Memorandum

TO : ALL SPECIAL AGENTS

DATE: June 4, 1968

FROM : *JJF* Legat NATHAN L. WERREIS

SUBJECT: MURKIN

By airtel, 5-9-68, the Bureau pointed out that the possibility that subject may have died since commission of the crime should be explored. In this connection, the Bureau desires that efforts be made to determine whether any record of unidentified dead is maintained by any police or governmental agency within the territory covered by this office.

The Bureau states that if there is no central repository of such records, in the case of Mexico, appropriate inquiries should be made during regular contacts with law enforcement agencies relative to the possibility that unidentified dead have been reported to these agencies for the period beginning 4-5-68. If fingerprints of these deceased individuals are on file, they should be compared with those of subject.

The Bureau points out that this should be handled in the normal course of business, and only reasonable investigation should be conducted along these lines. It is also a part of the Bureau request, directed to this office, that stops be placed with appropriate state, local, or national agencies, if feasible, in the event these agencies receive reports in the future concerning unidentified dead.

In other recent communications addressed to all SACs and the Legats, Mexico City and Ottawa, the Bureau has highlighted the following additional information concerning this case:

- a. Subject took a bartending course in Los Angeles, California, during the early part of 1968. Prior to his departure from Los Angeles in March 1968, he made several telephone calls to country clubs, seeking employment.

b. Subject has been known to consort with prostitutes and "street bums." A photograph of subject was obtained from a prostitute in Mexico.

c. Rewards

The Bureau has instructed that any established cooperative news sources be reminded in a discreet and tactful manner of the substantial reward money being offered for information leading to the arrest and conviction of the killer of Dr. MARTIN LUTHER KING. This amount now totals at least \$100,000. The Bureau points out that the FBI should not be identified as the source of this reward money or as the source of information concerning it.

In further detail, the Bureau advised on May 22, 1968, that according to a compilation set forth in the April 27, 1968, edition of the COMMERCIAL APPEAL, Memphis, Tennessee, \$25,000 has been offered by that newspaper and \$25,000 by the Scripps-Howard newspapers; in addition, businessmen and citizens in Memphis have offered several thousands more, and the City Council of Memphis has underwritten the reward up to \$100,000.

ELISA ARELIANO TORRES (caso ERICK STARVO GALT)

GUADAJALAJA, JAL.

Despues de estar insistiendo durante varios dias, reentrevistar a Elisa Arellano Torres, en el domicilio donde fué entrevistada la ocasión anterior, calle Apeninos No. 1764 Colonia Independencia, mismo donde tenía su residencia, se investigó en el vecindario, donde informaban no haber visto a Elisa ni a Roberto Arendeiro con quien vive, pero opinaban que aún vivían ahí y su ausencia se debía a razones de trabajo (retratos dibujados) y acostumbraban salir con frecuencia de la ciudad.

Se pensó que Elisa Podría estar en Ayo El Chico, Jal. en donde se encuentran sus hijos [REDACTED] de 5 años de edad y [REDACTED] de [REDACTED] de los mismos apellidos y de 4 años de edad, con la abuela materna de ellos, señora María de Jesus Jimenez, propietaria de un Restaurant en esa población.

Entrevistada María de Jesus Jimenez, propietaria del restaurant "Super Cafe" ubicado en Avenida Vallarta No. 29 Ayo El Chico, Jal. y de otro restaurant ubicado En la esquina de las calles Vallarta y Vicente Guerrero, del mismo lugar, dijo que Elisa estuvo casada con su hijo Roberto Asencio Jimenez, y se divorciaron debido a que Elisa se escapó a la ciudad de México con un hermano de su propio esposo, llamado Rigoberto Asencio, y en el mes de octubre de 1967, ella misma vino a entregar a sus dos hijos diciendo que ella no podía tenerlos porque le estorbaban para trabajar, y desde esa fecha no han tenido noticias de ella. Referente a Roberto, éste se encuentra casado nuevamente, tiene su domicilio en calle General Coronado No. 494 y trabaja con el conjunto musical que toca en el Bar Tekare.

Finalmente Elisa fué localizada en un nuevo domicilio, calle Torres Quintero No. 74 Colonia Independencia, dicha localización se debió a que ella misma estaba tratando de localizarme y fué a la Jefatura de Policía para ver si alguien le daba informes, encontrandose con el Agente Abel Chavez Salcedo, quien como ella ignoraba mi nombre le pidió media filiación y dedujo de quien se trataba.

En ésta segunda entrevista, Elisa dijo que las nuevas fotografías que se le mostraron del sugeto, (de lentes y donde luce gordo), corresponden al mismo sugeto que conoció en Puerto Vallarta, Jal., pero en la que luce mas gordo es en la que mas

se parece. Al preguntarle si ella vió en alguna ocasión las maletas, la máquina de escribir, la cámara Polaroid y la hielera portátil de Galt, contestó que no.

Cuando se le preguntó sobre el reloj que usaba Galt, dijo si haberlo visto en varias ocasiones, aunque no recuerda la marca, pero posiblemente era de correa de cuero, y que el se lo dejaba casi todas las noches cuando se encontraban en el cuarto del hotel Las Glorias a donde acostumbraban ir diariamente después que él iba a recogerla a las doce de la noche, del Hotel Posada Vallarta donde ella trabajaba como fotógrafa y como vendedora de cigarros, y calcula que cuando el salía del hotel Las Glorias, serían las 24:30 ó la una de la mañana, le daba su reloj y le decía que para que viera que no se tardaba mas de 10 minutos, se iba en el mustang, y regresaba en 10 ó 15 minutos, nunca le dijo a donde iba. Se preguntó a Elisa si acaso en estas salidas ella notaba alguna actitud extraña en Galt, que se pensara que había salido a fumar marihuana ó a usar alguna droga, ella dijo que no, que regresaba perfectamente normal. Finalizó diciendo que ella nunca supo de sus relaciones con Manueda Aguirre, ni con ninguna otra mujer, así como tampoco que visitara los cabarets, y que hasta el momento no ha recordado ningún otro incidente de sus relaciones con Galt, que no haya ya informado en las ocasiones anteriores, y que el motivo de que tratara de localizarme, es que habiéndose disgustado con Roberto Arendeiro, tenía decidido irse a vivir a Puerto Vallarta, y quería informarme de - ex esto, por si era necesario que fuera ella entrevistada para el caso que nos ocupa dijo que podría ser localizada en Iturbide No. 102 ó bien trabajando en la fotografía en el Hotel Posada Vallarta donde tratará de conseguir esos empleos, o bien en el domicilio indicado, la señora Virginia Preciado puede informar de ella, ya que bajo su cuidado tiene al niño Carlos Asencio Arellano de año y medio de edad, hijo de Elisa, dijo que también podría ser localizada por conducto de su mamá Margarita Torres, ~~xxxx~~ que tiene el teléfono No. 2-16-37 Ciudad Juárez, Chih.

Memorandum

TO : LEGAT (173-1)

DATE: June 10, 1968

FROM :  SA RUSSELL JEAN GRAY, JR.

SUBJECT: MURKIN

In response to information to the effect that JAMES EARL RAY was employed in the kitchen of the Hotel Zazil-Ha at Isla Mujeres, Quintana Roo, the writer proceeded from Mexico, D.F., to Merida, Yucatan, on May 28, 1968. Through the cooperation of ERNESTO ABREU GOMEZ, Chief, Police of Merida, arrangements were made for GILBERTO M. PECH P., an identification and laboratory expert in the Department of Records and Identification of the State Attorney General's Office, to accompany the writer to Isla Mujeres.

On May 29, 1968, PECH and the writer arrived at Isla Mujeres, where PECH made contact with JORGE POLANCO, Commandant of Police and a personal friend. It was determined that there was an existing police complaint at the Zazil-Ha Hotel which would allow a cover for investigation on the premises. A discreet survey of the hotel was made on the evening of May 29, 1968, but no one resembling the subject was observed.

On May 30, 1968, PECH and POLANCO made inquiry at the hotel and determined from FERNANDO MARTINEZ, the manager, that there were no Americans employed in the hotel. During the course of the investigation, photographs of JAMES EARL RAY were displayed to MARTINEZ, who immediately stated that RAY resembled a guest who had been at the hotel approximately May 9 through 12, 1968. This person was named JAMES ANDERSON, of Savannah, Georgia. However, since he had left without paying his bill, all the records pertaining to his stay had been sent to Merida to the hotel's accounting office for possible collection efforts. Inquiry by PECH and POLANCO developed that several other employees also thought the photographs of RAY resembled ANDERSON.

Once it had been determined that the subject was not present in the hotel, the writer accompanied PECH to the hotel and the following joint results of interview were obtained:

FERNANDO MARTINEZ, after searching certain accounting records, determined that JAMES ANDERSON of Savannah, Georgia, had arrived at the hotel on May 8 and departed on May 14, 1968.

MARTINEZ said that the cab driver who brought ANDERSON to the hotel from the airport reported that he resembled the man who killed MARTIN LUTHER KING. During the course of his stay, MARTINEZ learned that ANDERSON was violently anti-Negro, and one evening in jest MARTINEZ accused him of killing KING. ANDERSON became very angry and replied, "That spook got what he deserved." Following this he stated that he thought he'd better leave, and it was the following day that he left the hotel.

MARTINEZ said that ANDERSON was traveling on reservations made through the Perez y Perez Agency, had been in Puerto Vallarta, and had stayed in Mexico City at the Hotel Maria Isabel. He said he checked out of the Maria Isabel because there were too many American tourists around and he wanted a quieter place. ANDERSON claimed to be the vice president of a super market chain in Savannah but said he never wanted to go back to the United States. He said that his family sent him money every month and that if he went home his father would cut him off. He discussed the possibility of flying directly to Europe without returning to the United States.

MARTINEZ said that all of ANDERSON's clothing was new, having been purchased in Mexico City. He was described as a heavy drinker and once asked MARTINEZ to obtain marijuana for him. MARTINEZ observed a small carrying case full of costume jewelry and another attache case in which ANDERSON carried a .380 Super Match automatic pistol with one clip in the gun and two extra clips. He stated he carried the gun because he was traveling alone. MARTINEZ stated that despite his alleged position in business he seemed unfamiliar with such matters as purchasing money orders.

MARTINEZ described ANDERSON as being a white male, 5' 10" tall, 185 to 190 pounds, age late 30's. He stated that ANDERSON's facial characteristics closely resembled those of JAMES EARL RAY and that he had a cut scar on his forehead. He further stated that the signature appearing on the identification order appeared to closely match the handwriting of ANDERSON.

MEX 173-1

CONSUELO KIYAMA, cashier, reported she felt that JAMES ANDERSON closely resembled the photographs of JAMES EARL RAY. She said that ANDERSON's mouth appeared exactly the same as RAY's in the photograph taken in Los Angeles. She described ANDERSON as in his late 30's, 5' 10", 185 pounds, hairy arms. She stated he wore a white gold ring with eight small diamonds and several cheap tourist type rings. He walked slowly, limped and used a cane. He had a deep accent, and she could not understand all that he said.

KIYAMA advised she accompanied ANDERSON to the telegraph office so that he could cable for money from his family in Savannah, Georgia. She stated he sent four telegrams.

YOLANDA RUBALCAVA, Administration Desk, advised she, also, felt that JAMES ANDERSON closely resembled the photographs of JAMES EARL RAY. She described ANDERSON in approximately the same manner as had KIYAMA. She stated she was certain that he had no cleft in his chin, however. RUBALCAVA recalled that on one afternoon, after ANDERSON had had trouble cashing a check at the bank, she agreed to accompany him to a mid-town store to try to change some money. He walked with a limp and told her that he had fallen down a fire escape while fleeing after being surprised in a married woman's bedroom. They got to a store where he attempted to buy her a nightgown, but when she objected he bought her a dress instead for 220 pesos.

ANDERSON asked RUBALCAVA if she could obtain marijuana for him, which she refused to do. He also indicated he wanted to buy peroxide which he used on his short cut hair.

ENRIQUE LIMA Z., son of the owner of the hotel, advised he was present when JAMES ANDERSON checked in but left the city a day or two later. LIMA stated that when ANDERSON arrived he said he had lost a leg in the war and was a cattle man. LIMA later noted that ANDERSON signed on the register as a professor, and still later ANDERSON told him that he was in the supermarket business in Savannah, Georgia. First ANDERSON wanted to pay his bill with a personal check and later claimed he had forgotten his checkbook in Savannah. He objected to the first room he was given, saying he wanted a quieter room in view of the loss of his leg.

MEX 173-1

LIMA stated that ANDERSON drank heavily and spent a great deal of time in the bar. LIMA recalled that ANDERSON had a cut scar on his forehead and looked very much like the picture of JAMES EARL RAY taken in Los Angeles. LIMA's physical description of ANDERSON closely matched that given by the other persons interviewed.

On May 31, 1968, EDELBERTO SANCHEZ, Administrator, Telegrafos Nacionales, Isla Mujeres, confidentially made available his files and determined that JAMES ANDERSON sent four telegrams on May 10, 1968. One telegram was sent to JACK WILSON, Vice President, Liberty National Bank, Skidway Office, Savannah, Georgia, requesting WILSON to have ANDERSON's mother send him \$300. A second telegram was sent to Mrs. HARRY E. (LOIS) ANDERSON, 800 Pa. Avenue, Savannah, advising her of his whereabouts. Two other telegrams were sent to Mexico City in connection with the loss of a piece of luggage.

SANCHEZ and telegraphic clerk TEODORO REYNALDO SULU CAN both recalled ANDERSON coming in with Miss KIYAMA.

On the basis of the above, a telegram with the Savannah address was sent immediately to the Legat, Mexico City, following an earlier telegram giving background information about ANDERSON.

On May 31, 1968, PECH and SA GRAY returned to Merida via ship and bus and determined at the Hotel Maria del Carmen that JAMES H. ANDERSON had stayed there from 5:35 p.m. on May 13, 1968, until May 15, 1968. His bill was 602 pesos with a bar bill of 307 pesos included.

JOSE M. BURGOS, bartender, reported that ANDERSON was an obnoxious drunkard who claimed he had injured his leg in a sports car accident.

Following receipt of information by telephone from ALEGAT FOARDE, inquiry at the Pan American Airways ticket office in Merida through Mr. M. ECHEVARRIA determined that JAMES ANDERSON departed Merida on May 15, 1968, via PAA 506 en route to Savannah, Georgia.

On the evening of May 31, 1968, ALEGAT FOARDE reported that information had been received that ANDERSON had been located

MEX 173-1

in Savannah and eliminated as a suspect in this case.

On June 1, 1968, ERNESTO ABREU GOMEZ was recontacted and thanked on behalf of this office for the assistance rendered by him and especially by Mr. PECH.

SUBJECT: MURKIN

DATE: June 10, 1968

At Merida, Yucatan

On June 1, 1968, Vice Consul DONALD J. YELLMAN, Merida, reported that Reverend ERNEST D. MATTHEWS possibly had information regarding JAMES EARL RAY.

On June 2, 1968, Reverend ERNEST D. MATTHEWS was located at Calle 58A #510, Merida. He stated he received a letter dated May 28, 1968, from FELIX OZCORRA, a missionary at Bacalar, Quintana Roo, who had been furnished with a flier in this case previously distributed by SA JOHN PAGE, JR.

In this letter OZCORRA stated that while he was away from home at the end of April his wife reported that an American and a Mexican had come to the kitchen of their house. The American had books under his arm and was wearing a dirty sport or sweat shirt. The Mexican, who came back another time, described himself as a shipyard worker from the west coast who was looking for work. Mrs. OZCORRA said these men left Bacalar about three weeks previously and she had not seen them since. However, her husband said she was quite sure the American resembled JAMES EARL RAY as depicted on the flier.

It should be noted that the fliers did not reach Bacalar until sometime after the departure of the American in question.

On June 2, 1968, Consul WILLIAM N. HARBEN, Merida, advised he had just returned from a road trip to Chetumal, capital of Quintana Roo and the principal city near Bacalar. He had made inquiries regarding an American on May 26, 27 and 29, 1968, at Chetumal, and there are none there. He stated it was his opinion that JAMES EARL RAY would hardly cross the border into Belize as Belize City is populated by 99 per cent by Negroes.

On June 2, 1968, THOMAS L. KINGSBURY, Calle 28 #414, Colonia Industrial, Merida, who is familiar with smuggling

narcotics and other criminal activities in the Yucatan Peninsula, advised he had heard a rumor that an American with money had walked with a group of Mexicans from Carrillo Puerto, Quintana Roo, to Vigia Chico. Also in the group was MAUREEN GRIFFIN, a Florida prostitute and narcotics addict. They were en route to join ARNE HOMER CHRISTIANSEN, an American smuggler and pimp who lives on Isla Punta at the north end of Ascension Bay. This location is a perfect hideaway and is the scene of an air strip constructed by JORGE DIAZ CARRILLO to fly out lobsters, et cetera. CHRISTIANSEN in the past helped Bureau fugitive ROYCE LEE BOLIN, knowing him to be a fugitive, and would be capable of helping a person such as JAMES EARL RAY, according to KINGSBURY. KINGSBURY stated that CHRISTIANSEN is an alcoholic and marijuana user and is violently anti-Negro.

KINGSBURY advised he planned a trip shortly to the area where CHRISTIANSEN was. He was furnished with photographs of JAMES EARL RAY in the hope that he would observe RAY, should he be hiding in the area of CHRISTIANSEN's camp.

It is noted that by letter dated 6/4/68 Consul HARBEN advised this office that KINGSBURY showed photographs of JAMES EARL RAY to a truck driver who took one of two Americans who recently traveled to Punta Maya (just before reaching Isla Punta) and that this man was apparently not RAY.
