Memorandum

TO :SAC, NEW ORLEANS (157-10673)

DATE: 5/7/68

FROM :SA STEPHEN M. CALLENDER

SUBJECT:MURKIN

At approximately 3:15 PM on 5/6/68, Mr. CHARLES I. DENECHAUD, JR., an attorney located at 1412 Pere Marquette Building, appeared at the Office along with Mr. CECIL M. SHILSTONE. Mr. DENECHAUD stated that he has represented Mr. SHILSTONE for many years and that Mr. SHILSTONE was insistent upon coming to this office to provide information.

Mr. SHILSTONE stated he is President of the Shilstone Testing Laboratory, Inc., as well as President of Shilstone and Associates located at 814 Conti Street. He started out the conversation by stating that in the past he had had an association with District Attorney JIM GARRISON in regards to GARRISON's probe of the assassination of President KENNEDY. He said that this association with GARRISON was strictly to give financial support to GARRISON's investigation. He said that at the inception of GARRISON's investigation into the assassination of KENNEDY and prior to the time that CLAY SHAW was arrested, GARRISON needed money to conduct his inquiry. As a result, GARRISON contacted SHILSTONE as well as WILLARD ROBERTSON and CHARLES RANCH (phonetic) requesting contributions. He said that these three individuals, as well as others, whom he did not name, contributed money to GARRISON and had formed a group known as "Truth and Consequences".

Mr. SHILSTONE stated his purpose in coming to this office was that in the past day or so, individuals have told him that there is a rumor going around New Orleans that SHILSTONE is the New Orleans industrialist and "political killer" referred to in the New Orleans papers a week or so ago in connection with the murder of MARTIN LUTHER KING. SHILSTONE stated he had read these articles in the New Orleans papers and that he had no idea as to how these rumors got started. He said that the following individuals were personal friends of his and had contacted him and had told him about these rumors:

HARRY BATT, owner and operator of Pontchartrain Beach Amusement Park;

LOUIS RONSELL, a New Orleans financier;

CLEM SEVRT, who is President of the National American Bank;

As well as a New Orleans physician whom he did not want to identify.

Mr. SHILSTONE stated that in the past he has been a political ally of Governor MC KEITHEN and had contributed to the Governor's campaign and had, in fact, "master-minded" the Governor's re-election for a second term.

Mr. DENECHAND stated that about a week ago, he was informed by CARLOS CHIMERA, who is the operator of the Pere Marquette Garage, that CHIMERA had been informed by JOSEPH DIROSA that rumors were circulating that the person referred to in the papers as the New Orleans industrialist was CECIL SHILSTONE.

Mr. SHILSTONE inquired as to whether he was under investigation in captioned case and was informed that the writer could make no comment. However, this was not to imply one way or the other, that all investigations and information developed in any case conducted by the FBI was strictly confidential.

Mr. SHILSTONE inquired as to whether the FBI could make a statement that he was not involved in this case and was again informed the FBI had no comment. He stated that when people had told him about these rumors, he informed them there was nothing to these rumors.

He said he had not attempted to ascertain the source of these rumors.

Mr. SHILSTONE inquired as to whether his appearance would be made a matter of record and he was informed that it would be. He stated that he had no information in regards to captioned matter. He said that one of the things he was concerned about was that if this rumor about him became generally known, it might cause some Negro militant to shoot him the same as JACK RUBY had shot LEE OSWALD.

NO 157-10673

At the conclusion of the interview, Mr. DENECHAUD stated that he had told Mr. SHILSTONE that it would do them no good to come to the FBI but that Mr. SHILSTONE still wanted to come to this office.

Mr. SHILSTONE was courteously thanked for his appearance at this office at the conclusion of this interview.

In addition to the above, Mr. SHILSTONE stated that he is also employed by the State of Louisiana in conducting saliva and urine tests on horses which run at Louisiana race tracks.

A review of the files of the New Orleans Office contain several references in regards to SHILSTONE in the file 89-69. This is the case involving the investigation of the Assassination of President KENNEDY and the references reveal that SHILSTONE was one of the original founders of a group known as Truth and Consequences in 1967. This group was made up of New Orleans businessmen who donated money to District Attorney JIM GARRISON to help him defray the cost of his investigation in the KENNEDY matter.

File 65-289 is an investigation of German activities in the New Orleans area in 1939 and 1940. Serial 66, page 33, lists one CECIL M. SHILSTONE, 8419 Sycamore Street, New Orleans. This individual is not further identified.

RE: AMERICAN NAZI PARTY

PICKETING IN DALLAS, TEXAS

On December 6, 1963, a source who has furnished reliable information in the past advised that, according to Major ALAN JEROME WELCH, American Nazi Party (ANP), Arlington Virginia, ANP member JOHN EDWARD JOYNER was in Houston, Texas, on the morning of December 6, 1963. He was on his way to picket at the spot in Dallas, Texas, where President John F. Kennedy was assassinated on November 22, 1963, but the exact time of his expected arrival in Dallas was not known.

WELCH also stated that JOYNER might possibly visit the parents of WELCH; namely, PORTER OSWALD and MILDRED MARGARET WELCH, 2912 Iola, Houston, Texas. However, there was a possibility that he may have "Chickened out" and might have been malingering with respect to his journey to Dallas.

Subsequently, on the same date, GEORGE LINCOLN ROCKWELL, self-styled National Commander of the ANP, advised the source that JOYNER was in Houston, Texas, on that date and had borrowed \$20.00 from the parents of ALAN JEROME WELCH. JOYNER was expected to be in Dallas, Texas, either that night or on the morning of December 7, 1963, in order to accomplish his "mission" of picketing at the site of the President's assassination. ROCKWELL added that the ANP gave expense money to JOYNER when he left Arlington but JOYNER had spent most of this money "going from bar to bar drinking." He said this drinking could have been avoided if JOYNER had taken the "Oath against drinking" before leaving ANP Headquarters.

On December 7, 1963, PORTER OSWALD WELCH, 2912 Iola, Houston, Texas, informed that he is the father of ALAN JEROME WELCH. He said that on December 5, 1963, a young man who identified himself as JACK JOYNER, telephoned him and he later had breakfast with JOYNER in Houston. JOYNER said he was going

to Dallas, Texas, where he planned to put on a demonstration in the uniform of the ANP at the site where President Kennedy was assassinated, however, JOYNER did not explain the purpose of this demonstration.

PORTER OSWALD WELCH added that he is fifty seven years of age and moved to Texas from Oregon. His middle name, OSWALD, was given to him by his parents in honor of a former governor of Oregon by that name who was greatly admired by members of his family. He said that his friends have joked with him about the name OSWALD since the recent publicity involving LEE HARVEY OSWALD, the alleged assassin of the President, but he pointed out that he had never heard the name of LEE HARVEY OSWALD before and that there was absolutely no connection between the two families.

On December 7, 1963, the source informed that, according to ROCKWELL, JOYNER had arrived in Dallas, Texas, on that date and was scheduled to picket at the assassination site between 3:00 and 4:00 p.m. Eastern Standard time on that date.

On December 9, 1963, ROCKWELL informed that he had just talked by long distance telephone with JOHN EDWARD JOYNER in Dallas, Texas. He said JOYNER had been arrested by the Dallas, Texas, Police Department, on the afternoon of December 7, 1963, after he had marched around the assassination site "about twice." He stated that JOYNER was dressed in the uniform of the ANP and that he carried placards to advertise the fact that FIDEL CASTRO was responsible for the assassination of President Kennedy. He added that when he heard about the arrest of JOYNER he immediately called the Chief of Police in Dallas and told him if JOYNER was not released immediately he, ROCKWELL, would catch the next plane to Dallas and personally fight the charges against JOYNER in a court of law. Shortly after this call, according to ROCKWELL, JOYNER called him to advise that he had been released.

ROCKWELL also stated that JOYNER had the right, as a representative of the ANP, to picket as he did in order to bring home to the American people the fact that CASTRO and communism were the real culprits in this vile act of killing the President. He said, if he had the money, and commented that the ANP is in the worst financial shape it has ever been, he would personally lead some of his "troopers" in a picket of the Fair Play for Cuba Committee in New York City. He could

RE: AMERICAN NAZI PARTY

not understand why, in view of the fact that this Committee was obviously involved in the president's assassination, the U. S. Government is allowing it to still operate and openly have an office in New York City. With respect to JOYNER, he added that he was leaving Dallas for Houston, Texas, on December 9, 1963, and would then go to New Orleans, Louisiana, where ANP members would assist him to return to ANP Headquarters in Arlington, Virginia.

On December 10, 1963, PORTER OSWALD WELCH, mentioned above, advised that JACK JOYNER was in Houston, Texas, for a short time on the evening of December 8, 1963. He stopped by WELCH's home for "refreshments" and left hitchhiking for New Orleans, Louisiana, the same evening.

RESIGNATIONS FROM ANP

On December 10, 1963, a copy of a letter to "Commander GEORGE LINCOLN ROCKWELL, American Nazi Party, Arlington, Virginia," from "KARL R. ALLEN" was received through the mail at the Alexandria, Virginia, Resident Agency of the Federal Bureau of Investigation (FBI). This letter states, "Please accept my resignation from the American Nazi Party, effective today, December 8, 1963." A place for acceptance of the resignation, along with the date, by ROCKWELL appeared on this letter, but this portion was not signed.

On the same date, the above source, advised that at the regular Sunday meeting of the ANP, held on December 8, 1963, at the ANP barracks, 6150 Wilson Boulevard, Arlington, Virginia, Major KARL ROGERS ALLEN, Jr., the Deputy National ANP Commander, submitted a "verbal resignation" from the ANP. The reason for ALLEN's resignation was not known but the source ascertained that ALLEN is now living at an unknown address in Washington, D. C., and has obtained employment with an unknown concern.

On December 10, 1963, the source added that Captain SETH DAVID RYAN, identified in the December 1, 1963, issue of "The Rockwell Report," an official publication of the ANP, as the editor of "The Storm Trooper" and the "Confidential Newsletter," other official ANP publications, had resigned from the ANP on December 9, 1963. The reason for this resignation was unknown and the current location of RYAN was unknown.

On the same date the source informed that Storm Trooper HARRY EARLE BLAIR had resigned from the ANP on December 9, 1963.

RE: AMERICAN NAZI PARTY

BLAIR was reduced in rank from Group Leader to Storm Trooper and was transferred by ROCKWELL to the ANP in Los Angeles as punishment for breaking the oath he took against drinking. This was the apparent reason BLAIR resigned, however, the source did not know his current location.

On December 9, 1963, GEORGE LINCOLN ROCKWELL, advised that DAVID LEE FORD, a former member of the ANP, had been making threats to kill him. He noted that FORD had been making these threats to a current ANP member, namely, DAVID PETERSON, and PETERSON had told ROCKWELL about them. Because of these threats, which ROCKWELL said he felt FORD meant, ROCKWELL obtained a warrant in Arlington County, Virginia, charging FORD with "threat to kill." On the basis of this warrant, FORD was arrested by the Arlington County Police Department on December 7, 1963, and held under \$500.00 bond.

On December 7, 1963, the above source said he had ascertained that DAVID LEE FORD had been recently "kicked out" of the ANP because of alleged threats he had made to kill GEORGE LINCOLN ROCKWELL. He has been residing in a room with another former ANP member, HOWARD LEE MC CUISTON, over the Spot Tavern on North Oak Street in Arlington. According to the source, FORD officially denied that he had made any threats to kill ROCKWELL; rather, he said that he and MC CUISTON had been talking between themselves how, if anyone really wanted to do so, the killing of ROCKWELL could be accomplished.

The source also mentioned that FORD appears mentally disturbed and has made comments to the effect that he is now working for President Johnson and the U. S. Secret Service.

ACTIVITY IN DANVILLE, VIRGINIA

On December 6, 1963, the source related that, according to Major ALAN JEROME WELCH, ANP Headquarters, ANP members JERRY COCHRAN, OTIS COCHRAN, and ALEXANDER DE FIELDS, who went to Danville, Virginia, on November 26, 1963, to try and locate living quarters to accommodate a "large number" of ANP members, have returned to ANP Headquarters. After their return, Major KARL ROGERS ALLEN, JR., and Lieutenant ROBERT LLOYD, III, made a trip to Danville to accomplish the same purpose.

RE: AMERICAN NAZI PARTY

WELCH added that neither group was successful in locating the desired accommodations, but it is expected that by December 15, 1963, when MARTIN LUTHER KING is supposed to return to Danville, adequate living quarters will have been found.

On December 9, 1963, GEORGE LINCOLN ROCKWELL advised that accommodations had been located in Danville, Virginia, for an "ANP Command Post" and that he and some of his men will be in Danville on December 15, 1963, to "greet MARTIN LUTHER COON." He added that he will remain in Danville as long as KING does and will "provide the leadership the White people need in their fight to save the White race." He provided no further details.

NEW ARRIVALS AT ANP HEADQUARTERS

On December 6, 1963, the source stated that Major ALAN JEROME WELCH had informed that HOWARD JOSEPH CLARK, from New York City, had arrived at ANP Headquarters. CLARK related that he had served a prison term and was on probation for forgery.

On October 14, 1963, Chief MICHAEL FIORDO, Wellsville, New York, Police Department, advised that he had arrested HOWARD JOSEPH CLARK, RD 1, Morrisville, New York, on that date on a charge of disorderly conduct. He was involved in a fighting incident at Randall's Restaurant in Wellsville.

At that time CLARK informed Chief FIORDO that he was on his way to Arlington, Virginia, to meet with GEORGE LINCOLN ROCKWELL and that he was a member of the ANP. According to Chief FIORDO, CLARK was described as follows:

MISCELLANEOUS

On December 6, 1963, the source informed that according to Major ALAN JEROME WELCH, BENTON LEE JOHNSTON, an associate member of the ANP, had left the area to visit his brother in Bellefonte, Ohio. This brother has been identified by JOHNSTON as MORGAN JOHNSTON. After visiting his brother, JOHNSTON plans to go to Clearwater, Florida, where he will remain permanently.

On December 9, 1963, Mrs. VIRGINIA GREEN, Deputy Clerk, Arlington County, Virginia, Clerk of Court, advised that on November 29, 1963, an order was signed by the Arlington County Court committing DONALD WILEY to the Western State Hospital, Staunton, Virginia, for observation to determine if he is eligible, from a mental stand point, to be returned to society under probation for the crime of unauthorized use of an automobile with which he is charged in Arlington County. He was taken to this hospital on December 2, 1963, and will remain until the hospital authorities have completed the necessary observations.

It is noted that DONALD WILEY was the former Chaplain of the ANP. He was arrested in Emporia, Virginia, along with GEORGE LINCOLN ROCKWELL and ROY JAMES, on July 19, 1963, on a charge of unlawful and felonious conspiracy to incite the white population of the State of Virginia to acts of war and violence against the Negro population in violation of Virginia state law. These three individuals were indicted on this charge in Greenville County, Virginia, on October 1, 1963, and the indictment against them was quashed on November 21, 1963.

On August 4, 1963, WILEY was arrested by the Arlington County, Virginia, Police Department on a charge of unauthorized use of an automobile and he has been in custody since this arrest.

At 11:20pm, 4/4/68, NO 1242-R (PROB) advised that at the meeting of Unit 557, 4/4/68, JOSEPH and BERNARD OVERSTREET talked about going to Memphis that night in view of the unrest over the shooting of KING.

Both of the OVERSTREETs talked to JOE's brother in Memphis on the phone, and although they gave serious consideration to making the trip, they decided, at least while at the meeting, that they were available to come to Memphis at a moment's notice to protect members of the family. It was mentioned that it might not be useful to go now as the military was in control of the town.

Source stated both men were carrying sidearms at the meeting.

FRED ROTH, Commander, and Det. BILL KNIGHT, JPSO Intelligence Unit advised of the above 11:45pm. All night watch on BERNARD and JOE OVERSTREET's houses set up by JPSO, who will advise if either leave town.

Re New Orleans teletype to Director and Memphis, sent 4/5/68, setting forth information about BERNARD LANSKY as suspect in captioned matter.

As there appears a possibility that a print-out of the DDD tapes recorded at Lafayette, La., of calls from Alexandria to New Orleans, an inquiry should be made as soon as possible with Security Supervisor E.E. TURNLEY, SBT&T, Baton Rouge, La. to determine the feasibility of such an attempt.

TURNLEY is suggested as writer recalls discussing this matter with TURNLEY while TURNLEY was assigned at New Orleans, and it is writer's recollection that such a check is possible. This is a complicated process that should only be attempted in unusual cases.

Inquiry at TURNLEY's residence, Baton Rouge, 12:00 midnight, 4/4/68, determined TURNLEY at Atlanta, Ga., and can be reached by calling him at JIM HENDRICK's Office, Area code 404, number 529-8453, after 8:30am, 4/5/68.

Re telephone call of SA NATHAN BROWN on 4/4/68.

The following investigation was conducted by SA JOHN A. PFEIFER on 4/4/68.

At Alexandria, Louisiana.

Mr. LAMAR WATERS, Suburban Manager (Protect identity) of Southern Bell Telephone and Telegraph Company, was contacted and requested to search toll tickets for a call to New Orleans phone 504-522-4671 at about 10:00 pm this date and to canvas the operators to determine if any recalled discussing with any caller on the evening of 4/4/68 the location and/or phone number of the FBI in New Orleans or any caller inquiring about a number with which to contact the Alexandria FBI agents. He advised that he had had the toll tickets for 10:00 pm through 11:00 pm reviewed, and no such call located. He advised he had had the chief operator contact the others, and none could recall such a request. He advised a direct-dial call would only be registered on the computer tape at Lafayette, Louisiana.

Contact was made with the Imperial 400 Motel, since it is the only motel of any size located in the city, and they had no record of any calls to New Orleans that evening.

This information was furnished to SA's BROWN, BUCKLEY and LANCASTER.
