Re Atlanta airtel to the Director and all Offices 4/25/68, which requested that all Offices review any car recoveries within their respective Divisions of cars stolen from the State of Georgia subsequent to 3/23/68, where the transporter is unknown, to determine if JAMES EARL RAY might have possibly been involved.

A memo was sent to all Agents requesting that they advise the writer by routing slip of any ITSMV cases which would fit the above categories. These agents have advised they have had no such ITSMV cases.

A review of ITSMV cases opened in this Office since 3/23/68 in which the car was recovered in Louisiana and bore Georgia plates and the subject was unknown, has been conducted. However, there is no indication in these cases which would tend to indicate that JAMES EARL RAY could be considered as a suspect.

Re memo of SA JOHN E. MC DANIELS dated 5/17/68 (serial 977).

The following investigation was conducted by SA JOHN A. PFEIFER on 5/21/68.

At Alexandria, Louisiana.

Mr. RICHARD V. BURNES, Attorney at Law, with offices at 611 Murray Street and residence at 1250 Dorchester Arms, Apartment 110, who on 5/20/68 advised agent that he did not wish any law enforcement officer to speak to EUGENE L. FOREMAN, JR., who is his client, was contacted and requested to permit agent to interview FOREMAN concerning information received by the Bureau from an undisclosed source that FOREMAN may have some information concerning the shooting of Reverend MARTIN LUTHER KING, JR. The nature of the information was not disclosed to Mr. BURNES, who agreed to consult FOREMAN initially in private at the Rapides Parish Jail, where he is incarcerated for passing a worthless check and resisting arrest on the check charge, to determine if he has any such information, if he is implicated personally in the shooting or any conspiracy related to the shooting, and if he wishes to make any statement at all to the agent. Agent accompanied Mr. BURNES to the Rapides Parish Jail, where FOREMAN had a conference with Mr. BURNES, at the conclusion of which, Mr. BURNES advised that FOREMAN denied knowing anything about the shooting or any JAMES EARL RAY. Mr. BURNES speculated that the Bureau's source of information was either FOREMAN's girl friend or a bar tender who may have heard FOREMAN telling his girl friend one of his "bull stories." He advised that the information the Bureau most likely had was that RAY was presently in the Rapides Parish Jail, a false story FOREMAN may have told his girl friend. Agent did not disclose the source of information or the nature of the information, and Mr. BURNES advised FOREMAN will "think over" his decision not to talk to agent, and if FOREMAN agrees to speak to agent, he, BURNES, will notify the agent, permit the interview, and the interview may take place between only FOREMAN and the agent, which was in accordance with agent's request concerning the nature of the interview. It was further agreed that agent would ask no questions of FOREMAN concerning any other matter, particularly the large number of local and Federal charges against FOREMAN presently under investigation or for which he presently is awaiting disposition.

Prior to Mr. BURNES's conference with FOREMAN, Mr. BURNES advised that he may have some information concerning JAMES EARL RAY. He advised that he had recently come from New Orleans to Alexandria, and while in New Orleans had served as recently as about February, 1968 on the staff of District Attorney JAMES GARRISON as an Assistant District Attorney. He had served for about 3 1/2 years in that capacity. A few weeks ago, in a conversation with one of the present Assistant District Attorneys of Jefferson Parish, NUMA BERTEL, he was advised by BERTEL that JAMES EARL RAY was supposed to have been one of several professional white and Negro burglars that allegedly had a meeting lasting two or three days at Biloxi, Mississippi in about the first week of December, 1967. From the tone of the conversation with BERTEL, he could not be sure if BERTEL were "kidding" him or not, for they frequently joked with each other, and BERTEL did not describe further what he was talking about except to mention that RAY had been described in one of several statements given to Captain NORRIS of the New Orleans PD by ANN FOSTER, girl friend of GERALD NORRIS (no relation to Captain NORRIS).

As background on GERALD NORRIS and ANN FOSTER, he advised that ANN FOSTER had been arrested in New Orleans by the New Orleans PD or SO about 12/7/68, at which time she gave Captain NORRIS several statements, indicating that she and GERALD NORRIS had moved from Mobile, Alabama to Biloxi, Mississippi, where they had held a meeting for two or three days with several white and at least one Negro burglar, possibly called BIG BEN, and there was a sum of \$76,000 present at the meeting. He could not recall the nature of the meeting described by FOSTER, for he himself did not read any of FOSTER's statements and received his knowledge of their contents second-hand. FOSTER and NORRIS then drove to New Orleans, where FOSTER was arrested for narcotics violations on about 12/7/68. A few days later while out on bond, FOSTER tried to line him, BURNES, up by telephone for an after-hours meeting in a motel, which he declined, and subsequent arrangements were made for her to meet him at his office. At that time, the office was "bugged," and another Assistant District Attorney sat in for him, at which time FOSTER offered a bribe of \$5,000 to delay the case and \$10,000 to nolle pros the case. She was charged with public bribery and convicted on about 2/28/68.

The reason he gave credence to BERTEL's remarks was that FOSTER was married to a California doctor at that time and appeared to have the capacity to lay her hands on a large amount of money, for she indicated in the bribe offers that \$50,000 was her limit.

#### LEAD

#### ATNEW ORLEANS, LA.

Contact Captain NORRIS at New Orleans PD to determine basis of above allegation. For information of agent handling MURKIN, EUGENE L. FOREMAN, JR. is one of the subjects of NO 26-38336, captioned "EUGENE L. FOREMAN, JR., aka; Unsub(1), ITSMV, 00: Mobile," and is

the subject of NO 52-New, captioned "EUGENE L. FOREMAN, JR., aka, TGP, OO:NO." The first case concerns four cases of rental cars, two rented in Biloxi, Mississippi and two rented at Pensacola, Florida. Each incident took place in the first week of February, 1968, and three of the cars are unlocated at present. He was arrested on 2/8/68 at Alexandria by the local authorities based upon local warrants issued at Biloxi, Mississippi on the two cases of leased cars there. The Bureau interest is that the located car from Biloxi was found at Mobile, Alabama, where FOREMAN had been staying. FOREMAN has been in jail from 2/8/68 until about 5/13/68, at which time he made bond, went to New Orleans, stole a U. S. Government automobile at the U. S. Custom House, and drove it ~~xxxxxx~~ to Alexandria, where he was arrested in it on 5/17/68 while passing worthless checks.

FOREMAN's attorney is attempting to win all of the above local and Federal cases by claiming FOREMAN is mentally incompetent or insane, based upon his alleged inability to recall events surrounding the above incidents and his use of his true name and numerous true name identification cards in leasing the vehicles, passing worthless checks, etc.

MURKIN

You should make appropriate inquiry at banks to determine identity of individuals making a withdrawal of \$10,000 and over in cash, continuing this inquiry for period of April, 1968. The possibility exists that subject was a hired assassin and a pay-off could have taken place shortly before or after the murder of Martin Luther King, Jr.

You should bear in mind that in many instances requests for large withdrawals are brought to the attention of one of the officials of the bank, and this official could possibly provide the initial information desired.

Immediately interview Johnson for details and take whatever action is appropriate based upon results of the interview. It appears from Johnson's letter, that he is possibly mentally disturbed.

PUBLICITY ON REWARDS OFFERED

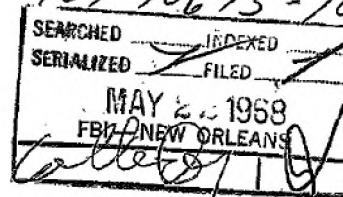

Each Special Agent in Charge and Legal Attache is instructed to promptly remind their established cooperative news sources, in a discreet and tactful manner, of the existence of substantial reward money for information leading to the arrest and conviction of the killer of Dr. Martin Luther King. This money now totals at least \$100,000. The FBI should not, however, be publicized as the source of this reminder.

While the Bureau's continuing policy is to encourage the public to furnish information to law enforcement authorities as a matter of good citizenship, without expectation of financial reward, it is fully recognized that monetary rewards are often necessary to motivate some individuals. The knowledge of the existence of the substantial rewards available in the Murkin case could possibly prove of value in the solution of this major investigation.

ReBulet 5/20/68 captioned as above.

I telephonically contacted the Bureau and talked to JOE KELLY, inquiring as to who had offered the rewards. He advised they read an item in the Commercial Appeal newspaper, Memphis, and the following was a breakdown of the rewards:

Commercial Appeal newspaper, \$25,000

Scripps Howard newspaper, \$25,000

Businessmen and citizens of Memphis, Tenn., \$7,000

The City Council of Memphis has underwritten rewards up to \$100,000

It was pointed out to KELLY that this office had no information concerning any rewards being offered and had seen nothing in the newspaper. He stated this had come out of Crime Records and referred me to Supv. HEALY.

The above information was checked with Supv. HEALY and he advised there was no reason why, in contacting any of our sources, we could not advise them of the above info, attributing it to the Commercial Appeal newspaper.

DETAILS:

This investigation is predicated on the murder of Dr. MARTIN LUTHER KING, April 4, 1968 at Memphis, Tennessee.

On April 5, 1968 at approximately 12:05 AM, J.W. FARRIS, a Yellow Cab Company driver, Memphis, Tennessee, advised the FBI that he made a pickup of a white male at the William Len Hotel. FARRIS was directed to go in the first instance to West Memphis, Arkansas. Shortly thereafter he was re-directed by his passenger to drive to the Memphis Municipal Airport. Upon arriving at the airport, FARRIS was told by his passenger to wait while the passenger checked flight departure schedules. According to FARRIS, this passenger also made an inspection of the inside and immediate area outside the airport terminal. FARRIS then was directed by his passenger to return to the William Len Hotel and there to wait for the passenger. Shortly thereafter the passenger returned accompanied by another white male and FARRIS was directed to take them to the Memphis Municipal Airport.

Investigation by the FBI determined the following:

Records of the William Len Hotel revealed that a VINCENT WALKER, 449 Steiner Street, San Francisco and a LAWRENCE RAND, or REND, 2532 Polk, Kansas City, Kansas, checked into that hotel at 2:38 PM, April 4, 1968 and checked out at approximately 12:10 AM, April 5, 1968.

Investigation by the FBI has determined that WALKER and RAND, or REND, were identical to the individuals that Yellow Cab Driver J.W. FARRIS transported to the Memphis Municipal Airport.

Inquiry at Delta Airlines, Memphis, determined that two individuals utilizing the names W. DAVIS and B. CHIDLAW departed Memphis at 1:47 AM, April 5, 1968 via Delta Airlines enroute, Houston, Texas. These individuals had no reservations for that flight.

Mr. GLEN PARNEILL, Reservations Manager, Delta Airlines, Houston, Texas on April 5, 1968 advised that the names of W. DAVIS and B. CHIDLAW had been computered into Delta Airlines records at 1:55 PM, April 4, 1968 which indicates their tickets were purchased shortly before that time and they were booked as a party of two. They traveled on Flight 157 non-stop, Memphis to Houston.

They departed Memphis at 1:30 AM, April 5, 1968 and arrived at 2:50 AM, April 5, 1968. Their names were added to the manifest and no addresses were listed.

On April 5, 1968 Miss SUSAN KRAUSE, one of two stewardesses aboard Delta Flight No. 157, Memphis to Houston, referred to above, advised as follows. She stated that her flight was late in arriving at Memphis. She had gone to the operations division to pick up forms and upon her return to the plane she went about her normal business. Miss KRAUSE advised that the names of passengers aboard the plane are not taken and the only thing she looks for is the envelope of the passenger that contains the ticket showing the passenger's class of travel. Because of the late hour of the departure of the flight from Memphis, the lights inside the cabin were turned down for the convenience of the majority of the passengers and she was not able to get a close look at anyone and was unable to recall the passengers W. DAVIS and B. CHIDLAW.

On April 5, 1968, VICKIE MC LUCAS, Delta stewardess for Delta Flight 157, Memphis to Houston, Texas, referred to above, advised as follows: While Flight 157 was at the Memphis Airport several passengers came aboard and the lights were turned down low for the convenience of other passengers; consequently, she did not pay any specific attention to any of the passengers coming aboard. Miss LUCAS advised that she was unable to recall passengers named W. DAVIS and B. CHIDLAW as members of the passenger list, Flight 157, Memphis to Houston, April 5, 1968.

On April 8, 1968 JIM HAYDEN, Limousine Service, which service handles the Houston Municipal Airport, advised that his records disclose LUPY DELAO who is currently working for Delta Airlines at the Houston Municipal Airport was on duty at the airport when the Delta Flight arrived at 2:50 AM and his records disclosed that DELAO had six persons whom he transported in his limousine to downtown Houston, which persons presumably were from the Delta flight mentioned above.

LUPY DELAO, 1815 Louis, telephone CA 8-6119 advised that he did in fact transport passengers from the Delta flight which arrived at 2:50 AM and he recalled that there were six adult white males who requested transportation in his limousine. He stated he dropped three of the men at the Sheraton Lincoln Hotel in downtown Houston, two of the men were dropped at

HO 44-1509

the Rice Hotel in downtown Houston and one man was dropped at the Downtowner Motel in Houston, Texas. DELAO advised that the two men he dropped at the Rice Hotel indicated at first that they intended to be dropped at the Downtowner Motel however when getting in the vicinity of the Rice Hotel changed their minds and asked to be dropped off at the Rice Hotel. DELAO stated that these two men had very little luggage and each one carried only a small handbag. DELAO stated he could not furnish any descriptive data regarding the two men he dropped off at the Rice Hotel and did not in fact know if they actually stayed at the Rice Hotel or one of the other hotels in the area. DELAO stated that he would have arrived at the Rice Hotel at approximately 3:30 AM as this is the amount of time it normally takes to drive to the Rice Hotel from the airport via the route he took.

On April 8, 1968, Mr. JOHNNY RAGLEY, Credit Manager, Rice Hotel, personally checked all available logical records in an effort to identify two individuals who may have checked in the Rice Hotel approximately 3:30 AM on April 5, 1968. Further all available records were checked for the following names:

JOHN WILLIARD  
VINCENT WALKER  
LAWRENCE RAND or REND  
W. DAVIS  
E. CHIDLAW

No records were located which could possibly be identified with the two individuals possibly identical with the suspects who reportedly flew from Memphis to Houston, Texas on the morning of April 5, 1968.

Similar record checks were made at the Milby Hotel which is located across the street from the Rice Hotel and at the Downtowner Motel also in the vicinity of the Rice Hotel and the results of the checks were negative.

Records of the Houston Police Department, Harris County Sheriff's Office, Houston Credit Bureau and Houston street and telephone directories checked for any information for the above listed individuals were negative.

She stated that the card had been completed by herself and merely shows that a man named JOHN WILLARD appeared for four dancing lessons, three lessons being on a Wednesday and one on a Friday, month and date not indicated. Mrs. WEINSTEIN does recall that these lessons for JOHN WILLARD were given before her annual recital which is held in May, and to the best of her recollection this person took the dancing lessons during April, 1967. She stated she has no other record pertaining to a JOHN WILLARD and was unable to locate any record which could contain his signature or handwriting.

Her overall impression of JOHN WILLARD as best

she can recall was that he was not neat, lacking in personality and was an extremely poor dancer. She recalls him as being quiet and difficult to teach because he had poor balance. No one else at her studio at the present time would know him. She stated that it was possible that SHIRLEY CARROLL formerly a bookkeeper for Mrs. WEINSTEIN at the studio might have had contacts with JOHN WILLARD when he came for lessons and may have conversed with him. She stated that SHIRLEY CARROLL resides at an address in care of J.L. HOECK, Patton Road, Box 81A, Forest Hill, Maryland. Mrs. WEINSTEIN was shown photographs of ERIC GALT, also known as James Earl Ray, and she commented that the photograph of GALT with his eyes closed most closely resembled the JOHN WILLARD that she vaguely recalls. She stated the eyes drawn into the photograph do not resemble those of the man who took lessons from her. In addition the hair of the JOHN WILLARD that she knew was not as dark as that in the photograph and his complexion was olive, not fair.

During their very limited conversations WILLARD stated he worked "at NASA" and did not get off from work until 5:30 PM. He also stated that he was called back to work on overtime on occasion. She stated that he did not appear to be a highly educated man, definitely not the "engineering type". WILLARD had remarked to Mrs. WEINSTEIN that he went from work to his apartment or room, took a shower, changed clothes and then came for his dancing lesson. She recalled that he usually wore a white shirt and dark pants but on one or two occasions wore a suit. At no time did Mrs. WEINSTEIN observe a badge or identification tag with WILLARD's photograph on it as do all employees working at NASA possess. WILLARD had stated to Mrs. WEINSTEIN that he owned a record player and he once borrowed one of her records. He had mentioned that he had bought a record of Fred Astaire Dance Instructions which he said he purchased at the NASA Bay Shopping Center, Webster, Texas. Mrs. WEINSTEIN recalled that she told JOHN WILLARD that she would not dance with him while teaching him ballroom dancing as it was against her policy. On at least two occasions JOHN WILLARD brought with him a woman who acted as his partner while he took lessons. This woman was described as name "LOU", age in her 40s and definitely older than JOHN WILLARD, height 5'4", average build, dressed in ordinary cotton dresses, not slacks, with hair being dark with a reddish cast and had a poor personality. To the recollection of Mrs. WEINSTEIN, WILLARD's dancing partner supposedly worked as a waitress, cafe or establishment unknown.

According to Mrs. WEINSTEIN, WILLARD told her that he, after having taken this woman to a lesson or two, would not be able to bring her back with him because she worked too late and she wanted him to pick her up after work. Mrs. WEINSTEIN although not ever seeing WILLARD drive a car was confident that he had one but she was unable to describe it other than to say it must have been an older car. Although she is not certain she thinks that perhaps on the last time that she gave him a lesson WILLARD told her he was going to "visit his mother". She can recall no further information regarding JOHN WILLARD. Mrs. WEINSTEIN further furnished the following descriptive data concerning JOHN WILLARD:
