JACKSON DIVISION

EACH RA

Will review the above names of those individuals who reside within their respective RA and conduct appropriate credit and criminal check and, if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY. All results of investigation should be furnished to SA JOHN L. PUDDISTER, Case Agent.

JN 157-9586

AT JACKSON, MISSISSIPPI

Will review above names through indices.

BACKGROUND

According to statements allegedly made by JAMES EARL RAY, which were published in a recent issue of a nationally distributed periodical, RAY spent the night at a motel near Corinth, Miss., while en route from Atlanta, Georgia, to Memphis, Tennessee. He allegedly engaged in target practice in Mississippi using the murder weapon. This occurred a few days prior to the murder of MARTIN LUTHER KING.

The Bureau instructed the Jackson Division to check motel records in and near Corinth for the period March 29, 1968, to April 3, 1968, in an attempt to locate a guest record identifiable with RAY under his true name or known aliases, i.e., James Earl Ray, John Williard, Eric Starvo Galt, and if any record located, determine if RAY was alone, vehicle utilized, and people he may have contacted.

The foregoing list of names contained in this memo is the result of review of motel and hotel records. It is noted none seem to be identical to RAY.

Each individual listed should be further identified to establish such a person actually exists and is not an alias used by RAY. This can be done by credit and arrest agency checks. In the event arrest record is located for any individual listed, evaluation should be made as to advisability of interview to determine if the individual involved was associated in any way with JAMES EARL RAY.

This matter should be afforded immediate and expedite attention.

JACKSON DIVISION

EACH RA

Will review the above names of those individuals who reside within their respective RA and conduct appropriate credit and criminal check and, if deemed advisable, will interview the individual if there is a possibility of any association with JAMES EARL RAY. All results of investigation should be furnished to SA JOHN L. PUDDISTER, Case Agent.

JN 157-9586

AT JACKSON, MISSISSIPPI

Will review above names through indices.

BACKGROUND

According to statements allegedly made by JAMES EARL RAY, which were published in a recent issue of a nationally distributed periodical, RAY spent the night at a motel near Corinth, Miss., while en route from Atlanta, Georgia, to Memphis, Tennessee. He allegedly engaged in target practice in Mississippi using the murder weapon. This occurred a few days prior to the murder of MARTIN LUTHER KING.

The Bureau instructed the Jackson Division to check motel records in and near Corinth for the period March 29, 1968, to April 3, 1968, in an attempt to locate a guest record identifiable with RAY under his true name or known aliases, i.e., James Earl Ray, John Williard, Eric Starvo Galt, and if any record located, determine if RAY was alone, vehicle utilized, and people he may have contacted.

The foregoing list of names contained in this memo is the result of review of motel and hotel records. It is noted none seem to be identical to RAY.

Each individual listed should be further identified to establish such a person actually exists and is not an alias used by RAY. This can be done by credit and arrest agency checks. In the event arrest record is located for any individual listed, evaluation should be made as to advisability of interview to determine if the individual involved was associated in any way with JAMES EARL RAY.

This matter should be afforded immediate and expedite attention.
