Mrs. MARIE LEE, 2001 Clara Street, Gretna, Louisiana, advised she recalls receiving a phone call from RITA STEIN at the Ivanhoe Lounge, New Orleans, Louisiana, where she was employed at that time.

Mrs. LEE stated that RITA called her to advise that her children and CHARLIE STEIN arrived back in California safely. She stated this was in relation to the trip taken by CHARLIE STEIN and JAMES EARL RAY in December, 1967.

Mrs. LEE also advised that when she moved from her residence on Burgundy Street, which she thought was some time in March, 1968, she gave her mother her telephone number to have moved from the Burgundy Street address to her mother's address at 1907½ Royal Street, New Orleans, Louisiana. She stated that the phone is still in her name and not her mother's.

ANTHONY CHARLES DE CARVELHO, 2006 Iowa Street, Kenner, Louisiana, telephone number 729-4479, advised that CHARLES STEIN, came to New Orleans the week before December 24, 1967. He advised sometime during this week, the exact date unrecalled, he found a note in his doorway from STEIN, which read, "Didn't find you at home, call me at MARIE's". He stated he immediately called MARIE LEE, STEIN's sister, and then travelled to her home on Burgundy Street, to see CHARLES STEIN, who he has known for twenty years, and is a very close friend.

He stated when he arrived at MARIE LEE's house, to see STEIN. STEIN was wearing a beard, and immediately began talking to him about his new philosophy, "Cosmic Philosophy", which involves believing in space ships, space people on earth, and attempts to get closer to the Creator. He stated they held several long discussions about this philosophy, and due to his curiosity, he kept interrupting and asked STEIN how STEIN got to New Orleans. STEIN stated "The Creator provided for him", and by this comment STEIN meant that he had travelled from Los Angeles to New Orleans with a man he identified as GALT. STEIN advised DE CARVELHO that GALT was travelling through New Orleans to go to Mississippi or Alabama on business, and dropped him off, and would pick him up on his way back to Los Angeles. DE CARVELHO advised that STEIN did not mention anything else about GALT's background, other than the fact that GALT paid for almost everything on the trip with the exception of several motel bills, that were paid for by STEIN. DE CARVELHO advised that STEIN had only about \$30.00 in his possession, and he offered to give STEIN a loan, but STEIN declined, stating that he was no longer interested in material wealth, only in the "Cosmic Philosophy".

STEIN advised DE CARVELHO that he was on the threshold of converting GALT to the "Cosmic Philosophy", but he had to overcome a mental block that GALT possessed, and he hoped to complete the conversion on the return trip to Los Angeles.

STEIN advised him that GALT was a poor driver, and on one occasion he fell asleep at the wheel, ran off the road, and almost ran off a cliff. STEIN advised DE CARVELHO there was

no damage to the car, and unknown individuals pulled the car back onto the road, and they proceeded with their trip.

DE CARVELHO advised that STEIN remained in New Orleans only two days, and that he spent most of his time in the company of STEIN, as they were very close friends. He stated that GALT never came into MARIE LEE's house, where STEIN was staying, and STEIN advised that GALT had gone somewhere about his business. DE CARVELHO stated this statement was STEIN's way of saying that he was not interested in talking about GALT, and possibly did not know where GALT was located.

DE CARVELHO advised the day that STEIN left New Orleans, he was at MARIE LEE's house. When he arrived, an unknown individual was standing on the porch and as he approached the porch, STEIN stated to him, "This is GALT". He stated that this was very strange to him, as STEIN never referred to an individual by his last name. DE CARVELHO advised he held no conversation with GALT, and helped STEIN pack the trunk of the car. He advised that STEIN carried luggage for RITA STEIN's two children to the car, but they did not fit in the trunk of the car, due to some personal property of GALT's being located in the trunk. He advised this personal property of GALT's appeared to be a surveyor's transit, wrapped in a leather case, with a zipper that appeared to be some what similar to a golf bag. He stated that he advised GALT of the problem, and GALT walked to the trunk of the car, and rearranged it so that the luggage would fit.

He advised that he gave STEIN and GALT a map giving them directions as to how to get out of New Orleans, and they left New Orleans at approximately 2:30 p.m. He stated that while he was in the company of GALT, GALT did not say anything, and merely stood around with his head down.

He stated that the photograph of GALT that was taken in Los Angeles at the bartender school, did not resemble him, as he had a very shallow face, and the photograph that appeared on the IO and wanted flyer that was taken in 1960, were an excellent likeness of GALT, with the exception of the hair.

NO 157-10673

He described GALT as a white male, late twenties to early thirties, 5'10", 160 pounds, slim build, dark brown hair, light brown eyes, no distinguishing marks or characteristics, shallow face, and was dressed in a brown suit, with a sport shirt, and further described him as a "neat dresser".

He stated that STEIN mentioned to him, that GALT was a man of wealth or means, and either had a good job, or had inherited some money, but he did elaborate on this. He also stated that STEIN informed him that he and GALT stopped several time at unknown locations, between Los Angeles and New Orleans.

He stated by STEIN's very nature, STEIN would be reluctant to furnish the exact details of his trip and association with GALT to any law enforcement agency. He stated STEIN has a knack of associating with "characters". He also advised that STEIN was formerly married to MICKIE MEDINA, who was called the queen of vice in the New Orleans French Quarter in 1962 and 1963. He advised STEIN was arrested on a vice charge, but this charge was later dismissed. This arrest took place in New Orleans, exact date unrecalled.

DE CARVELHO advised the following individuals were present at MARIE LEE's residence when CHARLES STEIN departed from New Orleans to Los Angeles:

MARIE LEE
CHARLES STEIN
GALT
Mrs. CLOVINA OLONZO
[REDACTED]
CHARLES STEIN, JR.
ANTHONY CHARLES DE CARVELHO

He stated all of these individuals should have seen GALT, but that Mrs. CLOVINA OLONZO and [REDACTED] would possibly not admit they saw GALT, due to ignorance, and a desire not to become involved in the investigation. He advised that he had no additional information concerning GALT and STEIN, and he knows of no other trips of GALT and STEIN to New Orleans since December.

FEDERAL BUREAU OF INVESTIGATION

Date 4/29/68

MARIE LEE, 2001 Claire Avenue, Gretna, Louisiana, telephone 367-0971, advised she is a sister of CHARLES STEIN, and she formerly resided at 1429 Burgundy Street, New Orleans, Louisiana.

LEE stated that in December, 1967, the exact date unrecalled, her brother, CHARLES STEIN, came to stay with her. She advised STEIN stayed for three days and two nights. She advised STEIN came into New Orleans late one evening, and was to leave the following day, but his plans were changed, and he stayed one additional day.

She advised that STEIN came to New Orleans to pick up RITA STEIN's two children, and transport them back to Los Angeles, California. She advised that while in New Orleans, STEIN stayed at her residence on Burgundy Street.

She advised that she did not see the individual that brought STEIN to her residence, but she was later introduced to this individual, who was identified by STEIN, as ERIC GALT.

She advised she questioned STEIN about his travel to New Orleans, and was advised by STEIN that MARIE MARTIN had overheard an individual in California, state that he was going to New Orleans for a day on business, and MARIE approached this individual and arranged for STEIN to ride with him to New Orleans. STEIN advised LEE that he did not know this individual before this time.

LEE advised on the second day of STEIN's visit, he became worried that the individual who transported him to New Orleans, might leave him or forget where to pick him up, so STEIN called the Provincial Motel, and asked this individual to come to his sister's home, so he would be sure and know exactly where to pick him up. She stated about five minutes after this call, an individual driving a white Mustang pulled up in front of her residence. She stated that when this car pulled up, she and her brother, CHARLES STEIN, were standing on the porch. The driver of the white Mustang

walked up to the front porch, and STEIN said "ERIC say hello to MARIE". LEE advised that she acknowledged the introduction, but ERIC did not say anything. ERIC merely leaned against the post on the porch, and kept looking at the ground. She stated she talked to her brother for several moments, and then her brother asked if he was going to leave and ERIC replied "Well I don't know". She advised that she had to go shopping, so she left, and when she returned, in about an hour, ERIC had departed, and CHARLES was in her home watching television.

LEE advised the white Mustang, driven by ERIC GALT, bore a white license plate, state and number unknown. She described GALT as an extremely quiet individual, with no distinguishing characteristics, with the exception of a long skinny nose. She described GALT as a white male, 30 to 33, 5'10", medium build, light hair, and having a long skinny nose.

She stated that STEIN informed her that GALT did not permit him to spend any money on the trip, and GALT paid for everything, but his method of payment was not known to her. LEE advised that she has not heard from or seen STEIN or GALT since that time, and does not know of any additional trips that GALT may have made to New Orleans since that time.

She advised that she did not see Galt, with the exception of the one encounter on the porch of her residence. She stated that when GALT came to pick up STEIN and the two children, he did not get out of the car, but merely pulled up in front of her residence, and honked the horn, and she told her brother, "CHARLIE, ERIC is here." She stated she did not leave the residence, and that CHARLES STEIN and the two children entered GALT's car, and they departed.

She advised that MARIE MARTIN has several relatives that live in the New Orleans area, one of which is her sister, THERESA BONE, who lives on Bartholomew Street, and also MARTIN has a daughter in New Orleans, named MARIAN DEGRASSE, whose residence she did not know.

THERESA STONE, residing 4019 Royal Street, and employed at the 500 Back Stage in the French Quarter, advised that she recalls approximately one month ago seeing a box sitting in the living room of her residence with some clothes and other items which she could not recall. She stated that she subsequently learned from her brother or sister-in-law that these were items of clothes for MIMI's daughter, MARIAN DEGRASSE.

Mrs. STONE stated that this is the only box of clothing she saw or knew about. However, she recalls that in the middle or latter part of December, 1967, and places the date as December 18 because she does not work on Sundays or Tuesdays, which would be December 17 and 19 respectively, being at her cousin, MARIE LEE's residence in the 1400 block of Burgundy Street. She stated at this time she was there to see her other cousin, CHARLIE STEIN and recalls STEIN receiving a phone call from an unnamed individual which resulted in STEIN asking her the direction for this person to reach the Burgundy Street address. She does not recall now where STEIN stated this individual was located at the time of the call. She further recalls that this was in the vicinity of 9:00 p.m. or shortly thereafter, and that she was anxious to leave for work. She stated she left the residence and while standing by the street in front of the residence a white male individual approached them and was introduced to her by CHARLIE STEIN. She recalled that she immediately left for her place of employment and did not take notice of the name of the individual or any particular descriptive data concerning him. Mrs. STONE was unable to recognize any of the photographs of RAY as the individual to whom she was introduced by STEIN. She further recalled that her cousin, MARIE LEE, was still at the residence when she, STONE, left.

Mrs. DALE RODRIGUEZ, wife of HERBERT RODRIGUEZ, 4019 Royal Street, stated that upon further recollection from her previous interview the night before, stated that both she and her husband, after receiving a telephone call from an unknown male, who advised he was bringing a box, stayed up until approximately 10:00 or 10:30 p.m. that evening and thereafter went to bed. Approximately one-half hour later she recalls someone knocking at the door and that her husband stated he did not wish to be bothered by any visitors and that thereafter she answered the door, accepted the box, which she described as an opened box similar to a canned goods box one would receive from a grocery store to carry home purchases. She stated she recalled asking the individual how MIMI was and could recall no further conversation. She stated she did not let him in the house or turn on any lights. She further recalled that at this time it was raining and windy. She stated that she felt the individual was approximately 5'7" to 5'8" tall and could not identify any photographs of RAY.

She further recalled that Mrs. LORRAINE CALLOWAY, mother of her husband, HERBERT RODRIGUEZ, came by their residence approximately two days later when she was bringing THERESA STONE's daughter, [REDACTED], home from school; and, at this time, picked up the box and took it back to her, MRS. CALLOWAY's residence. Mrs. RODRIGUEZ stated she had no knowledge of RAY's previous trip to New Orleans with STEIN in December, 1967. She stated she did not see STEIN and if she knew of the trip it would have been by word of mouth from her sister-in-law, THERESA STONE.

Mr. HERBERT RODRIGUEZ, 4019 Royal Street, stated that he recalls receiving a telephone call sometime in the evening within the last two months from an unknown male. In explanation RODRIGUEZ stated he had just recently returned to New Orleans that day from a two-day hard driving road trip and that normally it took him a day or two to relax from such a trip and stated he was at the time of the phone call still "punchy." It is noted that RODRIGUEZ is a former professional boxer.

In further recollection concerning the telephone call RODRIGUEZ stated he could only recall the individual asking him for his address and that he was bringing a box. RODRIGUEZ was shown several photographs of JAMES EARL RAY and stated he could not recall ever seeing such an individual.

DELIA RODRIGUEZ, 4019 Royal Street, New Orleans, Louisiana, advised that she is the wife of HERBERT RODRIGUEZ and that she is normally called DALE RODRIGUEZ. RODRIGUEZ further stated that she resides at 4019 Royal Street, with her husband, but that this residence is the home of her sister-in-law, THERESA STONE.

At the time of interview, RODRIGUEZ stated that she was home alone with her seven months old daughter and that her husband and THERESA STONE had gone out for the evening.

RODRIGUEZ acknowledged that just before the arrival of the interviewing Agents, she had received a telephone call from her mother-in-law, LORRAINE CALLOWAY, advising her that the interviewing Agents would contact her within a few moments.

Mrs. RODRIGUEZ advised as follows:

Some time in February, or March, 1968, during the early evening hours, her husband accepted a telephone call from a male individual who stated that he would deliver that evening a box of clothing from MARIE MARTIN in Los Angeles, California. RODRIGUEZ and her husband waited until about 10:00 P.M., and when the clothing did not arrive they went to bed. At approximately 10:30 P.M., a knock was heard at the front door and DALE RODRIGUEZ answered the door. A white male, small in stature and "shaggy looking" was standing in front of the door with a box which he handed to RODRIGUEZ with the comment that "Here is the box of clothing." RODRIGUEZ accepted the box, expressed her thanks, and closed the front door.

RODRIGUEZ recalled that at the time this individual appeared it was raining and quite windy out. She did not see anyone with the individual at the door and did not observe any vehicle. She had not ever seen this individual before. RODRIGUEZ subsequently recalled that the individual was not very tall, that he possessed "springy dark hair" and was possibly wearing a dark colored coat. She does not recall a hat.

RODRIGUEZ viewed photographs of JAMES EARL RAY and stated that the individual who appeared at the door was older, possibly in his late forties or early fifties, and that she did not recognize the photographs of RAY at all as any person she had ever seen previously.

RODRIGUEZ denied that she possessed any information concerning the telephone call that her husband had taken earlier in the evening concerning the delivery of the box of clothing.

RODRIGUEZ stated her husband, HERBERT, is currently unemployed, but had previously been a carnival worker. She denied that she had any idea where her husband or THERESA STONE could be located and stated she did not know if they would return to the residence that evening or even if they would return the following day. RODRIGUEZ steadfastly maintained that she did not possess any specific recall as to the month or date that the box of clothing was delivered by the male individual.

RODRIGUEZ further maintained that she does not recall she picked the box of clothing up from the residence for delivery to MARIAN de GRASSE, daughter of MARIE MARTIN. RODRIGUEZ advised that THERESA STONE is currently employed as a barmaid at the Backstage 500 Bar in the French Quarter.

FEDERAL BUREAU OF INVESTIGATION

Date 4/26/68

MARIAN de GRASSE, eighteen year old daughter of MARIE MARTIN, and granddaughter of LORRAINE CALLOWAY, was interviewed at the residence and in the presence of LORRAINE CALLOWAY, 609 Bartholomew Street, New Orleans, Louisiana. de GRASSE advised as follows:

de GRASSE lived with her mother on Delongpre Street, Los Angeles, California, from a period of July, 1966, to August, 1966, and again from a period of February 16, 1967, to late April, 1967. During this last period of residence in Los Angeles, she lived with her mother on Fargo Street, Los Angeles. de GRASSE has no recollection of exact addresses, but does recall that she and her mother lived in the first floor of an apartment house on Delongpre Street, located near Fontain Avenue, and that they occupied a house on Fargo Street, during the last visit.

de GRASSE, who had intended to attend high school in Los Angeles, and did attend Marshall High School in Los Angeles, for one or two days, discovered that she did not like the high school or Los Angeles as a city, and thus the reason for her return to New Orleans.

de GRASSE has, since her last return from Los Angeles, received two boxes of clothing and personal effects from her mother and which clothing and personal effects she had left behind when she departed for New Orleans. The first box was received by de GRASSE about two weeks after December 11, 1967, which date MARIAN reentered high school in New Orleans, and thus the reason why she remembers the approximate time that she received the first box of clothing.

On March 16, 1968, de GRASSE received a telephone call from her mother in Los Angeles, at which time her mother advised her that she was sending, with a friend, a second box of clothing and that the name of this friend is ERIC. The mother stated that the box probably would arrive in a couple of days. de GRASSE remembers the exact date of this

phone call because she recalls mentioning to her mother that her grandmother, LORRAINE CALLOWAY, would be coming to dinner on St. Patrick's Day. de GRASSE, at this time, and also at the present time, is residing with friends at 2529 Cambronnie Street, New Orleans, and this is the location where she received the telephone call from her mother.

de GRASSE actually received the second box on March 24, 1968, and further that she received this box from LORRAINE CALLOWAY, and that LORRAINE CALLOWAY had indicated that the box had been delivered to the residence of THERESA STONE and then subsequently brought to the CALLOWAY residence by DALE RODRIGUEZ. de GRASSE remembers the date March 24, 1968, because she made a note in her diary under this date that she had received a box of clothing from her grandmother.

de GRASSE recalls that both boxes had been wrapped in brown wrapping paper which she says has now been thrown away and that she seems to recall that the second box had been open, with the brown wrapping paper torn when she received it. The boxes were both cardboard and have since been disposed of.

de GRASSE recalls that the first box contained a picture album of photographs that she had taken of scenic views and of friends in the Los Angeles area, as well as dresses, shoes, and perfumes.

de GRASSE recalls that the second box, which she thinks was perhaps a box originally utilized for cartons of Kent cigarettes, contained some of her phonograph records, skirts, blouses, shoes, boots, and some old hair dressing which she said she threw away because it was not sufficiently fresh.

de GRASSE, while residing with her mother in Los Angeles, never heard the name ERIC GALT mentioned and upon viewing photographs of JAMES EARL RAY stated that she had never before seen this individual.

FEDERAL BUREAU OF INVESTIGATION

Date 4/25/68

Mrs. LORRAINE ERNESTINA CALLOWAY, 609 Bartholomew Street, New Orleans, Louisiana, advised that she is the wife of LLOYD CALLOWAY, who resides with her at the Bartholomew Street address. Mrs. CALLOWAY stated that she is the mother of MARIE MARTIN, who currently resides in Los Angeles, California.

Mrs. CALLOWAY stated that she is aware that during recent months her daughter, MARIE MARTIN, has sent to New Orleans, on two different occasions, two boxes of clothing belonging to MARIAN de GRASSE, eighteen year old daughter of MARIE MARTIN, and who resides part time with friends - 2529 Cambronne Street, New Orleans, as well as with Mrs. CALLOWAY at the Bartholomew Street residence.

In connection with the delivery of the two boxes of clothing, Mrs. CALLOWAY advised as follows:

Mrs. CALLOWAY received a telephone call from MARIE MARTIN sometime in early February, 1968, advising her that she was sending, with a friend, a box of clothing belonging to MARIAN de GRASSE. On a Sunday afternoon, at approximately 2:00 P.M., about a week or two prior to St. Patrick's Day, Mrs. CALLOWAY was sitting on her front porch when she observed a small white vehicle go past her residence the wrong way on a one-way street. She stated that this car, after it had passed her residence, turned around in a driveway and then parked directly in front of her residence. CALLOWAY recognized the driver of this car to be her nephew, CHARLES STEIN, whom she had not seen for approximately three years, and who, for the past several years, has been a resident of Los Angeles, California. CHARLES STEIN alighted from the car and obtained a cardboard box from either inside the car or the trunk of the car, this point not specifically recalled by CALLOWAY. STEIN carried the box up to the front porch and placed it along side CALLOWAY. CALLOWAY invited STEIN and an individual, whom she observed to have remained in the right front side of the vehicle, into the house for a cup of coffee. STEIN thereupon called to his companion if he cared to come in for a cup of coffee and this individual stated he did not care to come in.

CALLOWAY is unable to furnish a description of the individual who remained in the car, other than his being a white male with dark hair. CALLOWAY recalled that this individual was sort of hunched up in the seat and looked as though he were somewhat cramped from a long drive. CALLOWAY did not observe this individual to turn his face in her direction.

STEIN advised that his companion was tired after a long trip and wanted to take a bath and that therefore he and his friend would go on, but that he, STEIN, would drop back. CALLOWAY stated that STEIN did not return and she has not seen him since that occasion. CALLOWAY stated that she subsequently made telephonic contact with MARIAN de GRASSE within a day or two after delivery of the box and advised her that the box of clothing which her mother had sent from Los Angeles, had arrived at the CALLOWAY residence.

In connection with the second box of clothing, CALLOWAY remembers that MARIE MARTIN telephonically contacted MARIAN de GRASSE and told her that she was sending a second box of clothing with a friend and that it would arrive in New Orleans, in a few days. CALLOWAY stated that she subsequently learned from her daughter-in-law, DELIA RODRIGUEZ, who resides at 4019 Royal Street, New Orleans, and which residence is just around the corner from the CALLOWAY residence, that the second box of clothing had been delivered to 4019 Royal Street. CALLOWAY was unable to recall any date that this second box arrived, but thinks that it was probably sometime around the middle of March, 1968. The second box was delivered to the CALLOWAY residence by DELIA RODRIGUEZ.

DELIA RODRIGUEZ and her husband, HERBERT RODRIGUEZ, son of CALLOWAY, reside at 4019 Royal Street, New Orleans, which is the residence of THERESA STONE, daughter of Mrs. CALLOWAY. CALLOWAY understands from DELIA RODRIGUEZ that THERESA STONE was not at home when the second box was delivered.
