Re: Telephone call to Springfield from Inspector THOMAS
 E. BISHOP, SOG, 4/24/68.

MARGRET CARMICHAEL STRADER, wife of ROBERT HOOD STRADER, was contacted at the residence of her father, E. P. CARMICHAEL, Route #1, Lexington, Illinois, on 4/30/68. Mrs. STRADER advised she and her husband were at the CARMICHAEL residence the weekend of 4/20-22/68. She advised that on the night of 4/21/68 or early morning of 4/22/68 her husband was awakened by the dogs barking outside the farm residence which is located up a farm lane one-half mile from the main rural road. She advised her husband and her father, E. P. CARMICHAEL, upon making a search of the outside area, found that the STRADER's 1967 Oldsmobile Delta "88", cream colored with black vinyl top, had been broken into. Mrs. STRADER advised nothing was missing from the car and no one was located or seen in the area. Mrs. STRADER advised her husband left alone from the CARMICHAEL residence on the morning of 4/22/68 en route Detroit, Michigan.

Mrs. STRADER advised that in a short period of time, Mr. STRADER returned to the CARMICHAEL residence. Upon his return,

STRADER stated he had found a note in the recessed area of the speedometer of his car. (Mrs. STRADER pointed out that the speedometer has been broken; therefore, her husband was not normally attracted to the speedometer). She related this note was made up of words cut from newspapers and pasted on the back of a pocket calender (unable to describe the calendar). Mrs. STRADER said the note read in substance, "If you go to the police or the FBI you will be killed." Mrs. STRADER advised her husband, after returning with the note, proceeded en route Detroit, Michigan, and after a short period of time had elapsed, he telephonically contacted her, stating he was at the Holiday Inn, Bloomington, Illinois. Mrs. STRADER stated her husband informed her that upon reaching the road one mile north of the CARMICHAEL residence, and Route 66, he saw a 1966 or 1967 Chevrolet, tan in color, no license information, with two men in the car, parked along the road. Mrs. STRADER stated her husband told her that this car followed him en route Bloomington. However, they did not turn into the Holiday Inn when he did. Mrs. STRADER advised her husband then told her he was proceeding on to Detroit, Michigan,

Mrs. STRADER advised upon discussing above with her parents, her mother, Mrs. E. P. CARMICHAEL, stated she had noticed a late model, tan car, making several trips on the main rural road near the CARMICHAEL residence on the early morning of 4/22/68.

Mrs. STRADER advised that on the night of 4/22/68 her husband telephonically contacted her, but he would not disclose his location as he stated he was afraid to mention his location over the phone. She related her husband told her that he stopped at a rest stop area after leaving Indianapolis, Indiana. Upon leaving his car and walking the direction of the men's restroom, he saw a tan automobile occupied by two men driving very slow. He stated at this time the rider in this automobile fired a shot at him. STRADER told his wife the shot just missed his ear and he, STRADER, hit the ground where he laid as if he had been hit. STRADER stated that the tan car disappeared and he has not seen it since.

Mrs. STRADER stated her husband believes this action was due to his being in the men's restroom at the Gulf Truck Stop, Lebanon, Tennessee, on 3/27/68, where he allegedly overheard five men planning to kill Dr. MARTIN LUTHER KING, JR. Mrs. STRADER stated her husband told her that one of the men in the restroom was RAY, whom he recognized after RAY's photograph was published. She stated he further informed her that he would be able to recognize the other men he saw in the restroom. Mrs. STRADER advised she recalls being at the Gulf Truck Stop at Lebanon, Tennessee, on 3/29/68. She stated upon their leaving the truck stop, her husband did not mention to her anything of hearing of the plan to kill KING. She stated she does recall her

husband remarked, "If King goes back to Memphis he will be killed." Mrs. STRADER advised her husband did say he wanted to see CARL STERN of NBC, Washington, D.C, whom he knew but did not state why he desired to see STERN.

Mrs. STRADER advised her husband returned to the CARMICHAEL residence at Lexington, Illinois, on Friday, 4/26/68, where he stayed until the morning of Saturday, 4/27/68, at which time STRADER and his mother-in-law had an argument over Mrs. STRADER's son by a previous marriage. Mrs. CARMICHAEL told STRADER to leave, which he did.

Mrs. STRADER stated she told her husband she had contacted Mr. DONALD T. SULLIVAN, Assistant Special Agent in Charge, Springfield Office of the FBI, and that he, STRADER, should call Mr. SULLIVAN and set up an appointment; that Mr. SULLIVAN had informed her he would make an appointment to meet STRADER at any location or at any time when STRADER was available. Mrs. STRADER stated her husband told her he was afraid to attempt to meet with FBI Agents, as he felt he was being followed. Mrs. STRADER stated she was unable to convince her husband to make arrangements for a meeting with the FBI. She advised her husband is very much interested in obtaining protection.

Mrs. STRADER advised of some of her husband's activities, which are not concerning the murder of Dr. KING. She advised that she does not know all of her husband's business and that she is sure he has not told her all he knows.

Mrs. STRADER advised her husband is acquainted with RAYMOND STARNES of Baton Rouge, Louisiana, who told STRADER in the summer of 1967 that there were several businessmen in the area of Baton Rouge, Louisiana, who were taking up a collection to obtain money to have KING assassinated. Mrs. STRADER advised her husband is well acquainted in the Baton Rouge and Denham Springs, Louisiana, area. She stated he was, in the summer of 1967, connected with the E.C. Donnell Construction Company of Denham Springs, La., which was doing construction work for the telephone company. She related E. C. DONNELL lives in Dallas, Texas. She related DONNELL had an equipment rental business and while STRADER and DONNELL were attempting to rent the equipment they were trying to gain financing for a recreational park in Louisiana similar to "Six Flags Over Texas." She related that some way they came in contact with a CHARLES and LILLIAN SHAPIRO (ph) of Miami, Florida, who advised they could finance same but were not interested, in a recreational park but would be interested in financing a horse racing track. Mrs. STRADER advised Mr. DONNELL obtained RAYMOND STARNES to help locate his land which could be used as a horse racing park. He also obtained sanction of the sheriff, (FNU) IRWIN and SAM BOSKO, both of Slidell, La; however, "things got out of hand" and an article

SI 44-561

appeared in "Life" magazine, and the Governor of Louisiana placed a stop to the entire operation.

Mrs. STRADER advised her husband is in telephonic contact with her daily but declines to furnish information as to his location over the telephone, as he is very afraid. Mrs. STRADER was advised to inform her husband if he has any information he desires to furnish to the FBI, he can contact any FBI Field Office, who will then arrange for an interview with him.

For information receiving offices, Inspector THOMAS E. BISHOP, SOG, on 4-24-68 advised he had received a telephone call from CARL STERN, Washington, D. C., NBC Office, who told him that a man (FNU) STRADER, whom he had met on one occasion while covering a story in the South, had, on 4-24-68, telephoned him from someplace around Toledo, Ohio. STRADER informed him he was en route to the home of his wife's parents in Lexington, Illinois. He then told STERN a "fantastic tale" about him, STRADER, overhearing a conversation on 3-29-68 in Lebanon, Tennessee, concerning the killing of MARTIN LUTHER KING. Apparently STRADER was of the impression that the people involved in the conversation knew he had overheard them, and they had taken his license number. STRADER believed there had been at least one shot fired at him since that time. STRADER informed STERN he had vital information concerning KING's murder and called STERN for advice as to what he should do. STERN advised STRADER to call the Springfield Office of the FBI and they would make arrangements to have someone meet him at his convenience in their territory. According to Mr. STERN, BISHOP stated that STRADER is afraid to approach any office and may desire to have someone meet him at a location other than an office.

The files of the Springfield Office contain the following references to ROBERT STRADER, however, it cannot be determined at this point whether or not they refer to ROBERT HOOD STRADER of Lexington, Illinois:

On 11-19-65 ROBERT STRADER, 6'1" - 2", 175 lbs., employed cutting timber near Edwardsville, Illinois, and in construction work at Southern Illinois University, Edwardsville, Illinois, was considered a suspect in the robbery of the Hamel State Bank, Bufile 91-20560, Sifile 91-2642.

SI 44-561

In 10-66 prosecution of ROBERT H. STRADER was declined in an ITSMV matter which involved a rental car. ROBERT H. STRADER had represented himself as an employee of General Telephone Co., of Illinois, registering at two motels at Bloomington, Illinois, and had skipped without properly checking out and without paying for his room. SHRADER could not be located at that time but was described as a white, male, 35 - 40, 5'10" - 6', 150 lbs., dark brown hair, medium build and medium complexion. He was subject of Sifile 26-29006.

One ROBERT HOOD STRADER was subject of an ITSMV; UFAP - AUTO THEFT case in which Milwaukee was 00,9/63, Bufile 26-316708, Sifile 26-23403. This individual had a rather extensive arrest record dating back to 11/48 at which time he was AWOL and which involved record of arrest for issuing worthless checks, mail fraud, investigation of forgery, and defrauding an innkeeper. ROBERT H. STRADER, whose FBI No. was given as 244 633 A, was twice a patient at hospitals, one as a patient at the Patton State Hospital concerning which fingerprints were furnished by the State Bureau of Identification, Sacramento, California, on 8-3-60 and subsequently again on 9-21-60, was a patient at Atascadero State Hospital, California. That individual was described as white, male, approximately 6'3", 190 lbs., fair complexion, hazel eyes, brown hair and was considered to have suicidal tendencies.

A check through NCIC on 4-30-68 indicated ROBERT STRADER was not currently wanted.

RE: JOSEPH CLAYTON MONTAGNE

The following investigation was conducted by
Special Agent JOHN C. McCLUNEY:

AT MONTGOMERY, ALABAMA.

On April 20, 1968, LUCILLE HASSEY, 130 West Patton Street, reported as follows:

RAYMOND M. HILBURN is known to her and her husband. He has visited them but has never actually resided at their address. A brother of HILBURN was formerly married to a daughter of HASSEY which brother was killed in the armed services.

HILBURN visited the HASSEYS for one day on April 17, 1968, but left on April 18, 1968. While there he mentioned that he would probably seek employment at Continental Gin Company at Prattville, Alabama, the following week. She does not know his present whereabouts or any future address for him. He has no relatives or known contacts at Montgomery, Alabama, but only at Chicago, Illinois.

AT PRATTVILLE, ALABAMA.

On April 22, 1968, ROY GOLDEN, Continental Gin Company, reported the following from his records:

RAYMOND M. HILBURN, 150 West Patton Street, Montgomery, Alabama, was employed from April 10-17, 1968, in the machine shop. His last known employment was Bill's Standard Station, 3266 West Devon Avenue, Chicago, Illinois. He resigned and left no forwarding address.

AT MONTGOMERY, ALABAMA.

On April 24, 1968, RAYMOND M. HILBURN was interviewed at 130 West Patton Street, at which time he reported as follows:

On April 19, 1968, he traveled to New Orleans, Louisiana, in his white Corvair, Illinois license DG3109. South of Mobile, Alabama, he picked up a hitchhiker, JOSEPH

(LAST NAME UNKNOWN). At Pascagoula, Mississippi, they were stopped by an officer of the police department. JOSEPH identified himself to the officer who said he resembled ERIC STARVO GALT.

On April 23, 1968, HILBURN left JOSEPH at New Orleans, Louisiana. JOSEPH was employed part-time as a bartender and was residing at the Music Box Lounge, 1900 Canal Street, New Orleans, Louisiana.

On April 26, 1968, RAYMOND M. HILBURN, 130 West Patton Street, was re-interviewed and reported as follows:

When he and JOSEPH (LAST NAME UNKNOWN) were stopped by the policeman at Pascagoula, Mississippi, on April 19, 1968, the policeman asked JOSEPH if he knew who he looked like. JOSEPH answered, "GALT" and said he had been stopped before in the vicinity of Mobile, Alabama. JOSEPH identified himself with a card of a merchant seaman.

HILBURN does not believe JOSEPH appears identical with subject JAMES EARL RAY.

At New Orleans, Louisiana, HILBURN left JOSEPH at the Music Box Lounge on Canal Street. JOSEPH was staying in an old school bus parked at the rear of the Music Box Lounge. The bus was owned by a white male about 60. That man had a wife about 20. The wife wore bluejeans, cowboy boots and appeared to be retarded mentally. This couple had a room at the rear of the lounge.

JOSEPH was a "wino". He did work part-time as a bartender at the lounge. He was working as a bartender when last seen by HILBURN at 4:30 a.m., April 21, 1968.

JOSEPH is known to DALE HALEY, white male, about 28, who resides at the hotel located next door to the Music Box Lounge.

HILBURN furnished the following description of JOSEPH:

AT LILLIAN, ALABAMA

The following investigation was conducted May 2, 1968, by SA ALLISON A. CATLIN:

Telephone book covering Lillian, Alabama, a small community, reflects that telephone number 962-4761 is listed to CHARLIE SHOWERS of Lillian.

CHARLIE SHOWERS, a Negro male, septic tank installer, advised that he has telephone number 962-4761 and has had this number for several years. He recalls receiving a long distance call during the early morning hours during December 1967, which call was from his son in some place in Texas. He did not recall the point of origin of the call. He said his son was at that time en route home from California while serving in the military. SHOWERS was shown photographs of JAMES EARL RAY but could not identify photographs as of anyone he had seen and advised he has no information concerning anyone by that name or aliases used.

Mrs. CHARLIE SHOWERS advised she recalls receiving two long distance calls from out of the State of Alabama during December 1967 and both were from her son, who was in the military service and en route home from California. She could furnish no information concerning subject RAY.

R. J. GLOVER and SONNY TAYLOR met on April 20, 1968, at the Natchez, Mississippi home of GLOVER and discussed the possibility of holding a meeting of the SDG in the near future. GLOVER said he hoped to be able to get the men together soon as there was going to be violence in the area this summer and the SDG must be ready. GLOVER said he had been working twelve hours a day and had little time at the present.

TAYLOR reported to GLOVER that he had talked to JAMES F. LEE on April ¹⁹~~22~~, 1968, and LEE seemed a little sour on the SDG. It was TAYLOR'S impression that LEE thought the SDG was doing nothing and had FBI informants in it.

KENNETH NORMAN HEAD and SONNY TAYLOR met in Vidalia, Louisiana on April 19, 1968, and HEAD stated he had been working out of town most of the time. HEAD indicated an interest in getting an active klan unit ready in Ferriday and Vidalia, Louisiana, so that the unit would be ready to fight the Negroes when the Negroes revolt this summer. HEAD said he had a carbine and had taught his wife to use it so he was ready for trouble.

Source stated he has no information on JAMES EARL RAY and would not expect the local minutemen to know anything about RAY as the local minutemen have no contact with the national organization.

ReButel 4/25/68 to El Paso, Houston, San Antonio, advising that each office should determine from telephone company long distance calls placed at each public telephone on Interstate 10 over which subject and CHARLES STEIN allegedly traveled 12/15-17/67.

Today Mr. JERRY SLAUGHTER, SAC Contact, Southwestern Bell Telephone Company, furnished the enclosed list of telephone calls made for the above period from coin telephones within the Houston Division, on Interstate 10 and Route 90 to Louisiana. These numbers were obtained through computer equipment programmed by the telephone company. It is noted that there are approximately 300 telephone calls.

New Orleans should have each call checked out.
