Agents checked register; no Galt listed. Garner stated that a man named FNU Galt was a roomer but didn't register. Between 5 and 6 pm, April 5, 1968, Galt approached another roomer, Fred C. Jones, who was sitting in front of building. (Jones has room #1, 113 - 14th St.) and asked about a room. Garner joined them. Galt said he wanted single, quiet room. Garner said he could put him in a double room, #5, 107 14th St., and would move him to a single when available. Garner noted that Galt drove black car, probably Ford, 62 or 63, out-of-state license. Garner received \$11 (\$10.50 for room, .50 for key deposit).

Galt moved into room #5, 107 - 14th st. on April 7, he moved to room #6, 113-14th St. On same day Fred C. Jones brought

a fellow-employee, Harold G. Anderson to bldg. Anderson assigned to room #2 113 14th St.

9 p.m. , April 9, 1968, Galt and anderson together told Garner they were checking out to go to Michigan. Rooms were vacant next day.

Agents went to Galt's room. Saw package and 2 letters addressed to Galt in hall postmarked 4/1/68, 4/9/68, 4/10/68. Garner unable to explain how letter was sent to that address before April 5. Garner said Galt left nothing behind.

Description of Galt: White male, 32 -35 5' 11", 190 lbs, dark brown or black hair worn in a brush cut, blue eyes, medium "outdoor" complexion, Southern accent.

Garner interviewed in response to call. Stated "Lee is not Galt." Produced envelope bearing name "Eric S. Galt" said G Galt wrote name when Garner requested it. Galt rented room on March 24, 1968, late in evening. Assigned to room #2, 113 1/2 14th St. Galt paid rent on due-date, March 31, 1968, about 1 or 2:30 pm, and paid for one week in advance.

On April 5, 1968, Garner entered room to change linen. Found note on laundry's shirt-backing saying that Galt had gone to Birmingham and would return in a week for his T.V. set. Garner destroyed note. Description: White male, 33-35, approx 6' slender build, black hair worn short possibly parted on side. Garner had

previously noted that Galt had light-colored, possibly white, car. (On April 15, Garner called a roomer, Harold Waters, to see if he knew make of car.)

Confessed drinking sprees lasting several days.

Began drinking in room Friday 3/22/68. On Sun. afternoon, before dark, Galt appeared and asked for single room. 113 14th St. had been closed due to hippie invasion. No single available at 107 14th, so Garner opened 113. Galt produced partly consumed bottle of vodka, and had drink in 113, room 2. Galt said room #2 was too small. Shown room #4, storage. Did not see any of Galt's possessions at that time. Garner put padlock, unlocked, back on hosp of room #4 when left. Garner returned to room at 107 and probably finished vodka Galt left. Bottle probably thrown away. Remembers no

specifics of conversation because drink.

Garner says Galt wrote name not on first meeting. but a week later 3/31/68 when paid rent for 2nd week.

Garner drank through week of 3/24 and did not start Sobenng until that weekend. Thinks he may have gone into Galt's room 3/26/68 - Tuesday - but not sure.

May have gone in Galt's mustang during first week as questioned by an acquaintance about what he was doing - no memory of ride, nor does he remember acquaintance who asked him about it.

and wrote name on envelope. Did not go into his room. Garner has been sober from 3/31 to 2nd spree starting 4/19/68. ~~xxx~~ He is sure he did not see Galt from 3/31 on. May have seen car at various times, but unsure as to where or when.

On 4/5, went to 113 around 10 am from restaurant to get linen. On bed in Galt's room found note, poss. on cardboard, that said in effect Galt had gone to B'ham and would return in about a week for his belongings. Noticed that storage room locked. At later date went in it and says Galt's possessions.
