MURKIN

At about 6 p.m. on 4/4/68, while standing on the second floor balcony outside Room 306 of the Lorraine Motel, 406 Mulberry Street, Memphis, Tennessee, Dr. MARTIN LUTHER KING, JR. was struck in the right side of the face by a single bullet fired from a 30-06 rifle. The bullet severed KING's spinal cord and death was almost instantaneous.

This investigation, predicated upon a specific request from the Attorney General of the United States, disclosed that the fatal shot had been fired from the bathroom of a cheap rooming house located at 422½ South Main Street, Memphis, which bathroom was located at the rear of the rooming house, and had a window overlooking the Lorraine Motel.

At about 3 p.m. on 4/4/68, an individual using the name JOHN WILLARD had rented Room 5-B in the rooming house at 422½ South Main Street and had paid one week's rent. After hearing the rifle shot at about 6 p.m. on that same day, other tenants in the rooming house observed a man presumably identical with WILLARD, fleeing from the rooming house carrying a large package which was subsequently abandoned by him on the sidewalk in front of the Canipe Amusement Co., 424 South Main Street, Memphis. A neighborhood investigation in the vicinity of 424 South Main Street disclosed that the subject had fled from the scene in a white Mustang.

Found abandoned in front of 424 South Main Street was a 30-06 Remington model 760 rifle which was determined to have been

sold to one HARVEY LOWMEYER on 3/30/68 by Aeromarine Supply Co., Birmingham, Alabama.

Investigation at Memphis disclosed that an individual had purchased a set of binoculars at the York Arms Company in Memphis on 4/4/68. These binoculars were among the material abandoned with the rifle and recovered in Memphis. Also recovered was a brown and green herringbone bedspread. The items abandoned in Memphis were all wrapped in this bedspread. The blue bag which was inside the bedspread contained numerous items, among which were the binoculars and a set of underwear consisting of a T-shirt and shorts. The T-shirt and shorts are those on which appears the laundry mark which has been a matter of interest in this case.

A search of motel records in the Memphis area disclosed that an individual using the name ERIC S. GALT had spent the night of 4/3/68 at the Rebel Motel, Memphis, Tennessee, and was driving a 1966 white Mustang bearing Alabama License 1-38993. Investigation at Birmingham disclosed that this automobile had been purchased by ERIC S. GALT on August 30, 1968, from a private person in response to a newspaper ad. He paid a total of \$1995 cash. While in Birmingham he furnished the address of 2608 South Highland Avenue, Birmingham. This is also the address which appeared on a driver's license issued to him by the State of Alabama. The driver's license identifying data listed his birth date as [redacted] his height as 5'11", his weight as 170 and his eyes blue and hair brown.

The automobile in question, the white Mustang bearing the Alabama tags mentioned above, was recovered in Atlanta on 4/11/68 and determined to have been abandoned there prior to 9 a.m. on 4/5/68.

In connection with the evidence submitted by Atlanta, Birmingham, and Memphis, identifiable latent prints were recovered. It was on the basis of these latents that identification was made of JAMES EARL RAY. In handling future leads, all offices should be particularly interested in securing an identifying number, military, police, or FBI, in connection with suspects so that the necessary check can be made through the Identification Division.

On 4/17/68, AUSA R. MACEY TAYLOR, Birmingham, authorized the filing of a complaint charging ERIC STARVO GALT with a conspiracy to violate Section 241, Title 18, U. S. Code, and

recommended bond in the amount \$50,000. On that same date, SAC JOSEPH H. GAMBLE filed a complaint before USC MILDRED F. SPRAGUE, Birmingham, and warrant was issued that same date.

For further information re JAMES EARL RAY, all offices are directed to press release furnished them by the Bureau on 4/19/68.

RE: "ERICK GAULT"

Suspect suggested by GEORGE F. WICK.

On 3/19/68 at about 6:00 pm ~~XXXXXXXXXX~~ GEORGE F. WICK, new car salesman for Fred Bauer Chevrolet Co., 8150 N. Lombard St., Portland, Ore. telephoned SAC SOYARS and stated that he had been contacted by an "ERICK GAULT" on 3/11/68, potential used car buyer. SA SHERK was immediately dispatched to Fred Bauer Chevrolet Co. and interviewed WICK in depth.

WICK, who is age 62, apparently a sober and solid citizen who has been selling cars in the Portland area for many years, furnished the following information:

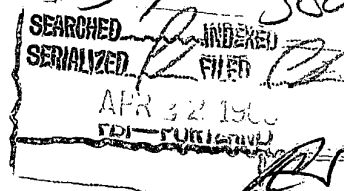

At about 7:30 p.m. 3/11/68 WICK received a telephone call from a man to asked to talk to a "Salesman". The caller stated his name was ERICK GAULT" (Ph), that he was passing through town, was calling from a bar and was stopping at a motel on Union Ave. He said he did not know the name or address of the motel. He said he was looking for a 64 Chev. Station Wagon with air conditioning and had \$1600. cash. He said he has a mustang, but did not desire to trade it in as he was going to give it to his brother.

WICK told the caller that he thought he knew where he could get such a car and invited him out to the showroom. WICK then called BOB INMAN, 5406 N. E. Jessup, Tel. 282-0409 but found that the station wagon INMAN had for sale was a 63 Ford Country squire and had no air conditioning.

"ERICK GAULT" arrived at the showroom alone about 8:00 pm and said he was not interested in the Ford. He stayed only a short time and said he would contact WICK on the following day. Nothing further was ever seen of him. WICK saw the car "GAULT" was driving and thinks it was a light colored Mustang with California plates, but cannot be sure about either, since he was not planning to take the car in trade.

WICK was shown photos of Subject RAY and stated that they are definitely not identical with the above suspect, whom he described as follows:

Name: ERICK GAULT
Sex: Male
Color: White
Age: 28 to 35 years.
Ht: 5'7" or perhaps an inch shorter.
Wt: 185
Build: Obese with the large paunch.
Eyes: Not noted.
Hair: Light brown, receding noticeably at temples.
Complex: Medium. Sunburned or tanned.
Dress: Light sport shirt, open collar, color not noted.
Plaid sport jacket, varicolored, colors not noted.
Perhaps dark trousers, shoes not noted, sloppy appearance.
Accent: None noted. (Informant is an Oregonian by birth)
Remarks: Looks like DON NIPPLE, who used to tend bar at Elks Club, Oregon City, Oregon and now works for Kirby Ford, Portland, Oregon.

Although description does not fit and WICK made positive non-ident on photos of RAY, a squad of agents checked all motels on Union Ave, Portland, Oregon on 3/20/68 looking for "ERICK GAULT" registration or out of state Mustang registration on pertinent dates which might fit. They have submitted memos showing results negative.

No further action indicated.

These items contain Thermo-Seal laundry tapes of approximately same size as tapes on items previously recovered, but are yellow in color and contain code, "20R-3." In opinion of Textile Marking Machine Company, Syracuse, New York, the tapes were produced by a different machine than previous tapes since the first three characters are 15 point type and the last two characters are 18 point type.

WE HAVE COMMENCED INTENSIVE INVESTIGATION IN THE AREA IMMEDIATELY AROUND THE TOWN OF ROGUE RIVER TO INDIVIDUALLY CONTACT ALL LOGGING OPERATORS IN THAT VICINITY. HOWEVER, THE ROGUE RIVER, ITSELF, TRAVERSES A DISTANCE OF SEVERAL HUNDRED MILES IN SOUTHERN OREGON BEFORE IT EMPTIES INTO THE PACIFIC OCEAN AND IN THIS AREA ALONE, WHICH IS HIGHLY MOUNTAINOUS AND DENSELY FOREST^{ed}, THERE ARE A LARGE NUMBER OF OTHER LOGGING OPERATORS. CONSEQUENTLY, DIRECT INVESTIGATIVE EFFORT CONCERNING RAY AT THIS TIME WILL BE LOCALIZED IN THE AREA IMMEDIATELY AROUND THE TOWN OF ROGUE RIVER. IN ADDITION, WE HAVE DETERMINED THAT THERE IS A UNION COMPOSED OF SAWYERS AND WE ARE CHECKING TO SEE IF RAY HAS EVER BELONGED TO SUCH A UNION.

AS A SUGGESTION, INASMUCH AS RAY HAS INDICATED AN INTEREST IN THE LOGGING TRADE, THE BUREAU MAY DESIRE TO HAVE THE PORTLAND, ^{San Francisco, Butte} SACRAMENTO¹ AND SEATTLE DIVISIONS CIRCULARIZE THE LOGGING INDUSTRY, INCLUDING INDEPENDENT LOGGING OPERATORS WITH THE WANTED FLYER AND

RE: LEAD FROM KANSAS CITY THAT RAY
MAY HAVE WORKED IN SAWMILL IN ROGUE RIVER, ORE.

Contact with union representatives disclosed the following:

1. Only small sawmills in this area have a man riding on the saw carriage, back and forth, as the log is sawed.
2. For at least that past 20 years the "sawyer" has not ridden on the saw carriage. The man who rides the saw carriage is known as a setter, and his job is to set the dogs in the logs. He is given instructions by the sawyer ~~by~~, by finger signals, to set the log for cut (1", 2", 3", 3", etc. by number of fingers shown. The sawyer remains in a stationary position, operating the controls, is a highly skilled and highly paid workman, and usually an older, experienced man. Even the job of "setter" is a key job and it is unlikely that RAY, who was only 31 years of age before his most recent incarceration, and who could have had only limited mill experience because of his frequent incarcerations, would have been given any such job in a mill.
3. All the larger mills have had automated saws for the past 25 or more years, and no one rides back and forth on the saw carriages of such installations.
4. The majority of the small mills, which would have been using the older type equipment prior to 1960 are so-called "gypo" mills, ~~the~~ operate non-union, and frequently go out of business, change ownership, or change location. The chances of finding a small mill in the same location and with the same ownership as in 1960 are slim. This also applies to the chances of finding employmt. recds.
5. For the above reasons, circularization through union sources will likely prove non-productive. However should circularization through union sources be desired, it can be accomplished at Portland, Oregon through the only two unions to which saw-mill workers belong, and can be accomplished for the 11 Western states.

International Woodworkers of America (IWA) (AFL-CIO) maintains addressograph plates and equipment for all their locals in the 11 Western States, c/o WILLIAM BOTKIN, IWA headquarters, 1622 N. Lombard St., Portland, Ore. Tel. 285-5281.

Western Council, Lumber and Sawmill Workers Union, Portland, Oregon, Tel. CA 8-0235, maintains addressograph plates and equipment for all their locals in the 11 Western States, according to TED PRUSIA, Assistant to Executive Secy. HUGH ALLEN.

6. Since many workers do not come to the attention of the Unions, even in union plants, and since the majority of the smaller mills are non-union, TED PRUSIA suggested that probably a more effective method of circularization would be through the following employer groups, who include many non-union mills:

TIMBER OPERATORS COUNCIL, Portland, Oregon

PINE INDUSTRIAL RELATIONS COMMITTEE, Klamath Falls, Ore.

TIMBER PRODUCTS MANUFACTURERS, Spokane, Wash.

JAMES EARL RAY

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., is one of the FBI's "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his prompt location. Ray has been the subject of a massive search since the gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom FBI wanted notices have been posted determined that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray, who escaped on April 23, 1967, from the Missouri State Penitentiary, is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery.

Possessing an arrest record dating back to 1949, Ray has been convicted of burglary, armed robbery and forging United States Postal Money Orders.

A 40-year-old white male, reportedly born in Illinois on [redacted] Ray is approximately 5'10" tall, weighs from 163 to 174 pounds, has blue eyes and short brown hair. He has a nervous habit of tugging at an ear lobe and his left ear protrudes noticeably.

Described as a "loner and "drifter," with a "rural" quality in his speech, Ray has worked as a baker, laborer and color matcher. He has taken dancing lessons and completed a course at a school of bartending.

Consider Ray armed and extremely dangerous. Report any information concerning him to the nearest FBI office.

"TEN MOST WANTED FUGITIVES" PROGRAM

James Earl Ray, a Missouri prison escapee who has been sought under the alias Eric Starvo Galt in connection with the gunshot slaying of civil rights leader Dr. Martin Luther King, Jr., has been added to the FBI's list of "Ten Most Wanted Fugitives."

FBI Director J. Edgar Hoover ordered the special addition of Ray to the "Ten Most Wanted Fugitives" list, which already contains ten fugitives, to insure the widest possible dissemination of Ray's photograph and description to help effect his earliest possible location.

Ray has been the subject of a massive and intensive search since the brutal gunshot slaying of Dr. King on April 4, 1968, as he stood on the balcony of a Memphis, Tennessee, motel. One rifle bullet, believed fired from the window of a nearby rooming house, felled the victim.

An exhaustive FBI fingerprint search, comparing latent fingerprints uncovered in the Dr. King case against fingerprints of over 53,000 persons on whom wanted notices have been posted in the FBI's Identification Division, succeeded in determining that Galt and Ray are identical.

A Federal warrant, issued at Birmingham, Alabama, on April 17, 1968, charges Ray, under the alias Eric Starvo Galt, with conspiring to interfere with a Constitutional Right of a United States citizen. Ray is also sought for unlawful interstate flight to avoid confinement after conviction for armed robbery, based on a Federal warrant issued on July 20, 1967, at Jefferson City, Missouri. He had been confined at the Missouri State Penitentiary, Jefferson City, Missouri, in March, 1960, with a 20-year sentence following conviction for armed robbery and operating a motor vehicle without permission of the owner. In September, 1966, while serving the sentence, he was confined for a time in the maximum security ward at the State Hospital, Fulton, Missouri. He was reported missing from the Missouri State Penitentiary since April 23, 1967.

Ray, who has an arrest record dating back to 1949 and has been convicted of burglary, armed robbery and forging United States Postal Money Orders, has also been confined in the Los Angeles County Jail, the Joliet and Pontiac, Illinois, State Prisons and the United States Penitentiary, Leavenworth, Kansas.

He served in the Army between February, 1946, and December, 1948, received a three-month sentence at hard labor for being drunk and breaking arrest and was given a General Discharge due to ineptness and lack of adaptability for military service.

Ray is a 40-year-old white male, reportedly born in Illinois on [REDACTED]. He is approximately 5'10" inches tall, weighs from 163 to 174 pounds, has blue eyes and brown hair which he has worn cut short. He has a small scar on the center of his forehead and a scar on the palm of his right hand. He has been described as having a straight, narrow nose and straight and even teeth and to have a nervous habit of occasionally tugging at an ear lobe. His left ear protrudes noticeably.

Acquaintances describe him as a "loner" and "drifter" whose language and diction reflect a "rural" quality and indicate he has had limited education.

He is reportedly a fan of western and country music, drinks vodka and beer, dresses neatly and claims past employment as a merchant seaman and cook on Mississippi River vessels. He is known to have worked as a baker, laborer and color matcher.

He is known as an avid dancer who has taken dancing lessons. He also completed a course at a school of bartending in the Los Angeles area early in 1968.

Ray should be considered armed and extremely dangerous. Anyone with information concerning this fugitive is requested to immediately contact the nearest office of the FBI, the telephone number of which may be found on the first page of local telephone directories.
