UNITED STATES GOVERNMENT

Memorandum

TO : SAC, TAMPA (157-3231)

DATE: 4/11/68

FROM : SA DAVID A. BRUMBLE

SUBJECT: MURKIN
CIVIL RIGHTS

On April 10, 1968, the following investigation was conducted by SA DAVID A. BRUMBLE:

The following individuals and firms were contacted relative to the ~~XXXX~~ laundry markings involved in this matter with negative results:

MR. S. A. GILL, Vogue Cleaners and Launderers of St. Petersburg, Inc., 1644 Street South. This plant handles all Vogue operations in the community. Firm utilizes Thermo Seal Marking Machine but has only used green and pink-orange tags. All their markings begin with a ~~XXXXXX~~ number prefix. He stated red tag is used in industry throughout United States as a "Special" tag for fast service, and this is reason his firm uses a green one for same purpose.
