The following investigation was conducted by SA DONALD M. HOLLAND at Las Vegas, Nevada.

Re: Telephone numbers called from pay telephones located on Interstate Highway No. 10, Texas, between December 15-17, 1967.

Las Vegas telephone number 384-7271 called from telephone number 835-9587, Beaumont, Texas, on December 17, 1967.

Subscriber to Las Vegas number 384-7271 is CLYDE C. NUTTER, apartment 102C, 2750 East Bonanza, Las Vegas, Nevada. On May 14, 1968, NUTTER was interviewed. He advised he is an Airman First Class assigned to Nellis Air Force Base, Las Vegas, Nevada. He has had telephone number 384-7271 since September, 1967.

He stated he does not recall any telephone call from Texas during December, 1967. NUTTER said his number has been called from distant stations on a number of occasions but the calls have not been completed because they have been wrong number calls. NUTTER said the only long distance calls he or his wife have received since they have lived in Las Vegas have been from either his parents or his wife's parents, all of whom reside in North Carolina.

Dear Mr. Bennett:

Pursuant to discussion on May 22, 1968, between Russell W. Bowton of your office and Special Agent Wallace M. Pollard of this office, it is requested that your Division furnish to this office data recorded on certain driver's license applications received since April 1, 1968, and daily henceforth for a period yet to be determined.

This request pertains to an investigation of major importance. To obtain this information by manual review of basic records would require a great expenditure of time by personnel whose efforts can be more effectively expended on other duties.

Your cooperation in this matter is greatly appreciated.

TO : FILE (157-133)

FROM : SAC HAROLD E. CAMPBELL, JR.

SUBJECT: MURKIN

DATE: 5/23/68

At approximately 8:30 a.m. today, SAC KARL W. DISSLY, Kansas City, furnished the following information in captioned matter:

A confidential source of the Kansas City Office, who is a Gypsy, was recently in touch with Mrs. JOHN WILLIAMS, Sparks, Nevada. Mrs. WILLIAMS is a Gypsy fortune teller who operates under the name THERISA BROWN at 1548 B Street, Sparks, Nevada, telephone 358-9216. THERISA BROWN reportedly told the Kansas City Office source that sometime between 4/1 and 10/68 a male individual came to her establishment at Sparks, Nevada. He gave BROWN \$150 for a reading. While Mrs. BROWN was praying for him in connection with her reading, she placed her hands around his waist. At that time she detected that he was wearing a money belt which appeared to her to be perhaps quite well filled with money. When she told the customer he was due to take a long trip, he said that was correct. There was also some indication that he verified the fact that he had in the recent past had a hotel room in San Francisco.

BROWN reportedly told the informant that about four days after MARTIN LUTHER KING's assassination, she saw a picture on television of the assassin and was certain it was the same individual described above.

The Kansas City source admitted the possibility that the information may not be true. She pointed out, however, that if it is true, THERISA BROWN should be able to make an excellent identification in view of her personality and the fact that she gives the type of readings which require an excellent memory generally.

The Bureau's source of this information should not be disclosed when contacting THERISA BROWN. Additionally, the source has stated that in the event it is disclosed to BROWN that another Gypsy was the Bureau's source in this matter, she feels it would jeopardize our attempt to obtain information, inasmuch as the other Gypsy would certainly either refuse to talk or fail to tell the truth.

Kansas City recommends that a good pretext in view of the circumstances and the situation of the informant would be that some person has advised this Bureau that an individual fitting the description of MARTIN LUTHER KING's assassin was seen leaving BROWN's place at sometime in the past. It is felt that with necessary variations this would perhaps be the best approach under the circumstances.

THERESA BROWN should be immediately contacted and information set forth above completely exploited in an attempt to obtain pertinent information in this case.

NISSEN stated that while at Leavenworth Penitentiary, Leavenworth, Kansas, from July, 1966, until his release in April, 1967, he became very friendly with another inmate identified as LEROY McMANAHAN. McMANAHAN was originally from Western Kansas, town unrecalled, and was alleged to have bootlegged in Mississippi. According to NISSEN, he and McMANAHAN worked together in the shoe factory at Leavenworth. NISSEN claimed that the FBI had tried to "get" McMANAHAN on bank burglary charges but were unsuccessful and McMANAHAN was presently in the penitentiary on charges of concealing three stolen autos and was due for release sometime next year.

NISSEN said he had previously met McMANAHAN before going to the penitentiary in Jackson, Mississippi, and he recognized McMANAHAN "in the joint."

NISSEN said that just before he was scheduled to be paroled from Leavenworth, McMANAHAN approached NISSEN, stating that he knew NISSEN was going to Atlanta as soon as he squared away two local detainers and McMANAHAN told NISSEN he needed him to get things up for him.

McMANAHAN told NISSEN that \$100,000 had been offered by the White Knights of the Ku Klux Klan to be paid to anyone who would kill MARTIN LUTHER KING, JR.

NISSEN stated that after he was squared away on his two local Texas charges, McMANAHAN wanted him to contact a Mrs. FNU EURE, at the Eure Realty, Jackson, Mississippi. McMANAHAN claimed Mrs. EURE is listed as a correspondent by him at Leavenworth Penitentiary. According to instructions, NISSEN was to contact Mrs. EURE and ask her when she next writes to McMANAHAN at the penitentiary to tell him "DON" had arrived. McMANAHAN indicated he would write and tell EURE that NISSEN was "O.K."

If NISSEN wanted to try to "pull this" himself, Mrs. EURE would put him in contact with two people identified to NISSEN only as FLOYD LNU, an honorary colonel in the National Guard at Jackson, Mississippi, and a second person whom NISSEN cannot now identify. NISSEN stated, however, that the unidentified person, according to McMANAHAN, had recently been appointed a Deputy U. S. Marshal at Jackson.

DL 157-New

It was NISSEN's understanding that if he were willing to pull the job, he was to get in touch with Mrs. EURE, advise her, and she would thereafter put him in touch with the above two men, both of whom NISSEN understands are associated with the White Knights. NISSEN stated those men would insure payment if KING were killed.

NISSEN continued, saying that if he were not interested in doing the job himself, he was supposed to "case KING's place," (location not specified) in Atlanta, and check the layout. NISSEN pointed out he could do this rather easily, as before serving time, he worked for Encyclopedia Americana. After getting the layout, NISSEN was to tell McMANAMAN the set-up so that when McMANAMAN was released from the penitentiary he could handle it himself. NISSEN stated he would get a percentage of the money received by McMANAMAN for casing KING's residence. NISSEN stated that based on his knowledge of McMANAMAN, he believes McMANAMAN is perfectly capable of committing the plot. He stated McMANAMAN "hates Negroes and lets them know it in the pen."

NISSEN also claimed that another inmate at Leavenworth, a JOHN MAY, a nearby cellmate of NISSEN's when he was at the penitentiary, has knowledge of the aforementioned plot.

MAY is from Rock Island, Illinois, and has worked as a machinist at the arsenal in Rock Island. He is presently at Leavenworth on a Dyer Act charge. McMANAMAN had asked NISSEN to contact MAY to determine if MAY could build a long barrel and firing pin for a new type of .38 automatic pistol. McMANAMAN knows that MAY is an excellent machinist and a friend of NISSEN's. According to NISSEN, McMANAMAN intended to use this long barrel pistol with the scope and firing pin to be made by MAY in the killing of KING. McMANAMAN planned to dispose of the scope, firing pin and long barrel, and replace the original barrel and firing pin and in this manner the gun could not be traced to McMANAMAN.

NISSEN claims he contacted MAY about McMANAMAN's proposal and MAY reportedly told NISSEN he did not want anything to do with the plan, but he stated he could make a long

DL 157-New

barrel for the gun if so desired. NISSEN advised it would be "O.K." for the FBI to contact MAY in order to verify NISSEN's story. NISSEN feels MAY will protect him, as they are good friends.

NISSEN claims that MAY also told him he also had heard of the \$100,000 sum put up for the death of KING. MAY's information apparently came from an unrecalled source in either North or South Carolina.

NISSEN understands the \$100,000 is supposed to be a standing offer.

Following is a description of NISSEN:

NISSEN said CHARLES FOREMAN and "Little Red," not otherwise identified, inmate at Leavenworth, were close friends of McMANAMAN, and may have information on captioned matter.

For the information of the Bureau, Jackson Office has been designated origin in this matter, inasmuch as that office is origin in the case entitled "WHITE KNIGHTS OF THE KU KLUX KLAN OF MISSISSIPPI." Also, if NISSEN's information is to be given any credence, Mrs. FNU HUSE would have detailed information on the captioned matter.

Dallas, at this time, is unable to evaluate the information furnished by NISSEN on captioned matter, but for the further information of the Bureau and receiving offices, prior to furnishing the above information and prior to furnishing the signed statement in the civil rights matter, NISSEN stated "I first wanted to know if I furnished you (FBI) information, if you would help me." NISSEN was immediately advised by the interviewing agents that there would be no dickering or trading, but that they would be glad to accept any information he cared to furnish.

Dallas has not deemed it warranted at this time to furnish NISSEN's information in letterhead memorandum form, and that determination is being left to the discretion of the Jackson Division after the completion of the following investigation.

JOHN EMMANUEL MAY, USP-L, Inmate #32459, FBI #4 714 720, sentenced in USDC, Oklahoma City, Oklahoma 9/27/65 to 5 years for ITSMV on interview 7/19/67 by SA MAX E. RICHARDSON advised that he considered the story by NISSEN regarding an alleged plot to kill MARTIN LUTHER KING, JR. just one of NISSEN's "cock and bill stories".

MAY stated that he is not an associate of inmate MC HANAMAN, knows him only well enough to recognize him in the institution and has never talked to him. He added that he, MAY, keeps to himself, trying to serve his sentence without becoming involved in the troubles of other inmates and that he is not acquainted with the associates of MC HANAMAN. He denied knowing the identity of any inmate known as "LITTLE RED".

According to MAY it is well known to all inmates in the institution that he is a capable machinist and that he does a great deal of the mechanical drawing in connection with the work done in this institution. He added that when he became acquainted with former inmate DONALD JAMES NISSEN he learned that NISSEN had few friends among the other inmates. Further that NISSEN liked to talk about himself as well as about any subject, with anyone who would listen to him. He explained that NISSEN found him a good listener and would often spend several hours in the doorway of his, MAY's cell, talking while he, MAY was working on his drawings. He added that he seldom did much of the talking but only agreed with whatever NISSEN had to say on whatever topic was being discussed.

MAY stated he does recall that on one occasion NISSEN had mentioned that one "MAC", and he assumed NISSEN was referring to MC HANAMAN, had informed him there was a plot to kill MARTIN LUTHER KING, JR. for \$100,000. He added that NISSEN stated that it was "all set up" but that he did not want to tell him too much about it. MAY stated he informed NISSEN that he did not want to know anything about the matter. He said he further told NISSEN that KING was probably so well guarded that a person could not "reach him with a ten foot pole". MAY also recalled that NISSEN claimed that "MAC" had told him to get in touch with someone whose name he mentioned but which he does not now recall, in the real estate business when NISSEN was released.

KC 157-472

MAY went on to state that he believes he indicated to NISSEN that he, MAY had heard some similar comment regarding \$100,000 being offered to kill KING. MAY stated this referred to an occasion several years ago when he was drinking in some bar in Raleigh, N. C. He explained that he was not acquainted with any of the occupants of this bar. He added that some of the occupants were discussing the current racial problems and one individual made the comment that "Someone had a good idea when they offered \$100,000 to get KING killed".

MAY further stated that at no time had NISSEN ever requested him to make any part of a gun. He stated that NISSEN had once inquired if he, MAY, could make a gun and that he informed NISSEN that any machinist with any ability could make a rifle. MAY recalled that he and NISSEN at the same time were talking about what an advantage it would be for the military to have a rifle with a longer magazine or clip that would carry more cartridges than the one presently used.

MAY advised that when NISSEN mentioned the alleged plot to kill KING he paid little attention to what was being said and passed it off as just another of NISSEN's stories.

CHARLES L. FOREMAN, JR., USP-L Inmate #81476, FBI #970 939 sentenced in USDC, Cheyenne, Wyoming, 5/12/64 to 6 years for ITSMV, advised on 7/19/67 that he was not an associate of MC MANAMAN, that he knew no inmate associate of MC MANAMAN's who was known as "LITTLE RED" and that he had never heard any comment from any source regarding a plot or offer of \$100,000 for the killing of MARTIN LUTHER KING, JR.

FOREMAN stated that for a period of time when he first arrived at this institution he frequently ate at the same table with MC MANAMAN but that although there was no friction between them they made other friends with whom they eat. He stated that he is aware that MC MANAMAN dislikes colored people and avoids contact with colored inmates but that he is not outspoken on the subject. He added that he had
