SUBJECT: MURKIN

On 6/18/68, DELBERT NEEDERIK, Laboratory Aide, Radio Isotope Section, Wood Veterans Hospital, Wood, Wisconsin, furnished the following information concerning instant case:

NEEDERIK, a recovered alcoholic, with a record of numerous arrests for drunkenness and disorderly conduct by the Milwaukee Police Department, advised that approximately 5/27/67, he was staying at the Maidens Hotel in Gulfport, Mississippi. He stated that he occupied an upstairs front room on the southeast corner of the Hotel, and that the room directly west of him was occupied by an individual he described as a muscle man for the Klan. He also stated that an individual known to him as RICH (LNU) occupied the room west of the Klansman's room. He stated that while staying at the Hotel, he was employed at Oberlies Radio and TV Company as a repair technician.

NEEDERIK stated that on approximately 5/27/67, he invited a man known to him only as RICH (LNU), and who was reportedly to be a guitar player, into his room for a glass of beer. He stated that while he and RICH were drinking beer, they noticed a large black automobile, which appeared to be an executive limousine, drive up in

front of the Holiday Hotel. They saw a man get out of the car and heard him running up the stairs of the Hotel toward HENDERIK's room. HENDERIK stated that at about this time RICH put a handlock on HENDERIK and whispered, "Make it look real." At about this point, the man who was in the black automobile entered HENDERIK's room and said, "RICH, leave him alone." HENDERIK stated that at this point RICH and the unidentified man from the automobile left the room together, and he, HENDERIK, has never seen either of them since. HENDERIK stated that recent photographs of JAMES EARL RAY in which RAY was wearing glasses as on Canadian passport photo have caused him to believe the man in the black automobile was, in fact, JAMES EARL RAY. HENDERIK offered the following descriptions:

1) RICH LEE

Race	White
Sex	Male

2) Man in black automobile

Race	White
Sex	Male
Height	5'9"
Weight	160 lbs.
Hair	Dark

Age	30 years old

HENDERIK stated he never reported the above-described incident to anyone in Gulfport, Mississippi, and unless he had seen the photographs of RAY in the paper, he would not have reported it at all.

DELBERT HENDERIK is described as follows:

BERDERIK also stated that being involved in radio and television work as he was, he had a special radio antenna and equipment in his automobile. He also used to spend many hours sitting by the window of the hotel with binoculars just watching the general public. BERDERIK said that for these reasons he was probably considered a suspicious character, and for that reason believed that RICH (LNU) was an FBI Agent or some other type of Agent who was assigned to surveil him.

~~Raymond Curtis~~ submitted a letter to Mr. Charles L. Sanders, Ebony Magazine, which letter is as follows:

"Mr. Charles L. Sanders

"Dear Mr. Sanders:

"I thank you for your answer to my letter. I think that details I give you in this letter will be of help to you.

"Well, Sir, I have written a story. No one but myself has read it but me. At this time I know that it will have to be re-written for I am not a writing it as bad as it is.

"It all about the crime I did and about a crime I did in 1954 with James Earl Ray and about the 13 years of prison pal and everything we talk about. About thing and about James Earl Ray wanted the job of killing Martin Luther King, Jr. We talk of killing King for three years. And we talked to the man from Mississippi that knew all about the KK businessman association that was to put up the money to kill King. I also know the men from Mississippi.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

JAMES EARL RAY;
MARTIN LUTHER KING, JR. - VICTIM

"In that three year we made maps just had to find the right place to kill King. Well I have made the maps over myself. They are with the story also.

"And just where we would go after we killed King so yes when we talk about it I was to be in on it. But I was not. The story has it all in it. All the big thing and the little one also. And what Ray like and what he did not like. This story could get me killed. I know that. That is why I won't send the story by mail. I know that this is getting to be a long letter. But when you read this if you want the story O.K. If not just let me know, O.K. That way I won't talk to men about it.

"Mr. Sanders there are men in five states that is behind the King killing and they don't know what I know. But James Earl Ray did not. Now that they have Ray Tenn. will trial him if they get him back.

"Well, they want me to testify. Well, I just don't know yet what I will do.

"You see, me and Ray were pal. I could tell what I have to the news. That no much. Or I could not say everything. And I did not tell the FBI. Well, this is not a book. I am just trying to tell you what you ask of me in your letter.

"If you have a man or have someone down this way, if you will have them stop by the jail I will let them read the story and you can go from there. O.K.

"I thank you again.

"I will be looking to hear from you soon.

"I am still in the Dalton County Jail."

On July 3, 1968, CURTIS was interviewed at the Whitfield County Jail, Dalton, Georgia, and furnished the following information:

FEDERAL BUREAU OF INVESTIGATION

Date July 5, 1968

1

RAYMOND CURTIS was contacted at the Whitfield County Jail and advised of the identities of Special Agents THOMAS R. HENRY, JR. and ALBERT D. MILLARD. He was furnished a rights and waiver of rights form which he read, indicated he understood, but refused to sign. He was advised that he was being interviewed concerning statements he made in a letter he had mailed to Mr. SANDERS of Ebony Magazine.

CURTIS stated he was merely trying to sell a story to Ebony for approximately \$5,000 to help his mother pay off a mortgage on her home. She had obtained this mortgage as a result of paying attorney's fees for the defense of CURTIS at a previous trial.

CURTIS stated that he and JAMES EARL RAY participated in a burglary in Joliet, Illinois, in October or November, 1954. It was pointed out to CURTIS that certain statements made by him in his letter to Ebony Magazine could possibly involve him in a conspiracy with JAMES EARL RAY in connection with the murder of Dr. MARTIN LUTHER KING, JR. CURTIS then stated he wished to go on record as to the statements made in his letter to Mr. SANDERS. He categorically denied the following statements which were in his letter to Ebony Magazine:

- 1) That he and JAMES EARL RAY participated in a crime in 1954;
- 2) That RAY wanted the job of killing KING;
- 3) That he and RAY talked about killing KING for three years;
- 4) That he and RAY talked to the man from Mississippi that knew all about the KK Businessmen's Association which Association was to put up the money to kill KING;
- 5) That he knew the men from Mississippi;
- 6) That for three years he and RAY made maps just to find the right place to kill KING and that he made the maps over himself;
- 7) That he and RAY knew just where they would go after the killing of KING;
- 8) That he was to be in on the killing of KING;
- 9) That there are men in five states who are behind the killing of KING and these men do not know what he (CURTIS) knows.

During this interview CURTIS drew two maps setting out how he thought RAY would stalk KING. This map indicated the following towns where he said KING made most of his speeches: Atlanta, Georgia; Little Rock, Arkansas; Birmingham, Mobile, and Selma, Alabama; Jackson, Vicksburg, and Marks, Mississippi.

CURTIS further advised that there was a man living on a houseboat in Vicksburg, Mississippi, on the Mississippi River whose name he would not divulge who was to take RAY down the River on his boat to New Orleans after the killing. CURTIS further advised that in the past he had pulled several burglaries and armed robberies in towns along the Mississippi River and while police were looking for him on the highway he would be on a boat down the Mississippi. He added that he had written a story concerning the KING killing which was currently being typed and this was the story he mentioned in the letter to Ebony Magazine and which he intended to sell to Ebony.

JAMES EARL RAY;
MARTIN LUTHER KING, JR. - VICTIM

On July 3, 1968, Sheriff G. T. Mauldin, Whitfield County, Georgia, advised that Curtis sent no letters or communications from the Whitfield County Jail which passed over the jailer's desk. He stated Curtis probably sent his mail out with visitors and jail trustees which would probably not have been observed by men of his department. Sheriff Mauldin stated that Curtis' attorney, Erwin Mitchell, former U. S. Congressman from the Seventh District of Georgia, is of the opinion that most of Curtis' comments concerning his knowledge of Ray's alleged assassination of Martin Luther King, Jr. are pure fabrications on the part of Curtis or the result of something Curtis has read in the newspapers.

Approximately one hour following the conclusion of the interview with Curtis, he sent a note to Sheriff Mauldin requesting to again see an FBI Agent and stating that he wanted to tell the entire truth. Curtis was re-interviewed at the Whitfield County Jail.

RAYMOND CURTIS was furnished a rights and waiver of rights form which he refused to sign. He then stated in connection with the previous interview that apparently in his letter to Ebony Magazine, he used the word "we" indicating that he and JAMES EARL RAY had planned the murder of MARTIN LUTHER KING, JR., and he realized now this would involve him in a conspiracy. For that reason in the previous interview he denied the statements he had made in his letter to Ebony Magazine. CURTIS then advised he had written a story which he intended to sell to some magazine for the purpose of obtaining money for his mother. He stated the story was still in his possession and had not yet been sent out to be typed. He permitted SA HENRY to read this 20-page handwritten story one page at a time and he declared this story was true. The first five or six pages of the story merely set out his early life in crime and the prison sentences he had served as a result of the crimes, starting at the age of 15. The remainder of the story is the same as he originally furnished in an interview in April, 1968, concerning his knowledge and association with JAMES EARL RAY. The story reflects that he first became associated with RAY in 1954 when they pulled a payroll robbery together in Quincy, Illinois, with a third individual. Shortly thereafter CURTIS lost contact with RAY when RAY and this third individual were apprehended in connection with a bank robbery at Southwest City, Missouri. After that CURTIS again became acquainted with RAY in prison and while in prison they both learned of the death of President JOHN F. KENNEDY. At this time RAY stated the murder of KENNEDY sounded like a big job and he was always on the inside of a prison when big jobs and big money were to be had.

Shortly after the death of JOHN F. KENNEDY, MARTIN LUTHER KING, JR. became prominent, and RAY stated on several occasions that somebody was going to kill KING. During this period an individual came into the Missouri State Penitentiary from Vicksburg, Mississippi. This individual upon learning of JAMES EARL RAY's feelings toward killing KING advised RAY of the KK Businessmen's Association of the South

and stated that people in five states were putting up money for KING's assassination. The story further reflected that RAY informed this individual that he intended to have everything set when he killed KING. RAY followed KING's movements through maps so that he could later stalk KING to the point of assassination. RAY indicated during the time that he would leave a false gun and false trail immediately following the murder. RAY was supposed to go to Vicksburg, Mississippi, following the murder, contact the man from Vicksburg who had the houseboat, and this man was to take him either to New Orleans or Canada via the Mississippi River.

At the conclusion of the interview CURTIS stated he would not testify to any of the above information. He did advise that the name of the individual on the houseboat in Vicksburg, Mississippi, was (first name unknown) WILLETT, also known as "Mississippi," who served time in the Missouri State Penitentiary.

CURTIS refused to allow his story to be copied and stated he would not write it over again nor would he allow the pages to be removed from his prison cell. CURTIS then presented crude sketches of the Federal Penitentiary at Leavenworth, Kansas, and the Missouri State Penitentiary.
