4/4/68

Opened store about 5 pm, 4/4/68.  
Two Negro males came in (one of whom  
later was heard to say we heard a shot).  
About 6 p.m., Canipe heard thud by  
front door, looked up and saw bundle  
lying in front dor way and saw a white  
man walking south on sidewalk in front  
of store. Canipe hesitated, then went  
to sidewalk, looked in both directions.  
Saw a white, small car, possibly a  
compact, pull from curb on east side  
of Main Street just south of store.  
Only driver was in car.

Looked north, saw Deputy approaching with pistol drawn, immediately went back into store. After a number of officers arrived, their attention drawn to bundle. Bundle consisted of large rifle-size box, with top ajar and gun barrel showing, green cloth over bundle, maybe curtain. "Browning" written on box, suitcase or briefcase under cloth. Car he saw pull from curb was 2nd or 3rd from his store door. Canipe feels that man he saw on sidewalk is same as man in car.

About 4 pm, 4/4/68, man entered York Arms and said he wanted to buy pair binoculars. Mr. Carpenter said they were almost out and had one pair for \$200 and one pair for ninety-some dollars. The man said these prices were too high, and Mr. Carpenter said he might have a cheaper pair in window. Carpenter went to window and returned with pair of Bushnell binoculars size 7 x 35 for \$39.95. The man raised them to his eyes and indicated they were acceptable. Man asked if instructions were in box.
