TO : SAC (157-2627)(P)

FROM : SA CARMELO GRAFFAGNINI

SUBJECT: MURKIN

DATE: 4/12/68

The following investigation was conducted by the writer on 4/8/68, as indicated below in an attempt to establish the whereabouts of the three bombing suspects in the Montgomery area for the period 3/29 and 30 and 4/4/68:

LEO J. DRUMN, Manager of the Capital Refrigeration Operation, Montgomery, Ala., advised that ROBERT LAWRENCE BELL, JR. worked the entire day, 3/29 and 4/4, at the Jefferson Davis High School on a construction job. He stated that he could not account for the whereabouts of BELL on 3/30 inasmuch as he did not work that day because of its being a Saturday.

V. D. LOCHARD, District Plant Manager, Southern Bell Telephone Co., advised that JAMES M. HALL worked for the Southern Bell Telephone Co. on 3/29 and 30 and 4/4/68, a full eight-hour shift on each day.

ROY ARMSTRONG, Manager of the Armstrong Plumbing Co., Montgomery, Ala., advised that LEROY LAMAR DUCKER worked on 3/29 and 30 as well as 4/4/68, for his company.

From the above investigation it would appear that the three suspects mentioned were all in the Montgomery area on the 29th and 30th of March with the exception of BELL, who did not work on the 30th, and all of these individuals reported to work and worked a full shift on 4/4/68, which would eliminate them as suspects in this case.

CIVIL RIGHTS - CONSPIRACY  
INTERSTATE FLIGHT - ROBBERY  
"TEN MOST WANTED FUGITIVES" PROGRAM  
RELEASE DATE: SATURDAY P.M., APRIL 20, 1968

**THE CRIMES:** Ray escaped from the Missouri State Penitentiary, Jefferson City, Missouri, on April 23, 1967, while serving a 20-year sentence for armed robbery and operating a motor vehicle without the owner's permission. He subsequently allegedly conspired, under the alias Eric Starvo Galt, to violate the civil rights of Dr. Martin Luther King, Jr., shot to death on the balcony of a Memphis, Tennessee, motel on April 4, 1968.

**THE CRIMINAL:** A 40-year-old white native of Illinois, who is known as a "loner" and "drifter" and has taken elaborate steps to establish a false identity, Ray has an extensive criminal record, including convictions for burglary, robbery and forging U. S. Postal Money Orders. Outstanding characteristics include a straight narrow nose, straight and even teeth, a noticeably protruding left ear and a nervous habit of tugging at an ear lobe. He has taken dancing lessons, attended bartending school, enrolled in a correspondence course in locksmithing and traveled widely in a 1966 Mustang recovered in Atlanta, Georgia, a week after Dr. King's murder. Ray likes western and country music, drinks vodka and beer and has worked as a baker, laborer and color matcher.

**PROCESS:** A Federal warrant issued at Jefferson City, Missouri, on July 20, 1967, charges Ray with unlawful interstate flight to avoid confinement for robbery. Another Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, as Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a citizen.

**"TEN MOST WANTED FUGITIVES":** Ray is a special addition to the list of "Ten Most Wanted Fugitives." The list as of Saturday p. m., April 20, 1968, was:

Re Atlanta teletype 12:38 p.m. 4/22/68.

The following investigation was conducted telephonically by SA DAN O. STEPHENS at Montgomery, Alabama, on 4/22/68:

KATHLEEN DEININGER, Motor Vehicle Division, Ala. Dept. of Revenue, advised that 1968 license number 4-4163 was issued 11/4/67 to EDDIE JEAN GRIFFIN, Route 1, Box 191, Billingsley, Alabama, for a 1961 Ford, two door, VIN 1A32W174843. No duplicate license has been issued for this vehicle.

GERTRUDE KING, Driver's License Division, Alabama Department of Public Safety, advised that she was unable to locate a record identifiable with above individual.

H. H. CARR, Radio Operator, AST, advised that he was unable to locate stolen report for this car.

JAMES LOCKHART, Deputy Sheriff, Autauga County SO, Prattville, Alabama, advised that he resides in the Billingsley, Alabama, area and is familiar with most residents in that area. He stated that EDDIE JEAN GRIFFIN, Route 1, Billingsley, a Negro male, owns a 1961 Ford. He further advised that GRIFFIN is employed by Bushog, Manufacturing Company, Selma, Alabama and commutes to work there daily. He also advised that he knows of

no other person by that name in Billingsley area.

The following investigation was conducted by SA ROBERT L. FRYE at Selma, Alabama on 4/23/68:

EDDIE JEAN GRIFFIN, Route 1, Billingsley, Alabama, advised that he owns a 1961 Ford, and produced a tag receipt indicating that 1968 Alabama license number 4-4163 was issued for his car. He further advised that this car was in his possession in Autauga County, Alabama, during 4/21/68, and, to his knowledge, it has never been in Texas.

BUDDY HOWORTH, Personnel Department, Bushog Mfg. Company, advised that his records reflect that GRIFFIN reported for work 7:00 a.m. on 4/22/68.

In view of fact that car reportedly seen in San Antonio late 4/21/68, is owned by a Negro male who stated he has not been in Texas, it would appear that the anonymous caller gave incorrect license number to San Antonio office. Accordingly, no further investigation is being made and no insert is being submitted concerning this incident UAC.

He stated that some klansmen suspected FAULKNER as being an FBI informer because he had a two-way radio in his car. Other klansmen suspected that FAULKNER was a homosexual. Upon request of membership, FAULKNER was discharged from the Klan as a suspected informer or homosexual.

FAULKNER has had no contact with the Dothan Klan in at least two years.

MO 177-R stated that FAULKNER told him that he always had two-way radios in his car. MO 177-R stated that he heard police calls over the radio in FAULKNER's car. Apparently FAULKNER has good knowledge of radios. He stated that he has not seen FAULKNER in over two years and has no idea where he may be located. He stated that now that FAULKNER's name has been brought to his attention, he is of the opinion that BILLY JOE FAULKNER resembled the photo of ERIC STARVO GALT and JAMES EARL RAY that have been in the newspapers.

JAMES EARL RAY

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his prompt location. Ray has been the subject of a massive search since the gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom FBI wanted notices have been posted determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery.

Possessing an arrest record dating back to 1949, Ray has been convicted of burglary, armed robbery and forging United States Postal Money Orders.

A 40-year-old white male, reportedly born in Illinois on [redacted] Ray is approximately 5'10" tall, weighs from 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably.

Described as a "loner and "drifter," with a "rural" quality in his speech, Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices have been posted in the FBI's Identification Division, succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.

Ray is a 40-year-old white male, reportedly born in Illinois on [REDACTED] He is approximately 5'10" inches tall, weighs from 163 to 174 pounds, has blue eyes and brown hair which he has worn cut short. He has a small scar on the center of his forehead and a scar on the palm of his right hand. He has been described as having a straight, narrow nose and straight and even teeth and to have a nervous habit of occasionally tugging at an ear lobe. His left ear protrudes noticeably.

Acquaintances describe him as a "loner" and "drifter" whose language and diction reflect a "rural" quality and indicate he has had limited education.

He is reportedly a fan of western and country music, drinks vodka and beer, dresses neatly and claims past employment as a merchant seaman and cook on Mississippi River vessels. He is known to have worked as a baker, laborer and color matcher.

He is known as an avid dancer who has taken dancing lessons. He also completed a course at a school of bartending in the Los Angeles area early in 1968.

Ray should be considered armed and extremely dangerous. Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.

Each agent receiving this memorandum will contact all TV stations in his territory, leading newspapers, and leading radio stations, in order to insure particularly that the newspapers and TV stations run photographs of RAY periodically, at least weekly, if possible, and that radio stations periodically make reference to this case.

The Bureau also requested we make certain that all appropriate stops have been renewed on RAY under all of his known aliases as set out on the wanted flyers and IO. Stops have been placed in the past in Montgomery with the Drivers License Division and the Motor Vehicle Division, and SA ROBB or SA STEPHENS should make sure that these stops include all of the known aliases of the subject.
