MARIE LEE, 2001 Claire Avenue, Gretna, Louisiana, telephone 367-0971, advised she is a sister of CHARLES STEIN, and she formerly resided at 1429 Burgundy Street, New Orleans, Louisiana.

LEE stated that in December, 1967, the exact date unrecalled, her brother, CHARLES STEIN, came to stay with her. She advised STEIN stayed for three days and two nights. She advised STEIN came into New Orleans late one evening, and was to leave the following day, but his plans were changed, and he stayed one additional day.

She advised that STEIN came to New Orleans to pick up RITA STEIN's two children, and transport them back to Los Angeles, California. She advised that while in New Orleans, STEIN stayed at her residence on Burgundy Street.

She advised that she did not see the individual that brought STEIN to her residence, but she was later introduced to this individual, who was identified by STEIN, as ERIC GALT.

She advised she questioned STEIN about his travel to New Orleans, and was advised by STEIN that MARIE MARTIN had overheard an individual in California, state that he was going to New Orleans for a day on business, and MARIE approached this individual and arranged for STEIN to ride with him to New Orleans. STEIN advised LEE that he did not know this individual before this time.

LEE advised on the second day of STEIN's visit, he became worried that the individual who transported him to New Orleans, might leave him or forget where to pick him up, so STEIN called the Provincial Motel, and asked this individual to come to his sister's home, so he would be sure and know exactly where to pick him up. She stated about five minutes after this call, an individual driving a white Mustang pulled up in front of her residence. She stated that when this car pulled up, she and her brother, CHARLES STEIN, were standing on the porch. The driver of the white Mustang

walked up to the front porch, and STEIN said "ERIC say hello to MARIE". LEE advised that she acknowledged the introduction, but ERIC did not say anything. ERIC merely leaned against the post on the porch, and kept looking at the ground. She stated she talked to her brother for several moments, and then her brother asked if he was going to leave and ERIC replied "Well I don't know". She advised that she had to go shopping, so she left, and when she returned, in about an hour, ERIC had departed, and CHARLES was in her home watching television.

LEE advised the white Mustang, driven by ERIC GALT, bore a white license plate, state and number unknown. She described GALT as an extremely quiet individual, with no distinguishing characteristics, with the exception of a long skinny nose. She described GALT as a white male, 30 to 33, 5'10", medium build, light hair, and having a long skinny nose.

She stated that STEIN informed her that GALT did not permit him to spend any money on the trip, and GALT paid for everything, but his method of payment was not known to her. LEE advised that she has not heard from or seen STEIN or GALT since that time, and does not know of any additional trips that GALT may have made to New Orleans since that time.

She advised that she did not see Galt, with the exception of the one encounter on the porch of her residence. She stated that when GALT came to pick up STEIN and the two children, he did not get out of the car, but merely pulled up in front of her residence, and honked the horn, and she told her brother, "CHARLIE, ERIC is here." She stated she did not leave the residence, and that CHARLES STEIN and the two children entered GALT's car, and they departed.

She advised that MARIE MARTIN has several relatives that live in the New Orleans area, one of which is her sister, THERESA STONE, who lives on Bartholomew Street, and also MARTIN has a daughter in New Orleans, named MARIAN DeGRASSE, whose residence she did not know.

Miss MARY BREWER, Juvenile Court, Parish of Orleans, New Orleans, Louisiana, advised Special Agent PHILLIP M. KING on April 30, 1968, that she holds a warrant for the return of custody of KIM ROSAS (born [redacted]) and CHERYL ROSAS (born [redacted]). Said warrant was issued by Judge LEO B. BLESSING on January 9, 1968. She stated this warrant was issued after the above-named children's paternal grandmother, CARMEN RUBIO, advised them that the aforementioned children had been kidnapped from the residence of their maternal grandmother in December, 1967, and taken to Los Angeles, California, by CHARLES STEIN.

Miss BREWER exhibited a letter dated February 27, 1968, from the County of Los Angeles, Department of Public Social Services, regarding RITA ROSAS, ST Number 1930-134-5053. The letter in part states Mrs. ROSAS brought the children to the Department of Public Social Services in Los Angeles on December 21, 1967, at which time she stated her brother, CHARLES STEIN, had brought the children from her mother's home in New Orleans on December 15, 1967. The name of the social worker for Los Angeles was given as M. SLEVIN, number 1316. The letter further stated that Mrs. ROSAS gave an address of 5666 Franklin Avenue, and further reflected that a landlord named DAVIS had told the social worker that RITA STEIN was a good mother, kept a clean house and was a good tenant.

It is further noted that Miss BREWER informed the above-stated children were wards of the Welfare Department because their mother, RITA STEIN, had been declared unfit on a previous occasion.

Miss BREWER stated that in view of the aforementioned letter, she was instructed by the Welfare Department not to execute the warrant for the return of the ROSAS children and also because the expense to return them would be borne by the Parish of Orleans.

Miss BREWER stated she understood from CARMEN RUBIO, paternal grandmother of the children, had received a letter from

the Los Angeles Department of Public Social Services within the past week in which they advised her they were unable to locate Mrs. RITA STEIN; further, that the Welfare Department advised Miss BREWER that she would wait until they had resolved the matter with the Los Angeles Bureau of Public Social Services before making a decision on executing the warrant for the return of the children.

CHARLES de CARVELHO, 2006 Iowa Street, advised that when he observed the leather case in the trunk of the white Mustang driven by the individual introduced to him by CHARLIE STEIN as GALT, this observation took a total time of one minute or less. He stated this was a brown leather circular or oval case with a zipper. de CARVELHO stated he felt it was approximately the size of a golf bag. de CARVELHO stated it was not too heavy as he recalled GALT moved it easily in the trunk. de CARVELHO stated it was his impression and original thought that this case contained a surveyor's transit. de CARVELHO added that it conceivably could have been a camera tripod.

In addition to the above, de CARVELHO stated he noticed there was a brief case with rolled-up papers therein, possibly blueprints or like plans.

de CARVELHO stated that the total amount of time he saw this in a casual way precludes him from giving any more specific details regarding the true identity of whatever the object was.

de CARVELHO stated it was the impression that he received that STEIN, during the conversation with de CARVELHO, had said or implied that GALT was connected with an engineering or construction firm.

de CARVELHO stated it was also his impression STEIN was primarily interested in converting GALT to STEIN's cosmic philosophy. He further got the impression from talking to STEIN that GALT may possibly have been involved in politics in southern California. de CARVELHO stated that he did not know of any use of narcotics on the part of STEIN. de CARVELHO stated he thought STEIN may have smoked marijuana; however, added he had not actually seen this. de CARVELHO furnished the additional opinion that some of STEIN's friends may have

ROSE WILLIAMS advised she is a very close friend of MARIE LEE, nee Stein, and she had seen GALT when GALT was in New Orleans during the month of December, 1967. She stated she is acquainted with the entire STEIN family and considers herself a close friend of all members of the family.

WILLIAMS advised that Mrs. CARMEN ROSAS, the paternal grandmother of two sons of RITA ROSAS, nee Stein, somehow had RITA ROSAS' Social Security checks stopped and because of this, ROSAS had no money with which to support her four children. She stated because of this situation, RITA ROSAS' mother, Mrs. CLOVINA OLONZO, traveled to Los Angeles, California, in the Fall of 1967, exact date unrecalled, and returned to New Orleans with the two daughters of RITA ROSAS. She advised RITA ROSAS sent her two daughters with her mother, because she felt that Mrs. CARMEN ROSAS would not make any attempts to assume custody of the daughters, whereas she was certain that she would attempt to assume custody of her two sons.

WILLIAMS advised that Mrs. ROSAS attempted to have the two children living with Mrs. CLOVINA OLONZO declared wards of the State and placed in a juvenile home. She advised that these proceedings were instituted and the two children were even examined by a doctor from the New Orleans Welfare Board. WILLIAMS advised because of this situation she and MARIE LEE telephonically contacted RITA ROSAS and advised her that someone would have to return to New Orleans and take the children back to California or they would become wards of the State. She stated that ROSAS advised she could not make the trip as she did not have any money and she did not know what she would do about this situation.

WILLIAMS advised that several days later RITA ROSAS telephonically contacted MARIE LEE and advised her brother, CHARLES STEIN, had found a ride from Los Angeles, California, to New Orleans and that he would pick up the children and

return them to Los Angeles, California.

WILLIAMS advised that MARIE LEE had informed her that STEIN's ride was to be with a man he had met several days before and that he knew nothing about him and this man was not a friend of the family.

WILLIAMS advised that shortly before Christmas, 1967, she received a telephone call from MARIE LEE stating that CHARLES STEIN had arrived in New Orleans and was staying at her residence. She advised she cannot recall the exact date that STEIN arrived in New Orleans, but after reading the newspapers she felt it was December 17, 1967. She advised that LEE informed her that STEIN was to return to Los Angeles with the two children the following day.

WILLIAMS stated she did not go to MARIE LEE's house that evening, but the next evening she and LEE prepared a dinner for CHARLES STEIN. She stated she arrived at LEE's house that evening at approximately 8:00 and shortly thereafter, their telephone rang and the caller was ERIC GALT. GALT explained on the telephone that he was lost and was trying to find LEE's apartment and that he was telephoning from an unknown restaurant at the corner of Elysian Fields Avenue and Burgundy Street. WILLIAMS advised that GALT was given directions as to how to find LEE's apartment and that CHARLES STEIN sent her to the front porch to watch for GALT's white Mustang. She advised after several moments she saw the white Mustang come down Burgundy Street and she hollered at this individual and he stopped, parked the car and walked back to this apartment. She advised that STEIN introduced her to this individual and called the individual ERIC GALT. She stated GALT did not acknowledge the introductions and did not say anything. She advised she was in his company about five minutes and she then left MARIE LEE's apartment.

She advised the next afternoon she tried to start her car, but it would not start and she decided to walk to LEE's

60

3
NO 157-10673

apartment to use her car as she had to go to the bank and it was about 1:30 in the afternoon. She advised when she arrived at LEE's apartment, she saw a United Cab parked near LEE's residence and decided to take the cab to the bank, but she could not find the cab driver. In a few moments she observed CHARLES STEIN, RITA STEIN's two children, ERIC GALT and a small white male walking from LEE's apartment, carrying luggage and packages. She advised she recognized this unknown white male as CHARLES deCARVELHO and she approached them to say goodbye to CHARLES STEIN and the children. She stated she took a shopping bag from one of the children and placed it in the back seat of GALT's white Mustang and wished them on a safe trip. She then learned that deCARVELHO was the driver of the cab and she left with deCARVELHO in the cab to go to the bank after deCARVELHO had bid his farewell to CHARLES STEIN.

WILLIAMS advised that while she was in GALT's company GALT did not speak and merely stood around with his head hanging downwards. She described GALT as a neat dresser, but not wearing the current style of clothing. She stated the day GALT and STEIN left New Orleans, GALT was dressed in a grey suit with a white shirt and tie and appeared very neat.

She stated GALT seemed to be an average individual in his thirties with no outstanding or distinguishing characteristics with the exception of a long thin nose and a thin face.

She stated she did not recognize GALT from the photograph that was printed in the newspapers since his face was much thinner and his hair was shorter.

WILLIAMS advised that CHARLES STEIN is now a believer in the cosmic philosophy and "a true believer in God." She advised this is a complete change from the CHARLES STEIN she formerly knew and she held a long discussion with STEIN about this new philosophy on his trip to New Orleans. She was advised by STEIN that MARIE "MINNIE" MARTIN had

61

4
NO 157-10673

met an individual in a bar where she worked in Los Angeles and had heard this individual state he was coming to New Orleans on business and she arranged for STEIN to travel with this individual. She stated STEIN also informed her this individual, ERIC GALT, requested that he register for GEORGE WALLACE in California before they departed and STEIN did so. STEIN also informed her GALT paid for everything on the trip, including all food, gas and motel bills and, further, advised that STEIN showed her the twenty dollar bill he had in his possession when he left Los Angeles and still had in his possession when he arrived in New Orleans. She advised that she did not feel that MARIE LEE would lie to her about CHARLES STEIN's knowledge of or association with GALT and she believed both STEIN's and LEE's statements that STEIN did not know GALT and had only met him several days before the trip.

She stated she did not feel that STEIN and GALT would have been involved in any illicit drug activity in California and based this statement on the fact that STEIN claimed to have known GALT only several days before the trip.

She stated she did not know if STEIN had fixed GALT up with any women while they were in New Orleans. She stated CHARLES STEIN asked her if she would like to go out with GALT and show him the town, but she declined. She advised STEIN did not press the issue and if he had, she would have gone out with GALT as a favor to STEIN. She stated STEIN has been out of touch with the people of New Orleans for several years and did not know if he would have been able to fix GALT up with anyone in New Orleans. WILLIAMS advised there was no mention of sex when STEIN asked her if she would like to go out with GALT.

WILLIAMS again advised the individuals present when CHARLES STEIN departed from New Orleans were herself, ERIC GALT, RITA STEIN's two children, MARIE LEE and CHARLES deCARVELHO.

WILLIAMS advised she knew of no other trips made to New Orleans by GALT or STEIN and she did not know of any

She stated if it should be necessary to recontact her, that Attorney LOUIS TRENT, who was present during the interview, should be contacted at his office at 822 Perdido Street and TRENT would contact her and make her available for interview.

Re: (First Name Unknown) COIN (phonetic)

On April 22, 1968, information was received from the Atlanta Office of the Federal Bureau of Investigation that allegedly JAMES EARL RAY had a friend in New Orleans, Louisiana, (first name unknown) COIN (phonetic), who apparently was a fence and well connected with the hoodlum element. COIN allegedly in 1955 was 55 to 65 years old and might harbor RAY.

The following investigation was conducted by Special Agent L. M. SHEARER, JR.:

Former New Orleans Police Detective JOHN MEREDITH advised the only individual who could be considered a fence with a name similar to COIN is DAN COHEN. He said he had heard of no fence named COIN. He advised that COHEN is somewhat mentally unbalanced, possibly due to the use of narcotics, and spent some time in the Louisiana State Hospital. He advised that at one time COHEN was probably a millionaire. He operated the Crescent Cigarette Company, in the 1950's, on Esplanade Avenue, and was associated at that time with safe burglars and holdup men to the degree that he probably assisted them in an indirect manner and reportedly bought stolen property. MEREDITH advised that COHEN no longer has money and his present whereabouts and occupation are unknown. MEREDITH said subject was unknown to him by name or aliases.

Jack
JACK LACAZE, inmate, Orleans Parish Prison, with prior convictions for safe burglary and robbery, advised he was among several individuals who were quite friendly with DAN COHEN; however, he did not consider COHEN a fence, although he would help anyone, even those in illegal activity, so long as they were not being sought by the law. LACAZE said he knows of no one in the New Orleans area by the name of COIN, who has any association with criminal element and that DAN COHEN is the only one he can recall who has a similar name. He said COHEN no longer has money, that he just "gave it away." He said COHEN is probably living with his sister, whose husband is the local distributor for American Tobacco Company. He said he does not recall the sister's name. LACAZE observed photographs of JAMES EARL RAY and he advised he has never observed nor heard of this individual. LACAZE said he believed he knew most of those engaged in criminal activity in Southern Louisiana and Southern Mississippi.

Captain CHARLES NEWMAN, Commanding, Burglary Squad, New Orleans Police Department, advised he has never heard of

73

157-10673-sub 2-315

2
NO 157-10673 -epk

a fence in New Orleans named COIN. He advised subject is not familiar by name, aliases or photographs.

Detectives LAWRENCE VIGUIRIE and JAMES MILLER could provide no information concerning a fence named COIN. They advised subject is unknown to them.

New Orleans Police Department, Bureau of Identification, records reflect DAN B. COHEN was fingerprinted August 13, 1953, for gun permit. Records also show he was born [redacted] at New Orleans, Louisiana, is 6' tall, weighs 210 pounds, has brown hair and eyes. No criminal record was located. His fingerprint classification is 19 11 U OOM

8 W III 14.

DANIEL BERNARD COHEN, 1820 Napoleon Avenue, Apartment E, telephone number 891-2079, voluntarily contacted the New Orleans Office after inquiry was made of relatives concerning his whereabouts.

He advised that prior to 1956 he had money and at that time sold the Crescent Cigarette Company. He said he hired many ex-convicts with the thought that he could help them by giving them a job, as most businesses would not hire them because of their records. He said, however, that not one turn out good and some of them stole as much as \$6,000 in six months from him.

COHEN observed Identification Order of JAMES EARL RAY and he advised he does not recall this individual by photograph or names used. He said, however, that some of the facial features seem somewhat familiar, but the features are similar to those of numerous individuals.

He said he still associates with CHARLIE SMITH, CHARLES ADAM SMITH, FBI Number 131 865, who has in the past been incarcerated in the U. S. Penitentiary at Fort Leavenworth, Kansas; however, he does not know whether or not SMITH knows

74

3
NO 157-10673 -epk

RAY. He said SMITH lives on Hesoid Street in Metairie, Louisiana, works for himself installing false or lowered ceilings in buildings and he would locate SMITH and arrange to have him call the FBI, or would ascertain SMITH's street number.

DELTA AIRLINES FLIGHT 725
CN APRIL 1, 1968

The following investigation was conducted on April 23, 1968, by SA DANIEL P. MC LAUGHLIN:

ROBERT CAMERON, Flight Schedules, Delta Airlines, New Orleans, Louisiana, advised that the following was the crew of Delta Flight 725 on April 1, 1968:

J. H. PEART, Captain, Box 132, Prairieville, Louisiana, who is currently out of town and will return on April 24, 1968;

M. K. JONES, First Officer, 6805 Veterans Highway, Metairie, Louisiana.

MAX K. JONES, 6805 Veterans Highway, Metairie, Louisiana, advised as follows:

He was assigned as First Officer on Delta Airlines Flight 725 on April 1, 1968. He said the flight originated from Newark, New Jersey, and travelled to New Orleans, Louisiana, with stops at Washington, Atlanta, Georgia, and Birmingham, Alabama. He said that he was on board this flight during the entire trip. He said that during this flight, he remembers that a stewardess brought a box containing a gun to the cabin of the plane. He said that he can only remember this box as being large enough in size to carry a rifle. He said he does not know the name of the stewardess who brought the box to the cabin nor does he remember when she brought it to the cabin or when it was removed from the cabin. He said that it is normal policy for Delta to put any weapons carried by passengers in the pilot's cabin. He was exhibited several photographs of JAMES EARL RAY and stated that he does not believe he ever saw this person before.

FEDERAL BUREAU OF INVESTIGATION

Date April 25, 19681

Captain JOHN A.R. PEART, Delta Airlines, was interviewed at New Orleans International Airport, and furnished the following information:

He recalls that approximately two to three weeks ago, exact date and flight unknown, that one of the stewardesses on board this particular flight, placed a weapon in the cockpit for safekeeping during this particular flight. Captain PEART commented that he believed this weapon was a shotgun, enwrapped in some type of a box. He stated he did not recall any specific markings or names on the box, and paid little attention to the incident, since it is routine to have various weapons placed in the cockpit during flights. Captain PEART further advised that he did not recall the name of the stewardess who placed the weapon in the cockpit, inasmuch as he is not certain of the particular flight involved or date.

Captain PEART was shown five photographs, including one of the subject, which he could not identify as anyone he had seen aboard his aircraft over the past several weeks. He further indicated that most of his time is spent in the cockpit and as such, he would have little opportunity to observe the passengers.

A review of her telephone log for the period December 15-17, 1967, failed to show any calls to or from Houston, Texas. PAY PHONE CALL FROM YUMA,
ARIZONA, DECEMBER 15, 1967

The following investigation was conducted by SA's WILLIAM P. GREAVES and THURMAN P. KELLEY at Bossier City, Louisiana, on April 29, 1968:

A check of the current city directory for Bossier City, Louisiana, determined that phone number 746-9200 was listed to the Curtis Park Bar in Bossier City.

BIRDIE STRINGFELLOW, bartender, Curtis Park Bar, 2152 East Texas, was displayed a photograph of JAMES EARL RAY and she advised that she had never seen this individual before. STRINGFELLOW stated that the phone number 746-9200 is the number of the pay phone located in the bar. She stated that she was not working at the bar during the period December 15, 1967, and that the manager would have to be contacted for the employees of that period.

GLADYS ULLRICH, owner, Curtis Park Bar, was displayed a photograph of JAMES EARL RAY and she advised she had never seen this individual before. She stated that during the period December 15, 1967, she was working nights as a bartender THELMA RUSSELL. She stated she did not know the current address for RUSSELL but believed she was residing somewhere in Bossier City. ULLRICH advised that the day bartender during that time was a JERILE GARRETT who is currently residing at 833 Benton Road in Bossier City. She stated that the clientele of the bar consisted mainly of transients and that she would have no idea who might have received a call from Yuma, Arizona, on December 15, 1967. She stated that her husband, HANNO ULLRICH, also worked the bar on occasions and that he might have further information.

HANNO ULLRICH, owner, Curtis Park Bar, was displayed a photograph of JAMES EARL RAY and advised he had never seen this individual before. He stated he had no idea who might have called the bar from Yuma, Arizona, on December 15, 1967. ULLRICH stated he did not know a current address for THELMA RUSSELL who was formerly the night bartender but that possibly ANN HULLAND who worked at the Bossier Bottle Shop might know a current address.
