Date 4/22/68

DONALD SEWELL, employee, 7-11 Store, Number 34, 6099 Millbranch, Southaven, Mississippi, after being advised of the identity of the interviewing Agent and the nature of the investigation, furnished the following information:

He stated that the 7-11 Store purchases its beer from the Service Beverage Company at Clarksdale, Mississippi.

He stated that the Schlitz delivery man appears at that store every Wednesday.

He advised after examining his stock of Schlitz 12 ounce pop top cans that he had two six packs in his refrigerator with the date March 15, 1968. He stated that this 7-11 Store uses Toreador paper sacks. He advised they do not utilize a number or size 20 paper sack.

He was displayed artist's conception drawings from Birmingham and Memphis, Tennessee.

SEWELL recalled that in the latter part of March, 1968, a white male approximately 5'9" to 5'10" in height, age 27 to 28 years of age, small frame, with a dark crew hair cut, wearing a gray suit with black pin stripes, glasses with black rims, purchased beer at that store.

SEWELL stated that he could not recall what brand of beer this individual bought or how he paid for it.

SEWELL stated that he recalled this incident as the authorities in Memphis, Tennessee, had put a curfew on beer and liquor sales and that at the same time this individual was in the checkout line, a highway patrolman came to the store and told him to cut off beer sales.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

According to SEWELL, the patrolman advised him that the individuals in line could make their purchases but no other individuals would be allowed to purchase beer. SEWELL estimated the time at 3:30 p.m.

He stated that he recalled this incident as after this white male purchased the beer, he, SEWELL, had to request him to leave the store as he was "cursing" due to the fact that the beer sales had been cut off.

SEWELL stated that he had to tell this individual to leave the store.

SEWELL again stated that he believes this incident took place during the latter part of March, 1968, when the City of Memphis first experienced racial problems.

SEWELL stated that he had never seen this individual before and has not seen him since. He stated he did not see which way he turned when he left the store nor did he observe an automobile.

He stated that this individual vaguely resembled the artist's conception drawing from Birmingham.

SEWELL stated that he doubted he could recognize this individual if he saw him again.

Located at the Southaven Minnow Shop, Highway 51, just south of the Tennessee State Line in Mississippi, were numerous six packs of Schlitz twelve-ounce beer in the pop-top can, held together in the six pack with a plastic ring, which beer was brewed by the date March 15, 1968. A can of this beer was obtained.

Also located in that minnow shop was a brown paper bag stamped "Homestead. Stubby. 20". One of the brown paper bags was obtained.

BILL and JANE MC LAUGHLIN and their son WILLIE MC LAUGHLIN, the proprietors of that minnow shop, were all interviewed in this matter, and composite photographs of GALT exhibited to them with negative results. Neither they nor LAWRENCE PARKER, a frequent customer to the minnow shop, could identify GALT by photograph, nor did they recall an individual driving a white Mustang with an Alabama license purchasing a six pack of twelve-ounce pop-top Schlitz beer from their minnow shop.

Mr. MC LAUGHLIN advised that GUS (last name unknown), a salesman for the Service Beverage Company of Clarksdale, Mississippi, delivers their beer to them, and that from his records, on April 1, 1968, he purchased 17 cases of twelve-ounce Schlitz pop-top beer; on April 10, eight cases; on April 11, six cases; and on April 15, 1968, two cases.

It was noted that the Southaven Minnow Shop is one-half mile south on Highway 51 from the Tennessee State Line in Mississippi and exactly three miles south of the Oliver Rexall Drug Store on Highway 51, Whitehaven, Memphis, Tennessee.

LEW HOUSTON, Manager of Service Beverage, a Schlitz Beer Distributor, Clarksdale, Mississippi, advised that all their beer is brewed and sent to them from their Schlitz Brewery in Longview, Texas.

HOUSTON said that GUS THOMPSON is their truck salesman to the Southaven, Mississippi, area and does deliver Schlitz beer to the Southaven Minnow Shop in Southaven, Mississippi.

HOUSTON said on March 15, 1968, his company received 2100 cases of the twelve-ounce pop-top Schlitz beer from their Longview, Texas, brewery and all of that beer has been distributed.

HOUSTON said that on March 20, 1968, his company was shipped 924 cases of that beer from Longview, Texas, and that he has 35 cases of that particular beer left, which was brewed at Longview on March 15, 1968, which date is recorded on the cans. HOUSTON said that this particular shipment was sent on March 15, 1968, from Longview to him.

HOUSTON said that therefore all Schlitz beer brewed at Longview, Texas, on March 15, 1968, was received by him on March 20, 1968, and that of the 924 cases received, he has 35 cases remaining. HOUSTON said that from his records, the Southaven Minnow Shop on March 21, 1968, received four cases of the twelve-ounce pop-top Schlitz beer; on March 28, 1968, five cases; and on March 30, 1968, twelve cases. HOUSTON said that that beer received at the Southaven Minnow Shop would have been a portion of the beer brewed in Longview, Texas, on March 15, 1968, and received by him in Clarksdale on March 20, 1968.

By communication dated April 17, 1968, the following items were forwarded to the FBI Laboratory, Washington, D.C., by the Jackson FBI Office:

One empty Schlitz beer can, 12-ounce size, from Southaven Minnow Shop, Southaven, Mississippi;

One brown paper bag from Southaven Minnow Shop, Southaven, Mississippi.

By communication dated April 24, 1968, the FBI Laboratory, Washington, D.C., furnished the following information:

Specimens received 4/19/68

K169 Empty Schlitz beer can, 12-ounce size, from Southaven
Minnow Shop

K170 Brown paper bag from Southaven Minnow Shop

Results of examination:

Marks appearing in the number impressions on the bottoms of K169 and the previously submitted Q53 can of beer were identified as having been made by the same number dies. The marks on the Q52 can of beer were not identified with K169 or Q53, possibly because the marks were not so deeply or completely impressed in Q52.

The K170 paper bag was found to be similar in all observable characteristics to the Q55 paper bag which was previously submitted.

TO : SAC (157-10673)

FROM : SA STEPHEN M. CALLENDER

SUBJECT: MURKIN

DATE: 5/3/68

Re Memo of SA REED W. JENSEN 4/23/68 (serial 478), which relates to securing a mailing list covering Maritime industries in New Orleans.

On 4/30/68 Mr. MYLE, who is in charge of the Mailing Room for the New Orleans Port Authority, advised that his mailing list includes all steamship companies, freight forwarders, union members, barge lines, etc.

He would estimate that there would be possibly as many as three to four thousand persons on this mailing list. He stated there would be no cost in supplying to this Office the tabs containing the names and addresses of the individuals and companies.

Mr. RALPH HAY, of the Mailers and Printers, Inc., which places the tabs containing the names and addresses on the material, was contacted and related that the cost of putting these tabs on our IO's would be no more than \$10 per thousand. He could not give an exact cost on this.

On 4/30/68 Mr. S. GIALLANZA, of the New Orleans Steamship Association advises that he has a mailing list of approximately 40 steamship companies belonging to his association. He said he would make available this list to this Office for our use.

On 5/1/68 this list was received by SA CALLENDER and is attached to this memo.

On 4/30/68 inquiry was made at the Food and Drug Division of the State of Louisiana, Department of Health, Room 825, 325 Loyola Avenue. Mr. RONALD HINGLE, who is a food and drug officer, stated that his agency only has addressograph plates for about 40 per cent of all the bakeries and confectionary

outlets in the State of Louisiana. He stated the list of agencies maintained are only those who, in the operation of their business, in some way are engaged in the wholesale end of the business.

He said his agency does not maintain a list of those bakeries who are engaged in strictly sales, but that such a list of retail bakeries could be located in the Health Department for each parish in Louisiana. He stated that as far as he knew his agency would cooperate if need be in addressing any identification orders on the addressograph plates and that if this was to be the case, we should contact Mr. LEO W. SPATH, who is director of the Food and Drug Division of the Louisiana State Department of Health.

As a result of the above, and because we do have a list of addresses for barber shops in Louisiana, the request has been submitted to the Bureau to furnish us with an additional 8,000 IO's along with Bureau permission to circularize barber shops, bakeries and individuals and companies engaged in business through the Port of New Orleans.

On 4/20/68 HERMAN HASICH telephonically contacted the office and advised that while in the Chillicothe Reformatory in 1944-1945, he worked with an individual he thought was possibly RAY.

Investigation reflects that RAY never incarcerated at Chillicothe during this period of time. However, HASICH was telephonically contacted on 4/23 and appointment set up the following morning to meet HASICH at his residence, 2436 Music. Later on the evening of 4/23, Hasich's brother telephonically contacted the office and desired captioned Agent to get his brother out of jail. Hasich arrested by NOPD for Drunk and Disorderly. No such action taken. HASICH telephonically contacted the writer again on 4/25 stating that he desired the FBI to furnish him with a new hearing aid. HASICH was firmly but politely advised to the contrary. Further that a check of the records reflected that RAY not in jail with HASICH and that no further contact would be had with him.

At about 10:15 p.m., 5/2/68, Mr. CALVIN PLYLER, Bartow, W. Va., telephonically advised SA GEORGE A. PATTERSON that on 4/22/68 two white males in a 1961 or 1962 white Chevrolet Impala bearing Louisiana license, number unknown, purchased gas and tires in the amount of \$42.38 at PLYLER's Gulf Station in Bartow, using Gulf Credit Card # 13 12 68 15 52 in the name of S. G. STEINER, address not recalled in Louisiana. One of the men who was wearing cowboy hat and cowboy boots signed the purchase slip with the name, JAMES HAMMONS. He stated he was from Oklahoma and had just arrived in the area to work with a core drilling outfit. PLYLER discovered that HAMMONS left the area immediately after the purchase, and there are no drillers in the area. Also, this credit card had been cancelled about one week prior to 4/22/68.

On 5/2/68, PLYLER read in a newspaper that JAMES EARL RAY had an associate from New Orleans, La., named STEIN and similarities in names, STEIN and STEINER, caused him to conclude that HAMMONS may have been RAY. He could not recall descriptions of the man with HAMMONS, other than he was a white male with a "fat face." PLYLER said he recorded license number of the Chevrolet on the purchase slip, but no longer has record of the number as the slip has been forwarded to Gulf Oil Company Headquarters in Philadelphia, Pa. PLYLER also advised that information that the card had been cancelled came from Gulf headquarters in Houston, Texas.

The Bureau has instructed that all Offices having law enforcement agencies in their territories which maintain unidentified latent fingerprints in connection with matters under their jurisdiction, should immediately contact these agencies and request that the fingerprints of Subject JAMES EARL RAY, as set forth on the IO, be compared with latents obtained since his escape from Missouri State Penitentiary on 4/23/67.

This is for the purpose of possibly establishing RAY's past whereabouts and source of funds.

If not already done, each SRA should determine if there is any appropriate law enforcement agency in their RA territories which would meet the above criteria. If so, these law enforcement agencies should be contacted in line with Bureau instructions.
