sunday morning, March 31, 1968, he hunted turkey in the forest with their son, KENNETH WILLARD, age 17. They returned home at noon and her husband flew his Piper J-3 airplane from the strip in front of his home to the Natchez-Adams Airport. She said that her husband rented a Cessna 150 and flew solo for about an hour and twenty-four minutes, traveling to Vicksburg, Mississippi and returning. She pointed out her husband is taking flying lessons and the log should reflect the time that he flew. She added her husband returned home from the airport during the afternoon of March 31, 1968.

She said on April 1, 1968, he went to the airport to fly, but due to inclement weather, he returned to his home in the Piper J-3 airplane.

Mrs. WILLARD stated on April 4, 1968, her husband again went turkey hunting in the Homochitta National Forest and returned home at noon. They ate, rested and she and her husband fished in their pond on the farm. She said Mr. CLETUS SEALE, a neighbor, came by the farm pond and saw she and her husband fishing. She added that Mr. SEALE also saw her husband on several occasions between the period March 29, through April 4, 1968.

The WILLARDS, according to Mrs. WILLARD, returned to their home some time between 4:30 and 5:00 p.m. on April 4, 1968, and Mr. WILLARD cleaned fish. She cooked steak for herself and her son and fried the fish for her husband. During the evening meal, they heard a special announcement over the television stating that MARTIN LUTHER KING, JR, had been shot and later the announcement came over the television indicating that MARTIN LUTHER KING, JR, was dead.

She pointed out that neither she nor her husband have been in Memphis in over ten years and was not aware of the slayer of MARTIN LUTHER KING. The artist's conception of the unknown subject in this case was shown to Mrs. WILLARD and she stated she did not know this individual. She pointed out that her husband for the past several years has been too busy working as Superintendent of the Natchez Gravel Company supervising Negroes at the gravel pit that he has little or no time to plan anything. She pointed out her husband is not that type of individual and is a very tolerant, easy-going individual. She was not aware of anyone who might have used her husband's name in connection with the slaying.

She stated that to her knowledge, her husband had never been arrested in his entire life.
