Charles Stein talked to him in his stepfather's house in New Orleans about being in New Orleans with Galt. At that time, lived on Iowa St., New Orleans. and presently is a merchant marine.

XIV-29    A week before Christman, 1967, saw Charles Stein, a very good trend, in N. O. Stein said was driven there by Galt who paid for most of trip and was bad driver. Stein talked of his "Cosmic Philosophy" (space ships, planet people, etc.) and was converting Galt.

When left, met Galt who said little. Had what looked like surveyor's transit in a leather case with a zipper in back of car. Above gave them a map of directions of how to get out of N.O. Says 1960 photo of Ray did not resemble Galt. Stein formerly married to "queen of vice" of French Quarter in 1962 and 1963.

Assigned to Unit 10, located at fire station at 6 pm, 4/4/68. Heard King was shot. Ran out north door, east toward motel; jumped over fence, dropped down 10' retaining wall, ran to driveway on Mulberry. Dropped fire-arm, picked it up. Ran north on Mulberry to Huling, west on Huling to Main, south on Main to Jim's Grill. Saw no pedestrians; told customers to say in Grill. Continued running south on Main and saw items in doorway at Canipe Amusement Co. Saw other officers approaching, turned around, and walked

to Canipe, then across street by blue Camero. Positive no one left area on foot or by car after he arrived on Main St. Only time he couldn't see street was when he stepped into Grill momentarily.

Did not see Canipe until he returned to Amusement Co. at which time other officers were there. After hearing reports from Canipe customers and squealing tires, he observed tire marks in road probably made by car parked in 2nd space.

Thinks he was the deputy seen by persons in Amusement Co.
