In connection with the captioned case there has been speculation that James Earl Ray concocted the alias of Eric Starvo Galt by combining the names of characters from books by Ian Fleming and from a book "Atlas Shrugged" by Ayn Rand. This speculation is based on the fact that in the James Bond books by Ian Fleming there is a character named Ernst Stavro Blofield and in "Atlas Shrugged" there is a character named John Galt, as well as one named Eric Starnes. Ernst Stavro Blofield is a formidable person, John Galt is a "social drop out" and Eric Starnes is described in the book as a "whiner" from a low-class family.

In view of the above and in order that Agents handling this investigation can be alert to the possibility of Ray's utilizing an alias based on characters in Fleming's books, there is set out as an attachment to this airtel a list of various characters in those books for your assistance.

OF COLORED PEOPLE (NAACP), STATE
OF MISSISSIPPI

Reference is made to Jackson letterhead memorandum dated April 15, 1968.

Aaron E. Henry, President of the Mississippi NAACP, advised a Special Agent of the FBI on April 30, 1968, that he had not had any further contact with W. O. Dismuke, who last contacted him telephonically on April 13, 1968. He also advised that he has not had any contact with Theodore Allison Carr and there has been no evidence that Carr was attempting to intimidate Mr. Henry in any manner. He further advised that he did not consider Dismuke's call a threat but a reminder to be cautious in view of the recent murder of Martin Luther King.
