Tactical Unit 10. Heard shot about 5:50 pm, 4/4/68, but ignored it until someone said King had been shot; ran along fire station, jumped down retaining wall to Mulberry, thence to Lorraine Motel. Someone pointed to rooming house as place where shot came from. Ran back, climbed up retaining wall, searched area around motel side of rooming house. Found only two footprints near cellar. Since it had recently rained, other footprints would have been there if anyone had walked there.
