On April 15, 1968, information was received from the FBI, Washington, D.C., that an examination of the indented writing obtained on the paper from the Provincial Motel had developed the following names and phone numbers of possible significance: "524-1131," "288-3904," "482-0894," "899-3061." In addition were the words "Herbie" or possibly interpreted as "Shirley," with the last name possibly "Porich" or "Porick"; also the number "3619-Robert"; also a name interpreted as "Jane Penney" or "Fenney."

On April 17, 1968, information was received from the FBI Laboratory, Washington, D.C., that an examination of the Provincial Motel registration card dated December 17, 1967, at New Orleans, and signed "Eric S. Galt," had been conducted. It was determined that there were no latent impressions of value on this registration card, that the handwriting appearing on this registration card does not sufficiently augment previous writings of GALT to permit a satisfactory comparison of the "Harvey Lowmyer" signature with writings attributable to GALT.

The Laboratory further advised that no latent impressions of value were developed on the two sets of stationery which had previously been obtained from Room 126 of the Provincial Motel at New Orleans, Louisiana.

She stated that she would not know if the front office maintained a record of all items mailed to individuals that had rented rooms at the motel.

~~LUBY CARSON~~, Housekeeper, Provincial Motel, 1024 Chartres Street, accompanied the interviewing Special Agents to room 126 of the Provincial Motel and accompanied the Agents inside during their search of the room.

It was determined from physical observation that the ground floor was approximately ten feet by ten feet and contained one studio couch, one portable television set, and one small dresser. A bathroom was located on the ground floor. A spiral staircase led to a second bedroom of identical size, which contained a studio couch, a French Provincial desk, a chair, and a small clothes rack.

A December, 1967, New Orleans telephone book was located in the top center drawer of the French Provincial desk and it was determined that the following pages in the "white section" of the telephone book were "dogeared" in the upper right hand corner:

Pages 47; 373; 375, and 377.

Two sheets of blue Provincial Motel stationery were found at page 47, and both sheets appeared to have indented writing thereon. These sheets were removed by the interviewing Agents in the presence of Miss CARSON.

Nothing else was located in the room other than the two blue sheets of stationery.

Miss CARSON advised that room 126 had been rented many times since December 19, 1967, and that the room is thoroughly cleaned between each occupancy.

Mr. BRYAN DUPEPE, Owner Manager, Provincial Motel, 1024 Chartres Street, was contacted concerning guests residing at the motel during the period of December 17-19, 1967.

DUPEPE furnished the motel work sheets for that period which contain motel room numbers, last names of occupants of each room, the day of registration, and the expected length of stay at the motel. It was determined from the work sheets that an individual by the name GALT registered at the motel on December 17, 1967, and was assigned room 126.

DUPEPE then furnished the registration cards for December, 1967, and a registration card was found which contained the name ERIC S. GALT, address of 2608 Highland Avenue, Birmingham, Alabama, automobile - Mustang, and Alabama license number 138993.

The card indicated that there was only one person assigned to that room. The card further indicated that GALT checked out of the motel before 1:00 PM, on December 19, 1967, although no check-out time was indicated on the card. The card further indicated that the room rented for \$12.00 per day. DUPEPE advised that this was their minimum room rate at the motel. He advised that the room contains two beds and that there are two floors in that room. DUPEPE advised that the room was very small and that the ground floor room measures ten feet by ten feet, with a captains ladder (spiral staircase) to a second bedroom, identical size, above.

DUPEPE stated that they maintain separate logs for all outgoing long distance and local telephone calls made by the guests. DUPEPE furnished the log of long distance telephone calls made, which contained all of December, 1967 calls, and it was determined that no calls were made by ERIC S. GALT and no calls were made from room 126 during the period from December 17-19, 1967.

DUPEPE advised that the log of local telephone calls for any time preceding April 4, 1968, has been destroyed.

DUPEPE advised that they maintain duplicate bills for a period of about sixty (60) days and that the bills covering December, 1967, had already been destroyed. He advised that these bills would itemize all of the charges billed to the guests during their stay, which would include telephone calls, room service, or any other expenses incurred by the guests.

DUPEPE advised that the following employees would have been working at the motel during the period of December 17-19, 1967:

~~WILL BERDON~~, Assistant Manager;

~~SVENN RONN~~, Desk Clerk;

~~BENJAMIN J. DUKE~~, Desk Clerk;

DUPEPE advised that he has no record of any unusual activity concerning the rental of room 126 during the period of December 17-19, 1967, and unless there was something unusual occurring in connection with that room, he would not be contacted regarding the occupant.

DUPEPE advised that he does not recall GALT and he does not recall any of his employees making any mention of GALT.

He advised that GALT could have parked his automobile in the motel parking lot which is an off-street parking lot. He advised that it is difficult to find parking space in the French Quarter, near the motel, and that more than likely, he would have utilized the motel parking area.

The following investigation was conducted by Special Agent RICHARD K. BUTZ at Baton Rouge, Louisiana, on April 11, 1968:

At the Department of Public Safety, Louisiana Drivers License Division, File Room, a search was made through all purged drivers license applications which were taken from the active drivers license application files. These applications were applications of persons which have been renewed or licenses in Louisiana, prior to 1963. A review of these records failed to show any drivers license application under the name of ERIC STARVO GALT.

A review of microfilm containing drivers license applications of persons who have not renewed their licenses in Louisiana, and which applications were purged from the active files, in 1960, failed to show any drivers license application under the name of ERIC STARVO GALT.

On April 15, 1968, at the Department of Public Safety, Louisiana Driver's License Division, File Room, a search was made of the purged driver's license applications, which are applications of persons who have not renewed their driver's license, under the name GALT, LOWMEYER, and WILLARD, as well as variations of the spellings of these names. The review of the driver's license applications by name as well as date of birth failed to show any driver's license application under these names or variations of the names.

ALTON MC KEE, Data Processing Unit, Louisiana Driver's License Division, Department of Public Safety, advised his office maintains punch cards of all persons who have not renewed their driver's license in the State of Louisiana, and whose driver's license application would be purged from the files of the driver's license application. A search of these files failed to show that any person with the last name of GALT, LOWMEYER, or WILLARD as having an expired Louisiana driver's license. He advised that these files would contain licenses which would have expired back to 1961.

The following investigation was conducted by  
SA RICHARD K. BUTZ at Baton Rouge, Louisiana, on  
April 5, 1968:

At the Department of Public Safety, Louisiana  
Driver's License Division, File Room, a search was made  
of the purged driver's license applications, which are  
applications of persons who have not renewed their  
driver's license, under the name GALT, LOWMEYER, and  
WILLARD, as well as variations of the spellings of these  
names. The review of the driver's license applications  
by name as well as date of birth failed to show any  
driver's license application under these names or  
variations of the names.

ALTON MC KEE, Data Processing Unit, Louisiana  
Driver's License Division, Department of Public Safety,  
advised his office maintains punch cards of all persons  
who have not renewed their driver's license in the State  
of Louisiana and whose driver's license application would  
be purged from the files of the driver's license  
application. A search of these files failed to show that  
any person with the last name of GALT, LOWMEYER and WILLARD  
as having an expired Louisiana driver's license. He  
advised that these files would contain licenses which would  
have expired back to 1961.

Mr. MC KEE advised that the current files of the
