He got out of bed, and looked out the back window of the house. He saw someone covering up a body across the street.

EATON did not see the person who rented Apartment 5B in the roominghouse. He also heard nothing in the other wing of the building (where Apartment 5B is located) after the shot was fired.

EATON said he went back to bed shortly thereafter, and did not know what actually happened until the morning of April 5, 1968.

MARRELL MC CULLOUGH, residing 270 Gaston, Apartment 6, Memphis, Tennessee, telephone 947-4265, who is employed as a warehouseman by the Summerall Electric Company, 345 S. Parkway, Memphis, telephone WH8-4455, advised as follows:

MC CULLOUGH is a native of the state of Mississippi and has lived in Memphis, Tennessee, since approximately February 1967. He had been present at the Lorraine Hotel and Motel, 406 S. Mulberry Street, Memphis, from approximately 5:55 p.m. until approximately 8:00 p.m. on Thursday, April 4, 1968, and was present when Dr. MARTIN LUTHER KING JR., President of the Southern Christian Leadership Conference (SCLC), was shot.

He explained his presence as follows:

MC CULLOUGH, who is a Negro, had been a sympathetic supporter of the Memphis sanitation workers who had been on strike in Memphis beginning February 12, 1968.

Beginning around the early part of March 1968, MC-CULLOUGH, in his spare time, has engaged in various strike support activities sponsored by a group of Memphis Negro ministers who have adopted the name Community on the Move for Equality (COME). He has worked with this group and other supporters in the Memphis community engaging in sympathy marches and other strike support activity which is primarily centered in the headquarters of the Minimum Salary Division of the AME Church, 276 Hernando, Memphis, and at the Clayborn Temple AME Church at 280 Hernando.

Around March 18, 1968, the SCLC sent various of its staff to Memphis to assist the COME group in strike support activity, and in fact, Dr. MARTIN LUTHER KING JR. made a public speech in behalf of the sanitation workers at Mason Temple on the night of March 18, 1968. Dr. KING returned to Memphis on the morning of March 28, 1968, to lead a mass downtown Memphis strike support march, and after a major disturbance occurred in the Beale Street area of Memphis resulting in considerable

property damage by some of the marchers, the SCLC staff left various of its members in Memphis to further organize the strike support activity. Shortly after March 28, 1968, Mr. MC CULLOUGH became acquainted with two members of Dr. KING's staff; namely, Rev. JAMES ORANGE, of Philadelphia, Pennsylvania, and Rev. JAMES BEVEL, of Birmingham, Alabama, and Chicago, Illinois, and he has worked with them on various projects since that time.

On the afternoon of April 4, 1968, MC CULLOUGH, who has a blue 1967 Volkswagen, 1600 series, fastback, drove to the Lorraine Motel accompanied in his car by Rev. JAMES ORANGE and Rev. JAMES BEVEL, and he fixed their arrival at the motel in the car at about 5:55 p.m. He parked his Volkswagen in the motel parking lot which would be on the east side of Mulberry and just south of the old hotel portion of the Lorraine Hotel and Motel. His car had been followed by a white Pontiac Tempest, exact model number not recalled, driven by CLARA ESTER, a student at LeMoyne College and who he understands resides at 396 LaCledde, Memphis, and another young lady, MARY HUNT, who lives on Baltimore Street in the Orange Mound area of Memphis and who he believes attends Memphis State University. These young ladies had also been working in some of the strike support activity sponsored by COME, and they had been with BEVEL, ORANGE and MC CULLOUGH at the Clayborn Temple prior to coming to the Lorraine Motel.

They parked their car behind the Volkswagen, and at that point, BEVEL, ORANGE and MC CULLOUGH and HUNT and ESTER got out of their cars and stood around the parking lot area. MC CULLOUGH recalled seeing numerous other people on the north end of the parking lot area which is directly in front of the new motel portion of the Lorraine and recalled seeing a Negro singing group managed by JAMES BEVEL known as the "Bread Basket Group." He did not know any of their specific identities.

MC CULLOUGH was first aware of the presence in the vicinity of Dr. MARTIN LUTHER KING JR. when he got out of his car and observed Dr. KING standing on the second floor balcony of the motel almost directly in front of Room 306, which had been Dr. KING's room during his recent visit to Memphis. Dr. KING was leaning over the rail which runs in front of an outside walkway running the length of the second floor motel portion, and MC CULLOUGH noticed no one else on the balcony with him at the time.

At this point, which would probably have been close to 6:00 p.m., either shortly before or shortly thereafter, Mr. MC CULLOUGH walked back toward the car driven by CLARA ESTER and Rev. BEVEL and Rev. ORANGE walked north on the parking lot toward the group of people who were standing there.

Suddenly, MC CULLOUGH heard an explosive sound and recalled that he was standing and facing north when he first heard it. He was standing south of the position occupied by Dr. KING and noted that the rail on which Dr. KING had been leaning runs north and south, and that KING would have been facing Mulberry Street, or to the west with his back facing the doorway of the motel and to the east. MC CULLOUGH was unable to adequately describe the sound other than it was rather loud and had a seeming echo to it. He has served in the U. S. Army and would offer an opinion based on his Army experience and limited knowledge of firearms that the noise which he heard was a gunshot sound.

Immediately thereafter, someone in the crowd, identity not recalled, by MC CULLOUGH stated in essence, "Dr. KING has been shot." MC CULLOUGH pointed out that he had been facing north when he heard the sound, and upon hearing the person say something to the effect that Dr. KING had been shot, he looked easterly and upward toward the rail where Dr. KING had been standing and observed Dr. KING falling backward in a southeasterly direction. It appeared as though Dr. KING may have been grasping with one of his hands for his throat area, although MC CULLOUGH could not be positive as to the physical movement, if any, of Dr. KING's hands. Almost immediately, MC CULLOUGH turned his head in a westerly direction looking across Mulberry Street, which runs north and south, and saw no one either on the ground or in any of the buildings which face east toward the Lorraine Hotel and Motel. He saw no one in the area in the vicinity of the motel with a gun or a weapon of any sort.

He saw no one running from the area in any direction.

A few seconds later, he recalled seeing a group of what he felt were Memphis Fire Department employees running from the rear entrance of the fire station which faces Main Street and whose rear entrance faces Mulberry Street and which is located just south of the motel, noting that these firemen seemed to be running toward the vicinity of the motel.

When MC CULLOUGH looked upward again at the point where Dr. KING had fallen, he was first conscious of seeing Rev. JESSE JACKSON, an SCLC staff member from Chicago, looking out a doorway of a motel room just south of the room previously occupied by Dr. KING. JACKSON would have been looking in a westerly or actually a northwesterly direction, because he was looking toward KING's prone body.

Almost instinctively, MC CULLOUGH ran up the outdoor iron and cement stairway which leads to the balcony from the ground level and which is located about two or three motel doors south of where KING's body rested. He turned north on the balcony upon reaching the second floor level, running toward Dr. KING's body, and noticed that Dr. KING was lying prone in a crosswise position with his head pointing in a southeasterly direction and his feet pointing in a northwesterly direction, his feet being located adjacent to the protective railing.

Mr. MC CULLOUGH was the first person to reach the body of Dr. KING, and he knelt down to Dr. KING's prone body. Almost simultaneously, one of the Negroes at the motel, identity not recalled, handed MC CULLOUGH a towel which MC CULLOUGH used to apply pressure to the wounded area of Dr. KING's body, which he recalled was on the right side of his face in the immediate area of his cheekbone and running down into his upper neck area. The wound was recalled by him to be a large wound, not unlike a tear. The flesh on Dr. KING's face on the right side thereof appeared to be torn backward toward the rear of his head area, and the wound appeared to start around the middle of his cheekbone and continue downward into his upper neck area. He also recalled seeing splotches of blood, possibly pinhead in size, in the immediate vicinity of the large wounded area, and his first impression was that these may have been minute pellet wounds, although he now feels that they were probably mere blood splotches or spots.

MC CULLOUGH attempted to apply pressure to the wound in an effort to stop the bleeding, as the bleeding was quite profuse at this time, and as he knelt down and observed Dr. KING's body in its prone position with his back facing the concrete floor and the front side of his body facing upward, the wound would have had to have been caused by a bullet or projectile coming toward Dr. KING from a northwesterly direction since it entered the right side of his face and since KING

was last recalled being seen by him looking directly west as he stood against the hand rail. It was his definite impression at the time, and he still holds to this impression, that the shot would have come from one of the buildings to the northwest. There is a series of old buildings located just west of the motel whose fronts would face on S. Main Street, which is the next north-south street west of Mulberry.

From the second story position of Dr. KING when he was shot, coupled with the position of the wound beginning around his cheekbone area and dropping down toward his neck area, he believes the shot in all probability would have come from one of these buildings at an elevated level rather than from the ground area surrounding the buildings.

MC CULLOUGH also recalled that as he applied the pressure around Dr. KING's cheekbone and upper neck area with the towel, he was aware of an unusual odor which was similar to the odor which one smells when a firecracker is exploded.

Shortly thereafter, he was conscious of the fact that CLARA ESTER and MARY HUNT had come up onto the balcony and were standing near him. By this time, there was no doubt in MC CULLOUGH's mind that Dr. KING was dead. There was no movement in his body, and his eyes were immobile and he believes they were open, although he could not be certain of this. He estimated he applied the pressure for one to two minutes, and by this time, a number of Negroes had gathered around the body, and he recalled seeing Rev. RALPH B. ABERNATHY, Dr. KING's chief aide. ABERNATHY knelt down and began applying pressure with the towel which had originally been held by MC CULLOUGH.

At this point, Rev. ABERNATHY relieved MC CULLOUGH, as MC CULLOUGH noted that CLARA ESTER and MARY HUNT were crying and appeared to be shaken considerably at the sight of Dr. KING's body. He was afraid they would become hysterical and he thereafter walked with them away from the area. They walked down the outside motel stairs to the south of Dr. KING's body onto the parking lot area and stood around.

ME 44-1987

6

By this time, it would probably have been a few minutes after 6:00 p.m., and he observed a large number of members of the Memphis Police Department and possibly the Shelby County Sheriff's Office in the immediate area. One of the officers, identity not recalled, asked all of the people in the immediate area to remain and not leave.

He estimated that he stood around the parking lot area in the immediate hotel and motel area until close to 8:00 p.m. and when no one had asked him specifically not to leave he left and returned to the Clayborn Temple.

He had been to the motel on Wednesday, April 3, 1968, with some of the SCLC people and representatives of the COME group, and at no time while around the Lorraine Motel did he recall seeing any individuals he could consider to be suspicious or who may have given the impression they were observing the area other than the fact that he had from time to time seen law enforcement officers in the area. He was unable to pinpoint the exact times when he had seen this.

MC CULLOUGH concluded that he knew of no suspects and had not recalled having heard any of his associates mention any suspects or any suspicious persons who may have been frequenting the area of the motel during the day or two prior to Dr. KING's death.

Date April 8, 1968

Reverend RALPH DAVID ABERNATHY, 690 La Verne Drive, N. W., Atlanta, Georgia, was interviewed at the Memphis Police Department at 10:55 p.m., April 4, 1968. Reverend ABERNATHY was advised of the Agent's identity and of the nature of the matter under investigation.

Reverend ABERNATHY, who described himself as Vice President at Large and Treasurer of the Southern Christian Leadership Conference, stated he was Dr. MARTIN LUTHER KING, JR.'s closest associate and stated that he and Dr. KING always shared a room whenever they travelled together. He stated that at about 10:30 a.m. on April 3, 1968, he and Dr. KING registered at the Lorraine Motel, Memphis, Tennessee.

Reverend ABERNATHY stated that on April 4, 1968, he and Dr. KING did not leave the motel and spent most of the day in their room, #306, which is located on the second floor of the motel. He stated that he and Dr. KING had been gone from their room for approximately one hour or less when they returned to the room at about 5:30 p.m. He said they got dressed as they were going to dinner at the home of Reverend BILLY KYLE and that at almost exactly 6 p.m. they started to leave the room. Reverend ABERNATHY stopped for a moment and Dr. KING walked out onto the balcony just outside the door to his room. Reverend ABERNATHY was still inside the motel room but could hear Dr. KING discussing the dinner engagement with other associates who Reverend ABERNATHY believes were standing in the parking area of the motel underneath and to the front of the balcony on which Dr. KING was standing.

Reverend ABERNATHY stated he heard what sounded like a fire-cracker and then heard the screams of persons to whom Dr. KING had been talking. Reverend ABERNATHY went then to the balcony and discovered Dr. KING lying there wounded in the right side of the face and neck. He said he believed Dr. KING attempted to speak to him but was unable to do so. Reverend ABERNATHY said he instructed someone to call an ambulance and then accompanied Dr. KING in the ambulance to the hospital where Dr. KING subsequently died.

Reverend ABERNATHY stated that judging from the sound of the noise it appeared that the shot came from directly in front of the door and not from any great distance. He stated he did not observe anything that would indicate who fired the shot. Reverend ABERNATHY also stated that while they were in the motel room Dr. KING did not, to his knowledge, receive any telephone calls of a threatening nature or calls from persons who would not identify themselves. Reverend ABERNATHY said Dr. KING had not feared that any particular persons might harm him and Reverend ABERNATHY was unable to suggest any suspects or to provide any other information which might assist in identifying Dr. KING's killer.

Mr. CHAUNCEY ESKRIDGE, 123 West Madison Street, Chicago, Illinois, was interviewed at the Memphis Police Headquarters at 12:05 a.m., April 5, 1968. Mr. ESKRIDGE was advised of the interviewing Agent's identity and of the nature of the matter under investigation.

Mr. ESKRIDGE, who identified himself as General Counsel for the Southern Christian Leadership Conference, advised that he arrived in Memphis, Tennessee, at approximately 11:30 a.m. on April 4, 1968. He stated he had been with Dr. MARTIN LUTHER KING, JR. during a portion of the day on April 4, 1968, and at about 5:45 p.m. was standing in the parking area of the Lorraine Motel when Dr. KING walked out of his motel room onto the second floor balcony of the motel and leaned over and began to discuss his dinner engagement with other persons who were standing below the balcony.

Mr. ESKRIDGE stated he was standing with his back to Mulberry Street and was facing Dr. KING when he heard to his right rear a sound like a firecracker. He looked to his rear momentarily to see if someone were behind him and when he looked toward Dr. KING again he saw him lying on his back on the balcony. Mr. ESKRIDGE said he heard only one shot fired and he recalled that Dr. KING was standing in front of his motel room at the time he was struck. He stated he believed the shot came from the area of the houses overlooking Mulberry Street or from the high grass in the yards which were behind the houses overlooking Mulberry Street.

Mr. ESKRIDGE stated he had been standing in the parking area of the Lorraine Motel for approximately 5 to 10 minutes prior to the shot and he had not observed anyone in the area who he believes might have fired the shot. He said he did not know of anyone who wished to harm Dr. KING and he stated he had no other information which he felt might assist in identifying Dr. KING's killer.

Date 4/13/68

Mr. SOLOMON JONES, JR., 374 Vance Avenue, Memphis, who is employed as a funeral director for R. S. Lewis and Sons at the same address was interviewed at the Lorraine Motel, 406 Mulberry, Memphis.

Mr. JONES advised that he had been serving as chauffeur for Dr. MARTIN LUTHER KING, JR., on Dr. KING's last trip to Memphis. He believed that he had started driving for Dr. KING on April 1, 1968. He stated that Reverend JAMES LAWSON of Memphis had requested him to drive Dr. KING while he was in Memphis.

On Wednesday night, April 3, 1968, Dr. KING spoke at the Mason Temple in Memphis and after the speech returned to the Lorraine Motel, 406 Mulberry, Memphis. Dr. KING told him to report back to the Lorraine Motel on Thursday morning, April 4, 1968, at 8:30 a.m., as Dr. KING was due to go to court in Memphis in regard to a restraining order.

Mr. JONES stated that on Thursday morning, April 4, 1968, he returned to the Lorraine Motel at about 8:30 a.m., which motel is located at 406 Mulberry. He stated this motel is located on the east side of Mulberry Street and is bordered on the north by Huling Avenue and on the south by East Butler.

He advised that he parked the car, which was used to drive Dr. KING and which car was a 1967 Cadillac and belonged to the R. S. Lewis and Sons Funeral Home, in the parking area of the Lorraine Motel. He parked this car in front of Room 207 which is on the ground level of the Lorraine Motel. The car was headed into the motel area which would have been in an easterly direction.

A short time after he arrived Reverend ANDREW YOUNG, an associate of Dr. KING, contacted JONES and stated that Dr. KING was not going to go to court on the morning of April 4, 1968, and YOUNG was going to go to court. Reverend YOUNG informed JONES that he was to remain at the motel as Dr. KING was to later that day address the sanitation workers.

JONES advised that he remained at the Lorraine Motel and ate his lunch at the motel. At about 3:00 p.m., April 4, 1968, Reverend BILLY KIZER (phonetic), a minister in Memphis, informed JONES that Dr. KING and other members of his staff were going to have dinner at Reverend KIZER's home at about 5:00 p.m., April 4, 1968.

Mr. JONES stated that Dr. KING did not leave the motel area the entire day of April 4, 1968, and JONES stated that he stayed in this area the entire day.

He advised that Dr. KING and his group did not leave the motel at 5:00 p.m., as had been originally mentioned to him by Reverend KIZER. At approximately 6:00 p.m., April 4, 1968, JONES noticed Dr. KING come out of a room on the balcony level of the Lorraine Motel which room was north of Room 306 where Dr. KING was residing. Dr. KING proceeded to Room 306 and as he was about to enter the room Dr. KING told JONES to start the car as they were preparing to go to dinner. JONES stated he started the car and Dr. KING went into Room 306 where he was staying with Reverend ABERNATHY.

Dr. KING came out of Room 306 a short time later and was standing on the balcony area in front of Room 306. At this time Dr. KING was fully dressed. Dr. KING was looking from the balcony level down to JONES who was standing beside the car on the ground level. JONES advised the car was still parked in front of Room 207. Dr. KING was talking to JONES about the weather and JONES stated he told Dr. KING he should put on a topcoat as it was cool outside. He stated that he was looking up at Dr. KING during this conversation and Dr. KING was facing west and that he, JONES, was facing east. Dr. KING acknowledged JONES concerning obtaining his topcoat.

JONES stated while he was still looking at Dr. KING he heard a sound which he thought was a fire cracker. Dr. KING fell to the floor of the walkway in front of Room 306. At this point JONES could see blood coming from Dr. KING, and realized the sound was actually a shot rather than a fire cracker.

JONES stated that he started screaming and calling for help and repeatedly called several times "Dr. KING's been shot."

He advised that at the time of the shooting that JESSE JACKSON, a staff member of Dr. KING, was standing at Room 305. He also recalled that Dr. KING's lawyer by the name of ESKRIDGE of Chicago, Illinois, was standing near JONES on the ground level.

After seeing Dr. KING bleeding and realizing that he was shot, JONES stated that he and ESKRIDGE did not run to the side of Dr. KING as others were coming to Dr. KING's aid. However, he and ESKRIDGE turned west since that was the direction in which the shot had originated, and went toward Mulberry Street which street is located on the front portion of the motel. They ran about 50 feet and stopped opposite the office of the motel. JONES stated he and the lawyer both then looked around and saw nothing. JONES stated he ran about another ten feet west and stopped at the edge of the sidewalk in front of the motel and stood beside a brick wall. He stated ESKRIDGE also ran up to same area opposite him. He advised when he reached this point he looked opposite the point where he was standing which was also the driveway area. He looked opposite the driveway area toward the west side of Mulberry Street. This area has a large retaining wall. Immediately above the retaining wall is a grassy area with some small shrubs and bushes. This area is behind some buildings facing South Main Street. He got a quick glimpse of a person with his back toward Mulberry Street.

He estimated the person he glimpsed would have been approximately 60 feet from where he was standing. He pointed out it was dusk dark and he merely got a quick glimpse of someone in that area. He stated that it was the back of this individual and he could not tell whether the person was Negro or white. This person was moving rather fast and he recalls that he believed he was wearing some sort of light colored jacket with some sort of a hood or parka. He stated this person appeared to him to be about 5'11" or a little taller. He did not see him carrying anything in his hand and did not notice anything concerning his dress below his waist.

ME 44-1987

4

He said he could not tell anything further about this individual and it could have been an officer, but he could not furnish any further details concerning this individual.

He related that he did not look to his left or south on Mulberry Street. After taking a quick glimpse he immediately ran back to the motel area where Dr. KING was located. He ran up the middle stairway of the motel which stairway was opposite Room 308. As he was running up the stairway he noticed a red ambulance had arrived and he believed this ambulance was a Memphis Fire Department ambulance.

At this point he stated he was in such a state of shock that someone put him in Room 308 and he had to lie down for a moment. While they were placing Dr. KING into the ambulance, LEE BERNARD, an aide of Dr. KING, came into Room 308 and told him to calm down and for him to drive the car and follow Dr. KING's ambulance. JONES stated he drove the car which had been used for Dr. KING and followed the ambulance to the hospital. In the car with him was Reverend ANDREW YOUNG and LEE BERNARD.

Rev. BERNARD SCOTT LEE, 334 Auburn Avenue, Atlanta, Georgia, was interviewed at the Police Department, Memphis, Tennessee, in the presence of Lt. TOM MARSHALL, Homicide Bureau, Memphis Police Department. Rev. LEE voluntarily furnished the following information:

Rev. LEE stated that he came to Memphis on April 3, 1968, with Dr. MARTIN LUTHER KING, JR., and had been staying at the Lorraine Motel since his arrival. He was registered in Room 205 and was alone in that room. He advised that Dr. KING was registered in Room 306 with Rev. ABERNATHY, and their room was immediately above his and one door south of his unit.

Rev. LEE stated that he and Dr. KING and all members of their party had been around the Lorraine Motel most of the day. He advised that he dressed for dinner and left his motel room at approximately 5:45 to 5:50 P.M. and went to the court yard of the Lorraine Motel where he joined other members of the staff of the Southern Christian Leadership Conference (SCLC) and local community people. LEE stated at that time he was standing about three feet from the steps on the north end of the court yard which led to the second floor of the motel. He said he saw Dr. KING come out of his room at approximately 6:00 P.M. and Dr. KING walked out on the balcony in front of that room. Rev. LEE stated about that time his attention was directed to two female workers, names unknown, who were following one of the staff cars of SCLC as they drove into the Lorraine Motel. He said as he was looking at these individuals, he heard a shot and knows that the shot came from across the street in front of Dr. KING's room and which would be coming from the west. Rev. LEE said he immediately realized that this was not a fire-cracker and that it was a shot from a high caliber rifle. He said he based this on his experience in the U. S. Air Force and pointed out that he has fired the M-2 carbine as well as the .22 caliber rifle. He said he immediately knew that this was not a blast from a shotgun but from a high caliber rifle. Rev. LEE stated he immediately looked toward the

buildings which were to the west of him but said he did not see anyone in any of the windows of these buildings who could have fired that shot. He said he only recalls seeing some white police officers who had shotguns but knew at the time that this shot was not from a shotgun but from a high caliber rifle. Rev. LEE said he turned and looked at Dr. KING and saw that he had fallen back and was lying on the floor of the balcony. He said he believed that he saw Dr. KING's hands leave the railing of the balcony and that this indicated to him that Dr. KING was leaning over the balcony rail at the time of the shooting. Rev. LEE said he saw Rev. YOUNG running up the steps which were on the north end of the motel leading up to the second floor, and he immediately started to where Dr. KING was, following behind Rev. YOUNG. He said when he reached Dr. KING, Dr. KING was lying on the balcony floor in a large pool of blood. He advised that he could tell that a bullet had torn out a section of the right side of Dr. KING's face between the high cheek bone and the lower bone of the jaw. Rev. LEE said he immediately asked one of the police officers who had rushed to Dr. KING to call an ambulance and he said an ambulance appeared on the scene shortly thereafter.

Rev. LEE pointed out that he only heard one shot and is of the positive opinion that this shot came from a high powered rifle and definitely not any type of a shotgun. He advised he did not see anyone fleeing the area around the motel who might have any connection with the person who shot Dr. KING and stated that at the time of the shooting he did not see anyone on the balcony of the motel with Dr. KING.

Rev. LEE continued by advising that the only individuals he can identify by name who were in the court yard of the Lorraine Motel at the time of the shooting were Rev. ANDREW YOUNG, Attorney CHAUNCEY ESKRIDGE, and Mr. SOLOMON JONES. Rev. LEE stated that there were other individuals at the motel at the time of the shooting but he cannot identify them by name. Rev. LEE stated that Rev. ABERNATHY was in Room 306 at the time of the shooting and was probably the first person to arrive at Dr. KING's side after the shooting. Rev. LEE stated that when he arrived at the place where Dr. KING was lying, Dr. KING was unconscious but did attempt to make some sounds which he could not understand.

ME 44-1987

3

Rev. LEE advised that Dr. KING was put in an ambulance, and Rev. ABERNATHY accompanied him to the hospital.

Rev. LEE advised that he has no idea who is responsible for shooting Dr. KING and said he noticed nothing at the time of the shooting which might be of value to identify this individual. He reiterated that he was not looking at Dr. KING at the time he was shot but was looking in the area of the court yard around the Lorraine Motel. He stated these are all of the facts that he can recall at the present time regarding the shooting of Dr. KING and the events which happened immediately after the shooting.

Rev. ANDREW J. YOUNG, 1088 Veltre Circle, S.W., Atlanta, Georgia, home telephone 753-8320, business telephone 522-1420, was interviewed by Detective R. R. DAVIS, Homicide Bureau, Memphis, Tennessee, Police Department, and SA EUGENE G. DOUGLASS at the Memphis Police Department at approximately 11:00 P.M.

Rev. YOUNG advised that he is the Executive Vice President of the Southern Christian Leadership Conference (SCLC). He stated that on April 4, 1968, at approximately 6:00 P.M. he was at the Lorraine Motel, 406 Mulberry, Memphis.

He advised that Dr. MARTIN LUTHER KING, JR., occupied Room 306 of this motel, and Rev. YOUNG occupied Room 209. He stated that at approximately 6:00 P.M., April 4, 1968, they were preparing to go to dinner with other members of the SCLC staff. He advised that Dr. KING was standing on the second floor on the balcony portion of the motel and Rev. YOUNG was down in the court yard just below Dr. KING. He advised that Dr. KING came out onto the balcony in front of Room 306 of the motel and called down to Mr. SOLOMON JONES, JR., who was standing on the ground level and advised Mr. JONES to start the motor of the car. Rev. YOUNG stated that he overheard Mr. JONES say to Dr. KING, "I think you need a coat" and then Rev. YOUNG advised that a staff member drove up in a car on the driveway of the motel, and he turned away to look at this individual.

At this point he stated he heard a sound and thought it was a firecracker but then he looked up and observed Dr. KING lying on his back on the floor of the balcony of Room 306. Rev. YOUNG stated he ran up the stairs to Dr. KING and observed that Dr. KING was seriously wounded. He then looked across the street and observed police officers coming from the area where he thought the shot may have come from but stated he observed no one else.

Rev. YOUNG advised that the police officers then called for a Memphis Fire Department ambulance and he stated

he helped cover Dr. KING with a blanket and stated he observed that Dr. KING was losing blood rapidly. He stated that at this time he checked Dr. KING's pulse and noted it was very strong. He stated this was just prior to the arrival of the ambulance, but he noticed blood coming from the wound on the right side of Dr. KING's neck.

Rev. YOUNG stated that when he referred to the area from which he thought the shot had come, he was referring to a large clump of bushes which is located on the west side of Mulberry directly opposite from the area where Dr. KING's room was located. He pointed out that the motel is located on the east side of Mulberry. He stated he was standing on the ground level below Dr. KING talking to a staff member, whose name he could not recall, when he heard the sound which he later determined to be a gunshot. He stated that he would not have been able to observe a flash from a gun being fired on the west side of Mulberry as the swimming pool wall blocked his view from that area.

He pointed out that immediately after seeing Dr. KING fall he ran upstairs to assist Dr. KING and then looked across the street but did not see any cars leaving the scene in a hurry and saw no individuals who he felt could have been responsible for the shooting.

CEOLAR SHAVERS, 610 F Brownmall, Clayborn Homes, Memphis, Tennessee, furnished the following information:

She advised that she formerly was employed as a maid at the Lorraine Hotel and Motel, 406 Mulberry Street, Memphis, Tennessee, and that she was on duty on the 11:00 a.m. to 7:30 p.m. shift on April 3 and 4, 1968.

She also stated that sometime around 6:00 p.m. on April 4, 1968, pursuant to instructions from her employer, Mr. WALTER BAILEY, owner, Lorraine Hotel and Motel, she was proceeding along the second level of the motel on the balcony in a southerly direction to clean two rooms, which had not been taken care of by the maid assigned to these rooms. It was not normally her responsibility to clean these rooms, but the other maid left work at about 5:30 p.m. without attending to them.

She stated she had not as yet passed Room 306, but estimated that she was in front of Room 304 proceeding in the direction of Room 306 when she heard what she thought was a shot. She stated the sound was very loud, and caused her to drop some sheets, which she had been carrying, and that it frightened her quite a bit.

She stated that right after hearing the sound, she looked down into the courtyard parking lot area, and saw many people beginning to assemble. She advised that she then looked in a northwesterly direction toward some buildings where she believed the sound came from. She stated that she did not see anyone, and definitely did not see anyone in the bushes on the west side of Mulberry Street nor did she see anyone running away from these bushes.

She also stated that she had been employed at the Lorraine for about six weeks, and during that time cannot recall seeing or hearing anything suspicious nor anything which she would consider to be connected with the assassination of

She further advised that after being startled by the loud noise, which sounded to her like a shot, she was very frightened and did not look at DR. KING. She did not see him get hit. She did look at him shortly thereafter, and saw him as he fell to the ground. She remembers looking at his feet as he fell.

She stated she then quickly went down the steps to the ground level, and recalls nothing else relating to the sound.

WALTER LANE BAILEY, owner, Lorraine Motel and Hotel, 406 Mulberry Street, Memphis, Tennessee, furnished the following information:

He has owned the Lorraine Motel and Hotel since 1945 and Dr. MARTIN LUTHER KING had stayed there on approximately twelve occasions since 1958. To the best of his knowledge, Dr. KING had never received any threats on his life while staying at the hotel. To his knowledge, no one had been acting in a suspicious manner, such as asking questions about Dr. KING's whereabouts, nor had he heard of anyone walking or driving up Mulberry looking as if he were "casing" or "sizing up" the location during any of Dr. KING's visits.

He stated he did not know Dr. KING very well but believed he was acting very strangely on April 4, 1968. He said that Dr. KING normally was very businesslike in manner and never "joked around" but on that date at the motel he was very jovial and was "teasing and cutting up". He believed this type of behavior was out of character with Dr. KING's past activities and thought it strange but could attach no meaning or significance to it.

Mr. BAILEY said he heard what he thought was a shot at approximately 6:00 p.m., on April 4, 1968, while he was in the northern lower section of his hotel. He could feel the entire hotel shake when the shot went off. He ran outside and looked up and saw Dr. KING lying on the balcony in front of his room, which was #306. He said confusion was all around the hotel and he could not recall any details after looking up at Dr. KING.

He said he had absolutely no information or thoughts on the assassination of Dr. KING but would notify the FBI should he acquire any information of value.

She advised that she was "cleaning up" the rooms on April 3, 1968, and worked as a desk clerk on April 4, 1968.

She advised that she was not in a position to observe anyone on Mulberry Street on April 3, 1968, since she was cleaning up on the inside. She further advised that she could not observe Mulberry Street from her location behind the desk on April 4, 1968, and did not see anyone on Mulberry when she took her work breaks.

HAYES said that no one made inquiries concerning Dr. KING to her and no one acted suspiciously on either date, that she could recall.

She stated she could recall nothing relating to the assassination of Dr. KING and could furnish no information at all.

PERSONS AT CANIPE AMUSEMENT COMPANY,

FEDERAL BUREAU OF INVESTIGATION

1

Date April 10, 1968

Mr. GUY WARREN CANIPE, JR., 1078 Brower Road, Memphis, Tennessee, telephone number 324-0344, owner of Canipe Amusement Company, 424 South Main Street, Memphis, Tennessee, telephone number 525-0439, furnished the following information to Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and Special Agent FRANKLIN L. JOHNSON:

He has been in business in the South Main Street area for the past twenty years. His store had been closed and unattended most of the day, April 4, 1968, he having been with Mr. EDWIN BODENHEIMER, 180 Clark Place, Memphis, one of his competitors and a close friend, during the day. He had left his store around 9:00 or 9:30 A.M. and did not return until after 5:00 P.M.

Soon after he returned, two Negro males came into his store and started looking at phonograph records on some shelves on the south side of the store near the front door. He had been playing records on a "jukebox" located toward the front of the store. He did not hear a shot or noise which he thought might be a shot anytime around 6:00 P.M. One of the Negro men was overheard by him subsequently to say that he, the customer, did hear a shot.

Sometime around 6:00 P.M. (although he has no way of fixing the time), he heard a "thud" in the vicinity of the front door of his store. He looked up to observe a bundle lying in front of the door to his store. He pointed out that the front door of his store is offset or located in a recess off the sidewalk. Almost simultaneously as he looked up after hearing this "thud," he saw a white man walking south on the sidewalk in front of his store.

After hesitating momentarily, Mr. CANIPE walked out onto the sidewalk, looking in both directions to see what happened to the man who obviously had dropped this bundle. As he did this, a white small car, possibly a compact, pulled away from the curb on the east side of Main Street at a point just south of his store. There was only one man in the car, namely the driver.

by SA FRANKLIN L. JOHNSON:jap Date dictated 4/9/68

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

When Mr. CANIPE looked north on Main Street he saw a Deputy Sheriff walking rapidly on the sidewalk on the east side of Main, approaching Mr. CANIPE, this Deputy having his revolver drawn. Mr. CANIPE, concluding that something unusual had just occurred, immediately stepped back into his store. This Deputy proceeded south on the sidewalk past his store, not stopping. A short time later after other officers had arrived, he saw this same Deputy and talked to him. He does not know his name.

After additional officers arrived, their attention was called to the bundle lying to the front of CANIPE's store.

As to the contents of the bundle or package which he observed, he pointed out that it appeared to be a rather large pasteboard box about the size he would expect a shotgun or rifle to be shipped in. The top of this box was ajar and he observed a portion of a gun barrel. There was some type cloth over the top of this bundle, which cloth was green in color and which impressed him as possibly being a curtain of some kind. In observing this bundle he noticed that the pasteboard box had the word "Browning" on it. He also saw some type of suitcase or brief case underneath the cloth.

As to the parking situation in front of his store, Mr. CANIPE furnished the following information:

In front of his store on the east side of Main there are three parking spaces between a fire plug and a driveway south of his store. He usually is able to park in one of these spaces. However, when he arrived at his store after 5:00 P.M., April 4, 1968, all three of these spaces were filled and he had to park his 1962 red station wagon at a point south of the above mentioned driveway. He does not recall noticing the make and model of the three cars parked in these spaces, but he is certain that there was a white smaller car, possibly a Valiant or Comet, parked in the parking space nearest his door (which will be referred to as parking space number one). He does not recall the cars parked in spaces two and three south of this white car.

He is certain in his own mind that the white small car he saw pull away from the curb as he looked out of his door, as outlined above, was parked in either number two parking space or number three parking space, but he does not know which of these spaces this car was parked in. He cannot

further describe the car that pulled away, but he heard one of the Negro male customers tell the Police that this car that pulled away was a Mustang. He definitely knows the car was white and was sure that the car was a smaller car, possibly a compact car, rather than a full-size average American car such as a standard model Ford or Chevrolet. He stated that it would be his judgment that the car was at least a 1965 or later model. He did not observe the license plates at all.

Based upon the period of time which elapsed from the time he heard the "thud" near his front door until the time he walked out of his front door and saw the white small car pulling away, coupled with the fact that he did not see a man proceeding south on the sidewalk as he looked south, Mr. CANIPE feels that the man who had dropped or thrown the bundle in front of his store was the man driving the white small car away from the curb, as outlined above. He only knows that this man in the small white car drove north on Main past his front door. He does not know whether the car turned off Main Street at the next block or whether it continued to proceed north on Main Street. He does not think that the car was traveling unusually fast and he did not hear the tires "screech" as the car left.

As to a description of the man who dropped the bundle and walked south on Main past his store, Mr. CANIPE stated that he only had the opportunity to view this man momentarily, seeing the back of this man. He stated he saw the man's back and the man's left side only. He stated he did not see the man's face unless possibly he got a fleeting glance at the left side of the man's face. Mr. CANIPE furnished the following description of this man:

Race:	White
Sex:	Male
Age:	25 - 30, possibly older
Height:	5'10" - 6' (at first placed height at 6 feet but on reflection stated man might be shorter and in no event could he be certain as to approxi- mate height)

Weight:	175 - 200 pounds (at first estimated weight at 170 - 185, stating if man is as tall as 6 feet then he might weigh as much as 200, as he gained impression man was "chunky")
Build:	"Chunky"
Hair:	Dark, cut normally (definitely bareheaded)
Dress:	Gained impression man wearing dark colored suit
Over-all Impression:	Very clean, neat in appearance, clean cut.

Mr. CANIPE advised that no one was in his store at the time of the above related incident other than the two Negro males, one of whom has been purchasing records from him in the past, the other not being recalled as a former customer. He stated that he cannot recall any other persons in the immediate vicinity at the time, and the next person he saw after seeing the unknown man who dropped or threw down the bundle was the above mentioned Deputy Sheriff who was walking rapidly on the east side of Main Street toward CANIPE's store, having his gun drawn, when Mr. CANIPE looked out the door as outlined above. He described this Deputy as a white male, age twenty to thirty, bareheaded, 5'10", 165 pounds, wearing a Sheriff's Office uniform and definitely having the Shelby County Sheriff's Office insignia on his arm.

Date April 10, 1968

Mr. BERNELL FINLEY, 1468 Kyle, Memphis, Tennessee, home telephone number 275-6524, who stated that he is an offset pressman at the Church of God in Christ Publishing House, 930 Mason Street, Memphis, Tennessee, telephone number 526-1169, was interviewed at his home by Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and Special Agent FRANKLIN L. JOHNSON. He furnished the following information:

He got off work at approximately 5:20 P.M., April 4, 1968, and he and a fellow employee, JULIUS GRAHAM, drove in Mr. FINLEY's car, a 1964 white, four-door Rambler, directly to Canipe Amusement Company, 424 South Main Street, where they wanted to look over some old phonograph records. As they proceeded north on South Main Street to the vicinity of this store, they observed that all of the parking spaces in the block in front of CANIPE's store on the east side of Main were filled with automobiles. They continued north on South Main to Huling Street, turning right and parking Mr. FINLEY's car near a driveway under construction in the first block east of Main Street. They walked directly to Canipe Amusement Company. He estimated they arrived there about 5:30 P.M. There were no customers in Canipe Amusement Company other than Mr. FINLEY and Mr. GRAHAM. The two of them proceeded to look at old records in shelves on the south side of the store near the front of the store. The owner, Mr. CANIPE, was playing the "jukebox."

Sometime around 6:00 P.M., Mr. FINLEY heard a noise that sounded like a shot. He does not know whether Mr. GRAHAM or Mr. CANIPE heard this noise, as they said nothing and he said nothing. He attached no particular significance to hearing this noise at the time, but continued to look at records. Shortly thereafter and certainly within a matter of just a minute or so, he heard a second noise near the front door of CANIPE's store. He, Mr. GRAHAM, and Mr. CANIPE all immediately looked to the front door where they saw a box or package or bundle lying immediately in front of the door of this store. As his attention was attracted

to this box or package, he also saw a man walking rapidly south on the sidewalk on the east side of Main, it being obvious that this was the person who had dropped or thrown the package in front of CANIPE's store, there being no one else around in that area and the box or package not having been there earlier.

Mr. FINLEY recalls that Mr. CANIPE walked up to the door and Mr. FINLEY followed him. Mr. CANIPE opened the door and started outside but immediately backed up and said, "Get back, there's some kind of trouble out here and I don't want no part of it." Immediately thereafter, Mr. FINLEY saw a Deputy Sheriff walking rapidly on the sidewalk south on Main, with his gun drawn, this Deputy not stopping but continuing south on Main in the same direction in which the above mentioned unknown man had walked. A few minutes thereafter he saw this same Deputy in front of CANIPE's store with his gun still drawn looking up as though he were trying to observe the upper stories of the buildings in the vicinity. A number of other officers arrived immediately thereafter, all of them being on foot.

Just about the time that Mr. CANIPE started out of the front door of the store, Mr. FINLEY heard the "screech" of tires and looked up to see a white Mustang speeding north on Main past CANIPE's store.

Mr. FINLEY explained that there was a car parked in front of CANIPE's store and therefore he did not get a full view of the car which had sped away, but he did see the rear portion of the roofline, as well as the trunk of the speeding car, and there is no question in his mind that this was a white car and there has been no question in his mind but what the car was a Mustang.

At the time this car sped away, Mr. FINLEY stated that he did not associate the speeding white Mustang with the man who had dropped the box or package, but after he learned what had occurred and after reflecting on the matter, he is now of the opinion that the man who dropped the package and walked south on the sidewalk past CANIPE's store was probably the man who got into the white Mustang and sped away from the area, going north on Main. As nearly as he can recall the sequence of the events, this white Mustang sped away from the curb moments before the Deputy Sheriff walked south past CANIPE's store.

As to the cars in the parking spaces in front of and to the south of CANIPE's store on the east side of Main, Mr. FINLEY advised that the car in the first position (that is, the car in front of CANIPE's store) was there when he first arrived at CANIPE's store and was there when he eventually left the area. He stated that after he had been questioned by Police and left CANIPE's store, there were no other vehicles immediately behind the car in front of CANIPE's store. He stated he was not in position to tell whether the speeding white Mustang pulled away from a parking space immediately behind the car which remained parked in front of CANIPE's store, or whether possibly it pulled away from a parking space farther south of this point.

Mr. FINLEY stated that he simply did not observe whether there was one or more occupants in the speeding Mustang, and he did not observe the license plates on this Mustang. He stated that the Mustang was one of the standard varieties and not the "Fastback" variety of Mustang.

Mr. FINLEY stated that the first person he saw in the area after his attention was first attracted by the dropping of the box was the above mentioned Deputy Sheriff with a revolver in his hand, and he knows of no one other than himself, Mr. CANIPE, and Mr. GRAHAM who saw the man in question and who saw the white Mustang speed away from the area, going north on Main.

As to the box or package dropped or thrown down by the unknown man, Mr. FINLEY stated that he observed a pasteboard box about 4 feet x 6 or 8 inches x 3 or 4 inches, having a tag of some kind on it, the top to this box being partially off to the point where he could see from one foot to 18 inches of the barrel of a gun. Eventually he observed that this gun was a rifle with a scope on it. There was some type of luggage, approximately 2 feet x 1½ feet x 6 or 8 inches, larger than an attache case, and some type of cloth folded over both of these items.

Mr. FINLEY stated that after the above mentioned armed Deputy Sheriff walked past CANIPE's store and after some other officers had arrived and were in front of CANIPE's store, Mr. CANIPE motioned to the officers from inside CANIPE's store, attracting the attention of one of them and pointing out the items left in front of the store and explaining to them what had occurred.

As to a description of the unknown man who dropped or threw down the package, Mr. FINLEY pointed out that he saw this man only momentarily, the man not taking over one or two steps while still in Mr. FINLEY's view. He stated that he "only got a glimpse of the man," not seeing his face except enough of the left side of the man's face to tell that he was a white man. He furnished the following description of this man:

Race:	White
Sex:	Male
Age:	Simply not in a position to judge other than to state that man was not an old man (based upon the manner in which he walked).
Height:	5'8" to 5'10" (Mr. FINLEY at first placed the height at 5'6" to 5'8", stating that his final estimate was a little better than a guess).
Weight:	Around 160 pounds (stating that his estimate as to weight would vary depending on the man's height, that the man was not skinny and not fat but had an average build).
Build:	Average
Hair:	Simply cannot recall observing area of man's head; does not recall whether wearing hat; does not recall observing hair.
Dress:	Wearing dark suit

Date April 10, 1968

Mr. JULIUS L. GRAHAM, Apartment 5, 804 North Fifth Street, Memphis, Tennessee, telephone number 527-3817, employed as general assistant at the Church of God in Christ Publishing House, 930 Mason Street, Memphis, Tennessee, telephone number 526-1169, furnished the following information to Lt. J. D. HAMBY, Homicide Bureau, Memphis Police Department, and Special Agent FRANKLIN L. JOHNSON:

He accompanied Mr. BERNELL FINLEY from their place of employment to Canipe Amusement Company, 424 South Main Street, Memphis, where they arrived about 5:30 P.M. on April 4, 1968. He recalls that as they approached the store, proceeding north on Main Street, there were no parking spaces on the east side of Main in the block in front of this store. He also recalls that as they were looking for a parking space there definitely were two white cars in the parking spaces in front of and to the south of Canipe Amusement Company. The second of these two white cars, or the one slightly south of the CANIPE store was definitely a white Mustang. He believes the other white car, the one in front of CANIPE's store, was probably a white Rambler. He cannot remember a third car being parked behind the Mustang. The Mustang he saw as they approached the store looking for a parking place was the ordinary variety of Mustang rather than the late model "Fastback" variety. He did not notice the license plates on this Mustang.

Mr. GRAHAM eventually parked Mr. GRAHAM's car on Huling Street, east of Main Street. Mr. GRAHAM and Mr. FINLEY thereafter walked to CANIPE's store and started looking at phonograph records in shelves on the south wall of this store near the front of the store. Mr. GRAHAM did not hear a shot or any other unusual noise while looking at records until he heard the noise caused by a man dropping a package on the sidewalk immediately in front of the front door of CANIPE's store. He stated, however, that he saw the man who dropped this package before he heard the noise. He happened to be looking toward the front door, his attention

having possibly been attracted by the footsteps of a running man. He is not sure but he believes he heard the footsteps of a man running and therefore looked toward the front door. Almost simultaneously as he looked up and saw a man carrying a large package of some kind, this man, who was walking south on the sidewalk immediately in front of CANIPE's store, stepped to the left and dropped the bundle in the recess in front of CANIPE's store and continued south on Main Street. Mr. GRAHAM stated that in his opinion this man was running rather than walking fast.

Mr. GRAHAM advised that the attention of both Mr. CANIPE and Mr. FINLEY was attracted by what had occurred when the man dropped the package, and all three of them started looking toward the front of the store and at the items which had been dropped. Mr. CANIPE started out of the front door, and as he recalls, "leaned" out of the front door looking in either direction, following which Mr. CANIPE came back in the store and made some remark about some trouble outside. Immediately after this a Deputy Sheriff walked south on the east side of Main, immediately in front of CANIPE's store, this Deputy passing the store and not stopping. He saw no other persons in the vicinity until some additional officers arrived on foot. Mr. GRAHAM later saw the same Deputy Sheriff who had walked past the store in the area in front of the store, still with his gun drawn. Eventually Mr. CANIPE was able to get the attention of one of the officers outside and pointed out the items in front of the store and the circumstances surrounding the presence of these items. Mr. GRAHAM observed a part of a gun barrel inside a large pasteboard box and also observed what appeared to him to be some type of green matting or cloth which appeared to be wrapped around the box containing the gun.

Prior to the time the armed Deputy first ran south past CANIPE's doorway, Mr. GRAHAM heard tires "screech" and observed a white Mustang to speed north on Main. The other white car, which Mr. GRAHAM believed to be a white Rambler, which had originally been parked in front of CANIPE's store, was still parked there at this time, and therefore his view of the car speeding away was partially obscured; however, Mr. GRAHAM is positive that the car which sped away was a white Mustang and there is no question in his mind but what it was the same Mustang he had seen earlier when he and Mr. FINLEY arrived in the vicinity of CANIPE's store, as outlined above. He stated he did not observe whether there was one or more people in this speeding Mustang.

As to a description of the man seen by Mr. GRAHAM carrying a package and later dropping this package, running south on Main, Mr. GRAHAM pointed out that he saw this person primarily from this person's left side and saw him only momentarily, but he believes he might recognize him if he sees him again. He furnished the following description of that person:

Race:	White
Sex:	Male
Age:	25 - 30
Height:	5'7" - 5'8"
Weight:	About 165 pounds
Build:	Average (Mr. GRAHAM heard Mr. CANIPE tell the Police that he thought the man had a "chunky" build, but Mr. GRAHAM got the definite impression of a man who was neither thin nor fat but who was average in build).
Hair:	Dark (either black or dark brown, normally cut).
Dress:	Dark clothing (either a dark suit or a dark dress-type jacket and slacks; no hat; did not notice shirt or tie).
General Appearance:	Neat and clean in appearance, created impression of a salesman or businessman.

Lt. JUDSON EUGENE GHORMLEY, Deputy Sheriff, Shelby County Sheriff's Office, a white male, age 40, residing at 4124 Ronnie Avenue, telephone 386-6034, furnished the following information:

On April 4, 1968, he was assigned to Tactical Unit 10, which consisted of three vehicles and twelve officers, both Deputy Sheriffs and Memphis Police Officers. The Deputy Sheriffs, in addition to GHORMLEY assigned to Tactical Unit 10 were W. J. BERRY, R. N. BAKER, W. A. DU FOUR, V. V. DOLLAHITE, and R. W. MALEY. Memphis Police Officers assigned to Tactical Unit 10 were Officers DOUGLASS, GROSS, DUNN, LANDERS, WRIGHT and MORRIS.

At about 6:00 PM on April 4, 1968, Tactical Unit 10 had stopped at the Memphis Fire Department Engine House located at Main and Butler, about $\frac{1}{2}$ block southwest of the Lorraine Motel, and the unit was in that location when a Negro male detective ran into the fire station and stated that Doctor KING had been shot. Upon hearing this, the members of Tactical Unit 10, including GHORMLEY ran east on Butler to Mulberry and north on Mulberry toward the Lorraine Motel. While en route, GHORMLEY observed a number of Negro males and females standing on the balcony of the motel pointing towards a building west of the motel, the front of which was located on S. Main Street.

GHORMLEY saw Officer DU FOUR running up the stairs of the Lorraine Motel toward the balcony where Doctor KING's body was lying. DU FOUR was followed closely by Officer BAKER. DU FOUR and BAKER, in that order, would have been the first officers to reach KING.

GHORMLEY also saw Officer LANDERS scale a wall on the west side of Mulberry Street and enter a back yard, which he later determined to have been behind the buildings known as 418, 422 $\frac{1}{2}$ and 424 S. Main Street.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Seeing the people on the balcony pointing toward the building on Main Street, Officer GHORMLEY stopped and retraced his steps around the fire station and ran north on Main Street. As he approached the building at 424 S. Main, he noticed a suitcase, blue in color, a rifle box, which was partly open and what appeared to be a blanket lying in the doorway at 424 S. Main. He could see the barrel of a rifle in the rifle box. At this time, a white male whose name he later determined was Mr. CANIPE, came to the door of 424 S. Main and advised him that a white male, who CANIPE described as tall, a little on the heavy side, wearing a dark colored possibly black suit, a shirt and tie, having dark colored hair possibly black, moments before had deposited these articles in the doorway and had then run south on Main Street.

Using his walkie-talkie radio, GHORMLEY advised his dispatcher of the information provided by Mr. CANIPE. He also guarded the articles lying in the doorway so no one would disturb them. Upon talking further to Mr. CANIPE, he learned from CANIPE that shortly after the white male who left the above described articles in CANIPE's doorway, had run south on Main Street, that CANIPE had noticed a white Mustang automobile drive past that location at a high rate of speed headed north on Main. At this time, Officer GHORMLEY again used his radio to advise his dispatcher of this information.

The next officer to arrive at GHORMLEY's location was Officer DOUGLASS, who drove the station wagon assigned to Tactical Unit 10 from its location at the fire station to a location directly in front of 424 S. Main where Officer DOUGLASS double parked the station wagon and aided in guarding the evidence left by the above described white male.

The next officer at this location was Deputy Sheriff V. V. DOLLAHITE, who approached the location from the north on Main Street after having apparently circled the block. About this time, Officers from the Memphis Homicide Squad arrived at the scene and took charge. GHORMLEY estimated the total time lapsed from the time he heard that

KING had been shot until he discovered the suitcase, gun and blanket, was no more than 2 or 3 minutes. GHORMLEY does not recall seeing a white Mustang parked along the area of S. Main, which he covered during the time immediately following the shooting, neither does he recall seeing anyone running south on Main Street in this same area.

During the incident described above, GHORMLEY was dressed in a khaki colored long sleeve shirt bearing the insignia of the Shelby County Sheriff's Department, and dark green uniform trousers. He was not wearing a hat or helmet. GHORMLEY recalls that Officer LANDERS, whom he saw scaling the wall across from the Lorraine Motel, was dressed in the usual Memphis Police Department uniform consisting of a blue shirt and trousers. Officer LANDERS was not wearing a hat or helmet. GHORMLEY recalls that there were 2 Negro males in Canipe's Amusement Center at the time he was talking to CANIPE. He thinks these person may also have seen the above described white male deposit the gun, suitcase, and blanket in CANIPE's doorway and may also have seen the white Mustang speeding north on S. Main Street in front of CANIPE's store. He does not know the names of these Negroes.

Patrolman VERNON VERNARD DOLLAHITE, Patrol Division, Shelby County Sheriff's Office, residence 3330 Dawn Drive, Apartment 12, home telephone 358-8067, Memphis, Tennessee, was interviewed by Lieutenant W. S. SCHULTZ, Homicide Bureau, Memphis Police Department, and SA FRANKLIN L. JOHNSON, at which time he re-enacted his movements on the afternoon of April 4, 1968, after he learned that Dr. MARTIN LUTHER KING had been shot at the Lorraine Motel. He furnished the following information:

On Thursday, April 4, 1968, he was assigned to Tactical Unit No. 10, consisting of 12 men, half of whom were Deputy Sheriffs and half of whom were police officers, which unit was located at the fire station at Main and Butler around 6:00 p.m., when he learned that Dr. KING had been shot.

Around 6:00 p.m., he and other officers were inside the fire station when he heard someone yell that Dr. KING had been shot. He immediately ran out of the door on the north side of the fire station, then ran east toward the Lorraine Motel, jumping over a fence, and then dropping down about a 10-foot concrete retaining wall which runs along the west side of Mulberry Street. He then ran to the driveway on Mulberry Street, which leads into the Lorraine Motel, to a point beneath the balcony where Dr. KING's body was lying. He stated that he heard an unknown Negro male at the scene say, "The dirty n----- f----- police shot him."

As he ran into the driveway, he dropped his firearm and had to stop momentarily and pick up the firearm, checking it briefly, and then continuing. After going to the scene near where the body was lying and determining that other officers were converging on the area, he immediately ran out of the driveway, running north on Mulberry Street to Huling and west on Huling Street to Main Street, then south on Main Street. As he

ran out of the driveway at the Lorraine Motel, he was joined by an officer named MALEY, who ran along with him to a driveway on the south side of Huling Street between Mulberry and South Main Street. Officer MALEY stopped at that point to observe, and DOLLAHITE kept running toward Main.

Upon reaching Main Street and turning south on Main Street, he saw no pedestrian traffic whatever. He continued running south on Main Street until he came to Jim's Grill, a restaurant at 418 South Main Street. The door was standing open. He stepped inside, looked around briefly, seeing customers sitting around eating and drinking, and he announced to all present that no one should leave that restaurant until the police had arrived and approved their leaving the premises. He then pulled the door to the restaurant shut and continued running south on Main Street.

As he came out of Jim's Grill and started running south again, he observed some items lying in the doorway to Canipe Amusement Company at 424 South Main. At the time, he had no idea as to the significance of these items lying in that doorway. He did not stop but kept running south on Main past Canipe's, going a distance of some 20 to 30 feet before stopping. His purpose in running past Canipe's was in order to look east around the corner of the building in which Canipe's is located to see if he could observe anyone running or any other suspicious activity, DOLLAHITE stating that at this time he, of course, did not know the point from which the gun had been fired resulting in the killing of Dr. KING.

Upon running 20 or 30 feet south of Canipe's, he observed that there was no area at that location where anyone could run or conceal himself, there being some large outdoor signs and a fence located just south of Canipe's. In addition, he observed other officers running north on Main on the east side of the sidewalk, coming from the direction of the fire station, so that these officers would have been in a position to see anyone running or any other suspicious activity in the general area in which DOLLAHITE was proceeding. He then turned around and walked north on the east side of Main to the

On

by

vicinity of the doorway to Canipe Amusement Company. About this time other officers arrived on the scene and took up a position around the items lying in front of the doorway to Canipe Amusement Company. Patrolman DOLLAHITE then walked west across Main Street in front of Canipe Amusement Company and stationed himself near a blue Camaro parked on the west side of Main opposite Canipe Amusement Company.

Patrolman DOLLAHITE advised that he is positive that after he arrived on Main Street, and until the officers had given their approval, no person left the area on foot. He is equally positive that no vehicle sped away from the area around Canipe Amusement Company after he arrived on Main Street. He stated that the only time he was not in a position to observe the activity in the 400 block of South Main after he first arrived there was during the time that he stepped into Jim's Grill. He stated, however, that he was in this grill only momentarily and he is certain in his own mind that he was not in Jim's Grill long enough for anyone to have run from either of the exits to a rooming house at 422½ South Main and thereafter run to an automobile and leave the scene without his having seen such activity.

With regard to the owner of Canipe Amusement Company, a white man, and two customers inside Canipe Amusement Company, two Negro males, he stated that he saw all three of these persons and was with a group of officers who were talking to these individuals. He stated, however, that as he ran south on Main before leaving Canipe Amusement Company, he did not see the white male, Mr. CANIPE, step out onto the sidewalk. He stated that since he was alone and one of the first officers to arrive in this area, his essential purpose was first to attempt to observe and locate any suspicious person who might be attempting to leave the area, and secondly, wherever he saw any people in business houses or otherwise, he instructed them to remain where they were so that officers later checking the area would have an opportunity to interview everyone who was in the area as soon as possible.

Patrolman DOLLAHITE advised that after other officers had arrived in front of Canipe Amusement Company, and after he had learned during the conversation that

one or more of the three persons inside Canipe Amusement Company reported hearing the "squealing" of tires as a white Mustang sped away from the area, he observed what he regarded to be skid marks at a point approximately one car length south of the doorway to Canipe Amusement Company. In pointing out the general area where he observed these skid marks, Patrolman DOLLAHITE observed that there is space for three automobiles to park between the first driveway south of Canipe Amusement Company (on the east side of Main) and a no parking zone around a fire plug just to the north of this driveway. He stated that he would estimate that the skid marks which he observed were made by an automobile parked in the center parking area, assuming all three parking spaces were filled at the time.

As to automobiles parked on the east side of Main in the area in front of Canipe Amusement Company at the time he arrived on the scene, he stated he cannot now recall a description of the vehicles which he did see. However, he does recall observing about a 1962 red Chevrolet station wagon which he believes was parked in the first space south of the above-mentioned driveway. He advised that he was also under the impression he had seen this station wagon at another point just north of this driveway and possibly the owner had moved the car later on during the evening. He stated that there was an automobile parked directly in front of Canipe Amusement Company, but no automobile parked in the space immediately behind the car in front of Canipe Amusement Company. It was in this blank space, or the number two position south of Canipe Amusement Company, that he saw what he thought to be skid marks and which appeared to have been made as a car pulled away from that position going north on Main Street.

Patrolman DOLLAHITE advised that he had his firearm in his hand at all times when he was in the 400 block of Main Street, and if the witnesses in Canipe Amusement Company reported seeing a Deputy running south on Main carrying a firearm, then undoubtedly these witnesses were referring to him, Patrolman DOLLAHITE.

TORRENCE N. LANDERS, Patrolman, Memphis Police Department, furnished the following information:

On the afternoon of April 4, 1968, he was a member of Mobile Tactical Unit Ten which consisted of 3 vehicles. Shortly prior to 6:00 PM, the unit stopped at the fire station located in the 400 block of S. Main Street at E. Butler Avenue. Doctor MARTIN LUTHER KING, JR., was staying at the Lorraine Motel at the time, and the motel was located approximately one block from the fire station. At approximately 5:50 PM on April 4, he heard a sharp sound which resembled a firearm being discharged, however, no one else paid any attention to the noise and he paid no further attention to it, however, a few moments later someone in the fire station announced that Doctor KING had been shot. He immediately left the fire station by the door on the northwest corner, ran along side the station to a retaining wall in back of the station which is also Mulberry Avenue. He and another officer jumped down onto Mulberry Street and ran to the Lorraine Motel where a group of Negroes were gathered on the walk beneath the balcony. There was a great deal of turmoil, and he asked one of the men present, from what direction the shot was fired. This individual pointed to the second floor windows of a rooming house on S. Main Street and said, "from over there."

Officer FLANDERS immediately left the motel on foot, ran across Mulberry Street, and leaping on an empty 55 gallon drum which was on the sidewalk, he boosted himself up onto the top of a retaining wall. He then searched the ground in back of the rooming house for footprints, however, he found none with the exception of 2 footprints near a cellar door. It had rained the previous day and the ground was soft and any footprints would have been easily noted. Just a few minutes later, he was joined in the search by a deputy sheriff, who was wearing a light colored helmet. LANDERS stated that he, himself, had no hat and he was wearing a light blue shirt, no tie, and dark blue trousers.

The ground level premises in the area were immediately searched, however, nothing was revealed or noted connected to this investigation. He also advised that in a matter of a few minutes the area was swarming with officers who sealed off the area in a effort to apprehend the individual responsible for shooting Doctor KING. He reiterated that he is positive if anyone had been across the street from the Lorraine Motel in the area behind the rooming house in the 400 block of S. Main Street, he would have been able to observe the individual's footprints, however, none were noted.
