UNITED STATES GOVERNMENT

Memorandum

TO : SAC, Albany

DATE: May 20, 1968

JW FROM : Director, FBI

SUBJECT: MURKIN
PUBLICITY ON REWARDS OFFERED

Each Special Agent in Charge and Legal Attache is instructed to promptly remind their established cooperative news sources, in a discreet and tactful manner, of the existence of substantial reward money for information leading to the arrest and conviction of the killer of Dr. Martin Luther King. This money now totals at least \$100,000. The FBI should not, however, be publicized as the source of this reminder.

While the Bureau's continuing policy is to encourage the public to furnish information to law enforcement authorities as a matter of good citizenship, without expectation of financial reward, it is fully recognized that monetary rewards are often necessary to motivate some individuals. The knowledge of the existence of the substantial rewards available in the Murkin case could possibly prove of value in the solution of this major investigation.

In the event of inquiries regarding the identity of the sources of the reward money offered in the Murkin case, you may confidentially advise established sources that according to a compilation set forth in the April 27th edition of the "Commercial Appeal," Memphis, Tennessee, \$25,000 each has been offered by the "Commercial Appeal" and Scripps-Howard newspapers and that in addition, businessmen and citizens in Memphis have offered several thousands more and the Memphis City Council has under-written the reward up to a total of \$100,000.

The following investigation was conducted by SA
THOMAS H. WEAVER:

AT JEFFERSON CITY, MISSOURI

On May 15, 1968, CECIL CLAYTON LILLIBRIDGE, also known as CARL LILLIBRIDGE, who requested that his identity as the source of this information be concealed, was contacted at the Cole County Jail, and he furnished the following information:

He knew JAMES EARL RAY for quite some time before RAY was moved into his cell at the Missouri State Penitentiary (MSP). He had had some minor dealings with RAY in poker. RAY himself played very little poker, but he would lend money to inmates who did play poker at the "3 for 2" rate requiring \$3 to be repaid for every \$2 loaned. RAY was "too tight" to play poker, and even when he loaned money at the exorbitant interest rates he required some kind of collateral. If RAY was a "walk man" in the MSP, having reference to an inmate whose duties called for his moving freely around the cell block, then RAY would have been a carrier for the usual prison lotteries dealing with numbers and parleys over ball game scores, in which cigarettes were bet, and the "walk man" would deliver the numbers slips and the winners' cigarettes, and would be paid a percentage by the inmate who ran the lottery through this association, but the "walk man" would perform the service strictly for his commission and would not necessarily be "close" to the person running the lottery, but would be selected because he had access to other inmates' cells. He has no information that RAY was ever a "walk man" or ever engaged in lotteries as described above.

In his conversations with RAY he learned that RAY was more interested in Mexico than in Canada. In speaking of places to go to "cool off" or "hide out", he suggested to RAY that it would be easier for a white American to hide out in Canada than in Mexico, since his skin color and language would be the same as the natives, but RAY had spent some time in Mexico and apparently liked the area and he expressed very little interest in Canada.

173-1-247

SEARCHED	INDEXED
SERIALIZED	FILED
MAY 27 1968	
LEGAL ATTACHE - MEXICO	

He and RAY discussed a newspaper article which was published at about the time they celled together in which an Italian criminal's escape to Italy from the U. S. was apparently accomplished through his obtaining a Canadian passport, and it was suggested and RAY was apparently aware of the custom of the Episcopal Church and Church of England and its branches in Canada of keeping baptismal records and records of birth for years, which records would be easily accessible to anyone wanting to assume a new identity. They discussed how one could go to a medium-sized Canadian city, find records of birth through an open, easily accessible church, for an individual about one's own age, verify through local inquiry or source material that some such person is deceased, then write to the Provincial capital of that province requesting a copy of the birth certificate for that person, thereby securing documentary evidence of a new identity to use in securing a Canadian passport. RAY did not express a great deal of interest in this process and made no mention of planning to use such a technique to escape or change his identity. He did not say anything about any plans to go to Canada or to Mexico and thereby to a third country, and he never mentioned any interest in Rhodesia or other country with a view of flight there in hopes of avoiding extradition. RAY did say that he had considered Australia as a place to go to avoid apprehension for a wanted person, but indicated that he had dismissed Australia as a refuge because of the sparse population and the lack of tourists. RAY told him that he had written to Queensland, apparently before 1962, to some Government agency inquiring about the type of employment available there for foreigners, but his conversation indicated he had no interest in Australia at that point.

Most of RAY'S conversation revolved around Mexico when speaking of places to go after "pulling some job". He made no mention of narcotics smuggling to Mexico, and he did not say how he planned to obtain the "big haul" he wanted to make in order to "retire", other than that he might happen onto a large supermarket with a lot of money on hand which he could rob. He did not mention any specific supermarket or area of the country in this regard. From his conversation, he felt that RAY had actual experience in and knowledge of

smuggling small appliances into the Campeche Bay area of Mexico for resale. He mentioned that there were some dollars to be made in this racket with a very small investment required. RAY'S associate MATEO LOPEZ GARCIA or MATEO GARCIA LOPEZ or some similar name previously described by LILLIBRIDGE as described by RAY was a real person, and LILLIBRIDGE remembered the name he gave because it was similar to the name of a "wet back" he had known previously in prison.

RAY spoke of the possibility of obtaining colored contact lenses to wear to change the color of his eyes in avoiding detection. RAY did not say where he would try to obtain contact lenses or that he had actually ever tried to obtain them or that he had ever worn contact lenses. RAY'S eyes as LILLIBRIDGE recalls them are a faded, pale blue, or "sky blue", and he would want to darken the appearance of his eyes in changing his appearance. He told LILLIBRIDGE how he had experimented in the past on portions of his skin covered by his clothing with staining his skin a darker color using some kind of "walnut dye". He had apparently tried the dye out of curiosity to see how long the stain would last, and he told LILLIBRIDGE that the dye would "just have to wear off". As to changing his appearance, LILLIBRIDGE feels it is significant to note that RAY'S weight would vary greatly from month to month. RAY would go through periods of weight-lifting, strictly for the exercise, and he would occasionally become concerned over his weight from a health standpoint and would lose weight quickly. RAY was not a competitive weightlifter and would probably not seek out a gymnasium to practice weightlifting, but he was concerned over a heart problem he imagined that he had, and he wanted the exercise to strengthen his heart. He mentioned that he knew it would be easy to obtain a fictitious Social Security card simply by filling in a form in any name, state that he had been self-employed, and he would be mailed a new Social Security card. He did not mention any problem with regard to obtaining a driver's license under an assumed name.

RAY told LILLIBRIDGE about a shack he rented on the outskirts of Campeche, Mexico, and how he had considered the possibility of buying the shack instead of paying rent. Money and not paying more for anything than necessary was of constant concern to RAY. He told LILLIBRIDGE of the difficulty in

KC 44-760

Mexico for a foreigner to own any property. He told of the practice of "Rentista Papers" through which a foreigner by paying a fee could receive permission from the Mexican Government to own a small business in Mexico or purchase property on a small scale in Mexico. He mentioned how it was an effort to have anything done by local Government officials in Mexico since everyone moved so slowly, and how in order to obtain "Rentista Papers" one would apparently have to pay two or three persons "under the table" a few pesos in order to get the papers through the Government red tape, and from his conversation, it appeared that RAY never was in Mexico long enough to wait out the process of obtaining "Rentista Papers".

FROM : Legat, Mexico City

SUBJECT: MURKIN

DATE: May 27, 1968

At 12:10 p.m., May 27, 1968, Supervisor JOE KELLEY telephonically furnished the following information from the Bureau:

Brazil

ASAC KARL STEFFENSON of the San Antonio Office has just advised that one EDUARDO JOSE MOLINA has visited the Resident Agency at Brownsville, Texas, to advise that subject RAY reportedly is presently employed in the kitchen of the Hotel ~~Gazil~~-Ha, also known as Casa de la Punta and Lima's Place, on the Isla Mujeres. MOLINA stated that hotel is owned by one LIMA (FNU) who would not be cooperative with the FBI or any other law enforcement agency. That information came from LIMA's son (age unknown) who stated four days ago that RAY was employed at the hotel kitchen.

MOLINA is about 65 years old, is well educated, and is presently in Brownsville checking up on some of his property. His home address is Avenida 503C, Merida, Yucatan, Mexico. According to the San Antonio Office, he appears to be a substantial type of individual.

Mr. KELLEY also advised that SAC SHANKLIN of the Dallas Office had just telephonically advised that one of the Dallas PCIs today stated that he had been talking with a small-time gambler (whom source did not identify) who had just returned from Monterrey, Mexico. According to that gambler, RAY is reported working as a bartender in a bar near the Chevrolet dealer in Monterrey. Source was unable to give a more complete address for the bar.

ARMED AND DANGEROUS

N.B. Mr. KELLEY requested that all possible efforts be made to check out the above allegations as soon as possible.

Re item which appeared in 5-26-68 article in "The News," indicating suspect in MURKIN case had been detained at Oaxaca.

For future information, when contacting authorities in Oaxaca, the State Judicial Police Chief is presently Mr. CARLOS SANTIBANEZ, with telephone 27-51 at office and 40-91 at residence.

Messrs.

Also with regard to Oaxaca, J. CICALA, CERTOSIMO and LUCHESA indicated JAIME, JORGE and CARLOS HAMILTON, car dealers in Oaxaca, are extremely cooperative and can be relied upon to protect our interests there. CARLOS' home phone is 20-39; however, he was out of town when I phoned him.

Chief SANTIBANEZ said he had read about the detention and, knowing nothing about it, asked a couple of agents to proceed to Tlaxiaco, where the detention of the American was effected by the authorities there. There had been no other American arrested in Oaxaca to the Chief's knowledge.

SANTIBANEZ called back 5-26-68 to state that Subject, who gave his aka as ARTURO PARRA, is a 26 year-old U.S. citizen who claims to be an Italian. He also said he is an employee on the S.S. Revolucion, a Pemex tanker. He in no way resembles RAY.

Two Gobernacion agents were coming to Oaxaca to pick up some other subjects on 5-26-68, and SANTIBANEZ was going to turn LLORENTE over to them. The local charge was vagrancy and the fact he had no documents.

Lic. JORGE VAZQUEZ ROBLES of Gobernacion advised 5-27-68 that Subject is not being sent in, but his fingerprints are, and due to the dubious circumstances under which he appeared in Oaxaca, VAZQUEZ wants them checked out at Washington, D.C.

Subject's parents given as ARTURO CARDIN and CRISTINA CLAX. No explanation for variance in family names. He also claimed to have been employed as a waiter at the Hector Restaurant in Los Angeles for four years. He impressed SANTIBANEZ as being irrational.

Tengo el gusto de dirigirme a usted, para hacerle de su conocimiento, lo siguiente:

PAULINO JARQUIN RICHELME:

La persona nombrada es de nacionalidad guatemalteca, es el propietario del restaurant que se denomina "KATOK", situado en el kilómetro 87 de la carretera que conduce a Tecpán Guatemala.

En la fecha de hoy fué detenido bajo el cargo de ocultar información relacionada con el individuo de nacionalidad norte-americana JAMES EARL RAY que también usa otras alias y al que se le señala como autor de la muerte del Dr. MARTIN LUTHER-KING.

Todo parece indicar que el mencionado Paulino Jarquín Richelme tuvo algunas expresiones en el sentido de que en su restaurant había estado el mencionado James Earl Ray y también se supo que en fecha aproximada al 19 de abril, estuvo un cubano que se apellida PUNALES en dicho restaurant y que algo hablaron en relación con que el señalado como asesino había estado allí. Este individuo de apellido Puffales, es de nacionalidad Cubana y actualmente se sabe que trabaja en la compañía Nelo Tier en la ciudad Huehuetenango y que al parecer es un especialista en motores Diessel.

Lo cierto del caso es que se la ha dado bastante publicidad a la supuesta presencia de Earl Ray en Guatemala y todo hace suponer que esto es falso.

Para mejor información sobre el caso le adjunto una copia de lo que se actuó en fecha 5 de mayo del presente año.-
Atentamente, RUFINO.

Con todo respeto me estoy dirigiendo a usted, para -
informarle sobre el resultado de la investigación que se sirvie-
ra dejarme ordenada por conducto del señor Tercer Jefe & Inspe-
tor General de la Institución, misma que me fuera notificada a-
las 08.00 de hoy y que se relaciona con el señor Paulino Jarquín
Richeme, dueño del Restaurant "KATOK", ubicado en el kilómetro --
87 jurisdicción de Tecpán Guatemala, departamento de Chimalte--
nango, teniendo dicha persona su domicilio particular en el res-
torant ya indicado.

Para dar cumplimiento a lo ordenado, salí del edifi-
cio a las 08.20 horas a bordo de la unidad a mi servicio, pla-
cas P-9898 y auxiliado por los detectives Nos. 50 y 90 de la Sec-
ción de Homicidios y No. 45 de Interpol, llegando al restaurant --
"KATOK" a las 09.40 horas en donde de inmediato los que interve-
nimos, sometimos al señor Paulino Jarquín Richeme a un interro-
gatorio hasta cierto punto severo para que contestara preguntas
relacionadas con la supuesta presencia en un día no determinado,
de un individuo de origen norte-americano cuyo nombre se sabe -
es JAMES EARL RAY con los alias de Erik Starvo Galt, Harvey Low-
myer, W. O. Herron, John Willard, Jim McBride, James Walyon y -
James O'Conner y cuyas fotografías se pusieron a la vista del -
mencionado señor Jarquín Richeme. La persona sobre la que se -
interrogó a este último, se conoce que es la misma que ultimó -
en días pasados al Pastor Evangélico o Protestante MARTIN LUTHER
KING.

Las preguntas al señor Paulino Jarquín Richeme, se i-
niciaron sobre la supuesta presencia del mencionado JAMES EARL -
RAY en dicho restaurant, pidiéndose que indicara con certeza o --
por lo menos con alguna aproximación, la fecha o día en que hu-
biera estado dicha persona y al mismo tiempo la forma o motivo -
por el cual se diera cuenta de que se trataba del asesino del doc-
tor Luther King, resultando lo que sigue:

Que en ningún momento dicha persona (el supuesto ase-
sino) había estado en el restaurant, que las fotografías que se -
pusieron a la vista el día de hoy, ya la habían sido mostradas -
por otros detectives de esta Institución, no sabiendo los núme-
ros o nombres, pero deben ser sin ninguna duda los Nos. 1 y 204 -
de esta Sección de Interpol que con el mismo motivo viajaron el
día de ayer para entrevistarle.

Se le pregunto así mismo sobre la identidad de cierto
individuo norte-americano con el cual se le dijo se tenía conoci-
miento había conversado sobre el tema del asesinato del doctor -
Martin Luther King y al cual confidencialmente le había dicho que
el matador del mismo y cuyo nombre se le mencionó como el de JA-
MES EARL RAY, había cenado o por lo menos había estado en el res-
torant de su propiedad en días pasados y terminante negó que esto
fuera cierto, que no había tenido una conversación de esa natu-
raleza con ninguna persona y que al respecto solamente podía re-
-----SIGUE:

VIENE:-----latar lo que sigue:

Que hace aproximadamente unos quince días, a ese de las 22.00 horas, no recuerda la fecha pero probablemente fué un viernes, estuvo de pase un individuo que ha vivido muchos años en los Estados Unidos de Norte América, que a dicha persona lo acompañaba otra persona que supo era el chofer del anterior y que su origen en realidad no era norte-americano, sino cubano, que la conversación sostenida llevó accidentalmente al tema de la muerte del doctor Martín Luther King y los trastornos raciales que la misma había causado en el interior de esa Nación, pero que en ningún momento dijo nada relacionado con el caso que se investiga. Al ser preguntado por el nombre del cubano, dijo desconocerlo, que solamente sabía que trabajaba como posible experto en motores Diessel y que por mismas referencias que expusiera el cubano, supo que trabajaba con una compañía llamada NELO TIER que tiene oficinas en esta capital y en la ciudad de Huehuetenango ya que dicho cubano puede ser trabajador en esta última ciudad o por el camino fronterizo con México conocido como "EL TAPON". Hizo constar al mismo tiempo que la persona mencionada, lo es completamente desconocida y que era la primera vez que paraba en su restaurant, manifestando también que no se dió cuenta de la clase de vehículo en que llegaran el cubano y acompañante, pero que supone pueda ser de los pick up que tienen la leyenda "CARTERPIILLAR". Preguntado sobre el motivo de su viaje a esta ciudad el día 3 de los corrientes y si tenía alguna propiedad en donde pudiera pernoctar en la noche de esa día, dijo que nó, pero que había pasado parte de la noche en la casa del licenciado ROBERTO SAN CHEZ LAZO con domicilio particular en la 4a. calle entre 2a. y 3a. avenida de la zona 1 pero que recordaba el teléfono que es 28-0-76, que al decir que había pasado parte de la noche se estaba refiriendo a que durmió en la casa del mencionado abogado.

En la casa que se ocupa como restaurant en el kilómetro 87, viven también: la esposa del investigado, señora Berta Alicia García Keller, el padre de la misma señor Roberto Keller Kanter, como empleados en servicio manthene a los que siguen:

Alfredo Par Chali, Francisco Chabaj Socop, Antonio Ortiz Velásquez, Eugenio Vela Mejía y Adrián Pérez Marroquín que en esos momentos no se encontraba trabajando por encontrarse de vacaciones y los menores de edad [REDACTED]

[REDACTED] Sobre este particular [REDACTED] al señor Paulino Jarquin Richeime que debía de hacer los arreglos pertinentes para obtener el permiso correspondiente en la Inspección General del Trabajo relacionados con dichos menores. Todo el personal mencionado fué debidamente interrogado al igual que su patrón y los resultados fueron igualmente negativos ya que nadie sabía nada de nada.

Se hizo una breve inspección por el local que ocupa dicho restaurant suponiendo que se podría tratar de un MOTEL, pero solamente se pudo comprobar que en el segundo piso solamente existe una habitación con tres camas que da servicio solamente en casos de mucha emergencia, es decir cuando algún huésped ocasional lo solicita.

En cuanto al señor PAULINO JARQUIN RICHEME, se le previno que del conocimiento que esta Policía Judicial o más bien la Jefatura tenía sobre que JAMES EARLE RAY había estado en dicho restaurant, si se llegaba a comprobar que había incurrido en mentira u ocultamiento de información vital, las sanciones que le correspondieran serían severas por tratarse de un caso excep-

El interrogatorio se inició a las 09.40 y terminó a las 10.50 horas, retornando a esta capital a las 12.20 horas sin ninguna novedad que reportar a excepción de que el aparato FM del carro a mi servicio, se inutilizó a eso de las 10.55 horas cuando buscaba comunicación con la planta.--

RESPECTUOSAMENTE.
