Hoving lived in Miami when Jacques Massler, husband of Candace Massler was brutally murdered, the story of Martin Luther King's killer rings a bell for some instances, cities like Houston Texas, New Orleans, La. Blonde woman referred to as "Jennie", wealthy, hatred etc. Candace Massler married nephew? Powers, can't recall his first name, they could possibly be tied in some way. Hope this hint can provide some angle of solving the mystery (was his name Jerry Powers?) Sincerely,

Re BAILLY SANDLIN, Orlando, Fla. - Complainant

For the information of the Bureau and interested offices, the following investigation was conducted at Orlando, Florida, by SAs THOMAS J. WILKES and GORDON W. TINDLE. BAILLY SANDLIN, Insurance Adjuster, 1906 West Colonial Drive, Orlando, Florida, telephonically advised SA WILKES on 4/25/68 that at approximately 8:55 a.m., 4/25/68, he drove up in front of his office and noticed a man sitting in a 1967 or 1968 dark blue, 4-door Chevrolet. He stated the only numbers of the Florida tag he could recall were 7W-15 with rest of numbers unknown and he could not recall how many digits were in the tag number. He advised the Chevrolet was parked in the carport at his office. He said the man who resembled JAMES EARL RAY, pointed a snubnosed revolver at him, and said, "You ain't seen me" and drove east on Colonial Drive to the next street (Vern Drive) where he turned right. SANDLIN stated he got into his car and tried to follow the individual but never saw the Chevrolet again.

TP 157-3231

It was noted by SA WILKES during the telephone call from SANDLIN that his voice had been unusually hesitant between words and sentences, however, at the time it was believed to be due to excitement.

J. R. SMITH, Detective Bureau, Orlando, Florida Police Department, was immediately informed of the above by SA JAMES B. HAPLEY.

Upon arriving at 1904 West Colonial Drive, BAILEY SANDLIN was interviewed in person by SAs TINDLE and WILKES. As the interview progressed, it became evident through SANDLIN'S behavior and by his own admission that he was under the influence of liquor. He stated that he was an alcoholic and that during the morning of April 24, 1968, his girlfriend, CHARLOTTE Mc DANIEL had tried to commit suicide in his apartment at 77 East Amelia, Orlando, Florida. SANDLIN asserted he became upset at this and had been drinking beer and Vodka from the morning of April 24, 1968 through the time the agents contacted him in person.

Every effort was made to ascertain if there was any truth in SANDLIN'S statements, however, he continually changed his description of the suspect and varied the sequence of events as well as the times they were alleged to have occurred.

On April 25, 1968, Mrs. ANN WAGNER, 1904 West Colonial Drive, and Mrs. ALFRED PINKACIK, 1918 West Colonial, who are located immediately adjacent to SANDLIN'S office advised that from at least 8:00 a.m. until they were contacted by the agents there had been no other car in SANDLIN'S carport except his Dodge. Both women were positive no Chevrolet, described above, had been in or near SANDLIN'S office that day since at least 8:00 a.m.

TP 157-3231

On April 25, 1968, Mrs. MARGARET TAYLOR, widow of Deputy Sheriff PHILIP TAYLOR, 1113 Santa Anita, advised agents she is the secretary to SANBLIN and that she had received a call from him that morning. She stated he sounded very unusual and she wondered if he had been drinking. She asserted that SANBLIN had previously told her he was an alcoholic and was active in alcoholic anonymous. He has also told her that when he drinks, he has hallucinations thinking he has achieved great success. Mrs. TAYLOR further stated that SANBLIN told her during his phone call that morning that when he arrived at his office he had been accosted by a man in a car in the carport of his office who stuck a gun in his face. According to SANBLIN, this had caused him to be upset.

Mrs. TAYLOR also declared that she talked with the landlord and occupants of the other half of the building, in which SANBLIN'S office is located and Mrs. WILLIAM MURRELL, 1904 West Colonial Drive had advised her that she had arrived at the office at the same time as SANBLIN and there was no car in the carport at that time. During the afternoon of April 25, 1968, RONALD E. KEIGLER, Kiegler and Associates, Insurance Adjusters, Deland, Florida, telephonically advised SA WILKES he was SANBLIN'S employer. He stated he had gone to SANBLIN'S office a short time previous that same day, in answer to a phone call from Mrs. TAYLOR where he found SANBLIN passed out due to drunkenness. He stated he closed the office, took SANBLIN home and put him to bed.

JAMES FULLER, Detective Sergeant, Orlando PD was apprised of the above.

About mid-morning, April 25, 1968, BAILEY SANBLIN, 1906 West Colonial Drive, Orlando, Florida, telephonically advised SA ROBERT C. BALL at the Orlando Resident Agency that he had previously telephoned the Orlando Residence Agency on the same morning and he had been contacted by two agents whose names he could not recall. He related he was recontacting the resident agency since the individual whom he had talked with the previous time had telephoned him and threatened him.

TP 157-3231

SA BALL contacted the Orlando PD and was met at 1906 West Colonial Drive by Sergeant STRAUB of the Orlando PD and during a short conversation with SANDLIN he stated he was fearful of his life since the previous described individual had threatened to return to his office and to kill him.

During the conversation with SANDLIN it was obvious to SA BALL that SANDLIN had been drinking and such opinion was confirmed by Sergeant STRAUB. SANDLIN was shown the identification order for JAMES EARL RAY and stated that the individual depicted thereon resembled the individual who had threatened him earlier that same day. Due to the obvious intoxicated condition of SANDLIN, no further attempt was made to interview him.

Due to the above set forth facts, no further action has been taken.

On 4/26/68, Colonel ROBERT C. HUTCHINSON, JR., Florida Southern College, ROTC, Lakeland, Florida, telephonically advised he had read article in "The Army Times" concerning JAMES EARL RAY, wherein there was statement to the effect that the solution to RAY's whereabouts may rest with Army. The article went on to relate, RAY's military career, and solicitating information from anyone who might know him.

Colonel HUTCHINSON stated his Sergeant Major, EUGENE E. F. BRITTI was stationed with 16th Infantry Regiment and had roster of personnel which included RAY's name.

Sergeant Major BRITTI was contacted at Florida Southern, whereby he furnished a xeroxed copy of the Company "B" roster, which included RAY's name. BRITTI said RAY was attached to the 1st Battalion, 16th Infantry Regiment, and that the Roster in his, BRITTI's) possession was compiled on 7/7/48.

BRITTI stated the original 16th Infantry was headquartered in Austria with Battalions spread all over Europe. BRITTI and 13 others were sent from Austria to Frankfurt, Germany to reorganize the 16th. The reorganized group was formed from other units being deactivated or from excess personnel which other units no longer needed.

Sergeant BRITTI said that the Regiment moved from Frankfurt to Grafenwohr, Germany and was actually there, in 7/7/48, when the roster was made up. He said after the roster was made up the group was known as the 7892 Infantry Regiment, although it remained the 16th.

The Sergeant said when RAY was discharged in 12/48, his Battalion was stationed in Furth, Germany at the Monticeth Barracks. He said they were sent there from Grafenwohr in the fall of 1948.

Two copies of roster of Company "B" ^{AM} enclosed for Bureau. Two copies each are enclosed for Memphis and Kansas City for possible investigative lead purposes. It is believed that if leads presently outstanding do not produce RAY, the Bureau and OO may desire to have locale of the men on the roster be determined from Army sources and these men contacted.

MRS. She advised that no JAMES RAY had ever worked for her, but one JAMES H. WRAY had. WRAY, a white, male, born [redacted], Shelby, North Carolina, 5'9", 160 lbs., scar at part of hair on left side of head, brown hair, blue eyes, had false teeth, had worked for her off and on for the past five years. He normally was employed as a shoe salesman and last had worked for the Red Cross Shoe Store, Central Ave., St. Petersburg, Florida. He was a very good dresser and well groomed individual. He professed to be some type of Baptist minister, sang country religious songs constantly, and had been discharged from the Military Service for being a homosexual. He had been arrested in St. Petersburg for a homosexual offense. He was an excellent driver for the firm for a long period of time as all he wanted was money for travel and hotel bills. She had discontinued his services several months ago as he no longer was dependable. On Easter Sunday, and the Wednesday thereafter, he had called her from Los Angeles, and could be contacted through MR. WAYNE CAMERON, Insured Drive A Way System, Garden Grove, Los Angeles, California. Upon checking her records she found he had last worked for her one and one-half years ago. She stated GALT's photograph bore some resemblance to WRAY, but she was positive that GALT was not WRAY. She stated in the past, WRAY had used her home address as his own residence but he had never lived with her.

MR. COLLEEN BARNAN, 8268 40th Street North, Pinellas Park, Florida, upon viewing photograph of GALT stated this was not anyone he knew and not a photograph of JAMES, H. WRAY who had worked for his wife.

MR. BOB BURNS, Clerk, Records and Identification Section, St. Petersburg, Florida Police Department, advised his records contained a file on JAMES H. WRAY, FBI #699 529B, St. Petersburg, Florida PD Number 34143. He was born [redacted], Shelby, North Carolina, 5'9", 160 lbs. brown hair, blue eyes, scar on left side of head, arrested 6/26/64 for indecent exposure. Sister JULIA LONGMALE, and NELLIE S. On 5/3/68, STANLEY TREPACHKO, 2524 Elyria Avenue SW, Largo, Florida, telephonically contacted the Tampa Office and advised that he had observed an individual at the Mambo Lounge, Indian Rocks Beach, Florida, on 5/3/68, who he believed to bear a resemblance to subject. He said that he would not be available for interview on 5/3/68, but could be contacted at his home on the morning of 5/4/68.

On 5/4/68, STANLEY TREPACHKO, 2524 Elyria Avenue SW, Largo, Florida, advised that between 5:30 P.M. and 6:00 P.M. he and his wife were at the Mambo Lounge, Indian Rocks Beach, Florida, and he observed an individual who he believed to resemble the photograph of RAY. He said that this individual was a white, male, age in 30s, 5'11", medium build, and that he observed a tattoo (not recalled) on this persons right forearm. He said that this person also touched his ear on occasions which he recalled being a peculiarity of RAY. He said that this person was alone and sat about midway at the "U" shaped bar; no vehicle was observed; and this person remained for only a few minutes. He said that the photo which it was believed this person resembled was the front view photograph of RAY taken in 1960, appearing on IO and wanted flyer. He said that he is acquainted with the owner of the Mambo Lounge, TONY VON, but cannot recall VON being present, and the only person known that he recalls being present was the barmaid, JOYCE LNU. He said that she should recall this person and would be on duty during the evening hours.

On 5/4/68, TONY VON, owner, Mambo Lounge, Indian Rocks Beach, Florida, advised that he was in the lounge all day on 5/3/68, and believes he observed all patrons during the day. He said that photographs of JAMES EARL RAY are all unfamiliar to him. He said that JOYCE LAWSON was on duty during the hours of 5:30 - 6:00 P.M. and would have served anyone at the bar.

JOYCE LAWSON, barmaid, Mambo Lounge, Indian Rocks Beach, Florida, advised that she was on duty behind the bar during the hours of 5:30 -6:00 P.M. and would have served any customer during that period. She said that she recalls her activities during the hour 5:30 -6:00 P.M. and that several of the lounge "regulars" were seated at one end. She said that she recalls two males sitting at the other end of the bar and recalls a lone individual sitting about mid-way at the bar which is obviously the person in question. She said that this person ordered one beer and left without finishing the beer. She said that she took this persons order and had occasion to observe him and that she can see no similarity between this person and photographs of RAY. She said that she had also observed photographs of RAY appearing in papers and on TV and feels that if she should see him that it would refresh her recollection and she would have recalled. She said that owner, TONY VON, was in a booth at the time and would not have observed anyone at the bar nor would any other customer as they would have been considerably removed from this individual. She reiterated that she saw no resemblance between this individual and photographs of RAY. She said that this person was a stranger, that she observed no car, and noted nothing unusual about him.

Has FBI Erred In King Probe?

SAN ANTONIO, Tex. — An FBI search of the 1966 white Mustang driven by James Earl Ray, alias Starvo Galt, and the wanted in connection with the slaying of Dr. Martin Luther King Jr., unearthed Green Stamps that were issued as a result of a purchase at a Birmingham, Ala., gas station in mid-February of 1968.

This reporter learned of the Green Stamps while here in San Antonio and was able to confirm the item by telephone. The Birmingham gas station owner said the stamps were issued at his station and he also identified a picture of Ray as that of the man involved in the transaction.

FBI REPORTS consistently place Ray in Los Angeles as a student at dancing and bartending schools at the time of the gas station transaction. However, these reports are boldly challenged by the statement of the Birmingham gas station owner.

This is but one of a series of disturbing contradictions and apparent "FBI" distortions of facts discovered during this reporter's four-day retracing of Ray's December, 1967 automobile trip from Los Angeles to New Orleans. Ray made the trip on Dec. 15 with the Hollywood songwriter Charles Stein as a driving companion. Stein is making the drive over the same route with this reporter.

The FBI has been forced to admit that the fingerprints, circulated during the early days of the manhunt were not those of Ray. The blame for this, according to the FBI, must be assumed by the warden of the Missouri State Penitentiary. The warden, the FBI claimed, issued mistaken fingerprints on Ray when the convict escaped from prison in April, 1967. This means two things:

Had Ray been arrested after his escape from prison, he would not have been held by the local arresting officers as a fugitive.

Had Ray been arrested immediately after the slaying of Dr. King the mistaken fingerprints would have confused the investigation and possibly would have led to his release.

THEN THERE are the incredible omissions that have been discovered during this reporter's trip back into the life and activities of Ray. Apparently it never occurred to the FBI to retrace Ray's trip with Stein as this reporter is doing in search of the phone booth from which Ray made his last calls to someone in New Orleans.

Apparently it also did not occur to the FBI to investigate the possibility that Ray was in telephone contact with New Orleans while he was still in Los Angeles. This reporter located the phone booth used by Ray in the lobby of St. Francis Hotel last Wednesday. The walls of the booth

were covered with graffiti. One line read "Down with Mexicans, Niggers, and Martin Luther Coon."

The most fatal oversight was the FBI's failure to uncover the console television set Ray gave to a Hollywood girl friend in return for her portable. The swap occurred around Valentine's Day — Feb. 14 — and Ray told the girl he was leaving town.

A CLEAR reading of this makes it all but certain that Ray took three trips to New Orleans between Dec. 15 and the end of March. There was the trip of Dec. 15, which Stein and I are now retracing, there was a second trip that began on Valentine's Day. Finally there was the trip that began a few days before the end of March, just before the death of Dr. King.

The one unassailable fact is that Ray did make these trips. And that he was in telephone contact with someone in New Orleans. Ray told Stein his contact was an important person, a contractor and builder. The key, then, lies in locating the phone booth along the highway from which these calls were made. Telephone company officials believe they can trace the calls if the booth can be located. The calls were made. We are now in the general area of the station. Our hope is to locate these phone booths before completing the journey.

EDITOR'S NOTE: Is the FBI bungling the investigation of the assassination of civil rights leader Dr. Martin Luther King Jr.? It would appear so from this, the fourth in a series by Negro reporter Louis Lomax, now retracing the steps of James Earl Ray on his journeys with Hollywood songwriter Charles Stein from Los Angeles to New Orleans. The FBI has been forced to admit that fingerprints, circulated as those of Ray, were in fact of someone else. This is but one of a series of contradictions and confusions emanating from the federal agency.
